

DISCOVERY KITCHEN FUN

The Great American Roadtrip

Students will take a journey through the quadrants of the U.S., where they will learn about each region's favorite dishes and why each area's geography allows it to produce certain foods for the entire country. Designed to spark curiosity about agriculture and cuisines around the nation, The Great American Roadtrip is packed full of delicious recipes and fun activities for student diners of all ages.

Welcome Jennie Norton

Chartwells & Tukwila School District would like to welcome our new director of dining services.

Jennie comes to us with over 20 years of experience in leadership, team building, and service. Jennie most recently has been working as a registered dietitian nutritionist with previous work in school nutrition.

We are excited to welcome Jennie to Tukwila and are excited to see what she brings to our district.
