Your responsibilities.

- It is the parents' sole responsibility to ensure the safety and supervision of the children within their party whilst staying at Stonyhurst. Outside of the scheduled children's programme, all children under the age of 18 must be supervised at all times. Children are not to be left unattended in accommodation areas or allowed to access the wider College and grounds unsupervised.
- Parents will be asked to register their children into the children's workshops and must provide a contact number in case of emergency.
- Children under the age of 16 will not be provided with an access control pass as they must be supervised at all times. We kindly ask that parents do not share their own access control pass with young children. Any unsupervised children under the age of 16 found to be in possession of an access control pass will be asked to return to their parents/guardians.
- The College is not only a school but is home to the Jesuit Community and members of staff. We would ask that you kindly remember this when moving around the College and avoid areas of the College which are signposted "Private no Entry".
- We ask that you do not take photographs or videos of other retreatants or children, without asking for their consent or that of their parents.
- If you have any concerns regarding Safeguarding during your stay at Stonyhurst, please report these immediately to a member of the Experience or Security teams, who will notify the Designated Safeguarding Lead. A copy of our Safeguarding Policies and Risk Assessments are available on request or on the website. A hard copy of this documentation can be found in the Experience Office.
