Bear Family,

I am writing to inform you that earlier today, our fire alarm was triggered in one of our classrooms during a cooking activity. The smoke from oil in a pan caused the alarm to activate. I want to assure you that there was no fire in the building.

In accordance with our safety protocols, we promptly evacuated the building. The East Brunswick Police and Fire Departments responded quickly and assessed the classroom / school. After just a few minutes, we were cleared to return to the building, and all students and staff resumed their normal activities.

We are grateful to our local first responders for their assistance and to our students and staff for following our safety procedures calmly and efficiently.

Thank you for your continued support in ensuring the safety and well-being of our school community. If you have any questions or concerns, please do not hesitate to reach out to our main office.

Have a great day and as always... Go Bears!

Sincerely,

Edward J. Bucior, Ed.D

Principal
