

Enhancing Education Through Community Support

Greetings!

I am reaching out to you today on behalf of the Watertown-Mayer Education Foundation (WMEF) to share an incredible opportunity to make a lasting impact on the lives of aspiring students through our Royal Endowment Club.

At WMEF, we firmly believe that education holds the power to transform lives, opening doors to opportunity and empowering individuals to reach their full potential. However, we also recognize that financial barriers often hinder deserving students from pursuing higher education, trade school, and other education options.

To address this issue, we worked with Khai Tran at www.communitygiving.org and established the WMEF Royal Endowment Fund. This fund aims to provide sustainable support to deserving students pursuing post-secondary education or career training. By creating an endowment, we can ensure that scholarships are awarded annually in perpetuity, making a long-lasting impact on the lives of countless students for generations to come.

This is where your invaluable support comes in. We humbly request your assistance in contributing to our WMEF Royal Endowment Club. Your generous donation, regardless of its size, will help deserving students with access to quality education. Together, we can foster a brighter future and empower the next generation of leaders, innovators, and change-makers.

Be one of the first to join the new **Royal Endowment Club** and earn your Crowns! Donate \$10,000 or more for three crowns, \$5000 to \$9999 for two Crowns, and \$1000 to \$4999 for one Crown. Royal Endowment Club Crown donors will receive special recognition for their generous donations. We invite you to join our cause and make a meaningful difference.

Your support truly matters. To make a donation, you can mail a check to:
