The Green Bay Area Public School District encourages all students to strive to graduate with more than a high school diploma. It could be college credit, an industry certification, workplace experience, or any combination, to truly be college, career and community ready!

**College Ready is defined as a student who meets all subject matter benchmarks and/or meets the GPA of 2.8 or above criteria and one of the other identified indicators*

***Career Ready is defined as a student who has identified a career interest and meets two of the Career Ready Indicators*
