

Highland Regional High School Sign-up & Registration Information

Athletics and Indoor Percussion

To participate in athletics or indoor percussion at Highland High School, students must complete all the items in the following checklist. The school physician must review the preparticipation health form before a student can participate. Failing to complete these steps promptly may delay your child's participation clearance. All forms and directions are on Highland's athletic department webpage: <https://www.bhprsd.org/domain/1231>

☐ **Step 1 - Complete athletic registration in the Genesis Parent Access Portal**

Highland's Athletic Department uses the Genesis Parent Portal for Athletic Participation Forms. All forms must be completed by a parent or legal guardian prior to each sports season (fall, winter, and spring).

→ Once logged in, click FORMS at the top, and complete the "Optional Sports Participation Form"

Genesis Parent Portal: <https://parents.bhprsd.org/genesis/parents?gohome=true>

For assistance with Parent Access contact Highland's Counseling Office at (856) 227-4100 ext 4037.

☐ **Step 2 – Complete all Health Forms**

Each student-athlete and indoor percussion participant must turn in an up-to-date Preparticipation Physical Evaluation Medical Eligibility Form to the school nurses' office for review by the school physician before athletic/percussion participation begins per New Jersey state law. All questions about your child's eligibility should be directed to our school nurse.

Hard copies of the forms are available to pick up at Highland or to print from Highland's athletic department webpage: <https://www.bhprsd.org/domain/1231>

☐ **Step 3 - ImPACT Baseline Test**

All 9th grade, 11th grade, and transfer students must complete the ImPact Baseline Test. If the student is currently being treated by a doctor for a concussion, do not take the test. Instead, contact the Athletic Trainer or nurse ASAP. All questions concerning the ImPACT test can be directed to the Athletic Training Office at (856) 227-4100 ext 4100.

ImPACT Test directions can be found on the next page of this packet.

★ Please be aware that completing the registration process and the physician's physical exam does **NOT** guarantee the student's eligibility to participate. Athletic eligibility is contingent upon:

- Completed physical packet paperwork
- A valid physical (good for 365 days)
- Academic requirements/credits
- Behavioral/conduct requirements
- No outstanding fees/fines

ImPACT

All athletes, Pep band, and drumline participants must complete the baseline ImPACT testing before being allowed to participate in their activity. ImPACT is a computerized concussion evaluation system that measures verbal and visual memory, processing speed, and reaction time. To most effectively care for participants who have sustained concussions, it is helpful to compare baseline data to post-concussion data so that any deficits can be determined and proper return-to-play decisions can be made.

INSTRUCTIONS FOR ATHLETES

Please understand that you cannot "fail" this test. It is extremely important, however, that you:

1. Set aside 30 minutes in a quiet place with NO DISTRACTIONS.
2. READ the instructions very carefully. Failure to do this can affect the test results and you may then have to re-take the test.
3. If you do not have Internet access at home and are unable to take the test anywhere else, please contact your school's athletic trainer.

TAKING THE TEST:

1. Using a computer with a keyboard open the web browser
2. Go to www.impacttestonline.com/schools/
3. Enter Highland's Customer Code: ADDB273F4E
4. Click "Validate" then "Launch Test"
5. Follow the directions. Make sure to read all instructions!
