Educational Access Channel

The educational access channel serves a variety of instructional, educational, public affairs, and school community relations functions for Community High School District 99. The channel is an integral part of the District 99 curricular and extra-curricular program and is housed in District 99's cable facility. To ensure that the channel is operated in a manner beneficial to District 99, its students, and the communities it serves and in a manner conforming to the highest ethical standards as well as to the policies and procedures of Community High School District 99, the superintendent or designee is responsible for implementing appropriate administrative regulations and guidelines.
