Helpful Hints

Use your personal email - do not use your Monomoy school email address as it will be deactivated.

Should you move or change information, you need to update your contact information.

In your essay/questions, you need to explain why assistance is needed.

- Are there situations that would be important to note?
- Has financial status changed?
- Are there extenuating circumstances?
- Be honest and open about your situation as it will be helpful to the scholarship committee deciding who receives the awards.

If you have not chosen a college yet and need to identify one, list your first choice!

For MDFS - you should still apply if you are attending community college or a trade school.
