PROGRAM OVERVIEW

Fulton County Schools implements the state funded Georgia’s Pre-Kindergarten program. We are proud to offer 94 lottery funded Georgia’s Pre-Kindergarten classrooms in 51 elementary schools throughout the district.

Fulton County’s Pre-Kindergarten program helps children become independent, self-confident, enthusiastic learners. Participation in the program encourages children to develop good habits and daily routines. Research shows that children benefit when instruction is child centered. Child centered instruction allows teachers to facilitate learning in an environment that fosters children’s initiative, exploration, and collaborative interaction with other children and adults.

We provide children with developmentally appropriate learning activities and experiences that prepare young children to be school ready for Kindergarten. For a child to be school ready, they are socially, emotionally, physically, and cognitively prepared for success in Kindergarten.

To ensure a smooth transition to Kindergarten, families are provided information and assistance in preparing for their child’s enrollment in Kindergarten.

ELIGIBILITY

Only students who are four (4) years of age at 11:59 p.m. on September 1, 2025 **AND** live within the Fulton County Schools attendance zone are eligible to enroll in the FCS Pre-Kindergarten program. Families must provide proof of birth (age) **and** proof of residency to register for the program.

HEALTH REQUIREMENTS

CERTIFICATE OF IMMUNIZATION

All children must have a Certificate of Immunization on file, except for those in exempted categories, within the first 30 calendar days of entering the program. Department of Public Health (DPH) Form 3231 must be used for this purpose. Form 3231 must have either the ‘date of expiration’ or ‘school attendance’ block checked.

Georgia law allows for two types of exemptions from the immunization requirements: medical and religious.

- Medical exemptions are used when it is deemed medically necessary for the health of the child. A medical exemption **must** be marked on DPH Form 3231. A letter from a physician, Advanced Practice Registered Nurse, or physician assistant attached to DPH Form 3231 will not be accepted as a medical exemption. Medical exemptions are valid for a one-year period.
- Religious exemptions are used when families object to vaccinations on religious grounds. The only acceptable affidavit used to register a religious objection to required vaccinations is the Georgia DPH Form 2208. Religious affidavits must be notarized and kept on file. Religious affidavits do not expire.

The FCS Early Childhood Department equips educators, families, and caregivers with high-quality early learning experiences to develop the emotional, social, and cognitive skills of all young children.

CERTIFICATE OF VISION, HEARING, DENTAL, AND NUTRITION SCREENING

All children attending Georgia’s Pre-Kindergarten program must have a Certificate of Vision, Hearing, Dental, and Nutrition screening Department of Public Health (DPH) Form 3300. DPH Form 3300 is intended to ensure that every child in Georgia is screened for potential problems with their vision, hearing, teeth, and nutrition. The vision, hearing, dental, and nutrition screenings reported on DPH Form 3300 must have been conducted within 12 months prior to the start of the Pre-Kindergarten program.

- Children may register and begin attending Pre-Kindergarten prior to the completion of these screenings and the issuance of DPH Form 3300. However, a complete DPH Form 3300 must be on file within 90 calendar days of the beginning of the Pre-Kindergarten program.
- If DPH Form 3300 is marked ‘Needs Further Professional Evaluation’, families are encouraged to take the child to a professional for a more detailed evaluation. Parents should provide documentation indicating their follow-up efforts. Schools should maintain follow-up documentation in Infinite Campus (i.e., updated certificate, doctor’s notes, scheduled appointments, information from parents, etc.).

FULTON COUNTY SCHOOLS LOTTERY GUIDELINES**I. Lottery Application Publicity: Post and Advertise**

1. Lottery Application dates: January 23, 2025 – March 5, 2025
2. Date/Time/Location of lottery drawing (to be held at the school March 24 – 26, 2025)
3. Location lottery drawing results will be posted
4. Lottery Priorities:
 - i. Students living within the school’s attendance zone.
 - ii. Students that live outside of the school’s attendance zone and within the FCS School District.
 - iii. FCS employees who plan to return to FCS for the 2025 – 2026 school year are considered ‘in school zone’ for all FCS schools, with proof of employment. New hires for the 2025 – 2026 school year are considered ‘in school zone’ with proof of employment. All FCS employees are required to provide proof of Georgia residency before a seat is confirmed. NOTE: For the purposes of the lottery, FCS employees are only entered into 1 ‘in school zone’ school based lottery. They are considered ‘in school zone’ for all lottery waiting lists.
 - iv. Principals may designate up to 2 seats per General Education class and 1 seat per Inclusion class for FCS staff members. If there are more staff members interested in the seats than there are principal seats, a school lottery process should be used to determine the seats. At the end of the third day of school any of these unused seats are released and will be filled through the waiting list process.

II. Lottery Drawing Preparation Procedures

1. Parents must complete the Lottery Application for the 2025 – 2026 Pre-Kindergarten program using the online Qualtrics link. These are the only students that will be considered for lottery drawings and initial seats in the classrooms.
2. The Early Childhood Department will send the lists of eligible applicants to each school data clerk by close of business on March 11, 2025.
3. School data clerks are responsible for verifying that all addresses provided by the families are accurately identified as ‘in school zone’ or ‘out of school zone’. NOTE: There are redistricting changes that impact several schools – it is the data clerk’s responsibility to verify these addresses.
4. School data clerks will add children to ‘in school zone’ or ‘out of school zone’ lists based on verification of information. NOTE: Twins and other multiples each receive a lottery ticket, however all names are recorded on all tickets. This ensures that the correct number of seats are accounted for.
5. School data clerks will notify families by the close of business on March 20, 2025 to provide them with their lottery information (‘in school zone’ or ‘out of school zone’ status and lottery number).
6. Data clerks should use the excel spreadsheet provided by the Early Childhood Department to keep track of all applicants and enter the lottery numbers in the appropriate ‘in school zone’ or ‘out of school zone’ lottery drawing.
7. Schools conduct lottery drawings March 24 – 26, 2025. All lottery drawings are to be held virtually through a Teams meeting and recorded.
8. Families should be notified, and lottery results posted by the end of the day on Friday, March 28, 2025.

The FCS Early Childhood Department equips educators, families, and caregivers with high-quality early learning experiences to develop the emotional, social, and cognitive skills of all young children.

9. If a lottery is not necessary, because there are fewer applicants than there are seats, families should be notified of their status and will complete the Online Registration through Infinite Campus.
10. After the online registration process is complete, data clerks will proceed with verifying documents and completing the registration process.
11. Enrollment information and all required proof of birth and proof of residency documents must be complete and uploaded by April 30, 2025 to confirm a seat in the Pre-Kindergarten classroom. NOTE: Seats are not finalized until all documents have been verified by data clerks AND funding has been awarded by DECAL Bright from the Start.

III. Lottery Procedures

1. Explain the lottery drawing process to parents. Be sure to tell them when and how the results will be posted. All results must be posted by the end of the day on Friday, March 28, 2025.
2. ONLY use the ‘Lottery Application Numbers’ to draw numbers for the lottery. Each number is entered as a ‘ticket’. Select a neutral staff member to draw the tickets.
3. After each ticket is selected, call out the number.
4. The number will be recorded by the appropriate personnel on the ‘Lottery Drawing’ form provided.
5. Twins and other multiples will receive the same lottery drawing number. However, each child will receive a lottery ticket to place in the drawing. Make sure that each ticket has the number AND each child’s name on it.
 - For example, twin A and twin B: twin A has number 30 AND twin B has number 30.
 - The names of twin A and twin B are on both tickets.
 - Twin A’s lottery ticket has the number 30 and the names of both twin A and twin B.
 - Twin B’s lottery ticket has the number 30 and has the names of twin A and twin B.
 - This is the same process for any type of multiple.
 - If one child’s lottery ticket is drawn, each child is given a seat if seats are available.
 - If twins or multiples are drawn at the end of the lottery and space is not available to accommodate all siblings, the parent must decide which child will receive the seat. The other child will be placed at the top of the waiting list.
6. Once all seats on the ‘in school zone’ list are full, continue drawing ‘in school zone’ names and place on the ‘in school zone’ waiting list.
7. Once the ‘in school zone’ students are complete, use the same procedure to draw ‘out of school zone’ students and place them on the ‘out of school zone’ waiting list.
8. If a **general education classroom** has less than 16 students (including the principal spots) and no ‘in school zone’ wait list, slots should be filled with students on the ‘out of school zone’ wait list until the total number of enrolled students in the class is 16. The remaining 4 slots will be saved for ‘in school zone’ students until the end of the 3rd day of school.

IV. Class Placements

1. Schools reserve the right to change classes after the ten-day count.
2. Parents may request that twins/multiples be placed in the same classroom prior to the beginning of the school year.

The FCS Early Childhood Department equips educators, families, and caregivers with high-quality early learning experiences to develop the emotional, social, and cognitive skills of all young children.

3. The FCS Pre-Kindergarten program is funded through DECAL Bright from the Start. Lottery funding is never guaranteed, and classes are pending until state funding is awarded.

V. Filling Remaining Seats

1. As long as there are available general education seats in the classroom, continue to fill with students (first with 'in school zone' and then with 'out of school zone' students). For example, if all 'in school zone' students have received seats and there are 13 students in a general education class, and the principal has 2 seats to fill, that means that 15 seats are accounted for. You may fill 1 seat with 'out of school zone' students. You now have 16 students in the classroom. The remaining 4 general education seats are to be filled with any 'in school zone' students that enroll from this point through the 3rd day of school.
2. At the end of the 3rd day of school, any remaining general education seats, including the principal seats, will be filled with students from the 'in school zone' and 'out of school zone' waiting lists.
3. If there are general education openings at any time during the school year, students that live in the school's attendance zone will have first priority over students living outside of the attendance zone.
4. The Early Childhood Department reserves the right to use available seats for children who are experiencing homelessness, in foster care, from military families, and/or experiencing other hardships that may require placement (Bright from the Start Enrollment Guidelines).

VI. Wait list information

1. To be placed, and to remain on the wait list, families must complete the DECAL Bright from the Start Georgia's Pre-K Waiting List Information Form. This must be kept with the data clerk.
2. Upon receipt of the completed DECAL Bright from the Start Georgia's Pre-K Waiting List Information Form, the data clerk must record the date and the time received at the top of the document and enter the information required into the Bright from the Start Waiting List Template to be provided by the Early Childhood Department.

Attendance Guidelines

- I understand that my child will attend class for the entire 6.5 hour school day, five days a week.
- I am also aware of my child's school hours. I understand that is very important for my child to arrive timely to school and remain for the entire day of 6.5 hours.
- Repeated and excessive absences, tardies, early dismissals, and late pick-ups can result in my child being disenrolled from the Pre-K program.
- Absences due to bereavement, military, and or family emergency will be considered for excuse with written verification.
- A tardy is only excused if it is due to a medical appointment with proof of verification from the medical provider.
- If my child becomes ill or has a medical appointment, I will provide the school (or teacher) with a written excuse from the medical personnel in which my child was seen.
- If my child's condition is treated at home, I will provide a written note to explain his/her condition.
- All documents and notes for absences or tardies must be submitted within 48 hours of my child's return to school. If I do not provide documentation, I understand that the absence or tardy will be considered unexcused.
- If my child is absent for 5 consecutive days and I fail to contact the school, my child will be removed from the program. I will maintain updated contact information that includes telephone numbers, emergency contact numbers, email addresses and residential addresses. **NOTE: Fulton County Schools will make every effort to contact you if your child is absent 5 consecutive days. If we are unable to reach you, your child will be removed on the 6th day of school.**
- **There is a 10 day consecutive absence/tardy policy.** Failure to notify the school of an emergency situation that will result in 10 days of absences or tardies will result in automatic withdrawal from the program.

Pre-K enrollment is voluntary and spaces are limited and only available to students within the Fulton County School attendance zone. If you relocate or withdraw from the program, please provide the school with updated information as soon as possible. Pre-K students cannot be enrolled in two programs at the same time. If you plan to move out of the school zone, please check with that school to inquire about openings. Fecha: _____

Yo _____, padre/madre de _____,
Nombre del padre o madre Nombre del alumno

he recibido las normas para la asistencia a clase correspondientes al programa de Pre-K.

Requisitos para la asistencia a clase y las inasistencias

- Comprendo que mi hijo/hija asistirá a clase 6.5 horas completas cada día, cinco días a la semana.
- También sé cuál es el horario de clases de mi niño/niña. Comprendo que es muy importante que mi hijo llegue con puntualidad y que permanezca todo el día, las 6.5 horas completas.
- Las llegadas tardes, salidas temprano y retirarlo tarde en forma reiterada pueden traer como consecuencia que se retire a mi niño del programa.
- Una llegada tarde sólo se puede justificar si se debió a una cita médica, acompañada de un comprobante del profesional médico que lo verifique.
- Si mi hijo/hija se enferma o tiene una cita médica, le entregaré a la escuela (o al maestro) un justificativo por escrito del profesional médico que lo haya atendido.
- Si atendimos al niño en casa, enviaré una nota escrita para explicar su enfermedad.
- Todos los documentos y notas por inasistencias o llegadas tarde deben presentarse dentro de las 48 horas del regreso del niño a la escuela. Si no proveo documentación, comprendo que la inasistencia o llegada tarde se considerará injustificada.
- Si mi hijo está ausente por 5 días consecutivos y que no logran comunicarse con la escuela, mi hijo será retirado del programa. Voy a mantener la información de contacto actualizada que incluye números de teléfono, números de contacto de emergencia, direcciones de correo electrónico y direcciones residenciales. **NOTA: Las Escuelas del Condado de Fulton hará todo lo posible para ponerse en contacto con usted si su hijo está ausente 5 días consecutivos. Si no somos capaces de llegar a usted, su hijo será eliminado en el sexto día de clases.**
- **Existe una política de asistencia a clase/llegadas tarde de 10 días consecutivos.** Si no se notifica a la escuela sobre una situación de emergencia que obligará al niño a faltar a la escuela o llegar tarde 10 días consecutivos, se lo retirará automáticamente del programa.

La inscripción en el Pre-K es voluntaria y las vacantes son limitadas y están disponibles únicamente para los alumnos que viven dentro de los límites del condado de Fulton. Si se muda o se retira del programa, por favor infórmelo a la escuela lo más pronto posible. Los alumnos no pueden estar inscriptos en dos programas de Pre-K al mismo tiempo. Si planea mudarse fuera de la zona escolar que le corresponde, por favor verifique si la escuela tiene vacantes. El Pre-K tiene una capacidad **máxima** de 20 alumnos por aula. **Si se muda fuera de la zona de la escuela que le corresponde en el condado de Fulton, el niño será retirado del programa.**
