Mid-Year Update from SASD

Happy New Year, SASD Families and Community! As we begin 2025, I want to share a few important updates. We held a preliminary discussion regarding a potential School Resource Officer (SRO) position at our January 6th Board of Education meeting. We encourage you to tune in to the January 20th board meeting for further information on this topic (check SASD's YouTube channel).

Looking ahead, we have some exciting events planned for February, including Norse Afternoon of Fun on February 2nd and our Pops Concert on February 10th. Finally, if you're looking to get out and about, be sure to check out our athletic schedules below.

Thank you for your continued support of SASD.

Dr. Dan Keyser

SHS Commons is Complete!

The High School Commons, Kitchen, and Served have been completely transformed! These newly renovated spaces offer a brighter, more efficient, and more enjoyable experience for everyone. We extend a huge thank you to our patient staff and students for their flexibility during the renovation period. We also want to recognize Findorff and EUA for their outstanding work, which has resulted in such a beautiful and functional space. Finally, we express our sincere appreciation to our community for their generous support, which made this project a reality.
