LSG Progress Monitoring - December

Weslaco ISD
HB 3 Board Goal 5

GPM 5.1

Increase percentage of students meeting the TSI Benchmark from 44% to 46%.

The preliminary numbers for Cohort 2024 for TSI (RLA and Math) for the District is **52%**. This number, however, includes students who completed the College Prep or Texas College Bridge, which provided TSI exemption.

The latest TAPR Report shows the following TSIA 2 Exam results for both Reading and Mathematics:

SY 2021-2022: 18.7% (above the State)

SY 2022-2023: 24.6% (above the State)

What is working?

- CCMR Specialists/Counselors administer TSIA 2 Bootcamp for students prior to testing.
- Students who do not pass a TSIA 2 section or both sections are provided two hours of intervention before re-testing.
- English 3/4 and Geometry/Algebra 2 teachers participate in professional development focusing on TSIA2 curriculum integration and data analysis.

What needs more attention?

- TSIA2 blueprint analysis and integration of TSIA 2 style questions into curriculum and instruction.
- Data Analysis and tiered interventions provided to students who do not pass the test.
- Continue building capacity in teachers that focus on TSIA 2.
