2024-2025 SCHOOL PROFILE

COMMUNITY AND DISTRICT

Founded May 17, 1915, the Park City School District is a public school district nestled in the mountains of the year-round resort town of Park City, Utah. The district's mission is to inspire and support all students equitably to achieve their academic and social potential. Our district consists of four elementary schools (grades PreK-5), one middle school (grades 6-7), one junior high (grades 8-9), one high school (grades 10-12) and one integrated alternative program (grades 9-12). Nearly 4,400 students attend Park City schools, including 19% Latinx, 13% English Language Learners, 9% with disabilities, 16% on free/reduced lunch. Our average class size is 22 with a 12:1 student-teacher ratio. **Park City School District has an overall 94% Graduation Rate.**

CURRICULUM AND COURSE OFFERINGS

Park City High School's academic school year consists of four quarters. Eight class periods are available in a block schedule, where students take four 90-minute class periods each day, alternating daily. We offer full-year and semester-long courses.

Dual Language Immersion (DLI) Concurrent Enrollment:

Our district offers French and Spanish Dual Language Immersion from elementary through high school. At the high school, the DLI Bridge program consists of 3000-level college courses that award students 6 to 9 college credits each.

Honors Courses: 5 total courses

Secondary Math 1, Secondary Math 2, Secondary Math 3, French 4, Spanish 4. Our honors courses are open enrollment.

Concurrent Enrollment Courses: 39 total courses

We partner with Utah Valley University, Weber State University, Utah State University, and Mountainland Technical College to offer students the opportunity to earn college credits and certifications through enrollment in eligible PCHS courses. These courses are open enrollment, but in order to receive college credit, students must meet the college's admissions requirements.

Park City Center for Advanced Professional Studies (PCCAPS):

Project Based Learning where students work with companies and businesses on real-world projects.

Advanced Placement (AP): 29 total courses
