Why take this class? This class includes practical and relevant information on how to increase your ACT score. It shows you how to control the test and not let it control you! The workshop covers what will be on the test and how to master test-taking techniques. This class is not a practice test! Learn general ideas about the ACT as a whole and the individual tests:

- English- Learn what ACT test-writers are looking for and how to approach different types of questions.
- Math- Learn what problem-solving skills and math skills you need.
- Reading - Learn your best method for doing well on ACT reading.
- Science- Learn common question types and what's really required to do well.
- **Requests for refunds will have a \$20 processing fee deducted if cancelled more than 1 week prior to the class date. Cancellations within a week of the class date will not receive a refund. Make-up classes are not offered for partial attendance. No-show students are nontransferable and nonrefundable.**
- This class fills quickly; registrations are prioritized by date received. **Class size varies based on host location, but complies with local CV19 guidelines.** Upon receipt of payment all registrants will receive a confirmation email.
- Payment for this course does not register you for the official ACT. Students must register and pay for the ACT at actstudent.org.
- Additional ACT information is available in your high school counseling office.

About the program: Carolyn Devane has been teaching ACT classes and helping thousands of students improve their scores since 1999. Here's what students are saying:

"I took your class at the K-State campus at the end of August! I was the kid that said you raised my score by three points! Well, guess what? You have outdone yourself once again!

"I received, with a super score, a 26 on the ACT!! That's a two point increase from my previous score! My score in my math section increased five points!!!! I used all your tips... and this math score really made me proud of myself.

"I've been getting even higher scores when I practice, so I am thinking about retaking the ACT in January or February! I just wanted to let you know that both of your classes have helped me to become a better test taker and a more accomplished student, and I want to thank you!!"

DEAR PARENTS,

Do you want to give your child recognition in an award-winning yearbook? If so, purchasing a senior tribute is a great way to show them how much you care about them. This is a wonderful way to share your own words, pictures and memories with your senior. A senior tribute is also a great parting gift for your senior, and a great way to support Shawnee Mission South's yearbook, Heritage. Students enjoy seeing these messages, words of encouragement, and funny and sentimental photos from their parents, grandparents and other loved ones.

GUIDELINES

- Tributes are not considered as meeting deadline until payment is received.
- **All tribute content (words, photos) must be submitted at time of purchase.**
- Please choose photos of GOOD & HIGH quality. Please stay within the max photo limit for the tribute size chosen.

- We cannot accept any song lyrics or poetry that you have not secured the copyright for.
- Heritage already has permission to use photos taken by Inter-State studios.
