# News from the Classroom

Welcome back! I hope everyone had a relaxing winter break. We started this week strong with a wonderful discussion about goals. First, we thought about achievements that were made in 2024 and attainable goals for 2025. Ask your student about their goals for 2025 and how they plan to achieve them.

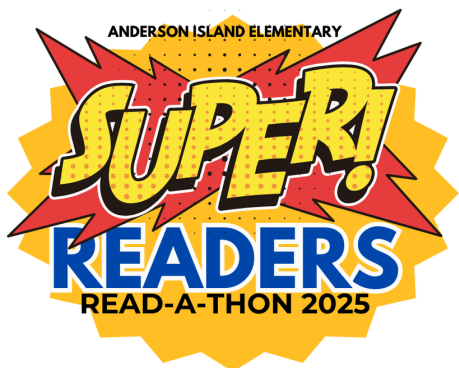

We also began our literacy unit on Fairy Tales. We learned the criteria for a fairy tale and had an in-depth discussion on what is and isn't a fairy tale. This week, we studied Jack and the Beanstalk from two different points of view. The first story was told from Jack's point of view, and the second from the Giant's (or Ogre's) point of view. We learned that when you change the point of view the perception of good and evil also changes. Next week, we will continue Jack and the Beanstalk and move on to Little Red Riding Hood.

The weather held out long enough for us to have a peaceful walk to the outdoor classroom and learn about the different leaves and trees on the trails.

Have a great weekend and Happy New Year!
