

GT Tenets

Leadership: Lead by example. Motivate your team to accomplish a goal.

Teachnology: Use technology to learn, communicate, and create things that were once not even possible.

Research: Get information from many sources. Share what you've learned in your own words.

Global Awareness: Be aware of world events and how they affect us daily. Understand and connect with others.

Productive Thinking: Think outside the box. Use critical thinking skills to tackle challenges with creativity.

Problem Solving: Define the problem. Brainstorm, choose, & test solutions. Review the results.

Communication: Speak, listen, empower. Hone your communication skills and express your ideas confidently.

Collaboration: Teamwork makes dreamwork! Work with others to learn & create new things together.
