2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requireme	ents for the
University of Californi	ia (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

Don Riggio School was founded in 1992 as Pacific School, a school of choice in Lincoln Unified School District; it had and still has no attendance boundaries of its own. When parents choose Don Riggio School, they become part of a very special learning community where each and every member is valued for his or her unique gifts and talents and is encouraged to contribute to the success of the community as a whole. Don Riggio School believes that all children can and will learn and be successful. This is achieved by educating the whole child, fostering individualism, and promoting independent thinkers and problem solvers who value curiosity and creativity. This is nurtured through the visual and performing arts, technology, and purposeful and engaging learning experiences. We celebrate individual student successes and promote a growth mindset as

2024-25 School Description and Mission Statement

we strive to create an equitable community of learners.

Through the School Plan for Student Achievement, Don Riggio School embraces the challenge of meeting the expectations of state and federal accountability systems while continuing to provide an educational experience for students, parents, and teachers that is meaningful, creative, and rich in learning. The school focus is to increase proficiency in reading and math by strengthening instructional strategies and providing professional learning opportunities. Don Riggio School strives to enhance our science curriculum with STEAM based opportunities both in the classroom and in our STEAM Lab. State testing and district wide assessments such as iReady and Amplify are used to track student progress multiple times throughout the year. iReady and Amplify are used to provide learning interventions and data to support overall student achievement. Don Riggio endeavors to support all students in attaining goals through quality instruction and intervention programs such as Title One, designated and integrated English Language Development, extended day tutoring, special education services, and language support services.

Don Riggio school is dedicated to promoting a positive school climate through Positive Behavioral Interventions and Supports (PBIS). Our Dolphin Way focuses on students being Safe, Responsible, Respectful, and Kind, and our student council spreads positivity across campus through monthly focus areas and school wide challenges. We utilize the House System as a tier one intervention in order to build a strong school community and enhance students' sense of belonging on campus. The vision is with increased positive school climate we will be able to decrease chronic absenteeism and suspension rates and engage more families in school.

Finally, Don Riggio is the Visual and Performing Arts school in the district. The school continues to champion the arts by carving out Arts Block time in the schedule for all students. Every student has the opportunity to perform in a musical theater production. Our 4th-6th grade students run the entire show, including sound, lights, costumes, production, choreography, special effects, computer generated images and set design. At the annual Dance Festival and Art Show, every grade level presents a folk dance that ties to their Social Studies' curriculum. The K-12 District Music program, taught by music specialists, which includes general music for grades K-6 twice a week as well as band, orchestra, and choir is highly valued at Don Riggio School.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Following a public hearing the LUSD Board of Education has found that sufficient textbooks and instructional materials are available to each student in Reading/Language Arts, Mathematics, Science History/Social Science and Health. All students, including English Learners have textbooks or instructional materials, or both, to use in class or to take home.

School Facility Conditions and Planned Improvements

We are fortunate to have a facility built in 2002 at Don Riggio. Our school has state-of-the-art classrooms and buildings, especially our performing arts building and beautiful library. We also have a fence and locking gates that encloses our campus, making it safer and easier to monitor visitors. We have identified procedures for maintaining safety and the flow of traffic during drop off and pick up.

Our school includes 11 buildings, of which five are portables. On an average day, almost 600 students and staff occupy these buildings. The buildings and facilities are surveyed regularly to ensure they are in good working order. The school is cleaned and disinfected on a regular basis. Our lead custodian works during the day when school is in session, and we have night custodians to clean the classrooms and restrooms after the students have gone home. They take pride in the way our campus and grounds look. The District Maintenance crew mows weekly and is on call for repairs through our work order system. Teachers and campus supervisors monitor the school grounds for 30 minutes before and after school as well as at all recesses and at lunch time. Teachers regularly review the rules for safe, responsible behavior in school and on the playground with their students. We have a closed campus. Visitors are asked to enter the school through the main door and sign in at the office, where they receive a badge to wear throughout their stay.

We include students in the decision-making process about safety through our Dolphin Way, Tribes community circles, and restorative conversations.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

At Don Riggio, parents and teachers work together in a variety of ways to support our school. The Parent Teacher Student Association (PTSA) actively recruits volunteers and is engaged in both fundraising and service activities. A Welcome Back Concert on the Hill and Fall Festival are just a few of the activities designed to welcome parents to the school. In addition, PTSA provides hospitality at all school events. Parents and community members have the opportunity to become directly involved by serving on our leadership teams, including the PTSA, School Site Council (SSC), and our English Learner Advisory Council (ELAC). In addition to Back-to-School Night, the school also hosts parent involvement events that focus on curricular areas, the arts, and parent resources. Because we have a focus on the visual and performing arts, there are many opportunities for parents to come and see their child's work in action, as well as help with the production. Our final "open house" of the year is a dance festival and art show.

We also involve parents in their child's education through monthly newsletters, special mailings, parent resource videos, Parent Square messages, progress reports, and parent information nights. Our multi-faceted reporting system includes standards-based report cards, parent conferences, and regular reporting of district testing results. Parents who wish to participate on Don Riggio's leadership teams or school committees, or who would like to volunteer, may contact Principal Rebecca Mullen or the main office at (209) 953-8753.

2024-25 School Safety Plan

Emergency Response Procedures were developed in coordination with the California Safe Schools program and are revised and updated each year with the support of LUSD security and LUSD School Resource Officer. These are detailed in the School Safety Plan and support responses needed depending on the type of emergency. The staff is trained on procedures to follow during an emergency, and participate in regular scenario discussions to support emergency preparedness. The staff and students also participate in regular drills to practice the procedures. The School Safety Plan was last reviewed and updated in February 2024.

Fiscal Year 2023-24 Types of Services Funded

Intervention teachers and instructional aides provide intervention services to small groups of students during the school day who are not academically at grade level. One counselor provides services to support the social-emotional needs of students and to provide tier one behavioral interventions in the classrooms. We utilize PBIS (Positive Behavioral Interventions and Supports) to proactively support students in making choices that support our Dolphin Way - Respectful, Responsible, Safe, and Kind. Students access technology tools and supplemental software designed to increase student proficiency in reading and math. Students have access to extended day tutoring for additional academic support. Primary language assistants provide support services to English Learners, and we also utilize a translator to ensure information is given to families in their primary language.

Professional Development

Lincoln Unified School District provides additional professional development days for staff annually as part of the contract, with site based professional learning throughout the school year. Early dismissal on Mondays also provides teachers with additional time each week to collaborate and articulate with other grade level or department teachers. Teachers participate in a professional learning community weekly. They analyze data, determine common misconceptions and necessary next steps,

Professional Development

and adjust instruction to meet student needs. Professional learning is provided during staff meetings and outside of the school day to support implementation of curriculum, best practices and instructional strategies to increase the achievement of all students. In addition, new teachers are provided with three days of professional learning before the start of each school year. Our goal is to continue to have a highly trained professional staff that supports success for all students in the classroom. Lincoln Unified School District is committed to supporting school district staff through quality professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.
