

VAPA NEWSLETTER

*Celebrating
Youth
Artists!*

The Hayward Arts Council and HUSD VAPA have partnered to recognize outstanding Visual & Performing Arts students in our district. Students are nominated by their teachers and receive recognition in the VAPA newsletter and the Hayward Arts Council newsletter, along with a certificate and gift card to acknowledge their hard work and commitment as students of the arts.

Let's celebrate our students!

Congratulations to Anahsty O'Guinn, one of our Youth Artist Awardees for the month of January! Anahsty is the very FIRST dance student to receive this award. Anahsty is a student in Ms. Tara Miller's dance class at Hayward High School.

Ms. Miller shares, "Anahsty O'Guinn has been an active leader in the HHS community as a Peer Leader and Freshman Link Crew member, so it should not surprise us that she is a leader in Dance as well. Anahsty has done well leading rehearsal, showing up for performances, and helping differing groups gel for upcoming shows. In the past she has performed in Theater Productions, BASU Step Performances, and Spoken Word/poetry. HHS is proud to nominate Anahsty for Hayward Arts Council Youth Arts Award.

Way to go Anahsty!

Contratulations also go to Noah Tatad for receiving the Youth Artist Award for January! Noah is a 10th grade student at Mount Eden. He is a cello player and Chamber Strings member with teacher Mr. Ronnie Cato.

Mr. Cato shares, "Noah is an incredibly hardworking student. Joining the Chamber Strings, among other ensembles, yet still putting the work to learn the music. He has learned and memorized as well as everybody else. Noah stays after school to practice and always balances their time to learn all of their music from orchestra, chambers, and jazz band. He has proven himself again and again to be reliable when it comes to knowing how to play and being consistent.

Way to go Noah!
