**Why take this class?** This class includes practical and relevant information on how to increase your ACT score. It shows you how to control the test and not let it control you! The workshop covers what will be on the test and how to master test-taking techniques. This class is not a practice test! Learn general ideas about the ACT as a whole and the individual tests:

- English- Learn what ACT test-writers are looking for and how to approach different types of questions.
- Math- Learn what problem-solving skills and math skills you need.
- Reading - Learn your best method for doing well on ACT reading.
- Science- Learn common question types and what's really required to do well.
- **Requests for refunds will have a \$20 processing fee deducted if cancelled more than 1 week prior to the class date. Cancellations within a week of the class date will not receive a refund. Make-up classes are not offered for partial attendance. No-show students are nontransferable and nonrefundable.**
- This class fills quickly; registrations are prioritized by date received. **Class size varies based on host location, but complies with local CV19 guidelines.** Upon receipt of payment all registrants will receive a confirmation email.
- Payment for this course does not register you for the official ACT. Students must register and pay for the ACT at [actstudent.org](http://actstudent.org).
- Additional ACT information is available in your high school counseling office.

**About the program: Carolyn Devane has been teaching ACT classes and helping thousands of students improve their scores since 1999. Here's what students are saying:**

*"I took your class at the K-State campus at the end of August! I was the kid that said you raised my score by three points! Well, guess what? You have outdone yourself once again!*

*"I received, with a super score, a 26 on the ACT!! That's a two point increase from my previous score! My score in my math section increased five points!!!! I used all your tips... and this math score really made me proud of myself.*

*"I've been getting even higher scores when I practice, so I am thinking about retaking the ACT in January or February! I just wanted to let you know that both of your classes have helped me to become a better test taker and a more accomplished student, and I want to thank you!!"*

Tips for Students & Families

# Preparing for Finals

1

## Make a Finals Game Plan

Plan out & schedule times to study or work on final projects at home if needed.

2

## Create Your Own Quiz

Create questions based on what you learned & use them to quiz yourself or have a family member quiz you to review material.

3

## Combine Words & Visuals

Create flashcards or a sketch note to review materials. Using both words & pictures is called "dual coding" and helps the brain better retain and remember information.

4

## Avoid the Scroll

Make sure to put away distractions like phones to focus on the task and prioritize getting a good night's sleep.

5

## Attend Cocoa & Cram

Some teachers will have sessions. This will be Dec. 17th from 5-7 pm at South.

October 18 and December 6 are the two senior tribute deadlines. Payment is due by the deadline date to be accepted for pricing. Pictures and message for all tributes are due at the time of purchase, and no later than December 6.

Tribute prices go up following the early bird deadline, so turning in tribute information early is highly suggested.

### TRIBUTE PRICES

Tribute prices listed on the second page reflect a 3.5% service charge for online purchases.

### DEAR PARENTS,

Do you want to give your child recognition in an award-winning yearbook? If so, purchasing a senior tribute is a great way to show them how much you care about them. This is a wonderful way to share your own words, pictures and memories with your senior. A senior tribute is also a great parting gift for your senior, and a great way to support Shawnee Mission South's yearbook, Heritage. Students enjoy seeing these messages, words of encouragement, and funny and sentimental photos from their parents, grandparents and other loved ones.

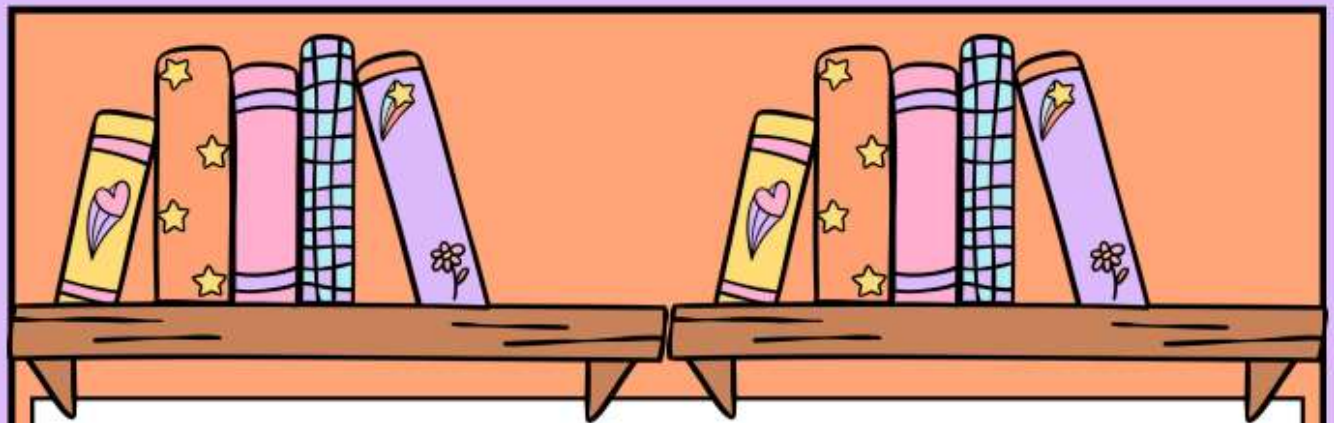

### GUIDELINES

- Tributes are not considered as meeting deadline until payment is received.
- **All tribute content (words, photos) must be submitted at time of purchase.**
- Please choose photos of GOOD & HIGH quality. Please stay within the max photo limit for the tribute size chosen.
- Photos should be uploaded to the Walsworth ad portal, accessible after purchasing your tribute.
- Physical photos may be scanned in at South; please contact us to confirm scanning.

- We cannot accept photos that have any sort of weapon related paraphernalia.
- Because of copyright, you must secure permission for one time use in Heritage, for any photos taken by a professional.
- We cannot accept any song lyrics or poetry that you have not secured the copyright for.
- Heritage already has permission to use photos taken by Inter-State studios.
- If you do not want part of a photo to appear in your child's ad, or have other special instructions, please share a note detailing the requests via email to smsyearbookads@gmail.com.
- Heritage reserves the right to edit for content.
- A digital proof of your ad will be sent to the email address provided on the ad contract. Please contact T. Love or the Tributes Manager if a proof has not been sent by January 31, 2025.
- You will be given one week from the date your proof is sent to provide feedback and request changes. After that period, all tributes will be considered final.
