EXECUTIVE SUMMARY

Introduction

The mission of the Luis Valdez Leadership Academy (LVLA) is to provide a rigorous academic program designed to instill a lifelong passion for learning and to equip students with the skills for social and academic success at community colleges and four-year universities. Through an emphasis on visual and performing arts, digital media and culturally sustaining pedagogy, LVLA will graduate empowered young adults who are poised, confident, and articulate leaders. Through a focus on the Spanish language, for both native speakers and Spanish language learners, LVLA students will use their education, bi-literacy and life experiences to create positive changes in their own lives, in their own families and within their communities. Through leadership, responsibility and resilience, LVLA graduates will make a positive impact on the East San Jose community and beyond.

The Luis Valdez Leadership Academy (LVLA) has been in operation for over three years. It will graduate its first class in the 2017-18 school year. LVLA currently serves 377 9th-12th graders. The school community is 94.2% Latino, 84.6% are or have been English language learners, and 72.4% of students are on free or reduced lunch. In addition, 26% of these students come from single-parent families whereby 34% of them are expected to provide childcare for their siblings. In terms of parent educational experience, 34.2% attained an 8th and below grade level education, 30.2% attended high school without graduating, and 29.7% graduated high school. The remaining 5.8% of parents did not respond. As a result, LVLA serves high-school students in one of the city's most educationally underserved areas – east-San Jose. With only 14.4% of graduating Hispanic/Latino students in east-San Jose eligible to apply to the UC/CSU system, LVLA's goal is to ensure that a significant percentage of students meet or exceed UC/CSU eligibility requirements.

Partnership with East Side Union High School District

Since opening its doors in 2014, the Luis Valdez Leadership Academy (LVLA) has enjoyed a strong, collaborative relationship with East Side Union High School District (ESUHSD). LVLA appreciates its partnership with district staff, leadership, and the Board of Trustees. LVLA and its students have benefitted from the expertise of school leaders and excellent teachers in the district; in turn, LVLA hopes to reach a point to be a resource to the ESUHSD community. As a charter school, LVLA seeks every opportunity to learn from leaders and teachers who have experience and expertise in the world of high school. Likewise, LVLA will continue to have an open door policy to share its findings with ESUHSD staff. LVLA and The Foundation for Hispanic Education (TFHE) look forward to continuing to share students from east-San Jose.

Luis Valdez Leadership Academy (LVLA) and the East San Jose Community

The Luis Valdez Leadership Academy (LVLA) contributes positive change in East San Jose by providing young English Language Learners with a lifelong love of learning and developing poised and confident leaders who are committed to serve their community. By developing partnerships with community based organizations, non-profit organizations, local elementary and middle schools, and local businesses, LVLA strives to provide students with the opportunities to apply their classroom learning to field work experience. The partnerships include, but not limited to: Santa Clara University, Hispanic Scholarship Fund, Silicon Valley Education Foundation, The Sobrato Family Foundation, and the Hispanic Foundation of Silicon Valley.

Luis Valdez Leadership Academy (LVLA) Framework

The Luis Valdez Leadership Academy (LVLA) framework succeeds not because of who its teachers and students are, but rather, what parents, students and teachers do together:

- Students at LVLA focus on developing the knowledge, skills, and leadership traits necessary for success in college and life;
- Students at LVLA further develop their skills to become a poised, articulate, confident leader who is committed to giving back to the East San Jose community or to whichever community he/she belongs;
- LVLA teachers and administrators bridge the gap between school and community by engaging in monthly service projects with students;
- LVLA teachers provide students and parents with access beyond the school day for homework assistance or questions.
- Parents participate in various committees and groups, such as School Site Council, English Language Advisory Committee and Cafecito. Their voice allows for a collaborative decision making process in student achievement, school climate, parent outreach and engagement, which contribute toward a college going culture.

Student Outcomes

Below are the original Student Outcomes and Assessment Tools that were identified to support the goals of the Petition. Following this section, there is a detailed breakdown for these goals.

Student Outcomes	Assessment Tools
To maintain or increase student attendance at least to 96% and 90% retention rate *Maintain or decrease dropout rate by 1%* *Maintain or increase parent involvement by 10%.*	ADA data Dropout data Re-designation List ELPAC Restorative Justice Program Parent Participation in Student-led conferences Annual Parent Surveys that are fully aligned to yearly goals
9th and 10th grade students will demonstrate an increase of at least one-proficiency band level using the NWEA/MAP *11th grade students will achieve at least the same performance levels on the SBAC as the neighborhood high schools with the same demographics.*	TFHE Benchmark data NWEA data SBAC data

As of February 2018, 98% of LVLA's founding class are on track to graduate. Seventy-nine percent of those seniors are scheduled to complete "a-g" requirements and 62% of them have begun to receive their college acceptance letters. Although not all students expressed an interest in becoming bi-literate in Spanish, 70% of the graduating class is expected to receive the Seal of Biliteracy. Similarly, 34% of AP students passed the placement test with a 3 or higher.

LVLA's instructional opportunities were noted in English Language Arts and Math competency whereby the 2016-17 SBAC results reflected 34% mastery in English Language Arts and 6% mastery in Math. In addition, ELL students showed the following results: 7.7% were reclassified, 27% made progress by moving up at least one level of language proficiency as measured by CELDT. These results led to in-depth conversations around curricular and instructional practices that require greater alignment to the SBAC, the newly established ELPAC, and to college readiness competencies, as well as the additional professional development needed to meet those instructional goals.

Likewise, the importance of parent involvement, student attendance and retention goals were reflected in LVLA's first comprehensive LCAP survey whereby it aligned with the Charter,

WASC and LCAP goals. These goals were aligned to the 8 state priority LCAP areas. The survey reflected the five most important stateholders' concerns located in Appendix O. The necessary actions and measurement tools are more fully addressed in Elements A, B, and C.

LVLA is beginning to see some successes in serving its target population in East San Jose. This success can be seen through a variety of measures, including but not limited to the following:

- Comparative School Data, per Education Code § 47607(b)
- Alternative Measures
- Measurable Pupil Outcomes

Comparative School Data, Per Education Code § 47607(b)

Education Code § 47607 (3) (A) requires the authorizer to consider as the most important factor for charter school renewal, "increases in pupil achievement for all groups of pupil served by the charter school." Prerequisite to the submittal of the Charter Renewal Application, governed by the "standards and criteria" in Education Code § 47605, a charter school must demonstrate its eligibility for renewal by meeting the minimum standard for renewal delineated in Education Code § 47607(b) which requires that the charter school met "at least one of the following criteria:

1. Attained its Academic Performance Index (API) growth target in the prior year or in two of the last three years both school-wide and for all groups of pupils served by the charter school.
2. Ranked in deciles 4 to 10 inclusive, on the API in the prior year or in two of the last three years.
3. Ranked in deciles 4 to 10 inclusive, on the API for a demographically comparable school in the prior year or in two of the last three years.
4. The entity that granted the charter determines that the academic performance of the public school is at least equal to the academic performance of the public schools that the charter school pupils would otherwise have been required to attend, as well as the academic performance of the school in the school district in which the charter school is located, taking into account the composition of the pupil population that is served at the charter school.

Based on the shift to Common Core State Standards and the revamping of the state accountability system, three of the data points listed above are no longer available (criteria one through three). LVLA is eligible for charter renewal because it meets criteria four. While only in operation for three years, LVLA's performance is "at least equal to the academic performance of the public schools that the charter school pupils would otherwise have been required to attend.

In reviewing the data below, it is worth noting that LVLA is still very much a young school –in operation for only three years. It will have its first graduating class in 2017-18. As such, LVLA has not completed a full 4-year cycle. Consequently, LVLA does not have data on completion of a-g requirements, graduation rates, or college acceptance rates. Consequently, the school is providing alternative forms of data by which to measure a young school.

NWEA MAP – Percentage by Grade Band Change

Below we discuss student outcomes by school year and also based on a scale provided by NWEA MAP that breaks down performance by grade-level groups for students working below middle school (Gr 5 or lower), Middle school (Gr 6-8), and High School (9-12).

The NWEA MAP assessment includes tests in three subject areas: Language Usage, Reading and Mathematics. The data below shows the percentage of students that fell within the grade bands discussed above and also listed in the legend. To measure the change of students within grade bands, during a given year and test subject, one will need to refer to the Fall percentage and compare it to the Spring percentage. This will illustrate how many students placed in the grade band during Fall and how many students placed during Spring. Ideally, to reflect positive growth in mathematics, the Below Middle School and Middle School bands should decrease while the High School grade band should increase.

The overall "growth" on the NWEA MAP academic performance assessment data for the Luis Valdez Leadership Academy (LVLA) reveals complex patterns between the Fall and Spring semesters. We find that the overall growth measures in both math and reading show minor to no academic advancement, in the aggregate. However, we found that disaggregating outcome data based on student's proficiency (in terms of grade-level equivalency) from the NWEA MAP provides a clearer picture of areas where LVLA has indeed achieved growth and also highlight areas where LVLA should focus improvement intervention strategies.

Table 1 below, illustrates that LVLA showed improvement in terms of its overall academic performance growth percentages for their highest performing group on the NWEA MAP grade equivalent levels—the "High School" level students. Specifically, we note that between 2014-15 and 2016-17, LVLA student performance has shown increases in terms of percentage change of 8%, 5% and 7% respectively. In Table 1 we also note consistent negative growth percentages for students in performing at the "Middle School" level, which is positive because it reflects that students are advancing to the high school band, and faculty is monitoring progress to ensure all students make accelerated growth. It is important to note that the subgroup of Hispanic ELs within the "Below Middle School" does show a consistent improvement of 15%, which suggests that Hispanic/Latino ELs have improved their reading skills and advanced to the "Middle School" level group.

Table 1. LVLA NWEA MAP Growth Percentage Change In Reading 2015-16 to 2016-17.

These complicated NWEA MAP reading performance patterns for LVLA students are displayed in a bar graph in Table 2 below. The bar graph illustrates that while we see positive percentage growth for students at the “High School” performance level, and favorable percentage growth for students at the “Middle School” level, the flat growth percentage results are lowering the overall mean on the NWEA MAP scores and also stunting the overall percentage growth patterns in the aggregate for LVLA.

Table 2. LVLA NWEA MAP 9th Grade Reading scores for Fall and Spring, disaggregated by students’ grade equivalency performance level (High School Level, Middle School Level, and Below Middle School Level).

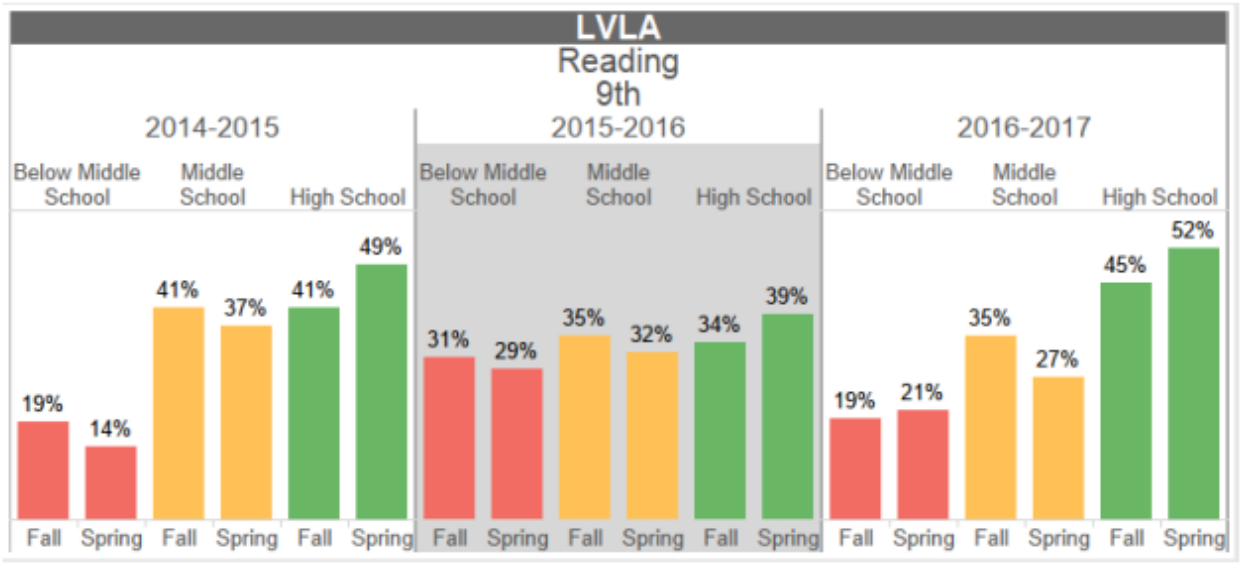

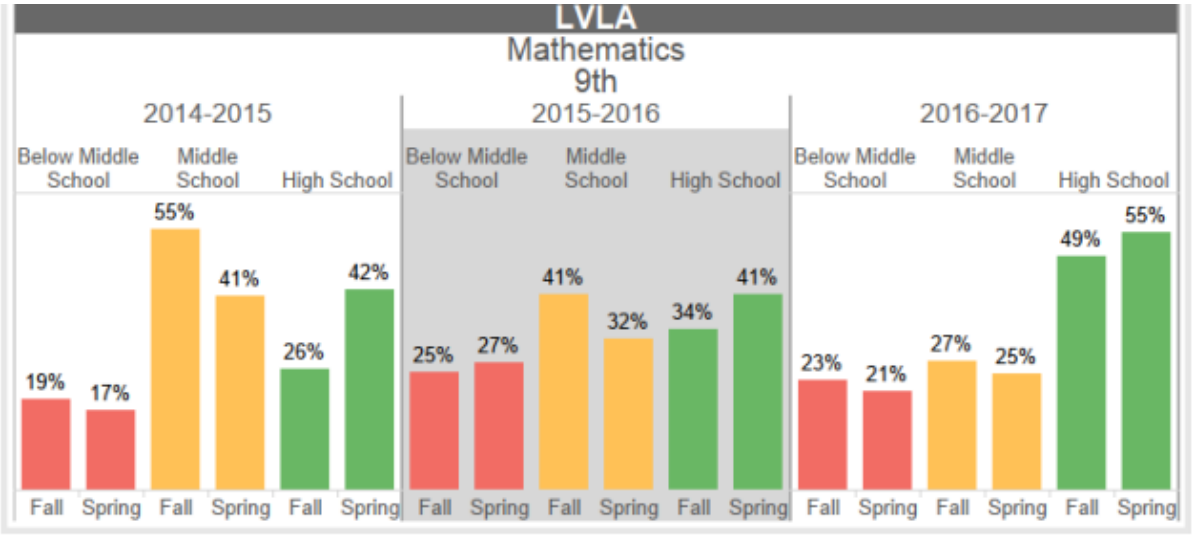

Table 3 below highlights a similar pattern in math for LVLA students across the "High School", "Middle School" and "Below Middle school" NWEA MAP grade-equivalent performance levels. While we can note positive growth for LVLA students performing at the "High School" level, and favorable (or diminished) growth for students at the "Middle School" level, again the flat growth pattern for the lowest performing students in the "Below Middle School" level results in a reduction to the overall percentage performance growth for LVLA students in math.

The 2016-2017 SBAC results indicate that additional support is needed for both the English Language Arts and the Math program, particularly for ELLs. The above results has provided the school with the baseline data needed to develop a cohesive roadmap that will allow the school to identify and focus on instructional needs and supports. As a result, LVLA's Math department is realigning curricular units to address key Common Core State Standards. In addition, the Math department worked diligently throughout the summer and start of the school year to adjust their unit plans accordingly to ensure that these key standards are addressed in our Math I, II and III courses. In response to the SBAC data, the ELA department has revised the units of study and pacing guide to better address key standards at the appropriate times tom allow multiple opportunities for mastery and in a sequential manner that facilitate upward complexity shifts. Both ELA and Math teachers will use the benchmark assessment to monitor student progress and ELA and Math tutorials are 45 minutes per session and offered four times per week. Every six weeks teachers update tutorial rosters to ensure students receive the appropriate interventions.

Interventions:

LVLA English language arts teachers will use benchmark assessments to monitor students' progress toward the mastery of CCSS for English language arts every six weeks. Additionally, the MAP assessment will be used three times a year to collect baseline, mid-year

progress and end of year results to determine growth and areas where additional support is needed. The 6-week benchmark assessments will be given to students in an effort to assist teachers to determine specific learning gaps. For example, teachers will reflect on their instructional practices to differentiate instruction to support informational and literature-based reading and informative and narrative writing. Teachers will monitor students' comprehension and independent reading levels to ensure students are able to participate in rigorous learning tasks as they accelerate reading growth to become grade-level or above readers. Students' writing standards mastery will be monitored additionally in the classroom through various writing prompts. Teachers update tutorial rosters every six weeks to ensure students are receiving opportunities to enrich their reading and writing skills as needed. Tutorials occur four times a week for forty-five minutes.

LVLA math teachers will use benchmark assessments to progress monitor students toward the mastery of Common Core State Standards (CCSS) every six weeks. Additionally, the MAP assessment will be used three times a year to collect baseline, mid-year progress and end of year results to determine growth and areas where additional support is needed. These results will inform instructional programming and intervention opportunities for students. Students receive embedded math interventions in the classroom through differentiated instruction and teachers update tutorial rosters every six weeks to ensure students are receiving opportunities to enrich their skills as needed. Tutorials occur four times a week for forty-five minutes.

LVLA incorporates structures for supporting ELs based on the ELD programming our sister school RCLA, has successfully implemented and has shown positive results particularly in terms of performance growth on the NWEA MAP. LVLA will continue to develop a robust ELD plan that leverages students' first language to support the acquisition of a second language. All LVLA teachers participated in 2 days of professional development prior to the first day of school, specific to structures and scaffolds to support linguistic development for emerging bi-lingual students. Common strategies for supporting rigorous content are shared by content teachers to ensure students are exposed to high level tasks as they develop linguistically. Students who score at a newcomer, Level 1 or Level 2 according to the ELPAC assessment, receive 45-minute sessions of designated ELD, 4 times per week for explicit English Language Development instruction. During this time, students improve their English skills by practicing using all four language domains. It is during this time that they are able to practice embedding content vocabulary into their speaking, listening, reading, and writing. They have a variety of opportunities to become fluent in English and to improve their ability to communicate their understanding of content standards. Supports remain in content classes until they master the English language to ensure student success.

In addition, LVLA will continue to provide ELD enrichment time designated for ELPAC learning groups 1 and 2. Likewise, newcomers will continue to use online software to practice listening and reading language domains. Through this online program, LVLA will continue to monitor student progress and development, while staff will continue to use instructional strategies, such as SDAIE(Specifically Designed Academic Instruction for English) methods and best teaching practices to support the learning needs of all students. In addition, LVLA math teachers will also focus on implementing instructional strategies that integrate literacy strategies in math that empathize the development of academic language. In math, for example, teachers will

incorporate language objectives into each lesson to make the math language focus more transparent for students.

LVLA has adopted a comprehensive English language learner program, which includes dedicated English Language Development (ELD) time, modeled after our sister school RCLA's program with proven results. Staff provides 40 minute sessions, four times per week. The goal is to prepare all students for college and career success using the National Geographic Learning curriculum, Edge. The content consists of authentic, multicultural literature that allows teachers to teach with relevant and motivating content, prepare students for Common Core State Standards, and utilize systematic and focused teaching materials. Students' progress will be monitored every 6 weeks using a benchmark assessment specific to English language development. English language learners who require additional support will benefit from 45 minute tutorials offered four times a week.

To ensure that a robust accountability and monitoring process is in place, LVLA will continue to use NWEA/MAP assessment, curriculum embedded formative assessments, and also integrate a newly established benchmarking system to ensure that students are monitored using different data points and that follow-up interventions are clearly aligned throughout the year.

Based on the 2016-17 disparity results found on the SBAC and PSAT, LVLA teachers will continue to receive CCSS training as well as additional professional development on the SBAC test itself: its format, question styles, language etc. The goal is to coach and support teachers on how to align and teach CCSS and as they better equip students, throughout the year, to respond to the types of questions they will encounter on this standardized exam.

As a result of LVLA's data, we are focusing on professional development opportunities for teachers to better understand how to unpack data, disaggregate data and how data can be used to inform instruction. By consulting the use of data prior to planning lessons, teachers will improve differentiated instruction, sheltered instructional practices for English Language Learners, reading strategies across all core subjects, and increase opportunities for students to master standards. Teachers have 5 full professional development days in addition to 2.5 hours weekly to facilitate data analysis and progress monitoring, informed instructional planning using the UBD method, calibration of student work, checks for mastery, plans for re-teaching, and vertical alignment. This cycle ensures that all students are being closely monitored.

Alternative Measures of College Readiness

PSAT

Below are the results for the (PSAT 8/9) freshmen class and of the sophomore class who took the PSAT NMQST and PSAT 10 during the 2015-16 and 2016-17 school years. It is important to note that the PSAT NMQST underwent changes that resulted in a significant drop of students meeting the standard from one year to the next. These changes, made by the College Board, revolved around the types and number of questions, as well as the test times for each part

of those tests. Consequently, these calibration changes created the discrepancy. Below are the results:

On Track for Graduation

Below is the expected graduation rate for each of the cohorts:

On Track for Graduation			
Grade 9			
Student Group	**2014-15**	**2015-16**	**2016-17**
All	84.8%	92.2%	97.8%
Hispanic	84.8%	93.8%	97.6%
Hispanic EL	68.4%	86.2%	100.0%
Free and Reduced	86.0%	95.1%	97.4%
Grade 10			
Student Group		**2015-16**	**2016-17**
All		90.2%	94.2%
Hispanic		90.5%	94.0%
Hispanic EL		82.4%	88.9%
Free and Reduced		89.7%	94.2%

As illustrated in the table above, expected graduation rates increase for each grade level with each subsequent year. This is the result of more intentional and strategic planning on making sure students are on track to graduate within four years.

A-G Completion Rate

Grade	2014-15	2015-16	2016-17
9	48.51%	62.75%	72.04%
10		47.92	62.14%
11			62%

The table above shows the expected A-G completion rates for each grade. In 2014-15, it was expected that 48.51% of the school's inaugural class would complete the A-G requirements by the time they graduate in 2018. With each incoming 9th grade class, the expected A-G completion rates increase. This is a result of intentional and strategic planning on how to ensure students are on track to graduate within four years. The expected A-G completion rates of the last two 9th classes is significantly higher than that of LVLA's first 9th grade class. This can be attributed to a more focused summer bridge program.

Physical Fitness Test (PFT) 2014-15 and 2015-16

During their freshmen year, each student takes a Physical Fitness Test that measures the following six areas: Aerobic Capacity, Abdominal Strength and Endurance, Upper Body Strength and Endurance, Body Composition, Trunk Extensor Strength and Flexibility. The results for the last two years are presented below:

Character and School Outcomes

The Foundation for Hispanic Education has gone through both executive and organizational changes that are now more focused on addressing the need of the increased number of English Language Learners and Special Education students. As a result, we have identified that 83% of our students are either ELs or RFEPs and have expanded the resources needed to implement the Handbook for English Language Learners. (Appendix A)

We have modified the multi-tiered intervention and support program to ensure a successful accountability system that monitors and measures student growth aligned to the SBAC. This new program addresses the need for an integrated, comprehensive framework that focuses on CCSS, core instruction, differentiated learning, student-centered learning, individualized student needs, and the alignment of systems necessary for all students' academic, behavioral, and social success. This program includes pre-mid-and-post year assessments that will take place in tandem with ongoing progress monitoring every 6 weeks. Information gathered from these assessments will help guide both intervention and enrichment activities that will allow students the opportunity to skill build while being exposed to high level content. Finally, ongoing professional development will further target English Learners' needs, such as differentiated instruction, CCSS and NGSS alignment and implementation, and academic language to support successful transitioning.

The following are the Character and School Goals stated from the original petition. The third column provides an updated progress report for each goal:

Mission and Vision

The Luis Valdez Leadership Academy is committed to providing a rigorous, academic program designed to instill a lifelong passion for learning to prepare approximately 400 East San Jose 9th-12th grade underserved English language learners to enter and succeed in the nation's four-year colleges and universities and local community. The Valdez Leadership Academy mission is to enable its underserved high school English Language Learners to become biliterate, that is, literate in their primary language and English, to master high-school-level English, mathematics, and science and to complete a-g requirements. These skills and accomplishments will ensure their earning a meaningful high school diploma, that is, a diploma signifying their full qualification to pursue the post-secondary educational opportunities of their choice. The Luis Valdez Leadership Academy is committed to developing poised, confident, articulate leaders who will use their education and life experiences to create positive change in their own lives, within their communities, and among our global society. Through leadership, excellence, responsibility, and resilience, our graduates will make a positive impact on the East San Jose community.

Central to the mission is the unwavering belief that all English Language Learner (ELL) students in East San Jose can succeed in the most competitive colleges and universities, when prepared with a rigorous, college-preparatory education, extended time for learning inside and outside the classroom, and a wide range of language-acquisition support. It is now an axiom that an excellent college education is necessary for expanded opportunities in an increasingly competitive and global 21st Century job market. The Luis Valdez Leadership Academy believes that all English Language Learner students must be prepared for higher education and equipped with skills and the choice to pursue it at the highest levels.

In order to prepare ELL students for success in competitive four-year colleges and universities, the Luis Valdez Leadership Academy has created a focused learning environment

that cultivates an ELL students' leadership traits and academic skills. In line with the school's mission is the underlying belief that one of the fundamental purposes of education is to empower a learning community. That is, an ELL student must develop a sense of purpose that exceeds mere social or economic gain. Through intentional teaching and modeling and constant reinforcement of strong leadership traits, the Luis Valdez Leadership Academy staff and students operate by four central values: Leadership, Excellence, Responsibility, and Resilience.

The school's mission and values will drive everything at LVLA, from the culture to the academic program. Each value exemplifies a quality necessary to excel in college, develop into a leader, and create positive change in their lives, in the community, and among the global society. The Luis Valdez Leadership Academy values are:

LEADERSHIP

At LVLA, teachers and staff are committed to building the leaders of tomorrow that are ELLs. The Luis Valdez Leadership Academy believes in instilling the knowledge, attitude, and mindsets in students to become poised, confident, articulate leaders within the school community, the East San Jose community, and among a global society. The Luis Valdez Leadership Academy expects students to step into leadership roles inside and outside the classroom. The Luis Valdez Leadership Academy offers a variety of leadership opportunities in order to give students the experience necessary to become confident leaders. For instance, through Student Government students are encouraged to run for office. By running a student campaign, students will learn how to speak in front of large groups, articulate their thoughts in a debate format, and initiate student relationships in order to generate broader support.

EXCELLENCE

ELL students at LVLA strive for excellence in academics, initiative, and extracurricular activities. By consistently striving for excellence, students are preparing themselves to enter a community in college where excellence is expected. Paying attention to details and constantly striving to do something better will separate Valdez Academy graduates from many other students across the country.

RESPONSIBILITY

Valdez Academy values responsibility. Students will take personal responsibility for their own actions and their learning. Student are expected to take initiative to receive any additional academic support necessary to be successful. Valdez Academy believes that teaching students to be responsible for their own learning is necessary to prepare them for success in college and beyond. At Valdez Academy, everything students do is a choice. When students make bad choices, they must accept responsibility. In addition to accepting personal responsibility, Valdez Academy expects students to be socially responsible citizens. Luis Valdez Leadership Academy students organize and participate in monthly service projects through out their four years at LVLA; it is the expectation that students independently seek opportunities to create positive change.

RESILIENCE

The ELL student at Valdez Academy will value resilience (also called "grit" or "ganas"). Resilience is the process of adapting well in the face of adversity, trauma, tragedy, or even significant

sources of stress such as family and relationship problems, serious health problems, or financial stressors. It means "getting back on your feet" from difficult experiences. The staff and faculty at LVLA believe that instilling resilience in each and every one of Luis Valdez Leadership Academy students is essential in helping students bounce back after difficult times in college and beyond.

Method by Which to Achieve Mission and Vision

The Luis Valdez Leadership Academy (LVLA) will achieve its mission and vision through its partnership with The Foundation for Hispanic Education by implementing a well-rounded rigorous and relevant curriculum, in a safe and nurturing environment that supports and provides comprehensive life-long learning experiences to academically low achieving English language learners in grades 9th-12th.

In order to ensure that students reach their potential:

1) The Luis Valdez Leadership Academy provides all English Language Learner (ELL) students a rigorous aligned CCSS and NGSS college-preparatory education, extended time for learning inside and outside the classroom, and a wide range of language-acquisition support. Students are prepared for higher education and equipped with high level content skills and learning strategies.
2) The Luis Valdez Leadership Academy creates a safe and a clean learning environment by maintaining the school facility in good condition. Any issues that arise are addressed in partnership with ESUHSD.
3) The Luis Valdez Leadership Academy takes the necessary steps to ensure the facility is safe and secure and procedures for emergencies are in place.
4) The Luis Valdez Leadership Academy implements a rigorous hiring process, which includes paper screening, formal and informal interviews, curricular teacher materials review, teaching demonstration, and reference checks. Eighty-four percent of its teaching staff is credentialed and the remainder is in the process of clearing the state certification requirements. LVLA provides teachers with the supplies and learning tools that are needed to successfully teach common core curriculum in their classrooms.
5) The Luis Valdez Leadership Academy provides textbooks and ancillary resources to support teaching and learning.
6) The Luis Valdez Leadership Academy offers a robust, comprehensive Advisory program that seeks to ensure that ALL students attend school regularly and are academically successful. Advisory also seeks to develop students with their socio-emotional identity and character through a curriculum that focuses on academic success, and college and career readiness.
7) The Luis Valdez Leadership Academy institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA

community, which is reflected by the Academy's record of zero school suspension or expulsion of students.

8) The Luis Valdez Leadership Academy offers every 9th grader a model Mexican-American History course designed in collaboration with a Stanford University history professor. The course seeks to empower students by giving the opportunity to explore the unique and complex history of Mexican-Americans in the SF Bay Area, California and beyond. The ultimate goal is that the Common Core-aligned curricular units designed in this course will be uploaded to an online portal through Stanford University that history teachers across the nation can access.
9) The Luis Valdez Leadership Academy is home to a well-resourced Digital Media Lab to support the ACTOS course. ACTOS is an introductory visual and performing arts and digital media class, which is Common Core aligned and A-G approved as a visual and performing arts elective. Through ACTOS, students learn the core tenets of acting and theater, as well as how to produce and edit short films and documentaries. The ACTOS course sequence, which includes Digital Media I and II, Advanced Digital Media, Chicano Theater and Actor's Studio, will inform a series of career pathways for LVLA students. All ACTOS courses feature Common Core aligned curricula and form two career pathways.
10) In order to promote the school's college-going culture, the Luis Valdez Leadership Academy (LVLA) offered seven overnight college trips to Southern California, Northern California and the East Coast that have served over 140 students annually. LVLA believes that it is critical to expand students' horizons and expose them to various colleges and universities. The school holds regular fundraisers for these trips with the goal of making the college trips either free or low cost to LVLA families.

Target Student Population

The Luis Valdez Leadership Academy (LVLA) believes that the high school years are crucial, formative years, and that the choices students make during these years will set them on a path for life. The Luis Valdez Leadership Academy targets English Language Learners and underserved students in grades 9th-12th, who reside in East San Jose. It is a small, personalized learning environment and opened with approximately 91 ninth graders underrepresented students. The school has added a new ninth grade class and a succeeding grade level each year. 2017-18 was the first year that LVLA served students in grades 9-12, with approximately 400 predominately Latino students. This growth plan has allowed the school to create a cohesive school culture, where all students and families are known to each other and feel a sense of belonging.

Student Enrollment Projections

	2018-19	2019-20	2020-21	2021-22	2022-23
9th	115	115	115	115	115
10th	93	110	110	110	110
11th	86	93	105	105	105
12th	102	86	95	100	100
Total	396	404	425	430	430

As discussed above, students at LVLA are predominantly underrepresented Latino (93.6%). Over 83% of students are or have been English Language Learners. Over three-quarters of the student population is eligible for the National Free and Reduced Lunch Program. Moreover, just over a quarter of students come from single parent homes, with 34% of students expected to provide childcare for their siblings, and 29.7% of the school's parents have a high school diploma. In spite of the challenges that these demographic statistics may present for LVLA students, the overarching goal of the school is to ensure that students meet/exceed UC/CSU requirements.

As a non-selective public school, the Luis Valdez Leadership Academy (LVLA) is tuition-free and admits any student regardless of ethnic, socioeconomic or religious background. LVLA works in tandem with parents, community members, and the East Side Union High School District to realize the mission of the school. The only admission requirement for the school is the students' and parents' willingness to uphold the mission and vision of the Luis Valdez Leadership Academy.

What It Means to Be an Educated Person in the 21st Century

The students of Luis Valdez Leadership Academy (LVLA) will become 21st Century Learners through the implementation of the school's mission and vision statements and adherence to a rigorous, standards-based curriculum. The ultimate goal is for students to become self-motivated, competent, lifelong learners. At LVLA, being a 21st Century Learner means:

- Demonstrating proficiency in all mathematical concepts and skills outlined in the California Common Core State Standards and College Board College readiness standards for Math II, Math III, Pre-Calculus and Calculus and Statistics.
- Demonstrating proficiency as writers of all types of writing with specific emphasis on academic writing rooted in high-level critical thought.

- Developing the qualities, mindsets, and skills to be an effectiveleader.
- Striving for excellence in academic and non-academic endeavors.
- Accepting personal responsibility for their own actions and their learning; in addition, students will accept social responsibility for the social injustices within their community and the greater global community.
- Demonstrating resiliency when faced with difficult challenges throughout their high school career.

How Learning Best Occurs

Instruction is the core activity of all schools: public, private, elementary, secondary and post-secondary. Although there are several important factors that contribute to student achievement, research has demonstrated that the quality of instruction in the classroom has twice the impact on student achievement as school-wide policies regarding curriculum, assessment, staff collegiality, and community involvement.

The content of the educational program at the Luis Valdez Leadership Academy centers on gaining knowledge and mastering particular academic skills, forming effective intellectual habits, and building character qualities.

LVLA correlates its curriculum objectives to the Common Core State Standards (CCSS) and the Next Generation Science Standards (NGSS) adopted by the California State Board of Education. LVLA provides age-appropriate curriculum from the state-adopted list for Mathematics, Science, English-Language Arts/English Language Development, History-Social Science, and Visual-Performing Arts at each grade level.

The California Common Core State Standards (CCSS) for English Language Arts/English Language Development Standards play a critical role in the development of complex skills in literacy, language analysis and linguistic applications. The language arts are integrated in all content areas to foster inquiry skills (through speaking, listening, reading, and writing). Language practice in all four domains, in all content areas, support linguistic development. Common strategies are used to support rigorous content and shared by content teachers to ensure students are exposed to high level tasks as they develop linguistically. The CCSS anchor and define general, cross-disciplinary literacy expectations that must be met for students to be prepared to enter college and workforce training programs ready to succeed.

The Common Core State Standards' set requirements are not only for English language arts (ELA) but also for literacy in history/social studies, science, and technical subjects. Just as students must learn to read, write, speak, listen, and use language effectively in a variety of content areas, so too must the Standards specify the literacy skills and understandings required for college and career readiness in multiple disciplines. Literacy standards for grades 9-12 are based on the expectation that teachers of ELA, history/social studies, science, and technical subjects use their expertise to help students meet the particular challenges of reading, writing, speaking, listening, and language in those content areas. Pearson's Common Core English curriculum supports LVLA students in reading to gain, modify, or extend knowledge and to learn multiple perspectives across content areas, authors, genres, formats, cultures, and historical time periods. They write to express, refine, and consolidate their understanding of new concepts, through argumentation, analysis, narration, text citation, and summary, using structures and language appropriate to the topic and audience.

Students conduct research projects to solve problems and to answer questions generated by community needs and interests. Students engage with peers in conversations to probe ideas, pose questions, investigate issues, consider and integrate multiple perspectives, summarize, evaluate, and elaborate on what they have heard or read, and present and synthesize arguments, ideas, and information. They develop projects and presentations collaboratively and independently to express their ideas, interpretations, analyses, evaluations, arguments, and experiences to others. While engaging in all these learning tasks, students acquire vocabulary, linguistic structures, and written language conventions they can apply to better understand and use precise and nuanced language appropriate to task, purpose, and audience. Ultimately, the standards aim to align instructional practices with content requirements so that more students can meet the requirements of college and career readiness.

Moreover, the Luis Valdez Leadership Academy (LVLA) combines the Common Core State Standards (CCSS) with the pedagogical methodologies that have proven successful in student learning. For example, project based learning approach has allowed teachers to identify key CCSS that are reflective in cohesive methods which support Backward by Design curriculum units. These CCSS aligned units culminate with engaging real world project based assessments. The Common Core State Standards will be supplemented with character education, study skills, extra-curricular activities, technology, and community service. Clear and specific standards-based academic objectives will be mastered at each grade level as students move through the curriculum at LVLA's rigorous pace.

Instructional Methods

The Principal at Luis Valdez Leadership Academy (LVLA) works with teachers to select instructional methods that successfully maximize student learning. Students acquire the knowledge and skills needed to pursue academic excellence, as well as the ability to independently apply, evaluate, and expand upon their knowledge.

There are many educational theories and practices that have proven to be effective in the classroom environment; LVLA will not subscribe to only one approach. LVLA believes in allowing teachers to incorporate different aspects of teaching strategies that are research-based. Teachers are encouraged to augment their own instructional approaches with elements of methods that can help them expand their own successful practices and strategies. The advantage of having more time for learning means that multiple instructional techniques can be combined and integrated throughout the day. Some instructional methods may include:

- Direct Instruction
- Collaborative Learning
- Seminar Style Learning
- Harkness Learning Method
- Independent Study
- Performance Assessment
- Community Service Opportunities
- Online Course Delivery
- Gradual Release of Responsibility
- ELL Strategies
- Literacy Across Content Areas

LVLA teachers differentiate instruction by crafting their teaching to meet students' learning needs, including but not limited to, small group tutorials or one-on-one tutorials, online classes, directed independent studies, distance learning opportunities and courses at the local community college. LVLA is committed to doing whatever it takes to ensure that 100 percent of students are prepared for success in college.

Daily Schedule

More time on task is central to the success of LVLA students. Students attend school Monday, Tuesday, Thursday and Friday from 8:30 a.m. to 3:50 p.m. for 9th through 10th and 9:20 a.m. to 4:40 p.m. for 11th through 12th. On Wednesday, all students attend from 8:30 a.m.to 2:05 p.m., with staff development from 2:30 to 5:00 p.m. A typical day for a LVLA student is broken down according to the following schedule:

- 8:30 a.m. – 3:50 p.m. (Core Academic Programming 9th and 10th)
- 9:20 a.m. – 4:40 p.m. (Core Academic Programming 11th and 12th)

For the majority of the day, students are engaged in the standard curriculum areas of English, mathematics, science, social studies, fine arts, foreign languages, and physical education and health.

A 30-minute lunch occurs, in which students are able to eat lunch, catch up with friends, set appointments with teachers for extra help, form study groups, or meet with a student organization. Lunchtime at LVLA is a time of business for students.

Advisory is Monday, Tuesday, Thursday and Friday 8:30 to 9:15 a.m. for 9th and 10th graders. Juniors and Seniors have Advisory on those same days from 3:55 – 4:40 p.m. Tutorial is from 12:55 p.m. to 1:40 p.m. on those same days.

All in all, students exceed the 64,800 minutes of instruction each year, beyond what it is required by the Education Code. See Bell Schedule at Appendix B.

Annual School Calendar

The Luis Valdez Leadership Academy (LVLA) meets the California Department of Education calendar of minimal days. The total number of regular instructional days per year is approximately 180; however, there is an additional week of supplemental instruction offered to incoming freshmen, during the summer, as part of their school's program. The school attempts to align its annual school calendar with the district's and LVLA's in order to facilitate joint professional development opportunities and to best serve parents with students at the Luis Valdez Leadership Academy, (LVLA), LCPA, RCLA, and district schools. Please see Appendix C for a annual school calendar.

Attendance Requirements

Regular attendance, arriving on time, and remaining in school for the entire day promotes academic success. Inconsistent attendance translates into lost learning time. While students may make up work, making up assignments or homework cannot take the place of class lessons and the dialogue that occurs between students and teachers during classroom lessons. Therefore, it is expected that all students come to school every day on time, prepared, and ready to learn.

LVLA understands that sometimes absences are unavoidable. In the event that an absence is unavoidable, parents/guardians should follow the procedures set forth in the Student and Parent Handbook. See Student and Parent Handbook at Appendix D. Generally, a student's absence shall be excused when it is due to the following:

(1) illness (for self or of a child for whom the student is the custodial parent)
(2) medical/dental appointment (for self or of a child for whom the student is the custodial parent)
(3) quarantine under the direction of a county or city health officer (for self or of a child for whom the student is the custodial parent)
(4) attending funeral services of an immediate family member. Services conducted in California, no more than one day will be excused. For services conducted outside of California, no more than three days will be excused.
(5) Jury duty
(6) Certain justifiable personal reasons (the school office has a list of reasons)

Curriculum Overview

In order to ensure that all students participate in a rigorous, relevant, and coherent standards-based curriculum, all teachers are required to submit unit plans including embedded assessments. Teachers use a uniform unit template based on the *'Understanding by Design'* curriculum framework. Teachers develop their curriculum keeping the end goal of mastery of Common Core State Standards, New Generation Science Standards, as well as the college and career readiness skills. Teachers design rigorous instructional tasks that challenge students to think critically about the subject at hand.

Each unit includes a curriculum-embedded assessment that integrates a variety of formative and summative assessments that monitor student standard mastery and provide data for teachers to improve future instructional unit planning. The unit scope and sequence illustrates the instructional strategies, the learning progressions, and the lesson outcomes. Teachers submit these plans to their department chair/administrator and engage in a process of revision to ensure rigorous instruction. See Appendix E for sample pacing guides.

Curriculum Framework

LVLA firmly believes that matters of specific content, choice of texts and other readings and materials, and similar areas of preference within the clearly defined standards, rightly belong in the hands of the specialists who are hired as teachers of these courses.

The school curriculum and scope and sequence are aligned to Common Core Standards, Next Generation Science Standards, "a-g" coursework, and is UC doorways approved or pending approval to insure rigorous course offerings. Advanced Placement courses require syllabus approval from The College Board by assigned teachers. Dual credit course offerings are listed on the Intersegmental General Education Transfer list from San Jose Evergreen Community College District (IGETC) (See Appendix N). The school will refer to the California Assessment of Student Performance and Progress, California Science Test, (CSAT), and AP test or SAT II Subject test (depending on the exam offered for that particular course), as the end goal of the class, as well as Dual Credit Course completion as a measure of College Readiness.

School curriculum, scope and sequence are Common Core and Next Generation Science Standards aligned. The lesson design is backwards mapped with a focus on instructional strategies that develop the Acceleration of Literacy and instructional strategies that support English Learners across all subject areas. Teachers continuously modify curriculum using the Cycle of Inquiry by department and grade level. In addition, under the direction of the Chief Executive Officer of Schools, TFHE will continue to provide professional development to science teachers. Training typically includes modeling instructional shifts, providing lessons that are ready for teachers to immediately use, collaboration time, and resources to align with content new to the grade level. Professional Learning Community (PLC) teams also provide a support for teachers as they transition to the Next Generation Science Standards (NGSS). During their PLC time, teachers work together to unwrap the standards, plan NGSS aligned lessons and then look at the data from student work to determine student learning. The PLC process will also help teachers identify effective teaching strategies. An instructional coach will also provide support to teachers as they transition to the NGSS. This can include modeling lessons, co-planning lessons, and working with teachers to shift their existing curriculum to align to NGSS.

The school shall comply with requirements to provide students with information on how to properly complete and submit the Free Application for Federal Student Aid ("FAFSA") or the California Dream Act application, as appropriate, at least once before the student enters grade 12 pursuant to Education Code section 51225.8, added by AB 2015 (2018).

In accordance with AB 2121 (2018), the school shall comply with coursework and graduation requirements that have been extended to students who are a migratory child or students participating in an English language proficiency program for newly arrived immigrant students pursuant to Education Code sections 51225.1 and 51225.2.

CSU/UC "A-G" Requirements:

The school's core curriculum includes the following course offerings, which fulfill the minimum a-g requirements. The curriculum is constructed around the six core areas that comprise the University of California a-g requirements. See Graduation Requirements and "a-g" Course Sequence and Instructional Materials at Appendix F. All college-bound students wishing to attend California colleges or universities will have the opportunity to take courses that meet the "a-g" requirements.

In addition to the course requirements above, LVLA students are encouraged to enroll in at least one Advanced Placement course or a Dual Credit Course and pass with a grade of "C-" or higher. Each required course is certified to fulfill one of the University of California's entrance requirements. Upon graduation, all LVLA students have, at a minimum taken the necessary course work for admission to the University of California.

The Foundation for Hispanic Education has partnerships with local Community Colleges that promote advancement in earning high school and college credit. Luis Valdez Leadership Academy (LVLA) students receive college credits for some of their high school courses through an "articulated credit" program at a local Community College called Dual Credit. When Dual Credit students graduate from high school they have a jump-start on post-secondary education free of charge, saving both time and money as they get started on their next steps in their post high school education.

Students can earn California community college credit in lower division collegiate credit that counts toward an elective credit or subject area credit in courses such as History, Government, English, and General Education qualifying courses, all of which are "a-g" aligned.

Courses are said to be "articulated" when the high school course has the same content and outcomes as the college course. Although taught in the high school, the course materials, content, and instructional quality are consistent with the same courses offered by California Community Colleges. Because of that articulation, students are able to transition smoothly to the next level of college courses in the subject area following high school graduation.

Since California Community Colleges Dual Credit courses are the result of an alignment between high school and college courses requiring college level work, not all high school courses are eligible. This partnership focuses on offering "a-g" aligned courses that also earn college credits.

The Dual Credit Program consists of two 3-unit courses:

PSYCH 010 - Students are introduced to the major theories, areas of study, and methodologies of contemporary psychology and the scientific study of human behavior. Topics addressed include biological and neurological processes and structure, genetics, life span development, consciousness, sensory processes, perception, learning, memory, language and thought, intelligence, motivation and emotion, stress, personality, psychopathology, and psychotherapy.

UC/CSU CSU GE:D IGETC:4 Units = 3

ETH 027 - Students will critically explore the phenomena of race and ethnicity in the history of the United States. Examining the socio-political realities of power, students analyze the processes by which racial stratification occur. Particular emphasis is placed on the socio-historical experiences of major, subordinate ethnic groups in America -- African Americans, Mexican Americans, Asian Americans, and Native Americans. Students critically analyze major theoretical approaches to understanding the circumstances that have shaped present race relations in America and various Ethnic Studies paradigms.

UC/CSU CSU GE: D IGETC:4 Units = 3

Multiple measures are used for course placement. Students are evaluated for class selection based on their high school counselor's and instructor's recommendation, and in consultation with San Jose City College counselors. In addition, SAT/ACT scores may also be used as a benchmark for placement as well as the San Jose City College (SJCC) assessment test that is offered to its students. Once a student has been identified, a concurrent enrollment form, signed by both the parent/guardian and the high school will be signed and submitted to SJCC's admissions and records office. All students must attend a San Jose City College orientation session. See CCAP Agreement Program at Appendix G.

Standards and Curriculum

All courses are aligned with the Common Core State Standards, the Next Generation Science Standards, and College Board Standards. In addition, all courses have been approved by the University of California in order to guarantee students' eligibility for the UC system.

Course Design Process

All courses utilize the Understanding by Design model in order to fully integrate the Common Core State Standards in its respective curricular design. This model guides teachers to plan curriculum using textbooks and engaging lessons or activities rather than deriving those tools from targeted goals or standards. The backward approach to curricular design begins with the end in mind – the desired results as defined by CCSS.

The second stage in backward design is to determine acceptable evidence - how to measure the attainment of those targeted goals or standards. Creating assessments before the end of a unit not only helps to clarify goals, but also results in more sharply defined teaching and learning.

In the third stage, teachers plan learning experiences and differentiated instructional delivery. As a result of this backward design process, teachers make informed choices about which instructional techniques will facilitate student learning. Teachers and students perform better when the goals and expectations are well defined. The process ensures rigorous grade-level expectations.

English Department

The California Common Core State Standards for English Language Arts/English Language Development Standards play a critical role in the development of complex skills in literacy and language analysis and applications. The language arts are integrated in all content areas to foster inquiry skills (through speaking, listening, reading, and writing).Language practice in all four domains, in all content areas support linguistic development.

LVLA students read to gain, modify, or extend knowledge and to learn multiple perspectives across content areas, authors, genres, formats, cultures, and historical time periods. They write to express, refine, and consolidate their understanding of new concepts, through argumentation, analysis, narration, text citation, and summary, using structures and language appropriate to the topic and audience. Students conduct research projects to solve problems and to answer questions generated by themselves or others. Students engage with peers in conversations to probe ideas, pose questions, investigate issues, consider and integrate multiple perspectives, summarize, evaluate, and elaborate on what they have heard or read, and present and synthesize arguments, ideas, and information. They develop projects and presentations collaboratively and independently to express their ideas, interpretations, analyses, evaluations, arguments, and experiences to others. While engaging in all these learning tasks, students acquire vocabulary, linguistic structures, and written language conventions they can apply to better understand and use precise and nuanced language appropriate to task, purpose, and audience.

Science Department

The Luis Valdez Leadership Academy (LVLA) Science Department is committed to the implemtantation of the New Generation Science Standards (NGSS) by ensuring that students develop a broad base of knowledge in the sciences by providing science related information, such as interrelating the three dimensional learning program. Three dimensional refers to the deliberate integration of three distinct dimensions: Scientific and Engineering Practices (SEPs), Disciplinary Core Ideas (DCIs), and Crosscutting Concepts (CCCs). Through this learning, science teachers will emphasize that science is not just a series of isolated facts but rather has real-world application and connectedness. This awareness enables students to view science more as an interrelated part of their world and connected to other disciplines. The science teachers will use a range of strategies to engage students and create opportunities to demonstrate their thinking and learning. Students will have the opportunity to experience hands-on scientific experimentation and learning.

Mathematics Department

LVLA's Math department has adopted the Integrated Math I-3 series, which has provided problem-based instructional materials and professional development for teachers. The adopted curriculum is Common Core Standards aligned and is used across grade levels in planning and instruction.

The research-based principles that guide the integrated math courses are:

- Students should engage in problem-based lessons structured around core mathematical ideas.

- Guided by a knowledgeable teacher, students learn in groups to foster mathematical discourse.
- Practice with concepts and procedures are revisited over time; and mastery comes as a result of the spiraling of challenging math content.

CCSS Standards for Mathematical Practice are deeply and seamlessly interwoven into the fabric of the daily lessons. The course balances procedural fluency (algorithms and basic skills), deep conceptual understanding, strategic competence (problem solving), and adaptive reasoning (application and extension).

History and Social Studies Department

The Luis Valdez Leadership Academy (LVLA) History and Social Studies Department believes that history is a process involving investigation and not a set of facts but rather a collection of fluid narratives that evolve over time in response to changing social, economic, and political conditions. LVLA students will learn to apply the following historical thinking skills when constructing accounts of the past. Such as, sourcing, contextualizing, corroborating, and close reading.

Foreign Language Department

The foreign language department at the Luis Valdez Leadership Academy(LVLA) has the following philosophy of teaching:

- To foster an attitude of openness and appreciation of language, culture, and history;
- To empower students to function effectively and appropriately in another language;
- To instill a disciplined and serious attitude toward language learning

LVLA offers Spanish for non-native speakers and Spanish for natives speakers. Students are required to study a foreign language for two years; however, the department encourages students to continue their study beyond this requirement in order to develop true proficiency and obtain the California State Seal of Bi-literacy.

Visual and Performing Arts Department

Students at the Luis Valdez Leadership Academy (LVLA)study digital media throughout their four years in the digital media pathway. The Luis Valdez Leadership Academy is home to a well-resourced Digital Media Lab that supports the ACTOS course. ACTOS is an introductory visual and performing arts and digital media class, which is Common Core aligned and a-g approved as a visual and performing arts elective. Through ACTOS, students learn the core tenets of acting and theater, as well as how to produce and edit short films and documentaries. The ACTOS course sequence, which includes Digital Media I and II, Advanced Digital Media, Chicano Theater, Filmmaker's Studio, and Actor's Studio, informs a series of career pathways for LVLA students. All ACTOS courses feature Common Core aligned curricula and form two career pathways.

Technology Tools for Instruction

Technology facilitates high academic achievement at the Luis Valdez Leadership Academy. While technology is not a core curriculum to be mastered independently, modern technological tools are employed to advance specific curricular goals. Just as a calculator can assist with higher-level math equations, 21st century technologies are utilized to achieve clear educational outcomes that are measurable and demonstrable.

The Luis Valdez Leadership Academy will:

- Enhance individual achievement through assessment technologies;
- Enable teachers and students to effectively collaborate with others;
- Enable new forms of student expression;
- Provide every incoming student with a Google Chromebook to take to and from school daily and support academic success.
- Provide education, training, and resources to students to support them becoming responsible digital citizens;
- Build higher order thinking skills and research skills by allowing students to interact with information in multiple ways; and
- Facilitate professional development opportunities and enhance instructional support, including the organization and distribution of teacher lesson plans.

Please see the LVLA Course Catalogue at Appendix H for a complete list of courses offered by LVLA.

Counseling and Advising

Counseling Department

Luis Valdez Leadership Academy's counseling department works in direct collaboration with LVLA advisors to ensure that every student has the opportunity to be on pace to graduate from LVLA and has a post-secondary education plan. The counseling department plays a lead role in supporting the Advisory program by analyzing student transcripts, determining a-g eligibility and preparing students to be successful in their Student-Led Conferences (SLCs). In addition, counselors play a major role in scheduling students in the necessary classes to ensure the vast majority of LVLA students graduate A-G eligible. LVLA counselors also meet with students to support them in developing preferred college lists and register for college courses. In addition, LVLA counselors lead the process for spring course registration in conjunction with the Chief Executive Officer of Schools to create the school's master schedule.

Summer Bridge Program

Overview:

All LVLA incoming 9th graders are required to attend a two-week Summer Bridge program. The full day program is designed to help students make a successful and smooth transition to high school, as well as expose students to LVLA's college-going culture and support them on their path toward college acceptance. In addition, it also supports the social component whereby students begin to make new friends and build community with their peers as they progress through their 4-year academic journey. Likewise, students meet and interact with LVLA teachers and school leaders and upperclassmen. The LVLA Summer Bridge program includes a leadership retreat and an Advisory community-building day at Stanford University for ALL students and staff. In addition, students and staff spend a day touring UC Santa Cruz, followed by an afternoon of reflection and team building.

There are six classes offered during the two-week program. These are:

- Thinking like a Historian
- College 101
- LVLA Group Work,
- Schoology and Tech Success, and
- Academic Me

Students also participate in afternoon arts-based enrichment activities with the Mural, Music and Arts Project (MMAP) and with El Teatro Campesino (ETL).

Class Recovery Program

The Class Recovery Program is an on line program that is high quality, interactive, and Common Core State Standards aligned. Students complete on line high school credit courses. The program is modular and offers a wide range of options for students. Coursework can be supplemented with additional content, resources, scaffolding, with the support of assigned teacher coordinators. This college approved program is offered year round and meets "a-g" requirements.

Evergreen Community College Courses

As a result of this EVC summer bridge program, 9th grade students, parents and teachers are given a successful head start for the upcoming year.

Electronic Platform

A student centered software platform is used to support students in planning a course of action to help them reach their goals, find resources to prepare academically, and discover their own path. Through self-discovery and collaboration with parents, teachers and school counselors, this electronic platform enables students to find college and career pathways that are right for them. Students start by setting personalized goals, learn about their skills and interests, and explore career options based on those interests. Then search for colleges, apply for scholarships and track your admissions status.

Personalized Learning Plans

The path to college and career readiness begins with self-discovery. The software program enables students to learn about their strengths and areas of interest, and match those skills with college and career options that are the right fit for each student. Working directly with their school counselors, students can set personalized learning goals and manage all the tasks needed for post-secondary success.

Career Exploration & Course Planning

Once students have an understanding of who they are, the software allows them to learn about what they want to be and how to get there. Part of this program contains a feature that allows students to connect with accomplished individuals who have defined their own road in life to achieve unique goals. In addition, the platform also offers a series of career assessments that help students discover multiple career options, and plan their career paths based on general areas of interest, and the level of education and training required to achieve their individual goals and objectives.

College Search & Admissions

The electronic format simplifies the college research process. Whether by matching colleges to a student's career interests, or by comparing admissions rates at a student's top college choices, these college planning tools allow students and families to make informed decisions about their options by comparing colleges and universities, exploring scholarship opportunities, tracking college applications, and accessing a variety of other college research materials.

Learning Management System

The Learning Management System (LMS) consists of both teachers and student electronic devices that provide students access to an array of valuable educational resources and applications.

Meeting the Needs of All Students

Students Behind Grade Level

The school offers a robust, comprehensive Advisory Program that seeks to ensure that all students attend school regularly and are academically successful. The Program also seeks to develop students' character through a curriculum that focuses on academic success, college and career readiness, exploration of self, building initiative, developing resilience and learning resourcefulness. The school believes that the Advisory Program model is one of the main reasons LVLA achieved over a 96% average daily attendance rate during our first three years of operation.

In class, teachers use a variety of instructional methods to reach students of all learning modality preferences. To address the needs of struggling students, LVLA offers longer school hours and more time in school, and more time learning in a small school environment. In addition, staff members and local college student volunteers provide individualized and small group support to students requiring extra help through the context of a Multi-Tier System of Support (MTSS). Students who are behind grade level or in jeopardy of retention are individually counseled and given extra help in their specific areas of concern.

The content of the Luis Valdez Leadership Academy (LVLA) curriculum focuses on the necessary remediation of basic skills, when applicable, coupled with an emphasis on higher order thinking processes in all content areas. Interventions are necessary to support students who are struggling academically. At Luis Valdez Leadership Academy (LVLA), students who score at the Standard Not Met and Standard Nearly Met levels on the SBAC require additional support. If necessary, as determined by student diagnostic tests taken at the start of the school year, LVLA uses state-adopted remediation programs, one-on-one tutorials, and extra support from content area teachers to get students up to grade level.

Multi-Tier System of Support (MTSS)

In California, MTSS is an integrated, comprehensive framework that focuses on CCSS, core instruction, differentiated learning, student-centered learning, individualized student needs, and the alignment of systems necessary for all students' academic, behavioral, and social success. MTSS offers the potential to create needed systematic change through intentional design and redesign of services and supports that quickly identify and match the needs of all students.

The California Department of Education's (CDE) definition of a Multi-Tiered System of Support (MTSS) provides a basis for understanding how California educators and educators within The Foundation for Hispanic Education and Luis Valdez Leadership Academy (LVLA) can work together to ensure equitable access and opportunity for all students to achieve Common Core State Standards (CCSS). MTSS includes Response to Instruction and Intervention (RtI2).

Tier 1 is what "ALL" students get in the form of instruction (academic and behavior/social-emotional) and student supports. Tier 1 focuses on the implementation of the Foundation's Core Curriculum and is aligned with Common Core State Standards (CCSS). Tier 1 services (time and focus) are based on the needs of the students in a particular school. Some schools require more time than other schools in particular core curriculum areas based on student demographics (readiness, language, economic factors) and student performance levels to ensure that all students reach and/or exceed state proficiency levels.

Tier 2 is what “some” students receive in addition to Tier 1 instruction. The purpose of Tier 2 instruction and supports is to improve student performance under Tier 1 performance expectations (levels and conditions of performance). Therefore, “effective” Tier 2 services occur when at least 70% of students receiving Tier 2 services (in addition to Tier 1) meet or exceed grade level/subject area Tier 1 proficiency levels (academic and/or behavior) established by the district. Tier 2 services are more “intense” (more time, narrow focus of instruction/intervention) than Tier 1. Tier 2 services can be provided by a variety of professionals (e.g., general education and/or remedial teachers, behavior specialists) in any setting (general education classroom, separate settings, home). Since the number of minutes of Tier 2 services is in addition to Tier 1, the total amount of time a student receives Tier 1 and Tier 2 services are based, fundamentally, on the number of minutes all students receive Tier 1 supports.

Tier 3 is what “few” students receive and is the most intense service level a school can provide to a student. Typically, Tier 3 services are provided to very small groups and/or individual students. The purpose of Tier 3 services is to help students overcome significant barriers to learning academic and/or behavior skills required for school success. Tier 3 services require more time and a more narrow focus of instruction/intervention than Tier 2 services. Tier 3 services require effective levels of collaboration and coordination among the staff (general and specialized) providing services to the student. The expected outcome of Tier 3 services, combined with Tiers 1 and 2, is that the student(s) will achieve Tier 1 proficiency levels (academic and/or behavior) established by the foundation and district of service.

Luis Valdez Leadership Academy (LVLA) uses the MTSS process as described during the designated tutorial and/or advisory time. The Luis Valdez Leadership Academy process is conducted in a Lab setting with teachers assigned on a rotating basis. Through use of the school’s electronic system, regular progress reports are reviewed for each individual student.

Special Education Students

The Charter School recognizes its responsibility to enroll and support students with disabilities who can benefit from its programs and who otherwise qualify for enrollment and pledges to work in cooperation with ESUHSD and/or the Sonoma County SELPA to ensure that a free and appropriate education is provided to all students with exceptional needs. The Charter School complies with all applicable state and federal laws in serving students with disabilities, including, but not limited to the Individuals with Disabilities Education Improvement Act of 2004 (IDEA), Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, and any other civil rights enforced by the U.S. Department of Education Office of Civil Rights (OCR). Furthermore, the Charter School complies with AB 602, Sonoma County Charter SELPA Special Education guidelines, and all California laws pertaining to special education students. No student is denied admission based on disability or lack of available services.

The Charter School continues to operate as a local educational agency ("LEA") and as a member of the Sonoma County SELPA in accordance with Education Code Section 47641(a). See Sonoma County Charter SELPA School Information and Letter of Good Standing at Appendix I. The Charter School is in consultation with the Sonoma County SELPA and understands the special education responsibilities of the charter and the application of SELPA policies. The Charter School is a member of the SELPA in good standing. Special education services are provided through a combination of internal staffing and contracts with appropriately licensed non-public agencies as needed to fulfill the requirements of student IEPs. A change in LEA status or SELPA membership shall not require a material revision of this charter.

LVLA receives federal and state special education funds from Sonoma County Charter SELPA. The Charter SELPA is the recipient of both federal and state special education funds. The Charter SELPA bases state funding for LVLA on its current year P-2 ADA and for federal on prior year CBEDS enrollment.

As an LEA pursuant to Education Code Section 47641(a), the Charter School is solely responsible for the identification, assessment, development of IEPs, and IEP implementation of special education students enrolled in the Charter School in accordance with State and Federal law and the local SELPA plan and/or policies and procedures. All students in the Charter School are instructed in a safe environment. The Charter School receives State and Federal special education funds in accordance with the applicable Sonoma County SELPA fiscal allocation plan. The Charter School is solely responsible for all costs above and beyond State and Federal special education funding.

Per Federal Law, all students with disabilities are fully integrated into the programs of the Charter School, with the necessary materials, services, and equipment to support their learning. The school ensures that any student with a disability attending the Charter School is properly identified, assessed and provided with necessary services and supports.

The Charter School meets all the requirements mandated within a student's Individual Education Plan (IEP). The school seeks to include all special needs students with nondisabled peers to the maximum extent appropriate according to their IEP. However, if the student's needs as documented on the IEP require a program other than inclusion, the school will work with ESUHSD and/or the Sonoma County SELPA to provide an appropriate placement and services.

The Charter School works in collaboration with ESUHSD and/or the Sonoma County SELPA to make time and facilities available to meet the needs of the student's IEP. The Charter School actively participates in all aspects of the IEP to enable the student to be successful,

including the appropriate individual tutoring schedule and classroom modifications, strategies, and techniques. The school makes available student's work products for analysis and evaluation of progress and participates in the IEP reviews conducted by the ESUHSD and/or the Sonoma County SELPA, where applicable. If a parent or faculty member feels the student's educational needs are not being met, they may request, in writing, a reassessment or a review of the IEP by the IEP team at any time during the year to the Charter School. This written notice is then forwarded to ESUHSD and/or Sonoma County SELPA within two school days. The school encourages open communication between the parents and ESUHSD and/or Sonoma County SELPA for any items related to the special education services. Students at the Charter School who have IEP's will continue to attend the school, unless the IEP recommends otherwise.

In order to comply with Child Find requirements as specified by law, the Charter School established a referral and assessment process that brings together the parent/guardian, student, and school personnel to address any problems that interfere with a student's success at the school. This process entails search and serve, a Student Success/Services (SST)Team, referral, assessment, and IEP review.

Interim and Initial Placements of Charter School Students

If a student enrolls at LVLA with an existing IEP, LVLA will notify the SELPA (where applicable according to SELPA policies), ESUHSD, and the student's district of residence within 5 days. An IEP meeting would be convened within 30 days to review the existing IEP, discuss the student's present levels of performance and needs, and offer an appropriate placement and services. Prior to such meeting and pending agreement on a new IEP, LVLA would work with the SELPA to implement the existing IEP at LVLA or as otherwise agreed by the parent/guardian.

Search and Serve

Luis Valdez Leadership Academy conducts Child Find activities for their entire student population so that children who may need special education are appropriately identified and, if necessary, referred for a further evaluation. Luis Valdez Leadership Academy follows California's specified instructions for charter schools with regards to Child Find. Luis Valdez Leadership Academy has an open admission policy for any student who wishes to enroll in the high school, regardless of their race, ethnicity, language, income-level, first-generation status, gender, and/or disability.

After a student's admission to the school, school administration and/or staff asks for information regarding past history of services and disability status as a means through Child Find, designed to meet their unique needs and prepare them for further education, employment and independent living while receiving a free and appropriate education.

The Student Success/Services Team's (SST) responsibility to work together to identify the student's learning strengths and needs, put strategies into action, and evaluate their impact in order that the student can succeed in the general education classroom. Students who have not made significant progress in general education in spite of the MTSS process, may be recommended by the SST to be evaluated and assessed for special education. Luis Valdez Leadership Academy insures that any student that is in need of assistance has every opportunity to succeed. First, within the general education classroom with modifications and adaptations, and if those efforts are exhausted, only then, is the student be referred for assessment for special education services. There is a concerted effort by Luis Valdez Leadership Academy

administration, teachers and staff to keep the student in the least restrictive environment to meet their educational needs.

Progress monitoring takes place every grading period. At this time, students' grades and benchmark assessments are reviewed by the Academic Counselors to determine which students have earned failing grades in one or more subject areas. Teachers of these students provide an explanation for the failing grades and make recommendations for a Student Success Team (SST) meeting in order to determine what modifications are needed to assist student's success.

Luis Valdez Leadership Academy engages in the pre-referral process when a student either has been self-identified or has been identified by a teacher, parent, or another educational professional as having learning or behavioral difficulties in one or more of subject areas. In this situation, a Pre-Referral Form is completed and submitted to the Academic Counselor in charge of the SST facilitation. Specific area(s) of concern, such as not turning in assignments, earning poor grades in a subject area, not paying attention, having trouble understanding homework assignments are noted on the Pre-Referral form as possible choices for the individual(s) completing the form**.** Once this form is completed and submitted, the SST process is initiated.

As a general education function, the SST is facilitated by one of two academic counselor(s) and includes members required by law, such as a school administrator (Principal or their designee), all the student's high school teachers, and any other specialist (consulting speech-language therapist, etc.). LVLA seeks to attract and employ team members with the appropriate credentials in their profession, are bilingual and familiar with the local Latino community. Although the law does not require parent participation in pre-referral discussion, Luis Valdez Leadership Academy staff invites the parents of the student and the student themselves to participate in the SST meetings. Luis Valdez Leadership Academy feels that the family and student perspective on support for an education is critical to the student's success and completion of high school and college. The family's input is also important to realize how the student's developmental milestones, cultural values, and language experiences affect and impact learning and behavior.

Referral for Assessment

The referral process is a formal, ongoing review of information related to students who are suspected of having disabilities and show potential signs of needing special education and related services. Valdez Leadership Academy's referral for assessment process includes examining student screening information and making a decision about whether or not to conduct a formal educational assessment. The parent of any student suspected of needing or qualifying for special education services may also make a referral for an evaluation. Any such referrals will be responded to in writing by the Special Education Director within 15 days.

Parents are informed via the Director of Special Education that special education and related services are provided at no cost to them.

If Luis Valdez Leadership Academy team concludes that a referral for assessment is appropriate, the parent will receive an Assessment Plan. Assessments are completed only upon receipt of written parent permission.

Assessment

At Luis Valdez Leadership Academy, pre-referral and Response to Intervention (RtI) activities are employed to screen students before more formal identification procedures are implemented. In general, before any formal referral to special education is made, teachers and family members work together through the SST process to see whether educational or behavioral difficulties can be resolved in the general education classroom. The assessments used during this step of the IEP process are intervention-based and are made in the student's general education class using direct measures of performance (McNamara & Hollinger, 2003).

The Luis Valdez Leadership Academy will avoid unnecessary assessments and placements in special education. During this pre-referral period, teachers try differentiated instructional approaches to determine a student's learning needs (Barnett et al., 2004). They also make basic accommodations to the instructional program. All LVLA teachers receive professional development on how to deliver differentiated instruction for all students, as well as English Language Learners (ELL) and students with other special needs. General education teachers receive both assistance and consultation from the LVLA's Special Education Teacher and/or the Director of Special Education who leads Professional Development Workshops such as, "Identifying Students with Learning Disabilities," "Modifications, Accommodations and Adaptations Using RtI," or "Language Difference or Language Disorder?" Students whose learning remains challenged as determined by the SST are referred for assessment to the school psychologist and the IEP process is initiated.

Assessment is one of the most critical pieces of the educational planning process. LVLA uses the Special Education Information System (SEIS) to identify if a student is being evaluated for an initial, annual, triennial, transition, interim or other purpose. The reason for referral is indicated and the evaluation area (academic achievement, intellectual development, post-secondary transition, etc.) is identified. In the case of a special education student at LVLA who is in need of a three-year re-evaluation, a complete psycho-educational evaluation and current assessments by the student's special and general education teachers and other specialists (as needed) are conducted.

At Luis Valdez Leadership Academy (LVLA), Special Education evaluations are conducted by a multi-disciplinary team, made up of professionals who have expertise in each area of concern. Each member helps to evaluate the student's unique strengths and needs. Special Education services are provided through a combination of internal on-site staffing and local contracts with appropriately licensed non-public agencies as needed to fulfill the requirements of student IEPs. This may include but is not limited to the following personnel: Psychologist, Speech and Language, Behavioral, Social-Emotional/ERMHS Counseling, Occupational Therapy, Adaptive Physical Education, etc. For students who are 16 years old or older, Luis Valdez Leadership Academy provides evaluation and assessments related to the need for transition services provided by the Special Education staff who are trained to conduct and implement Individual Transition Plans in support of each student.

Assessment information can come from a broad range of sources, including the student's parents and family members. The professional who coordinates the identification process is the Special Education Teacher at LVLA. At this step, many different types of data are used to inform the team about the student's abilities. Medical history, information about social interactions at school and at home, adaptive behavior in the community, educational performance, and other relevant factors are considered. Evaluations include an array of assessment instruments and procedures. Information is collected, usually from family members, about the student's major life activities: performance at home, at school, in interpersonal relationships, and during leisure time.

Formal tests—tests of intelligence, academic achievement, and acuity (e.g., vision and hearing)—are part of the information used to make decisions about students and their potential special education status. Tests about a student's learning style are often included to help identify accommodations that may be effective to support the individual's successful access to the general education curriculum. Less formal assessments (school observations of social behavior, examples of academic assignments, direct measurements of academic performance, and portfolio samples of classroom performance) are also important pieces of evidence for this step in the IEP process. One result of the evaluation step of the IEP process can be determination that the student does not have a disability. In these instances, the IEP process is discontinued and/or considered for a 504 placement. For those students who do have disabilities, this phase of the process results in a baseline of performance that guides the development of the individualized program plan and later will help evaluate the program's effectiveness.

The information from the assessment step is used to identify students who actually have a disability and qualify for special education services. The School Psychologist will make this determination and recommendation to the IEP team. For those students, the IEP team then determines what components of the full range of special education and related services are needed so that an offer of FAPE can be made and implemented. The education of those students who do not meet the eligibility requirements remains the responsibility of general educators.

Development and Implementation of IEP

Every student who is assessed by the school will have an IEP that documents assessment results and determines eligibility for special education services. If the student is eligible for services, LVLA provides those services according to the student's IEP, which specifies the instruction and services the student will receive. Students at the school who have IEP's are served in the Least Restrictive Environment (LRE).

Each student who has an IEP will have an IEP team that oversees the implementation and progress of the IEP. The IEP team at LVLA consists of the following individuals:

- The parent or guardian of the student for whom the IEP was developed;
- The Director of Special Education;
- The Principal;
- A General Education teacher (teachers-including all student's teachers at the high school level) who is familiar with the curriculum appropriate to that student; (or the Regular Education Teacher will fill out a Form 20, IEP Team Member Input into the Development of the IEP – if the teacher decides not to attend the meeting a written input is required before the IEP meeting.)
- Special education professionals qualified to interpret assessment results; and
- A District representative, as appropriate.

Other professionals familiar with the student may be invited as needed. LVLA views the parent as a key stakeholder in these meetings, and will make every effort to accommodate parents' schedules and needs so that they are able to participate effectively on the IEP team. The school provides an interpreter, when necessary, to ensure that all parents and/or guardians understand and can participate in the IEP process. If a parent cannot attend the IEP meeting, the school ensures his/her participation by using other methods, such as conferencing by telephone or meeting at the parent's home. A copy of the IEP, along with a copy of *Parents Procedural Safeguards-Parents Rights,* are given to the parent. See Special Education Rights of Parents and Children at Appendix J.

In accordance with IDEA, all Luis Valdez Leadership Academy IEPs for each student with a disability will use the IEP template of the of the (SEIS system) of the Sonoma County Office SELPA that include the following:

- A statement of the student's present levels of educational performance, including how the student's disability affects the student's involvement and progress in the general curriculum;
- A statement of measurable annual goals and, only if the student takes an alternate assessment, benchmarks or short-term objectives;
- A statement of the special education and related services and supplementary aids and services to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided for the student;
- An explanation of the extent, if any, to which the student will not participate with students without disabilities in the regular class;
- A statement of any individual modifications in the administration of state or district-wide assessments of student achievement that are needed in order for the student to participate in the assessment and, if the IEP team determines that the student will not participate in a particular state or district-wide assessment, a statement of why that assessment is not appropriate for the student, and how the student will be assessed;
- The projected date for the beginning of the services and modifications and the anticipated frequency, location, and duration of those services and modifications; and
- A statement of how the student's progress toward the annual goals will be measured, how the student's parents will be regularly informed of their student's progress toward the annual goals, and whether that progress is sufficient to enable the student to achieve the goals by the end of the year.

The IEP is not to be a curriculum for the student. Rather it is to serve as a guide for how to "open the doors" to improve access to the general education curriculum and the necessary special education and related services that will allow the student to progress in the general education curriculum. All Luis Valdez Leadership Academy teachers, staff and administrators will complete an online IEP Training Based on State Standards available through California Services for Technical Assistance and Training (CalSTAT). Details and a link to the training are available at www.cde.ca.gov/sp/se/sr/ieptraining.asp.

To be eligible under IDEA, Luis Valdez Leadership Academy students must meet the criteria of one of the specific disability categories as defined in the law. Luis Valdez Leadership Academy is responsible for providing a free appropriate public education (FAPE) for each student with a disability in accordance with the local plan of the Sonoma County SELPA. Students with disabilities will have available to them a continuum of placements in the setting that will meet their individual needs.

However, students who are not eligible under IDEA may qualify as students with disabilities under Section 504. Luis Valdez Leadership Academy has a procedure in place to determine how the 504 student are served. Section 504 and the ADA define disability much more broadly than does the IDEA. They include any individual who has a physical or mental impairment that substantially limits one or more life activities, or who has a record of such impairment, or who is regarded as having such impairment. Reasonable accommodations are required by both of these laws, and Section 504 goes further by specifically requiring the provision of educational and related aids and services that are designed to meet the individual educational needs of the child.

It is the responsibility of the school to provide eligible students with 504 services. IEP meetings are held according to the following schedule:

- Annually (Annual IEP) review the student's progress and make any necessary changes;
- Every three years (Triennial IEP) to review the results of a mandatory comprehensive reevaluation of the student's progress and the IEP is reviewed as part of an overall comprehensive reevaluation of the student's progress
- After the student has received a formal assessment or reassessment;
- When a parent or teacher feels that the student has demonstrated significant educational growth or a lack of anticipated progress;
- When an Individual Transition Plan is (ITP) required at the appropriate age;
- When a special education student has been suspended, especially if they demonstrate a pattern of misbehavior, to determine if changes to the IEP are required to address the misbehavior; and
- Prior to the expulsion of a student with an IEP, to determine if the student's misconduct was a manifestation of his/her disability.

IEP Review

The IEP team formally reviews the student's IEP at least once a year to determine how the IEP is meeting his/her needs. In accordance with IDEA regulations, the IEP team also conducts a formal review of the IEP once every three years, in which the student is reassessed and the IEP is reviewed as part of an overall comprehensive reevaluation of the student's progress.

If a parent or faculty member feels the student's educational needs are not being met, they may request a reassessment or a review of the IEP by the IEP team at any time during the year via written notice to the school. Once the request is received, Luis Valdez Leadership Academy will have thirty days, not including school vacations greater than five days, to hold the IEP meeting.

Parents are informed four times a year, over two semesters, (which is the same frequency as progress is reported to all students and parents) of the student's progress toward meeting annual goals and whether the student is expected to meet his/her annual goals. The Goals and Objectives section of the IEP are attached to the general progress report. This serves to document the method by which the student's progress toward achieving the annual goal is measured, the student's progress during the relevant period, the extent to which it is anticipated the student will achieve the annual goal prior to the next annual review, and where needed, the reasons the student did not meet the goal.

Staffing

Luis Valdez Leadership Academy (LVLA)continues to work the Sonoma SELPA to contract with independent providers to provide special education compliance review, assessment and all services including Designated Instruction and Service as specified in California Education Code and IDEA.

LVLA employs a Director of Special Education. This person is responsible for overseeing case management of all special education students and for arranging provision of services required by their IEP. The Director of Special Education and any other appropriate school personnel attend staff development, in-services, and/or trainings sponsored by the Sonoma County Charter SELPA and/ or District in compliance with IDEA regulations, California Education

Code and Sonoma County Charter SELPA guidelines.

The Director of Special Education will:

- Ensure that all aspects of the IEP are followed;
- Arrange for the teacher of the student to attend the team meetings;
- Communicate with parents about progress made toward attaining the goals stated on the student's IEP, and inform them of due process procedures and rights;
- Consult quarterly with the Director to ensure that the objectives and goals of students with IEP's are being met;
- Complete the requisite paperwork, updating and filing of necessary information for initial referrals, triennial evaluations, ongoing monitoring of student progress, and appropriate provision of any/all test modifications as stipulated in the IEP;
- Maintain a central file with all special education evaluation material and IEP's in accordance with FERPA and IDEA guidelines; and
- Provide a report of student progress on the same schedule as students in general education.

Non-Public Placements/Non-Public Agencies

The Charter School is solely responsible for selecting, contracting with, and overseeing all non-public schools and non-public agencies used to serve special education students. The Charter School immediately addresses all parental requests for services from non-public schools or agencies, unilateral placements, and/or requests for reimbursement.

Reporting

Luis Valdez Leadership Academy collects and maintains the following information on disabled students as required by IDEA:

- A calculation of all school-age students with disabilities being provided special education services by age, grade, category of disability and the number of students with disabilities who are English Language Learners;
- The number of students provided with test accommodations and the types and the number of students exempted from District assessments;
- The settings in which students with disabilities receive their services, specifically including the portion of the school day they receive services with non-disabled peers and time away from the regular classroom;
- The number of students with disabilities suspended "in-school" and out of school, organized by disability and length of suspensions; and
- The basis of exit from Luis Valdez Leadership Academy of students with disabilities (i.e., attainment of diploma and type, declassified, moved, etc.).

All necessary procedures and practices to ensure confidentiality and accurate/timely reporting is the responsibility of the Luis Valdez Leadership Academy Special Education Director. The Director ensures that a central file with all special education evaluation material and IEP's is maintained and that this file is locked and confidential, in accordance with IDEA guidelines. The Director oversees access to these records, and is responsible for ensuring that all providers responsible for the implementation of a student's IEP have access to a copy of the IEP and are informed of their specific responsibilities in implementing the IEP.

Due Process and Procedural Safeguards

Parents or guardians of students with IEP's at Luis Valdez Leadership Academy are given written consent for the evaluation and placement of their child, are included in the decision-making process when change in placement is under consideration, and are invited, along with teachers, to conferences and meetings to develop their child's IEP.

Any concerns or disagreements raised by parents will be acknowledged by the school within five days, after which a meeting between the parent and school will be scheduled to seek resolution of the disagreement. If a disagreement or concern persists, parents or guardians have the right to initiate a due process hearing to challenge a decision regarding the identification, evaluation, or educational placement of their child.

The school provides the parent with all notices of procedural safeguards as well as with information on the procedure to initiate both formal and informal dispute resolutions.

Dispute Resolution

In the event that a parent/guardian files a request for a due process hearing or request for mediation, the Sonoma SELPA and LVLA shall work together to defend the case. LVLA reserves the right to make arrangements for legal representation in and resolution of legal disputes pertaining to special education.

Complaint Procedures

Parents or guardians also have the right to file a complaint with the District and California State Department of Education if they believe that the school has violated federal or state laws or regulations governing special education.

Special Education Strategies for Instruction and Services

Luis Valdez Leadership Academy complies with the federal mandate of the "least restrictive environment", meaning that the school makes every attempt to educate special education students along with their non-disabled peers. Luis Valdez Leadership Academy mainstreams all of its students as much as is appropriate according to each individual IEP, offering a comprehensive inclusion program that includes specialized individual tutoring through Luis Valdez Leadership Academy's extended day and year. Each student's IEP requires different kinds of accommodations for instruction and services, therefore the educational strategies of the IEP is built around the student's needs and how these fit within the general educational program of the school. The instruction outlined in each student's IEP is delivered by personnel qualified to do so. Luis Valdez Leadership Academy's Special Education teacher oversees all students with IEPs to ensure their needs are met and they are successful. The Education Specialist will work with regular education teachers to ensure that there are appropriate modifications for students with IEPs and 504 plans in every core and elective class.

General Guidelines

Curriculum adaptations include accommodations, modifications, and supports that allow a child with a disability access to the general curriculum and assessments. LEAs/districts are

responsible for ensuring that each teacher and provider is informed of his or her specific responsibilities related to implementing the child's IEP and the specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP (34CFR 300.342 (b)(3)).

What are accommodations?

Accommodations are adaptations that enable a student with a disability to participate in educational programming and complete school work or tests with greater ease and success. Accommodations do not fundamentally alter the curriculum or lower expectations or standards in instructional level, content or performance criteria. Accommodations are changes made to the curriculum in order to provide equal access to learning and equal opportunity to demonstrate what is known.

What are modifications?

Modifications are adaptations that provide a student with meaningful and productive learning experiences based on individual needs and abilities. Modifications do fundamentally alter the curriculum or lower expectations or standards, in instructional level, content or performance criteria to meet the student's needs.

Adaptations to Assessments

Accommodations and modifications should not simply be applied at the time of testing as a means of support. In order to justify the use of accommodations/modifications during testing, a student should also have access to the needed supports during instruction in the classroom.

Grading when adaptations have been made to the curriculum

Because accommodations do not fundamentally alter the curriculum, a student's grade should not reflect that accommodations have been made. Accommodations provide students with disabilities an equal opportunity to participate in the general education curriculum.

If modifications have been made to the curriculum of any course, it is important that the student's grade reflect the student's achievement in the modified curriculum, as long as modified grades are available to all students. However, any modifications to programming, instruction, and grading must be documented in the student's IEP and be directly related to the student's disability. To automatically give modified grades to all special education students would be discriminatory and potentially violate Section 504 of the Rehabilitation Act of 1973.

How to determine the appropriate adaptations to curriculum?

The IEP team may use the *Nine Types of Curriculum Adaptations* (Diana Browning Wright, Teaching and Learning, 2005) matrix to determine the most appropriate adaptations required for a student with a disability to gain access to the general curriculum. Once the team has agreed upon the necessary adaptations, they need to be shared with teachers and service providers to ensure that the accommodations, modifications, and supports written into the child's IEP are being implemented. (See chart below)

* Quantity	* Time	* Level of Support
Adapt the number of items that the learner is expected to learn or number of activities student will complete prior to assessment for mastery. *For example:* Reduce the number of social studies terms a learner must learn at any one time. Add more practice activities or worksheets.	Adapt the time allotted and allowed for learning, task completion, or testing. *For example:* Individualize a timeline for completing a task; pace learning differently (increase or decrease) for some learners.	Increase the amount of personal assistance to keep the student on task or to reinforce or prompt use of specific skills. Enhance adult-student relationship; use physical space and environmental structure. *For example:* Assign peer buddies, teaching assistants, peer tutors, or cross-age tutors. Specify how to interact with the student or how to structure the environment.
*** Input**	*** Difficulty**	*** Output**
Adapt the way instruction is delivered to the learner. *For example:* Use different visual aids, enlarge text, plan more concrete examples, and provide hands-on activities, place students in cooperative groups, pre-teach key concepts or terms before the lesson.	Adapt the skill level, problem type, or the rules on how the learner may approach the work. *For example:* Allow the use of a calculator to figure math problems; simplify task directions; change rules to accommodate learner needs.	Adapt how the student can respond to instruction. *For example:* Instead of answering questions in writing, allow a verbal response, use a communication book for some students, allow students to show knowledge with hands on materials.
*** Participation**	***Alternate Goals**	***Substitute Curriculum**
Adapt the extent to which a learner is actively involved in the task. *For example:* In geography, have a student hold the globe, while others point out locations. Ask the student to lead a group. Have the student turn the pages while sitting on your lap (kindergarten).	Adapt the goals or outcome expectations while using the same materials. When routinely utilized, this is only for students with moderate to severe disabilities. *For example:* In a social studies lesson, expect a student to be able to locate the colors of the states on a map, while other students learn to locate each state and name the capital.	Provide different instruction and materials to meet a learner's individual goals. When routinely utilized, this is only for students with moderate to severe disabilities. *For example:* During a language lesson a student is learning toileting skills with an aide.

- This adaptation is an accommodation if the student can demonstrate mastery of the standard on an assessment. The key concept is: Will the student ultimately master the same material but demonstrate that mastery in alternate ways or with alternate supports? If standards are not fundamentally or substantially altered, then this adaptation is an accommodation to a learning or performance difference.
- This adaptation is a modification if the student will not demonstrate mastery of the standard on an assessment. If routinely utilized, these adaptations are modifications and require individualized goals and assessment.

English Learners

The Luis Valdez Leadership Academy complies with all federal, state, and judicial mandates for English Learners. The school will have a trained evaluator assess the English proficiency of students whose home language is other than English using the English Language Proficiency Assessments for California(ELPAC).Given the demographics of East Side Union High School District, LVLA expects that a large proportion of students will be classified as English Learners. The school is dedicated to providing ELs with a comprehensive ELD program to accelerate their linguistic proficiency in English. In addition, the school takes pride in recognizing the importance of valuing students' native languages, and reinforces an appreciation for the cultures and customs of all its students through the school's core curriculum, enrichment programs, and life-skills curriculum.

ELs at Luis Valdez Leadership Academy will achieve proficiency in the English language as quickly as possible through the use of the school's programs and teaching methods. Luis Valdez Leadership Academy will ensure that EL students are integrated in core curricular and extra-curricular activities. Parents who are not fluent English speakers will receive translated notices and information from the school to encourage participation in the school by all members of the Luis Valdez Leadership Academy community. The Luis Valdez Leadership Academy directly provides the appropriate support services that may be needed by ELs in order to achieve and maintain a satisfactory level of academic performance.

Identification of EL Students

The staff at LVLA will ensure that families complete the home language survey for every student. The language evaluator will assess the language proficiency of students using the ELPAC placement and annual test. If the student scores below the "well developed" proficiency level, the student will be classified as an EL student. If the student scores above the established "well developed" level, the student will be closely monitored to support a successful reclassification transition.

The Luis Valdez Leadership Academy's teachers are also responsible for observing, identifying and supporting EL students. Any emergent bilingual student will be assessed to determine what level of services are necessary. Reclassified students will be monitored regularly.

All parents or guardians of students classified as English Learners are notified in writing of all EL assessment and placement decisions. See Annual Parent Notification Letter at Appendix K. The school translates materials to ensure that parents of EL learners understand all communications and are involved in all processes related to the English Language Development of their child.

In accordance with AB 81 (2017), notices of assessment of a child's English proficiency shall include the information specified in Education Code section 313.2.

English Support Courses

LVLA incorporates structures for supporting ELs based on the ELD programming our sister school B. Roberto Cruz Leadership Academy (BRCLA), has had good results using. Students are exposed to a robust ELD plan that leverages students' first language to support the acquisition of

a second language. All LVLA teachers participated in 2 days of professional development prior to the first day of school, specific to structures and scaffolds to support linguistic development for emerging bi-lingual students. Common strategies for supporting rigorous content are shared by content teachers to ensure students are exposed to high level tasks as they develop linguistically. Students who score at a newcomer, Level 1, Level 2, or Level 3 according to the ELPAC assessment, receive 45 minute sessions, at least 4 times per week for explicit English Language Development instruction. During this time, students improve their English skills by practicing using all four language domains. It is during this time that they are able to practice embedding content vocabulary into their speaking, listening, reading, and writing skills. They have a variety of opportunities to become fluent in English and to improve their ability to communicate their understanding of content standards. Supports remain in content classes until they master the English language to ensure student success. For students in the Reclassification process or Level 4 will be supported within content area classrooms.

Students will be monitored on their linguistic progress with a benchmark assessment, specific to language development. This will inform the instructional plan and provide teachers with an understanding of the areas that require additional practice and support. ELPAC will provide data to monitor annual progress of students' growth.

Monitoring and Reclassification of EL Students

EL students' English proficiency are monitored by teachers and qualified evaluators, and are measured at least annually using the ELPAC. At least, every 6-weeks, we will use other measures, such as teacher and parent input, classwork, and benchmark assessments.

Benchmark assessments monitor student progress towards proficiency. EL students ready for reclassification may be redesignated as Reclassified Fluent English Proficient (RFEP) utilizing the following policy:

Pursuant to Ed Code Sec 313 the Luis Valdez Leadership Academy will reclassify ELL students once the following criteria are met:

1. Assessment of English language proficiency, using an objective assessment instrument, including but not limited to the ELPAC; and

2. Teacher evaluation, including, but not limited to, a review of the student's standards mastery and a score of C- or better; and

3. Parent opinion and consultation; and

4. Student performance on the SBAC ELA exam on either the Writing or Reading sections must be at or above a score of Level 2. Alternatively, MAP scores may be considered.

All parents receive a re-classification meeting notification and are invited to a meeting to discuss their student's English proficiency and academic achievement, and possible re-designation to Fluent English Proficient status. See Letter regarding Reclassification and Reclassification Form at Appendix L.

The Luis Valdez Leadership Academy (LVLA) evaluates each student's performance in academic content areas to measure the student's progress in core subjects. If an EL student fails to show appropriate progress in any academic area, modifications to the instructional support will

be made. In addition, LVLA will annually evaluate the progress of its EL students as a group to determine if any broader programmatic modifications are necessary.

Students Identified as both Special Education and English Learners

The Luis Valdez Leadership Academy (LVLA) applies the same high standard of learning to all students. English Learners who are identified of having a learning disability will be assessed according to the Child Find requirements described in the Special Education section above. Additionally, students who are classified as EL and Special Education students will be fully integrated with the appropriate supports into the programs of LVLA.

EL students with IEP's will be given the necessary materials, mandated services, and equipment to support their learning. The school's extended day and year model allows for significant time for staff to work in a variety of settings with students in order to meet IEP goals.

Gifted and Talented Students

Because all students are challenged to reach their intellectual potential within the instructional program, LVLA will not offer a formal, separate gifted and talented program. During the day, enrichment and supplemental instruction such as AP and dual credit courses will challenge students who are exceeding expectations by providing opportunities for project-based learning, discovery learning or college-level activities.

LVLA offers a wide array of Advanced Placement courses available for students starting in Grade 10. Enhanced rigor and faster-paced instruction are key tenets of the AP curriculum, which challenges students at a high level.

LVLA has also established a partnership with the Stanford University Online High School (OHS). Every year, two highly-motivated and talented LVLA Freshmen apply and are accepted to Stanford OHS, where they have the chance to take online courses with students from over 50 countries around the world. This partnership provides an opportunity for talented students to challenge themselves with college-level rigor while they are still in high school.

Description of Annual Goals and Annual Actions to Achieve Goals for Subgroups

LVLA will comply with all requirements pursuant to California Education Code §47605(b)(5)(A)(ii) including developing annual goals, for all pupils (i.e. school-wide) and for each subgroup of pupils as identified in California Education Code § 52052, for each of the applicable eight (8) state priorities identified in California Education Code § 52060(d). Since fiscal year 2014-15, LVLA has complied with all elements of the Local Control Accountability Plan (LCAP) pursuant to regulations and templates adopted by the State Board of Education and reserves the right to establish additional, school-specific goals and corresponding assessments throughout the duration of the charter. See LVLA LCAP at Appendix M. In accordance with AB 2878 (2018), LVLA's LCAP shall include in the state priorities family engagement pursuant to Education Code section 52060. In accordance with AB 1808 (2018), LVLA shall develop a summary document that shall be known as the local control

funding formula budget overview for parents, in conjunction with, and attached as a cover to, the LCAP and annual update to the LCAP pursuant to Education Code section 52064.1.

Transfer of Course Credits

Parents will be notified of the A-G course eligibility for transferring into or out of the Luis Valdez Leadership Academy. In addition, courses acceptable for college credit will be accessible to parents and available on the school's website. The policy adheres to these principles:

Parent Notification: Course Eligibility for College

The Inter-segmental General Education Transfer Curriculum (IGETC) (or dual credit enrollment) provides an option for San José City College students to fulfill lower-division general education requirements before transferring to a California State University (CSU) or University of California (UC) campus. Completion of IGETC will permit a student to transfer from a California Community College to a CSU or UC campus generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. It is strongly recommended that students complete IGETC prior to transfer. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion. All UC and CSU campuses will accept the completed IGETC to satisfy all lower division general education requirements. See the Inter-segmental General Education Transfer Curriculum (IGETC) at Appendix N.

Parent Notification: Credit Transferability to the Luis Valdez Leadership Academy (LVLA)

Parents of students seeking to transfer into LVLA are notified of their child's prospective credit transferability in person and via a detailed, mailed letter. If a course from a student's previous school is accepted as full credit at LVLA, students must still meet the school's graduation requirements, even if these requirements are higher than their previous school. Students may apply for waivers from the school on a case-by-case basis.

Parent Notification: Credit Transferability from Luis Valdez Leadership Academy

It is expected that local schools will give full course credit to all University of California approved courses, and will give due consideration to elective courses that are offered at the school, but are not part of the school's graduation requirements or approved by the UC/CSU.

The Luis Valdez Leadership Academy Process for WASC Affiliation and Accreditation

LVLA submitted an application for initial WASC accreditation during its inaugural year, the 2014-15 school year. In the spring of 2015, LVLA was granted three years of initial accreditation, the most positive outcome possible for a new school.

Currently, LVLA is conducting a complete WASC self-study with all of its stakeholders. LVLA's self-study visit will take place in April of 2018. The results of the LVLA WASC visit will be available before the end of the 2017-18 school year.

An appropriate budget will be reserved for WASC fees and accommodations for visiting committee members.

ELEMENT B: MEASURABLE PUPIL OUTCOMES

Governing Law: The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both school-wide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." Cal. Ed. Code § 47605(b)(5)(B).

The Luis Valdez Leadership Academy (LVLA)has clearly defined school-wide outcome goals in compliance with California Education code sections 47605(b)(5)(B) and 52060(d). These pupil outcomes align to the school's mission, curriculum and assessments. The School will annually review these pupil outcomes based upon the data received through student assessments and will continue to develop further pupil outcomes and/or benchmarks for pupil progress during the school's operation.

The Luis Valdez Leadership Academy is pursuing the school-wide and subgroup outcome goals (as well as those presented in Element A) as measured by multiple and varied benchmark assessments that are aligned to state and federal standards (including the Common Core) and reflect proficiency measures required by the SBAC, CAST, NWEA, ELPAC, as well as applicable state priorities detailed in California Education Code § 52060(d) that apply for the grade levels served, or the nature of the program operated, by the charter school. For purposes of measuring achievement of these goals, a numerically significant pupil subgroup will be defined as one that meets both of the following criteria:

> (i) The subgroup consists of at least 50 pupils each of whom has a valid test score.
> (ii) The subgroup constitutes at least 15 percent of the total population of pupils at a school who have valid test scores." Cal. Education Code § 47607(a)(3)(B).

ELEMENT C: ASSESSMENT OF STUDENT AND SCHOOL OUTCOMES

Governing Law: "The method by which pupil progress in meeting those pupil outcomes is measured." California Education Code Section 47605(b)(5)(C)

At the Luis Valdez Leadership Academy (LVLA), assessment of student achievement involves a full range of measures to ensure the most comprehensive picture of student progress. Quantitative data from standardized tests and results of performance-based assessment tools form the foundation of the Luis Valdez Leadership Academy's comprehensive approach to measuring student performance. Where assessments reveal that students are not performing at appropriate levels, modifications to curriculum and individual student programs will be made.

The school's goal in preparing future teachers is to have students meet or exceed the state's learning standards for their grade, as reported in achievement measures consistent with standardized assessments and other assessment tools. Our original petition contemplated the use of OARS, an assessment system but after much review of the use of the available item bank, it became apparent that it was not as user friendly to the teachers as NWEAP MAP was. As a result, NWEA MAP was determined to be a better solution. Each year, the school will use data from standardized tests to hold the staff accountable, as well as to inform the effectiveness of its college preparatory program. LVLA will use data to drive instruction and to make strategic changes or additions to its academic and extra-curricular programs.

Mastery of the objectives at each grade level will be the basis for promotion. Teachers will assess a student's progress every six weeks in order to gauge whether the student is mastering the objectives throughout the year. In addition to progress reports, in-class tests and teacher observations, and students' SBAC scores will be considered for growth and development.

All assessments at LVLA are carefully aligned with the school's mission, academic program, the Common Core State Standards, the Next Generation Science Standards, and the academic outcomes as identified in Element A and Element B of this charter. Assessment to determine content mastery provides a means of measuring how well students have learned, how successful instruction was, how successfully the curriculum is addressing students' learning needs, how well the instructional program is working, and how the Charter School's results compare with those of the district, state, as well as some regional and national results. As such, student achievement results are shared with all stakeholders to support engagement, agency, and accountability.

LVLA shall meet all statewide standards and conduct the student assessments required, pursuant to Education Code Section 60605, including provisions of AB 484/2012, and any other statewide standards authorized in statute, or student assessments applicable to students in non-charter public schools. For English Learners (EL) and students with special needs, the school will track progress toward academic and college readiness achievement benchmarks in the same way it does for any student. In addition, the school will also carefully track EL student progress toward fluency in English and the degree to which students with disabilities are meeting IEP goals.

LVLA affirms that its methods for measuring pupil outcomes for the Eight State Priorities, as described in Element B of this charter petition, shall be consistent with the way information is reported on a School Accountability Report Card as required by Education Code Section 47605(b)(5)(C).

Alignment of Assessments
The student outcome and performance goals will be assessed as indicated in the following table from the Student Outcome Goals of Elements A and B:

Student Outcomes	Assessment Tools
All students will graduate from high school and complete A-G requirements	Graduation Rate CAST UC/CSU Admission Rate PSAT/SAT/ACT scores List of approved A-G courses
All ELL students will have access to the core curriculum with supports	ELPAC scores SBAC scores NWEA data Reclassification rate Retention rate
Students will be prepared for college and career opportunities upon graduation	Graduation Rate Student project passage rate Classroom grades Student survey data SBAC scores

Administration of State and National Tests

The Luis Valdez Leadership Academy (LVLA) shall administer all state and national tests for grades nine through twelve as determined by the state and national testing schedule. The frameworks will provide information regarding strategies for universal access, use of assessments to inform instruction, and tiered interventions for any students not meeting the CCSS and the NGSS. The school will administer the following tests at each grade level as outlined in the LVLA Testing Schedule by Grade below. The shaded boxes below indicate times when a test will not be administered.

Luis Valdez Leadership Academy Testing Schedule by Grade

Grade 12		*			*	*		*

X : Test will be administered, and students required to take test.

Classroom and School-wide Assessment

The Luis Valdez Leadership Academy staff is held accountable for assessing their students, classrooms, and the school as a whole. In addition, classroom-based and school-wide evaluation is on-going, with individual classroom and school-wide performance assessments occurring year-round. Measures of classroom and school-wide assessment includes the use of the following data:

- Graduation rates;
- Drop-out rates;
- Percentage of students who meet University of California requirements;
- Pre- and post-assessments of class performance using subject-specific criteria (e.g., scored essays, mathematics assessments, and standardized test scores from SBAC, CAST, PSAT, SAT I and II, and AP;
- Participation in co-curricular activities;
- Student, parent and teacher satisfaction (as determined by surveys and retention rates); and
- Percentage of graduated students enrolled in higher education.

While the above evaluations and assessments are necessary to ensure the Luis Valdez Leadership Academy (LVLA) will be meeting its objectives, the ultimate evaluation of the school

will not occur until 2018, when the first LVLA class graduates from high school and enters the competitive world beyond. The percentages of students meeting this standard will provide an overall assessment of the long-range effectiveness and success of the school.

Additional Assessments

Given the school's mission of equipping students with the skills necessary for social and academic success at four year colleges, LVLA will also administer the PSAT, SAT I, ACT, and the Advanced Placement exams.

Taking the SAT I and scoring well is one of the keys to college admissions, especially at the nation's most competitive schools. Further, LVLA will use the test data from the SAT Ito compare against the District, state, and national average. By comparing data, staff will identify areas of strength for our students and areas for growth. These areas will be targeted to ensure students are prepared to enter college. This will ensure students are ready to apply for college.

In addition, LVLA will administer Advanced Placement exams as the culminating exam for AP courses. Using the Advanced Placement exams as a measure of success will push instructional staff to maintain a rigorous academic pace and level of instruction. All staff will analyze AP test results and make informed instructional decisions about instructional calendars and interim assessments.

The Luis Valdez Leadership Academy students will score consistent with or higher on state and national tests than similar demographic students from similar communities in relation to a-g completion and college admission rates. Other indicators of progress include parent, student, and teacher satisfaction, attendance rates, and teacher retention rates.

Use and Reporting of Data

As discussed above, assessments are used to evaluate progress. Staff reviews assessment results and recommends modifications, if needed, to the school's curriculum and other programs. In addition, and progress reports are submitted to the Board of Trustees. Parents are kept apprised of their students' progress via meetings/conferences with teachers and progress reports. Reports will be user-friendly and provided in the families' native language.

School, District and State Use of Data

Local Control Accountability Plan ("LCAP")

LVLA will use the multiple forms of data collected to assess progress toward the goals outlined in Element A of this charter. Pursuant to Education Code Section 47606.5, on or before July 1, LVLA will produce a Local Control Accountability Plan ("LCAP"), which shall update the goals and annual actions to achieve the goals identified in Element A of this charter petition regarding the State Priorities, using the LCAP template adopted by the State Board of Education. LVLA shall submit the LCAP to ESUHSD annually on or before July 1, as required by Education Code Section 47604.33.

School Accountability Report Card (SARC)

LVLA will compile data for the charter school each academic year to produce a School Accountability Report Card (SARC). Student achievement data will be disaggregated annually to clearly identify the academic performance of students by sub-groups (e.g., by ethnicity, gender, English Learners, socioeconomically disadvantaged students, and students with disabilities). This report will include required school data for the authorizing agency families, The Foundation for Hispanic Education Board of Trustees, and community at large.

ELEMENT D: Governance Structure and Legalities

Governing Law: The governance structure of the school, including, but not limited to, the process to be followed by the school to ensure parental involvement. — California Education Code Section 47605(b)(5)(D).

Legal Status

The LVLA is a directly funded public charter school which is governed by the Board of Trustees (the "Board") of The Foundation for Hispanic Education (TFHE), formerly known as the National Hispanic University Foundation or NHUF. TFHE is a California Non-Profit public benefit corporation. In accordance with AB 406, LVLA shall not operate as, or be operated by, a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization.

The Board of Trustees of The Foundation for Hispanic Education is the governing body of the Foundation and of the schools operated by the Foundation. The role of the Board is to guide the Foundation in its effort to fulfill the two parts of its mission—the quality education of English language learners, and the improvement of education generally for English language learners.

It works toward fulfillment of the dual mission through oversight of all domains of Foundation activity. The Board facilitates fundraising for operation of the schools and the Foundation. Individually, the Board members are people who have been highly successful in their own fields of endeavor. In the course of growing their enterprises, the individuals have made contacts with other individuals and organizations capable of helping the school meet its responsibilities toward students by supporting the effort financially and through in-kind assistance.

The Board oversees the knowledge structure of the Foundation and the schools. The Board has authorized the creation of an extensive, interlocking suite of technological and software tools that permit data to be the guiding force in decision making at all levels of the organization from the students and their parents to the teachers to the administrators to the Board itself.

The TFHE Board of Trustees, as authorized by its bylaws, acts as the governing board of the school with the authority to carry out the responsibilities of a governing board. The Board of Trustees meets quarterly or more often if needed.

The Board of Trustees employs a Chief Executive Officer of Schools who is responsible for hiring and evaluating each school Principal and is the liaison to the Board of Trustees of TFHE. The Principal and the CEO of Schools jointly hire the school staff through a collaborative process.

The role of The Foundation for Hispanic Education Board of Trustees is to direct the effort to fulfill the Foundation's mission to provide quality education for English language learners, and the improvement of education generally for all students. The Board of Trustees facilitates fundraising for operation of the schools. The Board of Trustees also exercises quality control over all aspects of the operation. It reviews personnel, curriculum, professional development, and major management decisions to assure

that each aspect for the operation continues to move toward fulfillment of the mission of the organization. Finally, the Board of Trustees sets and oversees the budget for each of the schools operated by The Foundation.

The duties of The Foundation for Hispanic Education Board of Trustees includes, but is not limited to the following:

- Approve and monitor the implementation of general policies of the school;
- Approve and monitor the school's annual budget and budget revisions;
- Hire, promote, discipline, and dismiss the Director of LVLA and the CEO of Schools;
- Approve the school calendar and schedule of Board meetings;
- Participate in the dispute resolution procedure and complaint procedures when necessary;
- Appoint an administrative panel or act as a hearing body and take action on recommended student expulsions;
- Negotiate the Collective Bargaining Agreement
- Strategic planning

The Board of Trustees of the Foundation is responsible for hiring the auditors and reviewing and approving the audit reports and any actions that may need to be made to respond to audit findings.

The school operates autonomously from ESUHSD with the exception of the supervisory oversight as required by statute. The school continues to be operated in accordance with the provisions of Education Code Section 47604 and pursuant to Education Code Section 47604(d) the ESUHSD shall not be liable for the debts and obligations of the school or TFHE (the "Foundation") or for claims arising from the performance of acts, errors, or omissions by the school so long as the ESUHSD has complied with all oversight responsibilities required by law.

The Foundation for Hispanic Education Board of Trustees complies with all applicable federal, state and local laws applicable to independent public charter schools and operations and is consistent with the guidelines of the ESUHSD. They abide by an adopted conflicts code. They retain their own legal counsel when necessary, purchases the necessary, general liability, officers and directors, property, workers compensation and unemployment insurance policies.

The Foundation for Hispanic Education Board of Trustees may initiate and carry out any program or activity, or may otherwise act in any manner which is not in conflict with, or inconsistent with, any law or in conflict with the purposes for which charter schools are established.

In accordance with Education Code Section 47604.3, LVLA shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District and shall consult with the District regarding any such inquiries.

The Foundation for Hispanic Education Board of Trustees meetings are held in accordance with Brown Act requirements and any other requirements for the location of governing board meetings, including Education Code section 47604.1, as added by SB 126 (2019).

The Foundation for Hispanic Education Board of Trustees holds regular Board meetings to discuss the state of the School, including, but not limited to, reporting on the performance of the schools with data regarding: enrollment, attendance, academic performance, financials (including budget reports, etc.), parent/student satisfaction, withdrawals, suspensions, and dismissals.

The parents and general public are given notice of each The Foundation for Hispanic Education Board of Trustees meeting and the information discussed and are encouraged to contribute and participate. Parents participate in school improvement through expressing their opinions on the annual school satisfaction survey as well as participating on school councils when appropriate.

Perhaps the most significant contribution of the organizational structure to student success is that the school is not alone. It is part of a larger structure, The Foundation for Hispanic Education, which has the capability to bring additional resources to the school. The organizational structure allows for non-duplication of certain functions such as finance, real estate, back office services and payroll, data management, professional development, and integration of technology into teaching. By centralizing such functions at the Foundation, the Principal of the school is free to be fully devoted to facilitating quality education. Moreover, the faculty members are free to concentrate their committee work on matters of direct relevance to the students rather than needing to be involved in "housekeeping."

The organizational structure builds expert advising into the fabric of the institution. The Foundation retains a team of consultants with significant experience in education research who expertise will guide academic decision making at the school. With their assistance, the school is in a strong position to engage in continuous quality improvement.

The Foundation for Hispanic Education (TFHE) Board of Trustees

Prior to June 30, 2019, the governing body of The Foundation for Hispanic Education Schools was the duly appointed Charter School Committee of The Foundation for Hispanic Education. Effective June 30, 2019, the Bylaws ("Second Amended Bylaws") of TFHE were amended to (a) eliminate the Charter School Committee and vest all authority directly in the Board of Trustees (formerly the members of the Charter School Committee) and (b) to provide that the Latino Education Advancement Foundation, a not for profit public benefit corporation, ("LEAF") would be the sole member of TFHE. LEAF's corporate purpose is to operate in support of the activities of TFHE with no authority or involvement in the operation of the TFHE or its schools. Effective July 1, 2019, TFHE would be operated independently through its Board of Trustees.

The Foundation for Hispanic Education Board of Trustees is the governing body of the schools and a 501(c)(3) public benefit corporation formed and organized pursuant to California Nonprofit Public Benefit Corporation law. See Articles of Incorporation at Appendix Q. The Board of Trustees of The Foundation for Hispanic Education has, pursuant to Article IV of its Bylaws (In Appendix S), the full authority to govern and conduct the business of the school in full compliance with all laws, rules and regulations applicable to charter schools in the State of California, including, but not limited to, compliance with Ralph M. Brown Act, (See Appendix T) as amended by Government Code Section 54954 (relating to meeting agendas) as well as laws relating to conflicts of interest (Appendix V). Appendix R contains the resumes of the 5 members of The Foundation for Hispanic Education's Board of Trustees.

The Foundation for Hispanic Education operates its schools autonomously from the Authorizer, with the exception of the supervisory oversight authority as required by law. The Foundation for Hispanic Education's Board of Trustees shall also comply with all rules and regulations of the Authorizer in the exercise of its oversight authority including, but not limited to, the requirement that the Authorizer

be entitled to a representative on The Foundation for Hispanic Education Board (upon notice by the District of its intent to occupy such a position).

Plan for Parental Involvement

LVLA truly values parent participation and has instituted several successful programs, such as "Poder de los Padres", to support parent empowerment and engagement in the educational journey of their students. (See Appendix W) Parents will be notified, however, that the parent volunteer requirement is optional only on the part of parents, ie parental involvement is not a requirement for continued enrollment or acceptance at the school.

School Site Council

The School Site Council (SSC) is intended to be a decision-making body that represents all stakeholders of the school community. The school principal, teachers, other school personnel, parents and students make up this group. Their primary responsibility is to identify common goals and assist the leadership team in establishing a plan to achieve the goals. Notwithstanding any provision to the contrary, the school site council shall be constituted to ensure parity between (a) the school principal, classroom teachers and other school personnel, and (b) equal numbers of parents or other community members selected by parents and students. All members shall be elected, including the community member. Vacancies may be filled by appointments.

How Will All Interested Parties Be Included In Governance

As described above, the number of stakeholder representatives allows for a variety of individuals wishing to serve an opportunity to do so. In addition, an *ad hoc* committee may be created, from time to time, in order to assist the administrative teams and School Site Council in making good decisions in areas critical to ensuring the quality of education.

Training in Effective Board Practices

The Foundation is a member of the California Charter Schools Association (CCSA). As members in good standing, the Foundation is entitled to have members of all of its boards and committees participate in the suite of board training activities offered by the Association. It is our intention to have all School Site Council members participate in these training sessions.

Misconduct of this nature is very serious and will be addressed in accordance with the Charter School's discrimination and harassment policies. See Uniform Complaint Policy at Appendix Y.

In accordance with AB 476 (2017), LVLA will comply with lead testing procedures pursuant to Health and Safety Code section 116277

ELEMENT G: MEANS TO ACHIEVE RACIAL AND ETHNIC BALANCE

Governing Law: The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted. California Education Code Section 47605(b)(5)(G)

Method to Assure That Student Body Reflects Ethnic and Racial Distribution in Service Area

The school is a neighborhood school. Historically, it draws most of its students from three public feeder schools that serve the neighborhood at the middle school level. The schools are G. Shirakawa (K8), Sylvandale Middle School, and Bridges Academy. As a result, LVLA achieves a racial and ethnic balance among its students that is reflective of the general population residing within this territorial jurisdiction of the ESUHSD. Further, the charter school is open to all students, on a space available basis, and does not and will not discriminate on the basis of ethnicity, national origin, gender, disability, immigration status or racial background.

In addition to recruiting students from neighborhood middle schools, LVLA will also engage in the following student recruitment practices to assure that its student body reflects the ethnic and racial distribution of its service area:

- Bilingual (Spanish/English) open houses
- Community meetings
- Home visits
- Enrollment drives

ELEMENT H: ADMISSIONS REQUIREMENTS

Governing Law: Admission requirements, if applicable. California Education Code Section 47605(b)(5)(H)

Student Admissions Policies and Procedures

General Plan

The Foundation for Hispanic Education Board of Trustees has determined all policies, processes, and procedures governing application, admission, and enrollment policies of the school.

The School recruits a diverse student population from the neighborhood middle schools. Admission to the school is open to any resident of the State of California. The School is non-sectarian in its programs, admissions policies, employment practices, and all other operations, shall not charge tuition, and shall not discriminate on the basis of race, ethnicity, national origin, gender, immigration status or disability or any other characteristic in Education Code Section 220.

Families wishing to enroll a child in the school will receive an application packet for admission. Its content will be offered in English and in Spanish. The packet will include information that allows students and parents to be informed about the school's operation as a charter school, its educational programs, the academic and behavioral expectations of students, and the rights and responsibilities of students and parents who wish to become part of the school. See School Enrollment Packet at Appendix Z. Among the items that will be included in the packet will be:

- A brief description of what a charter school is and how it differs from regular public schools.
- A description of the school.
- The mission statement of TFHE and a summary of the school's educational philosophy.
- A description of the school's programs including the school calendar, daily schedule, core curriculum, enrichment and extracurricular programs, attendance expectations, grading policy, testing and evaluation procedures, promotion and retention policy, and graduation standards.
- An invitation to parents to become involved in the school.
- A description of the school's governance structure.
- A listing of the rights and responsibilities of parents, teachers, and students.
- Descriptions of admission criteria, public random drawing preferences, and conditions of enrollment.
- A description of school capacity
- Information about health care coverage and enrollment assistance

In accordance with AB 1360 (2017), LVLA may encourage parental involvement but shall notify the parents and guardians of applicant pupils and currently enrolled pupils that parental involvement is not a requirement for acceptance to, or continued enrollment at, LVLA.

Implementation of Lottery System If Needed

Parents of prospective attendees will be informed by means of the school application packet of the school's capacity and the possibility of a lottery if demand for school slots exceeds the number of slots available. The packet of information will apprise prospective school families of the order of preference in selection of students.

The order of preference in selection of students is:

First Priority:	Current families
Second Priority:	Families within the East Side Union High School District
Third Priority:	Non-district students

If such a lottery becomes necessary, it will be held as many days from the start of the school year as is possible from the time it becomes clear there will be more applicants than slots. This will be done to give those students not admitted to the charter school sufficient time to register in another school.

In accordance with AB 1360 (2017), each type of preference shall be approved by the District at a public hearing. Preferences shall be consistent with federal law, the California Constitution and Education Code section 200. Preferences shall not result in limiting enrollment access for students with disabilities, academically low-achieving students, English learners, neglected or delinquent students, homeless students, or students who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or students based on nationality, race, ethnicity, or sexual orientation. In accordance with Education Code section 49011, preferences shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment.

Admissions and Enrollment Timeline

The below timeline of Recruitment and Admissions activities is a general outline of the sequence and timing of the general activities relating to new students. The general order of the events will remain, however the details of the events (including enrollment targets) may be modified over time in accordance with best practices. All modifications will be communicated tothe district and on the school's website in the interest of transparency. All admissions forms, including lottery information, can be found in Appendix AA.

June 30th: Application deadline, if the waitlist is achieved. Otherwise, applications will be accepted continuously.

The first week of July: Public random drawing held, if necessary (more than 120 applications). Status of application mailed to families; Placement Exam testing.

See Appendix AA for the school's student admission packet information.

ELEMENT I: ANNUAL INDEPENDENT FINANCIAL AUDITS

Governing Law: The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority. California Education Code Section47605(b)(5)(I)

Individual responsible for contracting for audit with agency skilled in education finance

The Board of The Foundation for Hispanic Education will appoint an Audit Committee, which will select an independent financial auditor and oversee audit requirements.

An annual audit of the books and records of the Charter School will be conducted as required by Education Code Sections 47605(b)(5)(I) and 47605(m). The books and records of The Foundation for Hispanic Education will be kept in accordance with generally accepted accounting principles, and as required by applicable law. The audit will employ generally accepted accounting procedures. The audit shall be conducted in accordance with applicable provisions within the California Code of Regulations governing audits of charter schools as published in the State Controller‘s K-12 Audit Guide.

Assurance that audit will include review of average daily attendance

The Audit Committee will select an independent auditor through a request for proposal format. The auditor will have, at a minimum, a CPA and educational institution audit experience and will be approved by the State Controller on its published list as an educational audit provider. To the extent required under applicable federal law, the audit scope will be expanded to include items and processes specified in applicable Office of Management and Budget Circulars.

Manner in which audit will be conveyed to district, county office, State Controller’s Office, and California Department of Education

The annual audit will be completed and forwarded to the District, the County Superintendent of Schools, the State Controller, and to the CDE by the 15th of December of each year. The Foundation for Hispanic Education, along with the audit committee, will review any audit exceptions or deficiencies and report to the Board of the Charter School with recommendations on how to resolve them. The Board of the Charter School will submit a report to ESUHSD describing how the exceptions and deficiencies have been or will be resolved along with an anticipated timeline for the same. The Board and Director of the Charter School will work with the ESUHSD to ensure all audit exceptions and deficiencies are resolved to the satisfaction of the ESUHSD along with an anticipated timeline for the same. Audit appeals or requests for summary review shall be submitted to the Education Audit Appeals Panel (—EAAP‖) in accordance with applicable law.

The independent financial audit of the Charter School is public record to be provided to the public upon request.

Assurance that each school managed by TFHE will be clearly reported in the financial audit

The audit findings will include separate reporting sections for each of the following areas:

- Organizational structure (board members), staff, history;
- Schedule of Average Daily Attendance;
- Schedule of Instructional Minutes;
- School Statement of Financial Position;
- School Statement of Activities;
- School Statement of Cash Flows;
- Auditor's report of compliance with State laws and regulations.

ELEMENT J: PUPIL SUSPENSION AND EXPULSION

Governing Law: The procedures by which pupils can be suspended or expelled. California Education Code Section 47605(b)(5)(J)

LVLA institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community. The goal of the discipline policy at LVLA is to maintain a safe and successful learning environment. We believe that all children want to learn and be part of the group. We believe that all children need guidance, structure, and consistency to help them achieve self-control.

Further, no pupil shall be involuntarily removed by the school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the student no less than five school days before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational right's holder, and shall inform him or her of the right to initiate the procedures specified in this clause before the effective date of action. If the parent, guardian or educational rights holder initiates the procedures, specified in this clause, the student shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions as specified in Section 47605(b)(5)(J)(i) and (ii).

The principal within applicable law and following all due process requirements in accordance with AB 1360, may use his/her discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and an anger management program, for a student subject to discipline under this section. However, a student, including an individual with exceptional needs as defined in Section 56026, may be suspended for any of the reasons enumerated in this section upon a first offense, if the principal determines that the student violated subdivision (a),(b),(c),(d), or (e) of Section 48900 or that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process.

If an alleged offense listed above subjects a student to suspension or expulsion, the school representative (Assistant Principal or Dean of Students) shall investigate the allegation. If the alleged allegation appears to have occurred, the school representative makes suspension and expulsion recommendation to the school principal. If parents do not request a hearing, within at least five working days, then the recommendation becomes the final determination. If the parents request a hearing, then a neutral hearing office, which may be the Principal, "hears" the matter and makes a determination to expel or not to expel the student. Parents may request an appeal to the Chief Executive Officer of Schools or designee, within five working days after the school's determination. If such an appeal is requested, the Hearing Officer will provide a summary report to the Chief Executive Officer of Schools or designee.

Inappropriate Behaviors

The following identifies some of the most common inappropriate behaviors committed on school campuses:

Unsafe Behavior--climbing trees, buildings, or railings, jumping down ramp, sliding down banisters (feet are to be on concrete sidewalk/steps at all times), running, using equipment improperly or unsafely;

Disrupting School Activities or Otherwise Willfully Defying the Valid Authority of Supervisors, Teachers, Administrators or Other School Personnel;

Causing, Attempting to Cause, or Threatening to Cause Physical Injury to Another Person;

Causing or Attempting to Cause Damage to School Property or Private Property;

Inappropriate Language

Emotional Abuse—teasing, spreading rumors, put-downs, discrimination;

Stealing or Attempting to Steal School Property or Private Property

Being Where You Are Not Supposed to Be

Bullying—any act of bullying, including but not limited to bullying committed by means of an "electronic act";

Drug and Alcohol Possession and/or Use;

Harassment--Unlawful harassment because of race, color, national, or ethnic origin, citizenship, immigration status, age, gender, religion, sexual orientation, physical or mental disability, medical condition, marital status, or any other protected basis includes, but not limited to:

- Verbal conduct such as epithets, derogatory comments or explicit jokes
- Verbal abuse of sexual nature, graphic, verbal commentary or suggestive gestures
- Visual conduct such as leering, derogatory posters, photography, cartoons, drawings, notes or invitations
- Physical conduct such as assault, unwanted touching, blocking normal movement or interfering with work directed at students because of gender or race
- Threats or demands to submit to sexual requests
- Making or threatening reprisals after negative response to sexual advances
- Retaliation for having reported or having threatened to report harassment
- Any of the above-mentioned behaviors done electronically, including via internet or text message

As mentioned above, LVLA does not believe in suspension as a response to inappropriate behavior. We will provide alternative interventions/consequences to avoid suspension such as mediation, detention, community service or Saturday school. A student will only be suspended from school if their presence on campus poses a safety threat to themselves, their peers or LVLA staff.

When Suspension or Expulsion May Be Necessary

LVLA follows all applicable regulations and due process requirements for students and parents as set forth by AB 1360 pertaining to suspension and expulsion. The following examples

of prohibited conduct do not include all the legal grounds for student discipline. Students violating the Code of Conduct (at school, school events, or traveling to/from school or school events) are subject to detention/suspension/expulsion or transfer. Students who are suspended may not attend or participate in school-related events (i.e., athletic games, school dances, etc.) for 10 calendar days from the incident. Any student under the influence or in possession of alcohol or drugs at a school event may not attend or participate in school related events for 60 calendar days from the incident. In addition, if the incident occurs at a school dance, the student may not attend the next LVLA school dance.

Disruption: Acts of disruption include, but are not limited to, hazing, taunting, and harassment of individuals or groups of students. Acts of defiance or disobedience include inappropriate language or gestures directed against school personnel, and/or refusing to comply with school personnel and/or a refusal to comply with a reasonable request or directive from school personnel engaged in the performance of their duties. This includes, but is not limited to, refusal to serve *detention*, insulting or abusive remarks, willful defiance, giving false information, failure to follow the code of conduct, or failure to identify oneself to teachers or other school personnel.

Commission of an obscene act or engagement in habitual profanity/vulgarity: Students, who use profane or vulgar language and or gestures, either verbally or in writing including email, are liable for *detention* or *community service* on the first offense. Habitual offenders could face more severe consequences.

S*ubstance Abuse:* LVLA prohibits the use of alcohol or drugs by anyone, anywhere on school property and at any school-sponsored event. A student may not bring or use drugs at school or at a school activity, have intoxicating beverages or drugs in his/her possession at school or at a school activi*ty, or attend* school or a school activity under the influence of alcoholic beverages or drugs. Possession of drugs or possession of alcohol by anyone under the age of twenty-one is a violation of the law (Penal Code Section 647.5). The school administration reserves the right to involve law enforcement and/or social service agencies, as it deems necessary or appropriate.

The administration may use Passive Alcohol Sensor (PAS) devices at any or all LVLA events, activities, or programs.

Use, Possession of Tobacco: LVLA prohibits students from possessing or using tobacco or tobacco products on campus or anywhere by anyone, on school property and at any school-sponsored event. Any student who brings or uses tobacco products at school or at a school activity may also be assigned to an alternative tobacco program. Repeat offenders could face more serious consequences.

Use, Under the Influence of, or Possession of a Controlled Substance or Alcohol: Any student who uses, possesses, or is under the influence of a controlled substance or alcohol at school or a school event will be suspended and may be subject to administrative transfer or expulsion. Police intervention may be called upon.

Offer, Sale, Furnish a Controlled Substance or Alcohol: Any student who offers, sells, or furnishes alcohol or drugs to another person at school or a school function will be suspended and may be subject to administrative transfer or expulsion. Police intervention may be called upon.

Offer, Sale, or Possession of Drug Paraphernalia: Students may not offer, sell, or possess drug paraphernalia at school or a school function. Police intervention may be called upon.

Any student under the influence or in possession of alcohol or drugs at a school event may not attend or participate in school related events for 60 calendar days from the incident. In addition, if the incident occurs at a school dance, the student may not attend the next LVLA school dance.

Fighting: Students shall not fight or attempt to cause bodily harm to another student through physical contact. If a student is attempting to involve another student, that student should walk away and report it to a campus aide, teacher, or administrator. If a student is a victim of a sudden unprovoked attack or fight, that student shall disengage as soon as possible and report the incident to a school official. Students who instigate fights will be subject to the same consequences as those who are actually involved in fighting, which can include expulsion.

Assault and Battery: Students shall not cause, attempt to cause, or (written, including e-mail, or oral) threaten to cause injury of any kind to a student while at school or any school-sponsored event. Students involved in an assault or battery are subject to suspension, possible administrative transfer, expulsion and police referral.

Please note that a student may be recommended for expulsion upon their first involvement in a fight or assault/battery.

Hate Violence: No person shall, by force or threat of force, willfully injure, intimidate, or interfere with, oppress, or threaten any other person in the free exercise of enjoyment of any right or privilege secured by law because of the other person's race, color, religion, ancestry, national origin, immigrant status, homelessness, economic status, gender, sexual orientation, marital status, age, medical condition, physical appearance, or physical or mental disability. No person shall knowingly deface, damage, or destroy the real or personal property of the school or any other person for the purpose of intimidating or interfering with the free exercise or enjoyment of any right or privilege secured to the other person by law because of the other person's race, color, religion, ancestry, national origin, immigrant status, homelessness, economic status, gender, sexual orientation, marital status, age, medical condition, physical appearance or physical or mental disability.

Bullying: Any act of bullying, including, but not limited to bullying committed by means of an "electronic act", may result in counseling, suspension, police involvement, and a recommendation for possible expulsion. Acts of bullying will be fully investigated before final outcomes are determined. Electronic act means the transmission of a communication, including, but not limited to, a message, text, sound, or image by means of an electronic device such as a telephone, wireless phone or other wireless device, computer, or pager.

Staff Threats/Intimidation: Threat or intimidation of a staff member (verbal, written, electronic, etc.) at any time will result in police involvement, immediate suspension, and a recommendation for possible expulsion.

Harassment/Hazing: Any act directed against a pupil or groups of pupils that is sufficiently severe or pervasive to have the actual and reasonably-expected effect of materially-disrupting classwork, creating substantial disorder, invading the rights of that pupil or groups of pupils by degrading, disgracing, or by otherwise creating an intimidating or hostile education environment. This includes any act committed via internet, such as Facebook postings, and any act committed via text message or email. Police intervention may be necessary.
Vandalism: Students who willfully damage school property will be suspended from school. The Education Code states that any pupil who violates this rule may be suspended or expelled and the parent/guardian held liable for restitution. In addition, the student may be required to perform a school work service assignment (Penal Code Section 594).

Theft/Robbery/Extortion: Theft/robbery/extortion of any kind or the unlawful possession of the personal property of another is a violation of the law (Penal Code Section 487 and 488). Law enforcement agencies will be enlisted when the investigation exceeds the powers of the school administration, whenever items are not recovered, or when in the judgment of the administration it is warranted. Students guilty of theft, robbery, or extortion will be suspended, administratively transferred, or expelled and will be required to pay restitution.

Forgery: It is to the advantage of students, parent/guardian, and school staff to maintain a good working relationship between school and home; written correspondence and other communications are vital to that relationship. Students who violate this trust by intercepting school communications or forging signatures on school forms or notes will have their parent/guardian contacted, may be *suspended* from school, and may be assigned alternate ways to confirm parent/guardian approval/receipt of correspondence.

Gambling: Any form of gambling is cause for parent contact and *detention* on the first offense and suspension thereafter.

Weapons, Instruments or Substances: The possession or use on campus of weapons, instruments, or substances designed to cause or capable of causing bodily harm is prohibited. LVLA defines a weapon as any object, including knives or guns that can be used to hurt another person or to make that person think he or she will be hurt in some way. If the object is a gun, it makes no difference if the gun is loaded or unloaded, whether the gun can be fired or not fired. Examples of a gun include, but are not limited to, any "look-alike," imitation, or replica; a toy, BB or pellet gun; any forced air or CO2, pressure gun; starter pistol; or paint-ball gun. Examples of a knife are, but are not limited to, any object with a blade or sharp point or edge; examples include razor blades, switchblades, pocketknives, Swiss Army knives, dirks, daggers, utility blades, x-acto knives, or ice picks. Other objects prohibited are brass-knuckles, martial arts weapons, clubs, etc. Having a "weapon" on school property, in a school locker, in a car (this includes the trunk and glove compartment), in a backpack, or at a school activity is not permitted and will cause the student to be recommended for expulsion from school.

Internet Policy and Electronic Devices: In order to use an LVLA computer, Internet network, or school e-mail address, each student must have a completed and signed LVLA Acceptable Use Policy Agreement on file. Violations of the Acceptable Use Policy can result in the loss of technology services, as well as detention, suspension, or expulsion.

Electronic devices are Personal Radios, MP3/iPods, CD, DVD, Cellular Phones, Walkie Talkies, Electronic Games, Tablets, and Paging Devices: The school cannot be responsible for such items. If seen or heard during instructional time, they will be taken from the student. The student's parent/guardian must pick up the electronic device at the end of the school day. Repeated infractions will result in possible *suspension*, and/or the holding of the item until the end of the semester.

Suspension and Expulsion Procedures

A pupil may not be suspended or expelled for any of the acts listed above unless that act is related to school activity or school attendance occurring within the school under the jurisdiction of the Principal or occurring within any other school district. A pupil may be suspended or expelled for acts which are enumerated above and related to school activity or attendance that occur at any time, including but not limited to, any of the following:

a. While on school grounds.
b. While going to or coming from school.
c. During the lunch period, whether on or off the campus.
d. During, or in route to and from, a school sponsored activity.

If an offense listed above is alleged to have occurred by a student, the following will take place:

The school official making an expulsion recommendation (Dean of Students or Assistant Principal) shall investigate the allegation. If the alleged allegation appears to have occurred, the student will be informed of the action the school. The school will inform the student and his parents of the pupil's right to be represented by a parent and/or counsel at a Hearing.

Process of Informing Parents of Actions and Due Process Rights

The school representative (Assistant Principal or the Dean of Students) shall inform the pupil's parents as soon after the offense has occurred, as is practicable, that the offense has occurred. The parents will be informed of the nature of the offense, the options available to the school for responding to the offense, and the course of action the school recommends to take. At that point, the school representative will explain the student's basic rights, including that the parents have 5 working days to request a hearing, otherwise the recommendation to expel becomes the final determination. If parents request a hearing within that timeframe, the Hearing Officer, "hears" the matter and makes the final determination of whether to expel or not to expel the student. The hearing process is listed below.

In order to ensure due process, parents and student will be informed that:

- Student has the right to question School's witnesses (administrators and teachers)
- School has the obligation to produce witnesses/documents
- School has the obligation to protect student witnesses from embarrassment or ridicule (declarations or statements are acceptable)
- The hearing will have a set time limit
- The student has a right to bring legal counsel or an advocate

At the Hearing, a neutral officer, which may include the Principal, will act as the Hearing Officer, and the Assistant Principal or Dean of Students will act as the school representative.

Hearing Process

It is important to note that the hearing is an "opportunity to be heard"; it is not a Court of Law. The format is as follow:

- The Principal or Hearing Officer presides – option of "opening statements"
- School presents evidence *
- Student's representative presents evidence *

  *evidence includes: witnesses, documents, at least one non-hearsay, verifiable piece of evidence
- Parties are provided an opportunity to confront and cross examine witnesses
- Hearing Officer makes a decision

In the event the decision is to expel the pupil, the student and parent may appeal the

decision to the TFHE Chief Executive Officer of Schools or designee. The parent and student must provide a written explanation to the rationale for the appeal. If the appeal is successful, the student can be reinstated back to another charter school operated by TFHE dependent on the alleged expellable offense, provided the student and his or her parents agree to an automatic expulsion if the student does not meet expectations moving forward. The decision of TFHE is final.

If the student is expelled, the Principal will notify the district of residence of its decision.

Rights of Students with Disabilities With Respect to Suspension and Expulsion

Suspension of students with exceptional needs requires that the school administrators and IEP team members understand the limits of suspension of students with disabilities, requirements for IEP review following suspension, and alternatives to suspension.

Limits of Suspension of Students with Disabilities

As noted previously, the principal may suspend a pupil from the school for any of the reasons noted above. An individual with exceptional needs may be suspended for up to, but not more than 5 consecutive school days. The student may be suspended for up to 10 days before an IEP team manifestation determination meeting is required. The student can be removed for more than 10 days for separate acts of misconduct, as long as the removals do not constitute a pattern. During any removal of more than 10 days the school must provide services to the extent determined necessary to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals on his or her IEP.

IEP Review Following Suspension

An IEP meeting is not required prior to suspending a student with a disability up to 10 days. However, the IEP team should meet to review a pupil's placement and program when the pupil is experiencing serious discipline problems leading to multiple suspensions. It is required that the IEP team conducts an IEP manifestation determination review when a pupil's suspensions total 10days. The IEP team must determine how the student will receive free, appropriate public education (FAPE) on the 11th and any subsequent days of suspension. The team will also determine if additional assessment is needed, if the misconduct was caused by, or had a direct and substantial relationship to the pupil's identified disability, and if the pupil is appropriately placed. The IEP team must hold a manifestation determination meeting after every suspension of a student with a disability beyond 10 days. At the determination meeting, the team will discuss if the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability or if the conduct in question was the direct result of the failure to implement the IEP.

If the IEP team determines that the conduct was a manifestation of the pupil's disability, the IEP Team must either:

- Conduct a functional behavioral assessment; or
- If a Behavioral Intervention Plan (BIP) has already been developed, the Team will review the BIP and modify it as necessary to addres the behavior; and return the pupil to the placement from which the student was removed (except in special circumstances).

- If the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the student's disability, the school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to pupils without disabilities.

Expulsion of Students with Exceptional Needs

School personnel may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under § 300.536). (34CFR§300.530).[1]

Re-admission of an Expelled Student

When a pupil is expelled, The Foundation for Hispanic Educartion Board of Trustees will outline terms and conditions for readmission to the *school*. The pupil may apply for readmission and be considered for reinstatement by the Committee upon satisfactory completion of the terms and conditions in the rehabilitation assignment. Upon reinstatement, the governing board may order the expungement of any or all records of the expulsion proceedings. (EC48917(e)). When a pupil has an expulsion suspended, the Committee may work with the District to reassign the student to an educational setting wherein he/she can simultaneously work toward satisfactory completion of the terms and conditions in the rehabilitation plan. If a student on a suspended expulsion reoffends (violates the provisions of EC 48900) again during the time of the suspended expulsion, he/she is immediately expelled and the regular readmission criteria apply.

Search and Seizure

The principal at LVLA and Deans reserve the right to search students and their possessions (backpacks, purses, clothes, cars, etc.) if the school has reasonable suspicion that the search will uncover evidence that the student has violated or is violating the law, school rule, or school policy, such as if the student is in possession of a weapon, illicit drug or substance that jeopardizes the safety of LVLA campus. It is LVLA policy that the school will endeavor to notify a parent or family member after a student is searched, even if the school finds nothing illegal in the student's possession. Please note that if a student's electronic device (cellular phones, tablets, etc.) disrupts instruction or an assembly, it may be confiscated and returned to parent after school.

Schedule for Review/Revision of Suspension and Expulsion Policies

Review of suspension and expulsion policies will take place annually. Changes will be made as appropriate. Changes will be made outside the regular review schedule if laws pertaining

[1]While the Code of Federal Regulations allows up to10 consecutive days, the California Education Code48911allows only 5 consecutive days. A student with disabilities who is expelled from school is still entitled to a free appropriate public education (34CFR§300.530(d); EC 48915.5(b)).

to suspension or expulsion change during the academic year. *These changes shall not constitute a material revision of the charter petition.*

Notification of School District

The school will notify the district of any expulsions and will include suspension and expulsion data in its annual performance report.

ELEMENT K: EMPLOYEE BENEFITS

Governing Law: The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System or federal social security. California Education Code Section 47605(b)(5)(K)

Staff will participate in the federal Social Security System and State Teacher Retirement System as applicable to their position. Staff members also have the option of participating in the school's medical, dental and vision insurance plan. All employees and applicants are notified of their benefit options.

Certificated employees, that is, teachers, are covered under the State Teacher Retirement System. Non-certificated employees are covered by Social Security. An optional 403(b) retirement is now in place.

Staff Responsible for Assuring Coverage Under Each System

The staff members of three offices are involved in assurance of coverage for employees of the proposed charter school: Human Resources, Accounting, and the Office of the Chief Financial Officer.

Sick Leave Carryover

The HR Department of The Foundation is responsible for filling out all forms associated with transferring of sick leave to and from other California school districts per the Collective Bargaining Agreement. Please see Employee Handbook at Appendix BB for a comprehensive description of all policies governing employment at LVLA.

ELEMENT L: ATTENDANCE ALTERNATIVES

Governing Law: The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools. California Education Code Section 47605(b)(5)(L)

Informing Parents about Attendance

In the enrollment packet given to parents when they seek to enroll a student at the school, there is a notice that states the following: "*Students may attend other district schools or pursue an inter-district transfer in accordance with existing enrollment and transfer policies of their district or county of residence or other attendance alternatives*."

ELEMENT M: DESCRIPTION OF EMPLOYEE RIGHTS

Governing Law: A description of the rights of any employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school. All applicable laws remain in force, while the school maintains its status as a Local Education Agency.

Rights of Charter School Employees to Work in School District

All staff members of the charter school are employees only of The Foundation for Hispanic Education (TFHE) (See Appendix HH). Employees of the District who choose to leave the employment of the District to work at a TFHE school will have no automatic rights of return to the District after employment by the Charter School unless specifically granted by the District through a leave of absence or other agreement. Further, employees who leave East Side Union High School District to work at a TFHE school will not continue to earn service credit (tenure) in the school district while working at a TFHE school. Sick leave credit at the District or any other school district will be transferred only for the purpose of STRS.

ELEMENT N: DISPUTE RESOLUTION PROCEDURES

Governing Law: The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter. California Education Code Section 47605(b)(5)(N)

DISPUTES BETWEEN THE AUTHORIZER AND THE CHARTER SCHOOL

Disputes between the Charter School and Authorizer shall be handled in accordance with the School's Memorandum of Understanding with the Authorizer.

The following is proposed as a starting point for discussions agreed upon in the MOU:

The Foundation for Hispanic Education's Board of Trustees recognizes that it cannot bind the District to a dispute resolution procedure to which the District does not agree. The policy below is intended as a starting point for a discussion of dispute resolution procedures. The Charter School is willing to consider changes to the process outline below as suggested by the District.

The Foundation for Hispanic Education Board and the District will be encouraged to attempt to resolve any disputes with the District amicably and reasonably without resorting to formal procedures. In the event of a dispute between the Charter School and the District, Charter School staff, employees and Board members of the Charter School and the District agree to first frame the issue in written format ("dispute statement") and to refer the issue to the District Superintendent or Chief Executive Officer of Schools of The Foundation for Hispanic Education Board of Trustees. The Chief Executive Officer of Schools acts as the link between the school administration and the governing body. In the event that the District Board of Trustees believes that the dispute relates to an issue that could lead to revocation of the charter in accordance with Education Code Section 47607, The Foundation for Hispanic Education Board requests that this shall be noted in the written dispute statement, although it recognizes it cannot legally bind the District to do so. However, participation in the dispute resolution procedures outlined in this section shall not be interpreted to impede or act as a pre-requisite to the District's ability to proceed with revocation in accordance with Education Code Section 47607.

The Chief Executive Officer of Schools and Superintendent (or designee of each) shall informally meet and confer in a timely fashion to attempt to resolve the dispute, not later than 5 business days from receipt of the dispute statement. In the event that this informal meeting fails to resolve the dispute, both parties shall appoint board designees, who shall jointly meet with the Superintendent and the Chief Executive Officer of Schools and attempt to resolve the dispute within 15 business days from receipt of the dispute statement.

If this joint meeting fails to resolve the dispute, the Superintendent and the Chief Executive Officer of Schools shall meet to jointly identify a neutral third party mediator to engage the Parties in a mediation session designed to facilitate resolution of the dispute. The format of the mediation session shall be developed jointly by the Superintendent and the Chief Executive Officer of Schools.

Mediation shall be held within sixty business days of receipt of the dispute statement. The costs of the mediator shall be split equally between the District and The Foundation for Hispanic Education Board. If mediation does not resolve the dispute either party may pursue any other remedy available under the law. All timelines and procedures in this section may be revised upon mutual written agreement of the District and The Foundation for Hispanic Education Board.

Internal Disputes

Disputes arising from within The Foundation for Hispanic Education Board of Trustees, including all disputes among and between students, staff, parents, volunteers, advisors, and partner organizations shall be resolved pursuant to policies and processes developed by The Foundation for Hispanic Education Board.

- Disputes shall first be brought informally to the Chief Executive Officer of Schools/Principal of the School for resolution.
- The Chief Executive Officer of Schools/Principal shall track all disputes in writing.
- The Chief Executive Officer of Schools/Principal shall facilitate discussion and resolution between all parties involved in the dispute.
- If the resolution is not resolved by discussion facilitated by the Chief Executive Officer of Schools/Principal, the matter may be brought before The Foundation for Hispanic Education Board of Trustees.
- The Chief Executive Officer of Schools /Principal shall provide a written summary of the dispute and all attempts at resolution for the The Foundation for Hispanic Education Board of Trustees.
- The decision of The Foundation for Hispanic Education Board of Trustees shall be final.

ELEMENT O: PROCEDURES FOR SCHOOL CLOSURE

Governing Law: A description of the procedures to be used if the charter school closes. The procedures shall ensure a final audit of the school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of public records. California Education Code Section 47605(b)(5)(O)

Following discussion with key administrators, a clear process will be delineated to ensure that a smooth transition for students and their families take place. Closure of LVLA will be documented by official action of The Foundation for Hispanic Education Board of Trustees. The action will identify the reason(s) for closure. The Foundation for Hispanic Education Board of Trustees will promptly notify the Authorizing District, the Santa Clara County Office of Education, the school's SELPA, the retirement systems in which the school's employees participate, and the CDE of the closure and of the effective date of the closure. The official action will also identify the Chief Executive Officer of Schools or designee who will be responsible for closure-related activities. As soon as closure is imminent, LVLA will notify the District to schedule a meeting to relevant issues, including but not limited to the following:

- **Risk Management:** Notify the District that the school intends to manage risk independently
- **Accounting:** a payment plan for any funds owed by the District to the school, or owed to the District by the school
- **Notifying Teachers/Staff:** Notification of site employees to support a positive school climate, culture and confidence
- **Student Records** (e.g., final transcripts, diplomas of non-grads, the template used to create the diploma, Cumulative Files),
- **Hardcopy and Excel Files:** List of students for whom student records were provided, including their names, SSID, and grade levels,
- **Hardcopy and Excel File:** List of non-grads including their names, SSID and grade levels,
- **Personnel Files-** List of all employees and their personnel files inclusive of retirement accrued and W-2 information.

The Foundation for Hispanic Education Board of Trustees will ensure notification to the parents and students of the school of the closure and to provide information to assist parents and students in locating suitable alternative programs. This notice will also include the name(s) of and contact information for the person(s) to whom reasonable inquiries may be made regarding the closure; the pupils' school districts of residence; and the manner in which parents and guardians may obtain copies of pupil records, including specific information on completed courses and credits that meet graduation requirements. This notice will be provided promptly following The Foundation for Hispanic Education Board of Trustees' decision to close the school.

As applicable, LVLA will provide parents, students and the District with copies of all appropriate student records and will otherwise assist students in transferring to their next school. All transfers of student records will be made in compliance with the Family Educational Rights and Privacy Act ("FERPA") 20 U.S.C. § 1232g. The School will ask the District to store original records of Charter School students. All records of the school shall be transferred to the District upon school closure. If ESUHSD will not or cannot store the records, TFHE shall work with the County Office of Education to determine a suitable alternative location for storage. Personnel records shall be

maintained and transferred in accordance with applicable law by a "responsibility entity" designated by The Foundation for Hispanic Education Board of Trustees.

As soon as reasonably practical, LVLA will prepare final financial records. The School will also have an independent audit completed as soon as reasonably practical, which period is generally no more than six months after closure. The final audit will be conducted by an auditor selected from the approved list of auditors maintained by the California State Controller's Office and shall be approved by the CDE. The audit will be provided to the District, the County Office of Education, and the CDE promptly upon completion. The final audit will include an accounting of all financial assets, including cash and accounts receivable and an inventory of property, equipment, and other items of material value, an accounting of the liabilities, including accounts payable and any reduction in apportionments as a result of audit findings or other investigations, loans, and unpaid staff compensation, and an assessment of the disposition of any restricted funds received by or due to the charter school.

The charter school will complete and file any annual reports required pursuant to Education Code section 47604.33 and complete necessary academic reporting.

On closure of LVLA, all assets of the school, including but not limited to all leaseholds, personal property, intellectual property and all ADA apportionments and other revenues generated by students attending the school, remain the sole property of the school and shall be distributed in accordance with the Articles of Incorporation upon the dissolution of the nonprofit public benefit corporation to another public educational entity. On closure, the school shall remain solely responsible for all liabilities arising from the operation of the school. Any assets acquired from the authorizer or authorizer property will be promptly returned upon School closure to the authorizer. The distribution shall include return of any grant funds and restricted categorical funds to their source in accordance with the terms of the grant or state and federal law, as appropriate, which may include submission of final expenditure reports for entitlement grants and the filing of any required Final Expenditure Reports and Final Performance Reports, as well as the return of any donated materials and property in accordance with any conditions established when the donation of such materials or property was accepted.

As the school is operated by a nonprofit public benefit corporation, should the corporation dissolve with the closure of the school, The Foundation for Hispanic Education Board of Trustees will follow the procedures set forth in the California Corporations Code for the dissolution of a nonprofit public benefit corporation and file all necessary filings with the appropriate state and federal agencies.

HANDBOOK FOR ENGLISH LANGUAGE LEARNERS

The Foundation for Hispanic Education

Section I
Program Goals

▪ English learners will acquire full proficiency in English as rapidly and effectively as possible. (*20 USC* 1703[f], 6892; *EC* 300[f], *5 CCR 11302*[a])

▪ English learners will meet state standards for academic achievement. (*20 USC* 1703[f], 6892; *5 CCR* 11302[b])

Each English Language Learner (ELL) receives a program of instruction in English Language Development to develop proficiency in English as rapidly and effectively as possible, overcoming any language barriers that impede equal and meaningful participation in the TFHE's curricular and extracurricular program. Academic instruction for English learners is designed and implemented to ensure English learners will meet the TFHE's content and performance standards for their respective grade levels in a reasonable amount of time. The TFHE will monitor student progress and work to overcome any academic deficits English learners incur while acquiring English. Actions to overcome academic deficits are taken before the deficits become irreparable.

Section II
Available Programs/Placement of Students

All English learners shall be placed in English language classrooms unless a parental exception waiver has been granted for an alternative program. English learners identified as limited English proficient (LEP), will be placed in an English language development class. The individualized education program (IEP) team determines placement of each special education student, regardless of language proficiency. No provision of an IEP requires a parental exception waiver.

Within 30 days of the beginning of the school year, parents and guardians of English learners are notified of the placement of their children in either a structured English-immersion program or an English language mainstream program and are provided descriptions of all educational opportunities available to them, including the opportunity to apply for parental exception waivers.

Available Programs Include:

▪ **Structured English Immersion**
(SEI): English learners with less than reasonable fluency in English are placed in core content classes with teachers who have appropriate English language authorization and receive sheltered instruction in English. Sequential English language development is provided through the English language development class. Students are monitored and supported by the site English Language Learner Liaison, and students also have access to after school tutorial support. Parents or guardians may request to have their child transferred from the structured English immersion program setting into an English-language mainstream class and provided additional and appropriate instructional services as authorized by the California Code of Regulations, Title 5, Section 11301 (b).

▪ **English Language Mainstream (ELM):** English learners with reasonable fluency in English are placed in core content classes with teachers who have appropriate English language authorization and receive instruction in English. They also receive additional and appropriate services in order to meet English language and academic needs. Students are monitored and supported by the site English Language Learner Liaison, and students also have access to after school tutorial support.

▪ **Alternative Programs:** Parents or guardians of English learners have the right to apply for a parental exception waiver for their children to participate in an alternative program.

Section III
Initial Identification & Summative Assessment

Initial Identification
The TFHE will identify, assess, and report all students who have a primary language other than English.

▪ The Home Language Survey (HLS) is used to determine the primary language of each student upon initial enrollment.

▪ Each student whose home language is other than English as determined by the Home Language Survey will be assessed within 30 days of initial school enrollment. The TFHE uses the state designated assessment, the English Language Proficiency Assessment for California (ELPAC), to assess students in listening, speaking, reading, and writing.

▪ Students new to TFHE and without previous ELPAC data will be given preliminary scores by the ELL Liaison for the purpose of confirming appropriate placement.

▪ Official ELPAC results will be placed in students' cumulative files.

▪ All parents or guardians of English learners and fluent English proficient students will be notified in writing of their child's English language proficiency assessment results.

▪ All parents or guardians of English learners will be notified in writing of the recommended program placement.

▪ Identifying students who need help learning in English is important so these students can get the extra help needed to do well in school and access the full curriculum. Every year students who are English learners will take the ELPAC summative to measure their progress in learning English.

Summative Assessment
The Summative Assessment is given to students who are identified as an English learner on the Initial Assessment. This Assessment is used to measure the skills of the English learners and it provides a roadmap to support students to be reclassified as proficient in English. This Assessment is given every spring between February and May until they are reclassified as English proficient.

Identification of students needing help to learn English is key to helping them access the full curriculum.

English learners are placed in available programs based upon overall ELPAC proficiency levels at initial identification:

ELPAC Proficiency Levels

Level:	Emerging	Expanding	Bridging
Classification:	LEP	LEP	FEP
Placement:	SEI	ELM	RAP

LEP =Limited English Proficient (English Language Learner)
FEP = Fluent English Proficient
I = Initial

SEI = Structured English Immersion
ELM = English Language Mainstream
RAP = Regular Academic Program

▪ Additional criteria may be considered for placement, including for students who reach higher levels of English proficiency:

- English language arts standardized testing scores
- Site English language arts benchmark assessment scores
- Grades
- Teacher recommendation

▪ Language assistance services will be provided for students who reach higher levels of English language proficiency but who have not met other exit criteria.

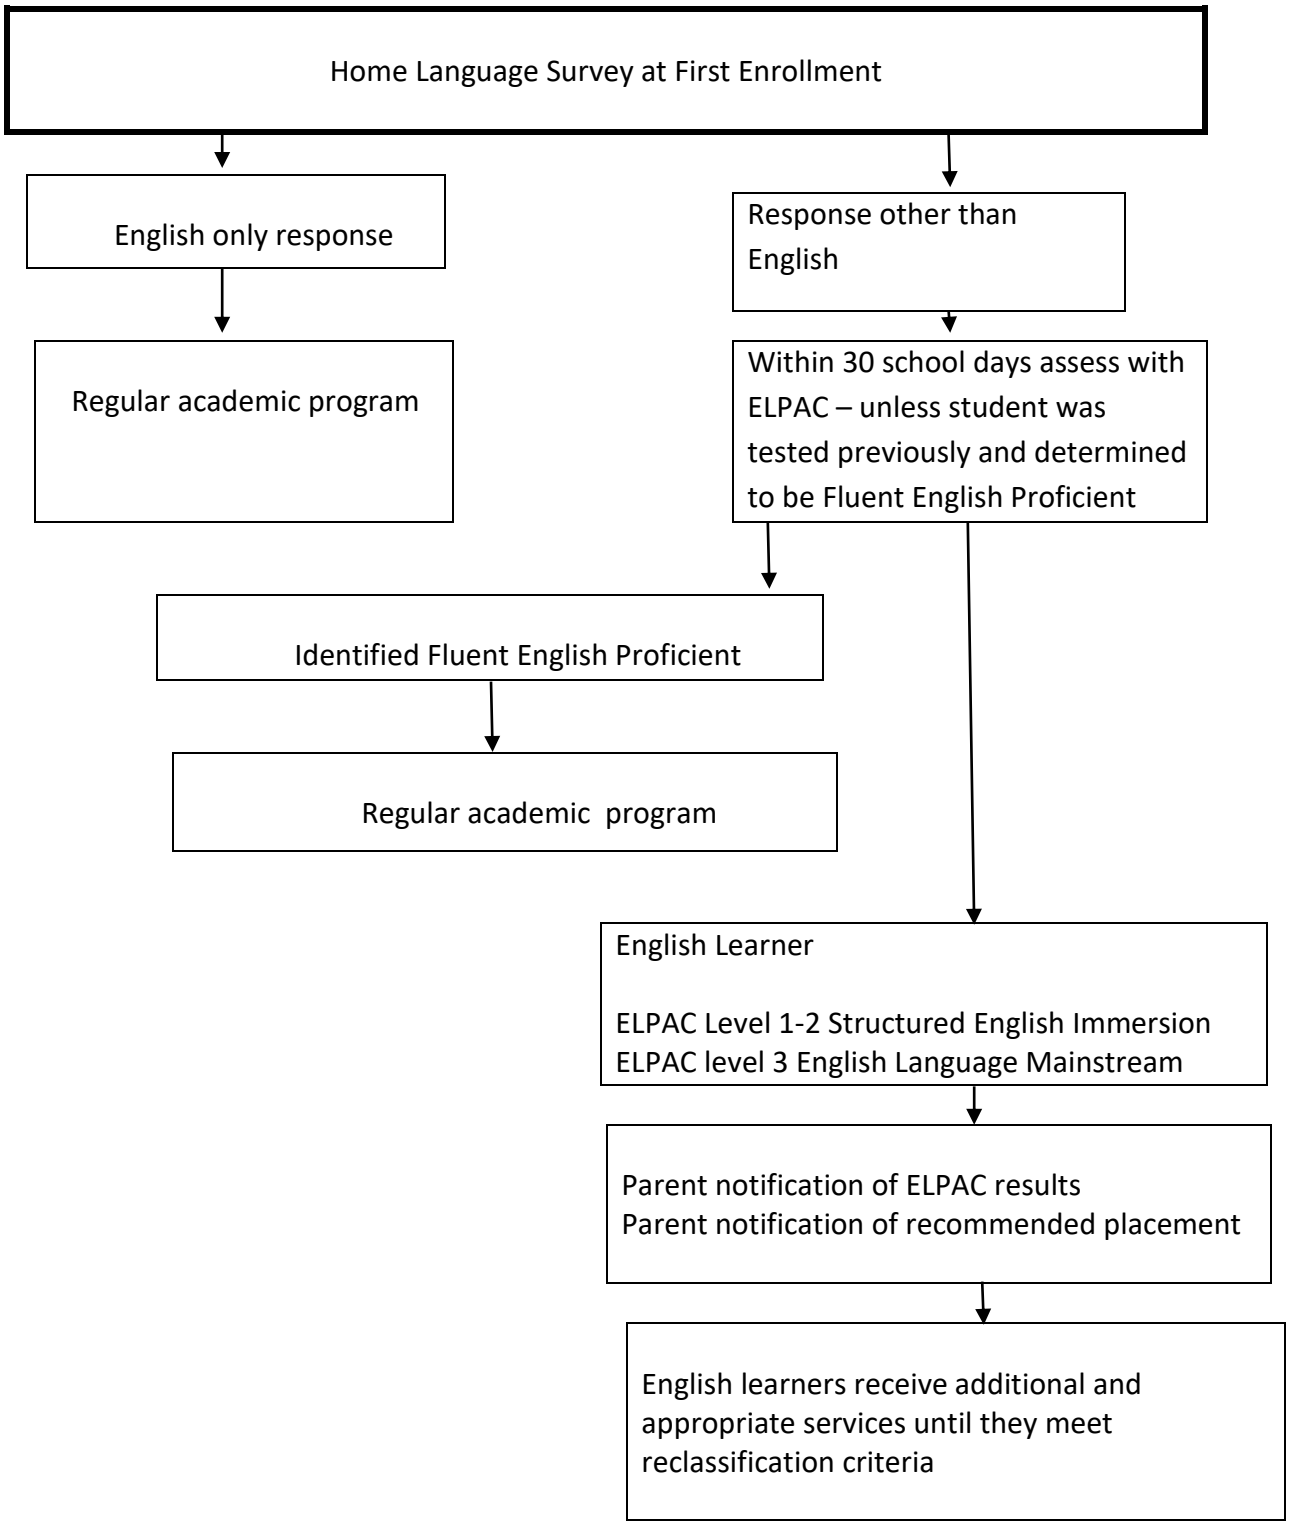

▪ Parents of EL students may opt out of the EL program and services only by informed consent.

▪ Should an EL student who has opted out of any of the EL program or services not demonstrate appropriate English proficiency or struggle academically because of language barriers, TFHE will take affirmative steps to inform the student's parents of his/her lack of progress and will offer further opportunities to enroll the student in the EL program or any of its services.

▪ **Alternative Programs**: English learners who have been granted parental exception waivers are offered an alternative program. Individual schools within TFHE in which 20 or more students in a given grade level receive a waiver are required to offer such a program. Schools within the TFHE in which fewer than 20 students in a given grade level receive a waiver must allow the students to transfer to a public school in which such a class is offered.

▪ The ELL Liaison will distribute a list of EL students in ELL programs to classroom teachers, including names of students reclassified as fluent English proficient who will continue to be monitored for a period of two years.

English Learner Initial Identification and Placement Procedures

Parental Exception Waivers (EC 310,311):

▪ Parents have the right to file a parental exception waiver. The waiver is a petition by parents or guardians to have their child enrolled in a bilingual education class or another generally recognized alternative to the English only program.

▪ TFHE's established procedures for parental exception waivers include prior, written, informed consent; an annual request; and a personal visit to the school to apply for the waiver. TFHE provides full descriptions of the different educational opportunities available to the student as well as descriptions of the educational materials to be used.

▪ Within 30 days of the beginning of the school year, parents and guardians of English learners are notified of the placement of their children in either a structured English-immersion program or an English language mainstream program and are provided descriptions of all educational opportunities available to them, including the opportunity to apply for parental exception waivers. The three types of waivers are for:

1. Children who already know English
2. Older children (10 years or older)
3. Children with special needs (physical, emotional, psychological, or educational)

▪ TFHE shall act on all parental exception waivers by following the TFHE's policy and procedures, which include:

1. Timelines consistent with state regulatory provisions
2. Availability of alternative programs, which do not exclusively consist of courses taught only in English
3. Reason for denials, which must be in writing and individually determined
4. Appeal of denials

▪ TFHE's policy and procedures ensure that each application for a waiver is considered on its individual merits with great deference given to parental preference for student placement.

Section V
Special Services

▪ English Language Learner students with disabilities under the IDEA or Section 504 are evaluated in a timely manner for special education and disability related services.

▪ English Language Learner's language needs are considered in these evaluations and in the delivery of service.

▪ THFE informs parents/guardians of EL students with an IEP how the language instruction education program meets the objectives of the student's IEP.

▪ Language assistance services and disability-related services are provided simultaneously to EL students who have been evaluated and determined to be eligible for both types of service.

▪ TFHE ensures that assessment and other evaluation materials used to evaluate a child with a disability are administered in the child's native language and in the form most likely yield accurate information about what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to do so.

▪ TFHE will provide professional development as necessary to IEP team members to support an understanding of how to differentiate between the student's limited English proficiency and the student's disability.

Section VI
Annual Summative Assessment

▪ Each English learner, including those who may have opted out of any of the EL program or services is annually assessed for English language development proficiency using the ELPAC and is also assessed for academic progress.

▪ The English language proficiency of all currently enrolled English learners shall be assessed by administering the test during the annual assessment window.

▪ English learners with disabilities are assessed for English language development using accommodations, modifications, or alternate assessments for the ELPAC if specified in the pupil's IEP or 504 Plan.

▪ Parents/guardians of English learners are notified annually of their child's English language proficiency assessment results within 30 calendar days of TFHE receiving test results from the test coordinator.

▪ Official ELPAC results will be placed in students' cumulative files.

Section VII
Reclassification

▪ Each English learner who meets the established multiple criteria (*EC*313 [d]) is reclassified as fluent English proficient (R-FEP). Results from the ELPAC will be used as the primary criterion for reclassification.[1] Students who are reclassified have demonstrated English-language proficiency comparable to the average native English speaker and can participate equally in the school's regular academic program.

▪ Students and parents will have the opportunity to participate in a reclassification meeting at which time the reclassification process and student data will be reviewed.

NOTE: incurred deficits in motivation and academic success unrelated to English language proficiency do not preclude a student from reclassification.

▪ Additionally, pupils whose ELA standardized test scores fall below proficiency levels may be considered for reclassification if it is determined that factors other than English language proficiency account for the low performance.

▪ Reclassification documentation will be placed in students' cumulative folders.

▪ TFHE will monitor for a minimum of two years the progress of pupils reclassified to ensure correct classification, placement, and additional academic support, if needed.

Reclassification Criteria

(Student meets at least four or five criteria, one of which is the ELPAC)

	Performance in ELD Class	**Performance in Core Classes**	**California ELD test (ELPAC) *the primary criterion**	**California English Arts Test (CAASP)**	**Parent Opinion**
LEP	Below a "C"	Below a "C" average in core classes	Overall proficiency at Emerging and Expanding	Scores below proficient	Not ready
RFEP	At least a "C"	At least a "C" average in core classes	Overall proficiency Bridging (and scores at intermediate or higher on each of the sub-skill tests.)	Scores at least in the proficient range	Ready

LEP = Limited English Proficient (**ELL** = English Language Learner)
RFEP = Reclassified Fluent English Proficient

Section VIII
Staffing and Professional Development

▪ An adequate number of qualified teachers have been assigned to implement the required English language development instruction for each English learner.

▪ An adequate number of qualified teachers will be assigned to provide access to the core curriculum and to ensure an equal educational opportunity for each English learner.

▪ TFHE ensures that teachers assigned to provide English language development or access to core curriculum instruction for English learners are appropriately authorized or are actively in training for an English learner authorization.

▪ TFHE provides appropriate professional development for staff responsible for the education of English learners, including administrators who evaluate teachers of English learners or who communicate regularly with parents/guardians of English learners.

▪ Each of the TFHE schools employs an English Learner Liaison, who acts as advocate for ELL students and as manager of site ELL program processes.

Section IX
Curriculum and Instruction

▪ Each of TFHE's three sites, Latino College Preparatory Academy, Luis Valdez Leadership Academy and Roberto Cruz Leadership Academy, offer a course in English Language Development, a sequential program for English language acquisition.

▪ The curriculum of the course is consistent with the California English-Language Development Standards and works in concert with the California English-Language Arts Content Standards as recommended by the California Department of Education.

▪ The English language development course uses the Board approved *Shining Star* series, published by Pearson-Longman, 2004. The series is a sequential program delivered in five graduated texts, ranging from newcomer/beginning level through high-intermediate level. This allows for instruction to be targeted at the appropriate level for each English learner. The series has a complete package of teacher and student resource materials, including student workbooks, and a CD-ROM based independent practice component.

▪ English learners will not be denied access to educational opportunities, including participation in Gifted and Talented Education, Advanced Placement, and honors classes, based on English proficiency status. (*20 USC* 7103)

Section X
Communication and Parent Involvement

▪ TFHE maintains a District English Learner Advisory Committee (DELAC) to support its English learner program and to regularly evaluate its effectiveness.

▪ TFHE's schools convene an English Learner Advisory Committee.

▪ The school site council at each of TFHE's schools acts as the English Learner Advisory Committee (ELAC). This committee advises the principal on the following:

- The development of the *Single School District Plan* (SSDP)
- Goals and actions for the ELL program within the SSDP

▪ Parents are notified in writing of ELPAC assessment results (initial identification and annual summative assessments).

▪ Parents are kept informed about the academic progress of their children.

▪ Parents are informed in writing of program options and recommended placement of their children.

▪ Parents are invited to participate in reclassification meetings.

▪ TFHE ensures that LEP parents have adequate notice and meaningful access to information about all school and its programs, services, and activities.

▪ TFHE determines whether parents of EL students are LEP and what their language needs are.

▪ TFHE provides language assistance to parents/guardians who indicate they require such assistance.

Section XI
Funding

▪ TFHE provides adequate basic resources for English learners and for English learner programs, including: professional development, instructional materials, translation services, an ELL liaison, and after school tutoring for English learners.

Section XII
Evaluation and Accountability

▪ TFHE regularly evaluates its English learner program and services and has established criteria and a process to evaluate the effectiveness of these programs.

▪ TFHE evaluation processes demonstrate that the practices, resources, and personnel used at each school effectively implement TFHE's programs for English learners.

▪ The evaluation process includes the following:

1) A way to demonstrate the programs for English learners produce within a reasonable period of time:
   a) English language proficiency comparable to that of average native speakers of English in each of the schools
   b) Academic results indicating English learners have achieved and sustained equal academic achievement with students who entered TFHE's schools already proficient in English

2) An ongoing process for using the procedures here to improve program implementation and to modify the program, as needed, to ensure the language development and academic success of each English learner.

English Language Proficiency Assessments for California (ELPAC)

The English Language Proficiency Assessments for California (ELPAC) is the state's test for measuring progress in learning English for students whose primary language is not English.

The ELPAC tests four different areas:

The ELPAC is the test that is used to measure how well students in kindergarten through twelfth grade understand English when it is not their primary language. The ELPAC is taking the place of the California English Language Development Test (CELDT). Information from the ELPAC helps your child's teacher provide support in the right areas.

The ELPAC has two parts: Initial Assessment and Summative Assessment

	Initial Assessment	Summative Assessment
Who	Students will take the Initial Assessment if: * the student has a primary language other than English, * the student has not taken then CELDT or ELPAC before, and * the student has not been classified before as an English learner.	The Summative Assessment is given to students who are identified as an English learner on the Initial Assessment.
What	The initial Assessment is used to identify students as either an English learner who needs support to learn English, or as proficient in English.	The Summative Assessment is used to measure the skills of English learners. The results will help tell the school or district if the student is ready to be reclassified as proficient in English.
When	Students are given the Initial Assessment within 30 days of when they enroll at the school.	Students who are English learners are given the Summative Assessment every spring between February and May until they are reclassified as English Proficient

Why	Identifying students who need help learning in English is important so these students can get the extra help they need to do well in school and access the full curriculum. Every year students who are English learners will take the ELPAC summative to measure their progress in learning English.

What is the purpose of the Practice Test?
The Practice Test is a chance to become familiar with the types of test questions on the ELPAC. When students and teachers know more about what to expect on the test, they will be better prepared to show what they know and are able to do in English. The Practice Test include example test questions and directions for giving the practice test to students, and can be found here.

Students and Families can use the Practice Tests to:
* Become familiar with the types of questions on the ELPAC
Understand the types of English language skills that students are expected to develop
* Understand what students need to be able to do on the actual test

Teachers and Administrators can use the Practice Test to:
* Understand the types of test questions that appear on the actual test
* Understand the alignment of the test questions with the 2012 California English Language Development Standards, Kindergarten Through Grade 12
* Create similar tasks for instructional purposes, with appropriate support, for their students
* Communicate with students, families, and teachers about the skills assessed on the test

More information about the ELPAC can be found on the California Department of Education ELPAC Web page or at the Educational Testing Services ELPAC Web page.

ABOUT US

Luis Valdez Leadership Academy (LVLA) is a small, personalized, college-prep charter high school in East San Jose, CA managed by the Foundation for Hispanic Education, chartered by the East Side Union High School District, and awarded initial accreditation by the Western Association of Schools and Colleges. LVLA opened its doors for an inaugural class of approximately 100 students in August of 2014.

VISION AND MISSION

The mission of the Luis Valdez Leadership Academy (LVLA) is to provide a rigorous academic program designed to instill a lifelong passion for learning and to equip students with the skills for social and academic success at community colleges and four-year universities. Through an emphasis on visual and performing arts, digital media and culturally sustaining pedagogy, LVLA will graduate empowered young adults who are poised, confident, and articulate leaders. Through a focus on the Spanish language, for both native speakers and Spanish language learners, LVLA students will use their education, bi-literacy and life experiences to create positive changes in their own lives, in their own families and within their communities. Through leadership, responsibility and resilience, LVLA graduates will make a positive impact on the East San Jose community and beyond.

GOVERNANCE STRUCTURE

Foundation for Hispanic Education: The Foundation is the founding organization of the Luis Valdez Leadership Academy. The Foundation Board of Trustees institutes broad policies for the operations of all of its activities, including LVLA

Charter School Committee (CSC): The Charter School Committee is designated by the Foundation to develop and implement policies and procedures in chartering and operating LVLA.

Principal, LVLA: The Principal of LVLA is designated by CSC, under the supervision of the Chief Academic Officer, to be responsible for the day-to-day administration of the school.

GENERAL RULES AND INFORMATION

CAMPUS HOURS

Office Hours: 8:00 am – 5:00 pm

All students must be off campus by 5:30 pm, unless involved in school activities with adult supervision.

LVLA is a CLOSED CAMPUS – Once students enter LVLA campus, they may not leave until officially dismissed. Students should not loiter in the staff parking lot or by the parking lot entrance upon arrival to school. Violators may be subject to disciplinary action.

Visitors on Campus: Visitors and volunteers must sign in at the office and receive a visitor's badge or sticker, which must be worn while on campus. This necessary policy is for the safety of our campus and students. It is important that we know who is on campus at all times.

MEDICAL AND STUDENT EMERGENCY PROCEDURES

Emergency Cards

Because any student may experience urgent need for care we cannot provide, our office requires for every child a current, signed emergency card listing essential information: addresses and phone numbers at which we can reach you during the school day; names and phone numbers of people you trust to take charge of your child in case we can't reach you; your child's doctor's name and phone number. These cards are a part of the registration process; they must be completed and returned promptly. Thereafter, you should immediately notify the school office about changes to any of this information.

Illness or Injury at School

If your child becomes ill and must be taken from school, we will phone for you. If we cannot reach you, a designee from the emergency card will be called to pick up your child (please list local people as your emergency designees). Vomiting or a temperature of 100 requires pick up from school and the injury appears serious, we will call you (or an emergency- card designee if we cannot reach you). In a medical emergency, we will call the Fire Department's paramedics; if necessary, they will transport your child to a local hospital.

PLEASE NOTE: (1) If your child is transported to a hospital, you will be responsible for ambulance charges. (2) Hospitals in this area will not treat a child unless they have an emergency-treatment consent form for the child; release forms are available at the hospitals if you wish to keep a signed form on file.

Medication at School

Pupils are not permitted to possess or administer their own medication. All medication must be administered under the supervision of a school official. All medications must be sent to the Office Manager with a note from the prescribing physician and parent, which include the name of the medication, the dosage, and the means by which it is to be administered. This includes non- prescription, over-the-counter medications (e.g., aspirin, cough lozenges, and ointments) change(s) in schedule or dosage for medication must be specified in writing by the child's physician.

Communicable Diseases

Any student showing symptoms of a communicable disease must be taken home. A physician's medical clearance is necessary for the child to return to school.

Casts, Crutches and Injuries

Any student who comes to school on crutches or in a cast, medical appliance, or wrap (e.g., Ace-bandage) must have a medical note (available in the office) written by the physician. These students may not remain in school without the completed physician's form! During their recovery, these pupils may eat in the lunch area and then must go to the school office for the remainder of lunch.

INSURANCE

The Luis Valdez Leadership Academy staff goes to great lengths to protect your child from injury. Unfortunately, accidents still can and do occur during activities at school, on school trips, and during after school programs. It is important that any student planning on participating in any athletic teams or clubs have appropriate insurance before they participate.

CALLING THE SCHOOL AND TEACHER'S E-MAIL

All teachers have an e-mail account. A list of school staff e-mail addresses will be sent home shortly after school begins. You may leave a voice-mail message at any time with the front office, which will be delivered to the teacher at the first opportunity outside of class time. Teachers and Advisors will also provide phone numbers where they can be reached. Please feel free to reach out directly to teachers or the Principal regarding a question, concern, compliment or issue with your student. Student success is our #1 priority at LVLA.

MESSAGES TO STUDENTS

If you need to get a message to your student during the school day **PLEASE CALL THE SCHOOL'S MAIN OFFICE (408) 384-4015**. **Please do not text or call your student while he or she is in class**. This would be a violation of cell phone and electronic device policy and continue violations can result in the confiscation of the student's phone. We will ensure to get the message to your student in a timely manner. Please help us ensure that our learning time is free from cell phones and electronic distractions.

CELLULAR PHONES AND/OR ELECTRONIC DEVICES

Any pupil may have a cell phone/electronic device at school but the device is to be turned off and put away at all times except before or after school, during brunch or lunch, or if the classroom teacher allows the use of the device as part of the class lesson. If the device disrupts instruction or an assembly, it may be confiscated (returned to parent after school). Continued violation of this policy can lead to confiscation by school administration for remainder of school year.

The cell phone policy is as follows:

- Violation 1- Teacher takes phone and gives it back at the end of class
- Violation 2- Teacher brings phone to Principal and Principal notifies parent and gives phone back after school
- Violation 3- Teachers brings phone to Principal and Principal notifies parent and keeps phone for a week
- Violation 4- Teacher brings phone to Principal and Principal keeps phone for the rest of semester or year

California Education Code Section 51512 provides that no electronic listening or recording device may be used by pupils or visitors in a classroom without permission of teacher and principal.

SCHOOL PICTURES

Individual pictures are taken during the school year for use on School Issued Student Identification Cards.

BACK-TO-SCHOOL NIGHTS

In the fall, parents are welcomed to the new school year as a group, by the Principal in a general meeting and by teachers in the classrooms. Back-to- School Nights are for parents and families to become familiar with the student's instructional program and learning environment, and to learn about goals, curriculum, homework, and expectations for the year. These informative evenings are for both parents and students.

All college-bound students wishing to attend California colleges or universities will have the opportunity to take courses that meet the a-g requirements.

A. History/Social Science: The curriculum offers two and half years of History/Social Studies, one year in U.S. History or AP US History, one year in World History or AP World History, and one semester of US Government & Politics or AP US Government & Politics. Each required course is certified to fulfill one of the University of California's entrance requirements. Upon graduation, all LVLA students have, at a minimum taken the necessary course work for admission to the University of California.

Transferability

Transfer of Course Credits

Parents will be notified of the acceptability of credit for transferring into or out of LVLA via parent meetings, letters, and emails. In addition, courses acceptable for college credit will be accessible to parents and available on the school's website. The policy adheres to these principles:

Parent Notification: Course Eligibility for College

The Intersegmental General Education Transfer Curriculum (IGETC) provides an option for San José City College students to fulfill lower-division general education requirements before transferring to a California State University (CSU) or University of California (UC) campus. Completion of IGETC will permit a student to transfer from a California Community College to a CSU or UC campus generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. It is strongly recommended that students complete IGETC prior to transfer. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion. All UC and CSU campuses will accept the completed IGETC to satisfy all lower division general education requirements. See Appendix N: IGETC.

Parent Notification: Credit Transferability to LVLA

Parents of students seeking to transfer into LVLA are notified of their prospective credit transferability in person and via a detailed, mailed letter. If a course from a student's previous school is accepted as full credit at LVLA, students must still meet the school's graduation requirements, even if these requirements are higher than their previous school. Students may apply for waivers from the school on a case-by-case basis. In mathematics, Algebra I will be counted as Math 1, Geometry will be counted as Math II and Algebra II will be counted as Math III.

Parent Notification: Credit Transferability from LVLA

It is expected that local schools will give full course credit to all University of California approved courses, and will give due consideration to elective courses that are offered at the school, but are not part of the school's graduation requirements or approved by the University of California/CSU.

Advisory

LVLA offers a robust, comprehensive Advisory program that seeks to ensure that ALL students attend school regularly and are academically successful. Advisory also seeks to develop students with their socio-emotional identity and character through a curriculum that focuses on academic success, college and career readiness, exploration of self, building initiative, developing resilience and learning resourcefulness in all LVLA students. The school believes that the Advisory model is one of the main reasons LVLA has been able to create a positive, supportive, and academically driven school culture.

PARENT RESOURCES

LVLA truly values parent participation and have instituted several successful programs to support parent empowerment and engagement in the educational journey of their students.

Cafecito

Parents join the Principal and Academic Dean every third Thursday of the month for a cup of coffee and pan dulce (sweet bread) as the Principal shares school updates and announcements, while parents have the opportunity to share with the Principal and Academic Dean what is working for them and their student, ask questions, share areas of concern, present ideas, and make announcements.

Director of Parent Engagement

The Foundation provides additional support for parents in the form of a Director of Parent Engagement. The Director of Parent Engagement helps organize, plan, and present parent workshops, School Site Council meetings, ELAC meetings, and the Poder de Padres program. The individual in this position can also connect parents to community resources including but not limited to: housing resources, mental and physical health clinics, DAPA/DACA support, and family advocacy.

English Learner Advisory Committee (ELAC)

The English Learner Advisory Committee (ELAC) is a committee of parents of English Learner (EL) students who advise the Principal, staff, and school on programs and services for EL categorical funding and the School Site Council (SSC) on the development of the Single School District Plan (SSDP). The ELAC meets at LVLA campus on a quarterly basis.

Weekly Workshops

LVLA offers weekly workshops, every first Wednesday of the month, where parents learn how they can support the academic and personal development of their student. Topics range from parents learning how to use School Loop to monitor student academic progress, interacting with a panel of first generation college students and their parents, learning high school graduation requirements, learning how to calculate a grade point average (GPA) and read a transcript, reviewing UC a-g requirements, exploring the four systems of higher education, application process, and many more.

Poder de Padres

Led by the organization's Director of Parent Engagement, this program seeks to empower parents as family and community leaders. The program operates as a support group for families and in addition to workshops and presentations on UC a-g requirements and graduation requirements and navigating the path towards college, the group discusses positive discipline strategies for teenagers and effective parenting skills.

School Site Council (SSC)

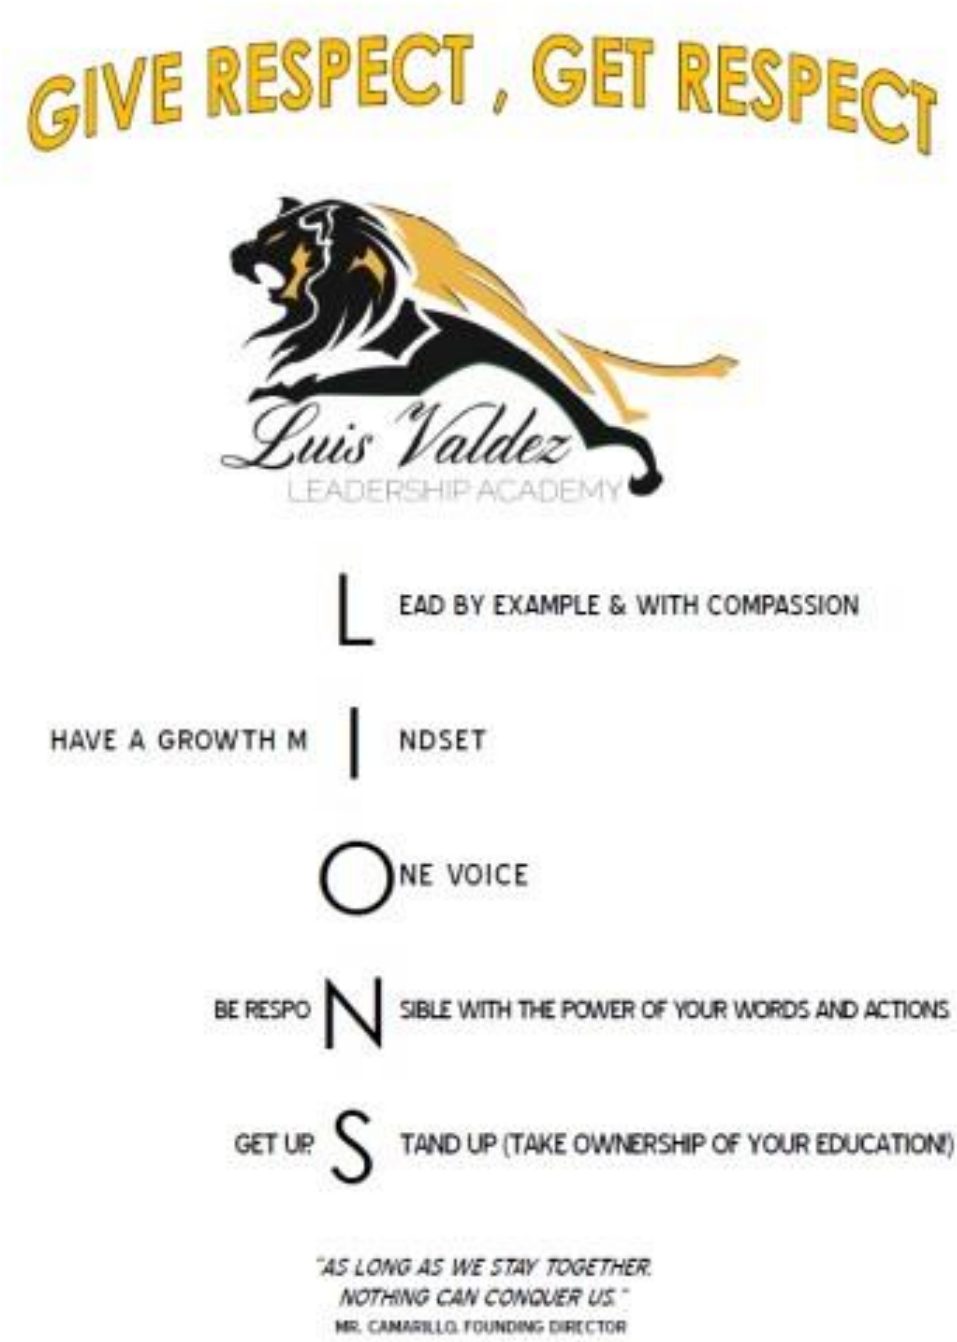

The School Site Council (SSC) is an advisory committee comprised of the school Principal, teacher representatives, classified staff representatives, student representatives, and parent representatives. The SSC helps measure effectiveness of the academic program, incorporates input from other school advisory committees, review and revise school wide goals, review and recommend for approval the Single School District Plan (SSDP).

Student Led Conferences (SLCs)

With the guidance and support of the advisors, students conduct Student Led Conferences (SLCs) twice a year, where they present their strengths and their areas of growth and discuss their post- high school goals with their family. During their freshmen year, students present their four-year plan to their families so that all stakeholders involved are aware of what the students need and how best to support them. If a student has an academic, social or emotional challenge along the way, the advisor becomes an advocate that will help the student receive the necessary guidance to make sure they meet their college and career goals. Student four-year plans are updated annually with each student's progress and current academic or socio-emotional needs.

LVLA institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community. Further, no pupil shall be involuntarily removed by the school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the student no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational right's holder, and shall inform him or her of the right to initiate the procedures specified in this clause before the effective date of action. If the parent, guardian or educational rights holder initiates the procedures, specified in this clause, the student shall remain enrolled and shall not be removed until the charter school issues a final decision.

The principal within applicable law and following all due process requirements in accordance with AB 1360, may use his/her discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and an anger management program, for a student subject to discipline under this section. However, a student, including an individual with exceptional needs as defined in Section 56026, may be suspended for any of the reasons enumerated in this section upon a first offense, if the principal determines that the student violated subdivision (a),(b),(c),(d), or (e) of Section 48900 or that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process.

If an alleged offense listed above subjects a student to suspension or expulsion, the school representative (Assistant Principal or Dean of Students) shall investigate the allegation. If the alleged allegation appears to have occurred, the school representative makes suspension and expulsion recommendation to the school principal. If parents do not request a hearing, within at least five working days, then the recommendation becomes the final determination. If the parents request a hearing, then the Principal, acting as the Hearing Officer, "hears" the matter and makes a determination to expel or not to expel the student. Parents may request an appeal to the Chief Academic Officer or designee, within five working days after the school's determination. If such an appeal is requested, the Hearing Officer will provide a summary report to the Chief Academic Officer or designee.

No student will be involuntarily disenrolled, dismissed or transferred by the charter for any reason unless the parent or guardian has been provided written notice at least 5 school days before the effective date of his or her removal. For all involuntary removals, including expulsions and dismissals for non-disciplinary reasons, parents must be informed of their right to a hearing before the effective date of the removal. If the student's parents or guardian initiates the hearing procedures, the student must remain enrolled until the charter school issues a final decision (Educ. Code 47605(b)(5)(J)(iii)). The decision of TFHE is final.

Students guilty of theft, robbery, or extortion will be suspended, administratively transferred, or expelled and will be required to pay restitution.

FORGERY

It is to the advantage of students, parent/guardian, and school staff to maintain a good working relationship between school and home; written correspondence and other communications are vital to that relationship. Students who violate this trust by intercepting school communications or forging signatures on school forms or notes will have their parent/guardian contacted, may be SUSPENDED from school, and may be assigned alternate ways to confirm parent/guardian approval/receipt of correspondence.

GAMBLING

Any form of gambling is cause for parent contact and DETENTION on the first offense and suspension thereafter.

Other objects prohibited are brass-knuckles, martial arts weapons, clubs, etc. Having a “weapon” on school property, in a school locker, in a car (this includes the trunk and glove compartment), in a backpack, or at a school activity is not permitted and will cause the student to be recommended for expulsion from school.

INTERNET POLICY AND ELECTRONIC DEVICES

In order to use an LVLA computer, Internet network, or school e-mail address, each student must have a completed and signed LVLA Acceptable Use Policy Agreement on file . Violations of the Acceptable Use Policy can result in the loss of technology services, as well as detention, suspension, or expulsion.

Electronic devices are: *Personal Radios, MP3/iPods, CD, DVD, Cellular Phones, Walkie Talkies, Electronic Games, Tablets, and Paging Devices - Ed. Code 51512, 48901.5:*

The school cannot be responsible for such items. If seen or heard during instructional time, they will be taken from the student. The student's parent/guardian must pick up the electronic device at the end of the school day. Repeated infractions will result in possible SUSPENSION, and/or the holding of the item until the end of the semester. ***NOTE: Emergency messages to students should be delivered through the Main Office.***

SEARCH AND SEIZURE

The principal at LVLA and Deans reserve the right to search students and their possessions (backpacks, purses, clothes, cars, etc.) if the school has reasonable suspicion that the search will uncover evidence that the student has violated or is violating the law, school rule, or school policy, such as if the student is in possession of a weapon, illicit drug or substance that jeopardizes the safety of LVLA campus. It is LVLA policy that the school will endeavor to notify a parent or family member after a student is searched, even if the school finds nothing illegal in the student's possession. Please note that if a student's electronic device (cellular phones, tablets, etc.) disrupts instruction or an assembly, it may be confiscated and returned to parent after school.

PROCESS OF INFORMING PARENTS OF ACTIONS AND DUE PROCESS RIGHTS

The school representative (Assistant Principal or the Dean of Students) shall inform the pupil's parents as soon after the offense has occurred, as is practicable, that the offense has occurred. The parents will be informed of the nature of the offense, the options available to the school for responding to the offense, and the course of action the school recommends to take. At that point, the school representative will explain to the parents that they have 5 working days to request a hearing, otherwise the recommendation to expel becomes the final determination. If parents request a hearing within that timeframe, the Hearing Officer, "hears" the matter and makes the final determination of whether to expel or not to expel the student. The hearing process is listed below.

In order to ensure due process, parents and student will be informed that:

- Student has the right to question School's witnesses (administrators and teachers)
- School has the obligation to produce witnesses/documents

- School has the obligation to protect student witnesses from embarrassment or ridicule (declarations or statements are acceptable)
- The hearing will have a set time limit

At the Hearing, the Principal will act as the Hearing Officer, and the Assistant Principal or Dean of Students will act as the school representative.

Hearing Process

It is important to note that the hearing is an "opportunity to be heard"; it is not a Court of Law. The format is as follow:

- The Principal or Hearing Officer presides – option of "opening statements"
- School presents evidence *
- Student's representative presents evidence *

  *evidence includes: witnesses, documents, at least one non-hearsay, verifiable piece of evidence
- Hearing Officer makes a decision

In the event the decision is to expel the pupil, the student and parent may appeal the decision to the TFHE Chief Academic Officer or designee. The parent and student must provide a written explanation to the rationale for the appeal. If the appeal is successful, the student can be reinstated back to another charter school operated by TFHE dependent on the alleged expellable offense, provided the student and his or her parents agree to an automatic expulsion if the student does not meet expectations moving forward. The decision of TFHE is final.

If the student is expelled, the Principal will notify the district of residence of its decision.

Rights of Students with Disabilities With Respect to Suspension and Expulsion

Suspension of students with exceptional needs requires that the school administrators and IEP team members understand the limits of suspension of students with disabilities, requirements for IEP review following suspension, and alternatives to suspension.

Limits of Suspension of Students with Disabilities

As noted previously, the Principal may suspend a pupil from the school for any of the reasons noted above. An individual with exceptional needs may be suspended for up to, but not more than 5 consecutive school days. The student may be suspended for up to 10 days before an IEP team manifestation determination meeting is required. The student can be removed for more than 10 days for separate acts of misconduct, as long as the removals do not constitute a pattern. During any removal of more than 10 days the school must provide services to the extent determined necessary to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals on his or her IEP.

IEP Review Following Suspension

An IEP meeting is not required prior to suspending a student with a disability up to 10 days. However, the IEP team should meet to review a pupil's placement and program when the pupil is experiencing serious discipline problems leading to multiple suspensions. It is required that the IEP team conducts an IEP manifestation determination review when a pupil's suspensions total 10days. The IEP team must determine how the student will receive free, appropriate public education (FAPE) on the 11th and any subsequent days of suspension. The team will also determine if additional assessment is needed, if the misconduct was caused by, or had a direct and substantial relationship to the pupil's identified disability, and if the pupil is appropriately placed. The IEP team must hold a manifestation determination meeting after every suspension of a student with a disability beyond 10 days. At the determination meeting, the team will discuss if the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability or if the conduct in question was the direct result of the failure to implement the IEP.

If the IEP team determines that the conduct was a manifestation of the pupil's disability, the IEP Team must either:

- Conduct a functional behavioral assessment; or
- If a Behavioral Intervention Plan (BIP) has already been developed, the Team will review the BIP and modify it as necessary to addres the behavior; and return the pupil to the placement from which the student was removed (except in special circumstances).
- If the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the student's disability, the school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to pupils without disabilities.

Expulsion of Students with Exceptional Needs

School personnel may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct (as long as those removals do not constitute a change of placement under § 300.536). (34CFR§300.530).[1]

Re-admission of an Expelled Student

When a pupil is expelled, the Charter School Committee will outline terms and conditions for readmission to the *school*. The pupil may apply for readmission and be considered for reinstatement by the Committee upon satisfactory completion of the terms and conditions in the rehabilitation assignment. Upon reinstatement, the governing board may order the expungement of any or all records of the expulsion proceedings. (EC48917(e)). When a pupil has an expulsion suspended, the Committee may work with the District to reassign the student to an educational setting wherein he/she can simultaneously work toward satisfactory completion of the terms and conditions in the

[1]While the Code of Federal Regulations allows up to10 consecutive days, the California Education Code48911allows only 5 consecutive days. A student with disabilities who is expelled from school is still entitled to a free appropriate public education (34CFR§300.530(d); EC 48915.5(b)).

rehabilitation plan. If a student on a suspended expulsion reoffends (violates the provisions of EC 48900) again during the time of the suspended expulsion, he/she is immediately expelled and the regular readmission criteria apply.

Search and Seizure

The principal at LVLA and Deans reserve the right to search students and their possessions (backpacks, purses, clothes, cars, etc.) if the school has reasonable suspicion that the search will uncover evidence that the student has violated or is violating the law, school rule, or school policy, such as if the student is in possession of a weapon, illicit drug or substance that jeopardizes the safety of LVLA campus. It is LVLA policy that the school will endeavor to notify a parent or family member after a student is searched, even if the school finds nothing illegal in the student's possession. Please note that if a student's electronic device (cellular phones, tablets, etc.) disrupts instruction or an assembly, it may be confiscated and returned to parent after school.

Notification of School District

The school will notify the district of any expulsions and will include suspension and expulsion data in its annual performance report.

SCHOOL DRESS CODE POLICY

The Luis Valdez Leadership Academy has instituted a dress code for the 2017-18 school year. Our dress code policy was created to ensure that we maintain a positive and safe school climate, but also to give teenagers the freedom to express themselves through their dress.

Below is a list of guidelines that we expect student to follow on a daily basis.

Regular Dress

1. Students may wear any type of shirt to school as long as it is not majority red or blue (any shade). Students may not wear any professional sports teams or jerseys to school (Warriors, Raiders, 49ers, Sharks, SF Giants etc.) Any shirts or clothing that reference images or words that are related to drug, alcohol or tobacco use will never be permitted on campus, including Cookies. Shirts may not contain sexually explicit or inappropriate material.

2. Students are expected to wear appropriate pants, leggings, shorts or skirts-Blue jeans are acceptable. Acceptable pants include Dickies (but no red or blue Dickies are allowed). Belts may be any color, except red or blue. Shorts must be appropriate length for the school setting.

3. Students are expected to wear tennis shoes or sandals that have no red or blue, any other color is acceptable. Boots are acceptable, including UGG boots.

4. If students decide to wear a garment over their t-shirt or blouse, it must have no red or blue of any shade. Students are expected to wear non-red or blue jackets, sweaters or hoodies. College sweatshirts or hoodies may be worn on any day of the week to promote LVLA's college going culture, of any color. Logos and language on any sweaters or jackets must be appropriate for the school setting and make no references to drugs, alcohol, violence or gangs.

5. Hats are allowed at LVLA but no professional sports teams hats. Hats may not be red or blue of any shade, unless they are college hats. Visors and beanies are allowed but must not be red or blue.

Additionally, one of the goals of the Dress Code Policy is to show students how to dress for special events. To reach this goal, we have implemented Professional Dress Day. Every last Friday of the month, students are asked to dress in their professional dress attire. Below are the guidelines for Professional Dress Day dress code.

Professional Dress Day
(Last Friday of the Month)

Boys are expected to wear the following items:

- Solid buttoned down dress shirt (must be tucked in at all times).
- Tie of your choice
- Dress pants/slacks
- Black or brown dress belt
- Dress shoes

Girls are expected to wear the following items of your choice:

- Dress shirt (No Cleavage or see through material)
- Knee-length skirts. Longer skirts are also acceptable.
  (No see through material or spandex tight fighting material or slits)
- Flats or dress boots. For safety reasons, high heels are not acceptable
- Dress pants or slacks may be worn.
  (No see-through material or spandex tight fitting material)

THE COLORS BLUE OR RED (any shade) ARE NEVER ACCEPTABLE

(except for College Apparel and/or Professional Dress)

If you have any questions regarding the dress codes, please ask. If you are wondering if a specific item is acceptable, please check before wearing it to school. Our school phone number is **408-384-4015**.

LVLA Administration reserves the right to ban any items listed or not listed in the uniform policy and also applies to any grooming methods/ dress/ accessories deemed inappropriate FOR ANY REASON.

LVLA administration also reserves the right to meet with families of any students who are dressing in a manner that is perceived as gang related. Students could be asked to return home to change clothes if in violation of the dress code or if they refuse to accept the LVLA provided loaner.

LVLA's goal is to minimize loss of instructional and provide students a loaner-clothing item if in violation of the dress code. Loaner items must be returned to the front office at the end of each school day. LVLA is not responsible for any items that are taken away because they are in violation with the dress code policy. The students must go to the office at the end of the day to collect any item(s) they are collected for being a violation.

ATTENDANCE

Regular attendance, arriving on time, and remaining in school for the entire day promotes academic success. Inconsistent attendance not only means lost learning time, but causes student's to develop poor attitudes toward attending school and being responsible. Making up school assignments or homework cannot take the place of real class lessons and the exchange with teachers and classmates.

Parents/guardians must call the front office 408-384-4015 if their child is absent or within 48 hours of the absence.

For the safety of all our students the person picking up the student must be listed on the emergency card and have proper identification. All students (including those who are 18+) will only be released to an authorized person.

Absences: If a student is absent from class, he or she should do one of the following within TWO days of returning to school.

Bring a note (parent note and proof (i.e. Doctor's note) to the attendance office from the parent or legal guardian stating the date(s) of the absence and the reason (s) for the absence.

Have his or her parent or legal guardian call the attendance office at 408-384-4015 and give the name of the school. the name of the student, the date(s) of the absence and reason(s) for the absence. Once the student returns he/she must bring proper documentation (i.e. Doctor's note) to ensure the absence is excused.

Please note: Absences can ONLY be excused with official documentation

Truancy and Absences

Definition of a Tardy:
Students are tardy if they are not in their seats or stations when the bell rings (the starting time of each class)

All students who are tardy must first report to the Office, check in and get a tardy pass. Just like absences Tardiest are ONLY excused if proper/valid documentation is provided
(i.e. Doctor, Dentist, Hospital)

Please note: Unexcused absences AND Tardiest will affect the student's participation grade. The student participation grade is 50% of the class grade.

Attendance is Critical

School attendance is required by law. Every child ages 6 through 18 years of age must attend school every day and on time. The parents or guardians are responsible for their child's school attendance. Parents must let the school know if your child is not in school and give a specific reason for the absence.

Excused absences for Personal Reasons (EC 48205)
All absences must be verified in accordance with the Board Policy 5113, Ed Code 48205, and California Code Regulation Title 5 Section 6.

A student's absence shall be excused when it is due to the following reasons:

- Illness (for self or of a child whom the student is the custodial parent)
- Medical/Dental Appointment (for self or of a child whom the student is the custodial parent)
- Quarantine under the direction of a county or city health officer (for self or of a child whom the student is the custodial parent)
- Attending funeral services of an immediate family member. Services conducted in California, no more than 1 day will be excused. Services conducted outside of California, no more than 3 days will be excused.
- Jury duty
- Justifiable personal reasons (Please contact school office for list of reasons)

Please be aware that any absences due to VACATION/OUT OF TOWN are unexcused absences.

There will be a clearly marked designated area for student parking. Students are not allowed to go to their cars anytime during school hours without permission from administration. In order to obtain a permit, students are required to show a valid driver's license, proof of vehicle registration, and proof of insurance, provide a parent signed registration form **prior to bringing their vehicle to school**. Students may obtain/ renew their LVLA Parking Permit in the main office. Cars without permits are subject to be towed by the San Jose Police Department.

Eligibility Requirements

Academics: LVLA expects Student-Athletes to be students first and maintain exemplary character in the classroom by being in class on time every day, modeling mature behavior and focusing on academics. If any student-athlete falls below a 2.0 GPA he/she must meet with their Advisor and the School Principal for the possibility of being granted a one-time probation (only if GPA is between 1.50-1.99). If probation is granted, there will be weekly progress checks in order to maintain eligibility.

Plagiarism: The adoption or reproduction of ideas or words or statements of another person without due acknowledgment.

i.e. When you copy someone else's work or allow a fellow Lion to copy or take ideas from your work

LVLA Responses to Academic Dishonesty

- ✓ 2nd Incident: Teacher notifies school Principal and advisor of student, Principal documents in PowerSchool and calls student's parents, student receives a zero on assignment and is given alternate assignment to complete for maximum half credit

- ✓ 3rd Incident: Teacher notifies school Principal and student's advisor, school Principal sets up a parent-student-advisor conference to create an academic contract, student receives a zero on the assignment with no opportunity to complete an alternate assignment

- ✓ 4th Incident and Beyond: Repeat Step 3, conference focuses on student's future at LVLA

Student Success Team (SST) and Section 504 Accommodations

The Student Success Team (SST) is a problem solving and coordinating structure that assists students, families, and teachers to seek positive solutions for maximizing student potential. The SST focuses in-depth on one student at a time and invites, and invites the parents and student to participate in finding solutions. This process informs individual actions for students, including referral to the formal SST process, and class-wide actions to address issues such as the use of class resources, behavior management, classroom modifications, and health education.

504 Education Plans

Each school site will have an administrator or assigned designee to serve the purpose of Section 504 Coordinator as this individual will be responsible and fully aware of their Section 504 responsibilities as well as policies and procedures regarding Section 504. The school administrator and/or assigned designee receives a referral from a parent, student, teacher, or school official.

When should school staff consider referring a student for Section 504 evaluation?

- ✓ When a student shows a pattern of not benefitting from the instruction being provided;
- ✓ When retention is being considered for any student;
- ✓ When a student returns to school after a serious illness or injury;
- ✓ When the student has a chronic health condition;
- ✓ When a student is identified as "at risk" or exhibits the potential for dropping out of school;
- ✓ When a physical or mental impairment of any kind is suspected;
- ✓ When a parent gives the school any of the above information or refers the student for a Section 504 Evaluation

A person may be considered disabled under the definition of Section 504 if the individual has been evaluated and:

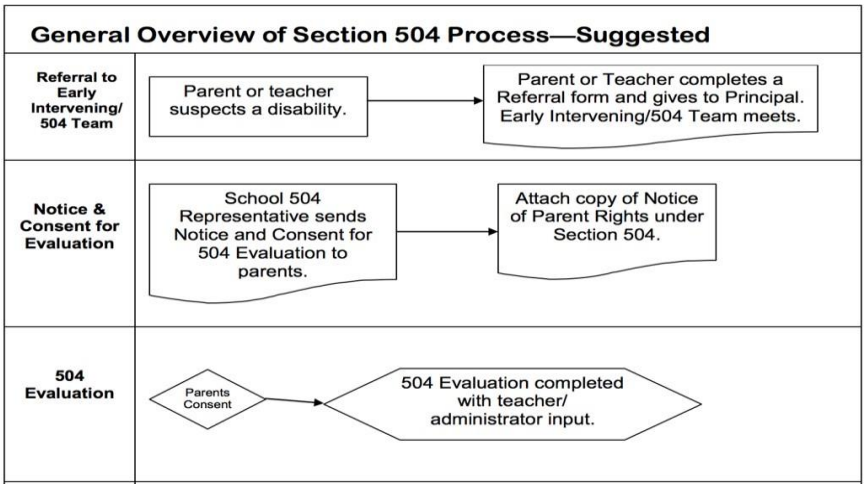

1. Has a mental or physical impairment that substantially limits one of more of the such person's major life activities.

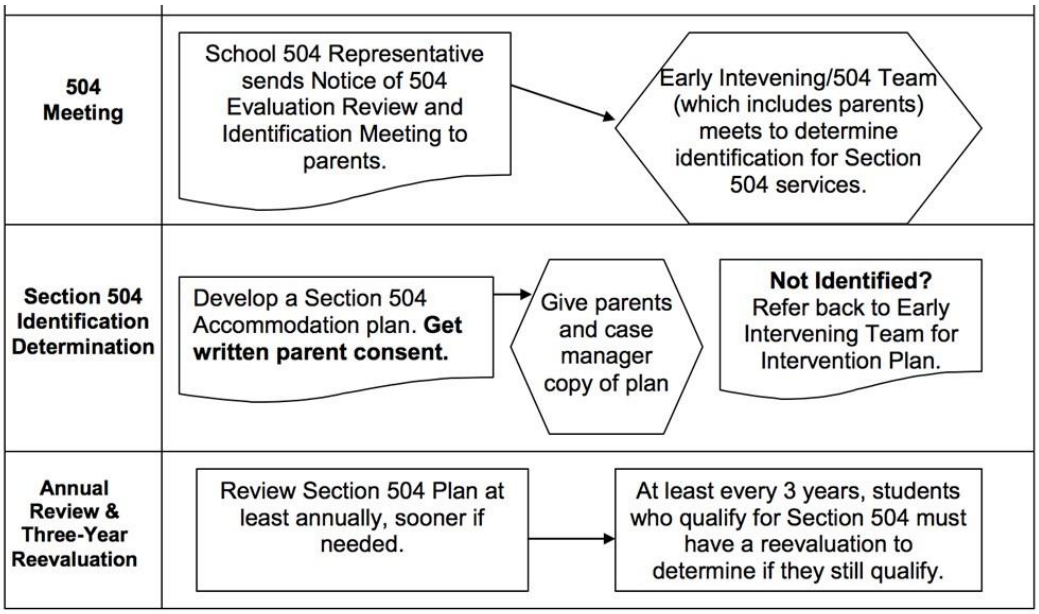

"Major Life Activities" include functions such as the following:

- caring for one's self
- walking
- seeing
- speaking
- learning
- breathing
- sleeping
- standing
- lifting
- reading
- concentrating
- thinking
- communicating
- working
- helping
- eating
- bending
- operation of a bodily function
- other

2. Has a record of such an impairment
3. Is regarding as having such an impairment

IMPORTANT: The second and third prongs of the definition become a factor if discrimination or negative action has occurred because of the "record" or "history" or is regarded as having an impairment.

NUTRITION POLICY

Our school is committed to educating our students about the importance of proper nutrition. We teach that (1) healthy bodies and healthy minds go together; (2) food is the fuel that body and mind need daily to function effectively; (3) a healthy body is to be respected and every pupil can aspire to having one. With this goal in mind, the school has adopted the following policies regarding food and nutrition.

- ✓ Cultural and nutritionally sound hot and cold meals are offered to all students for breakfast or lunchtime daily.
- ✓ Teachers actively encourage donation of books, software, educational games, etc. to the classroom as an alternative to "treats." Small gifts such as stickers, pencils, or erasers also may be passed out to the class. Sharing of sugar-based treats is not appropriate for birthday celebrations in class.
- ✓ Where appropriate, classroom-cooking experiences will relate to the school curriculum and will be kept as healthful as possible.
- ✓ Parties: A minimal number of parties will be scheduled throughout the school year. These parties may vary from year to year and from grade level to grade level. Sweets to be shared on a very selective basis at classroom parties must always be balanced by other sugar free, low-fat items.
- ✓ Food as Rewards: Food is not generally provided in class as a reward for proper behavior but can, on occasion, appropriately be used to reinforce desired behavior. The staff is sensitive to the frequency and nature of such rewards.

Health and Safety Policies

In order to provide safety for all students and staff, TFHE implements its full health and safety procedures and risk management policies at LVLA in consultation with its insurance carriers and risk management experts. The following is a summary of the health and safety policies for LVLA:

Youth Suicide Prevention Policy
LVLA's policy aims to safeguard students and staff against suicide attempts, deaths and other trauma associated with suicide, including ensuring adequate support and confidentiality for students, staff, and families affected by suicide attempts and loss (in accordance with AB 2246 and California Ed Code Section 215, as added by AB2246, Chapter 642, Statues of 2016.) Please immediately contact your principal, dean or counselor if you have any concerns or need support.

Mandated Child Abuse Reporters
All staff at LVLA will be mandated child abuse reporters and follow all applicable reporting laws. The Charter School shall provide mandated reporter training to all employees annually in accordance with Education Code Section 44691.

Tuberculosis Risk Assessment and Examination
Employees, and volunteers who have frequent or prolonged contact with students, will be assessed and examined (if necessary) for tuberculosis prior to commencing employment and working with students as required by Education Code Section 49406.

Drug Free/Alcohol Free/Tobacco Free Environment
LVLA shall function as a drug, alcohol and tobacco free workplace.

Immunizations and Health Screenings
LVLA is responsible for documenting immunizations to the same extent that this is required for non-charter public schools pursuant to Health and Safety Code Sections 120325-120375, and Title 17, California Code. Additionally, LVLA complies with applicable student immunization and health screening requirements.

Medication at School
LVLA will adhere to Education Code Section 49423 regarding administration of medication in school. Students requiring prescription medications and other medicines during school hours will be accommodated.

Vision, Hearing, Scoliosis
Students will be screened for vision, hearing and scoliosis as applicable to EC Section 49450, et seq., as applicable to the grade levels served by LVLA.

Blood Borne Pathogens
LVLA shall meet state and federal standards for dealing with blood-borne pathogens and other potentially infectious materials in the school. LVLA has established an infectious control plan designed to protect employees from possible infection due to contact with blood-borne viruses, including human immunodeficiency virus (HIV) and hepatitis B virus (HBV). Whenever exposed to blood or other body fluids through injury or accident, students, and staff should follow the latest medical protocol for disinfecting procedures.

Comprehensive Discrimination and Harassment Policies and Procedures

LVLA is committed to providing a school that is free from discrimination and sexual harassment, as well as any harassment based upon the actual or perceived characteristics of race, religion, creed, color, gender, gender identity, gender expression, nationality, national origin, ancestry, ethnic group identification, genetic information, age, medical condition, marital status, sexual orientation, pregnancy, physical or mental disability, childbirth or related medical conditions, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state, local law, ordinance or regulation. TFHE has developed a comprehensive policy to prevent and immediately address any concerns about discrimination or harassment at the school (including employee to employee, employee to student, and student to employee misconduct). Misconduct of this nature is very serious and will be addressed in accordance with the school's harassment policy, which shall be outlined in detail in the school's Employee Handbook.

Safety Plan
LVLA will adhere to a safety plan, which will be outlined in the Employee Handbook and drafted specifically to meet the needs of the school site. The safety plan will include a comprehensive set of health, safety and risk management policies that will address, at a minimum, policies and procedures for responses to disasters and emergencies, including fires and earthquakes, blood borne pathogens, and a policy establishing LVLA as a drug, alcohol and tobacco free workplace. Instructional and administrative staff shall also receive training in emergency response including "first responder training" or its equivalent.

Facility safety
LVLA will comply with education code section 47610 by either using facilities that are compliant with Field Act or facilities that are compliant with the California Building Standards Code.

In the event that LVLA, for any reason, operates wholly or partially in facilities other than those provided by the district, the school will not be hampered in meeting the goals and objectives set forth in this carter. LVLA shall partner with the district to ensure that it will comply with building and zoning ordinances. The school shall partner with the District to test sprinkler systems, fire extinguishers, and fire alarms at its facilities to ensure that they are maintained in an operable condition at all times.

Math II

Unit 1 - Number Systems

Stage 1 – Desired Results

Established Goal(s)/Content Standard(s):

- Common Core State Standards
  - Extend the properties of exponents to rational exponents.
    - N.RN.1 - Explain how the definition of the meaning of rational exponents follows from extending the properties of integer exponents to those values, allowing for a notation for radicals in terms of rational exponents. For example, we define $5^{1/3}$ to be the cube root of 5 because we want $(5^{⅓})^3 = 5^{(⅓)3}$ to hold, so $(5^{⅓})^3$ must equal 5.
    - N.RN.2 - Rewrite expressions involving radicals and rational exponents using the properties of exponents.
  - Use properties of rational and irrational numbers. *(Connect N.RN.3 to physical situations, e.g., finding the perimeter of a square of area 2.)*
    - N.RN.3 - Explain why sums and products of rational numbers are rational, that the sum of a rational number and an irrational number is irrational, and that the product of a nonzero rational number and an irrational number is irrational.
  - Perform arithmetic operations with complex numbers. *(Limit to multiplications that involve i^2 as the highest power of i.)*
    - N.CN.1 - Know there is a complex number i such that $i^2 = -1$, and every complex number has the form a + bi with a and b real.
    - N.CN.2 - Use the relation $i^2 = –1$ and the commutative, associative, and distributive properties to add, subtract, and multiply complex numbers.
  - Perform arithmetic operations on polynomials. *(Focus on polynomial expressions that simplify to forms that are linear or quadratic in a positive integer power of x.)*
    - A.APR.1 - Understand that polynomials form a system analogous to the integers, namely, they are closed under the operations of addition, subtraction, and multiplication; add, subtract, and multiply polynomials.

- Mathematical Practices
  - Reason abstractly and quantitatively
  - Look for and make use of structure
  - Look for and express regularity in repeated reasoning

Transfer Goals

Students will be able to independently use their learning to....

Classify different expressions and use their knowledge from previous contexts and apply it to new contexts.

Understanding(s)	**Essential Question(s):**
Students will understand that: ● Number systems have fixed categories of numbers ● Operations can be performed in different number systems	● Why do we need order in the world?

Student objectives (outcomes):
Students will be able to:

- Classify numbers in the real and complex number systems
- Perform operations in the real and complex number systems
- Transfer knowledge from the real number system to the complex number system
- Graph complex numbers
- Classify polynomials
- Perform operations on polynomials (add, subtract, multiply)

Stage 2 – Assessment Evidence

Performance Task(s):	**Other Evidence:**
● Recreating a Number System ○ Standing in the correct space ● Partner Match up with Complex Numbers ● Polynomials Merry-Go-Round ● Supplemental Work ○ Create any artifact to support learning	● Skills Tests ○ Classifying Numbers ○ Complex Numbers ○ Polynomials ● Khan Academy

Stage 3 – Learning Plan

Learning Summary:
Students will begin by taking a look at the real number system. They will then explore the

relationships they learned there in the complex number system, relating it back to what we learned in this class to previous classes to make new meaning about the complex number system. Students will then apply that learning as well as previous learning to make connections between the real number system, the complex number system, and polynomials.

Learning Events

- Lesson 1 - The Real Number System
  - Classifying Real Numbers
  - Combining Real Numbers
  - Review & Test Corrections
- Lesson 2 - The Complex Number System
  - Properties of Complex Numbers
  - Combining Complex Numbers
  - Review & Test Corrections
- Lesson 3 - Polynomials
  - Properties of Polynomials
  - Combining Polynomials
  - Review & Test Corrections

Progress Monitoring

- Khan Academy - instant feedback
- Checks of understanding built into the lessons in the Do Nows
- Test Corrections
- Understanding areas of misconception
  - Decimals (repeating vs non-terminating)
  - What i really means
  - Arithmetic errors, particularly with multiplying exponents

This course will focus on the trajectory (path) of democracy through the ages. Students will attempt to examine history from multiple different perspectives in order to come to an understanding of truth.

The purpose of the course will be to critically analyze different cultures, societies, leaders, and nations, to better understand how Democracy, as it is commonly known, came about. Students will also seek to question accepted facts, as well as traditional heroes. Students will take a closer look at America's role in the international community and how it has dramatically impacted world history. Outside of history, students will also learn how to become articulate and competent writers. Additionally, students will focus on building our vocabulary, specifically when it comes to developing academic language.

Prerequisites:

- B in Mexican-American History

OR

- Content-area Teacher Recommendation

The purpose of the course will be to critically analyze different cultures, societies, leaders, and nations, in order to better understand how the world people inhabit today actually came about. Students will also seek to question accepted facts, as well as traditional heroes. While Western Civilization is a focus of the course, students will break out of that traditional mold and study multiple different cultures and patterns of interaction.

The most important goals for the class will be the development of critical thinking skills, becoming competent writers, as well as growing academically literate by reading challenging texts.

Students will analyze and synthesize differing and complicated points of view. The student's ability to write in an intelligent and precise manner will be pushed to the limit, and then some. A good portion of class time each week will be devoted to preparing for the AP Exam, and the test's related essays. Students can expect to have an increased workload both inside and outside the classroom. At times, students will be required to perform extended reading assignments over the weekends in order to prepare for the next week. The level of questions students will attempt to answer and the reading materials for the AP course will be at a college level.

This class concentrates on the history of the United States from the end of the Civil War (1865) to the present. Students will refresh their knowledge of the nation's beginnings, growth and changes to 1900. Students will then be introduced to the movements and events that have shaped and changed America and its landscape during the 20th century. Through this students will better understand the political, economic, cultural and social aspects of the United States.

This course provides a general overview of the history of the United States. In chronological order, students will explore America's past, examining the cultural, political, geographical, economical and technological changes that have taken place and have helped to shape us and guide us as a nation today. Topics will include issues relating to the discovery of the New World through the Reconstruction period, focusing on constitutional issues, the Civil War, industrialization, and immigration

Additional emphasis placed on college preparatory activities and exercises as identified by the College Board AP U.S. HISTORY course description: "The AP program in United States History is designed to provide students with the analytical skills and enduring understandings necessary to deal critically with the problems and materials in United States history. The program prepares students for intermediate and advanced college courses by making demands upon them equivalent to those. made by full-year introductory college courses. Students should learn to assess historical materials their relevance to a given interpretive problem, their reliability, and their importance—and to weigh the evidence and interpretations presented in historical scholarship. An AP United States History course should thus develop the skills necessary to arrive at conclusions on the basis of an informed judgment and to present reasons and evidence clearly and persuasively in an essay format

This class will educate students on the formation, implementation and development of government and politics in the United States as outlined by the guidelines of the AP College Board program. The class will offer students the opportunity to understand the social, economic and political climate of the 13 colonies in order to understand why they declared independence from England, how the articles of confederation developed into the US constitution, who played a major role its underpinnings and which ideologies helped form the structure of it. This course will also engage students in relating how Americans form public opinions on certain political and ideological beliefs which in turn result in the formation or decimation of certain values or statutes. Included in this will be a thorough evaluation of the duties and responsibilities that fall within the spectrum of a person living within the United States such as voting, serving on a jury and paying taxes. The class will then engage students in an in-depth analysis of political parties, interest groups and mass media systems that have existed throughout different eras within this country's history. CSU Requirement	Yes	
Prerequisite(s):	See Below	
Course Type	AP	

This AP English Literature course is designed to teach beginning-college writing through the fundamentals of rhetorical theory. It follows the curricular requirements described in the AP English Course Description. We will talk essentially every day about some vital aspect of writing, including invention and the rhetorical appeals (ethos, pathos, logos), disposition or structure, and style (diction, syntax, figurative language, mechanics). [SC11, SC12 & SC13] But I want you to think of this class as a workshop, not a rhetoric manual — a place where you will test certain kinds of writing and attempt to recover your own recollections as part of larger cultural experiences that eventually become a people's "history" (i.e., a people's collective account of itself through its literature). The kinds of writings in this course are varied but include writing to understand, writing to explain, and writing to

evaluate. All critical writing asks that you evaluate the effectiveness of a literary piece, but to be an effective evaluator, one must understand and explain. The essence of scholarship is the combination of these three approaches to writing.

Appendix J: Special Education Rights of Parents and Children (English and Spanish)

Special Education Rights of Parents and Children
Under the Individuals with Disabilities Education Act, Part B, and the California *Education Code*

Notice of Procedural Safeguards

Revised October 2016

Note: The term school district is used throughout this document to describe any public education agency responsible for providing your child's special education program. The term assessment is used to mean evaluation or testing. Federal and state laws are cited throughout this notice using English abbreviations, which are explained in a glossary on the last page of this notification.

What is the Notice of Procedural Safeguards?

This information provides you as parents, legal guardians, and surrogate parents of children with disabilities from three (3) years of age through age twenty-one (21) and students who have reached age eighteen (18), the age of majority, with an overview of your educational rights or procedural safeguards.

The Notice of Procedural Safeguards is required under the Individuals with Disabilities Education Act (in English, referred to as IDEA) and must be provided to you:
When you ask for a copy
The first time your child is referred for a special education assessment
Each time you are given an assessment plan to evaluate your child
Upon receipt of the first state or due process complaint in a school year, and
When the decision is made to make a removal that constitutes a change of placement
(20 *USC* 1415[d]; 34 *CFR* 300.504; *EC* 56301[d] [2], *EC* 56321, and 56341.1[g] [1])

What is the Individuals with Disabilities Education Act (IDEA)?

IDEA is a federal law that requires school districts to provide a "free appropriate public education" (in English, referred to as FAPE) to eligible children with disabilities. A free appropriate public education means that special education and related services are to be provided as described in an individualized education program (in English, known as IEP) and under public supervision to your child at no cost to you.

May I participate in decisions about my child's education?

You must be given opportunities to participate in any decision-making meeting regarding your child's special education program. You have the right to participate in IEP team meetings about the identification (eligibility), assessment, or educational placement of your child and other matters relating to your child's FAPE. (20 *USC* 1414[d] [1]B–[d][1][D]; 34 *CFR* 300.321; *EC* 56341[b], 56343[c])

The parent or guardian, or the local educational agency (LEA), has the right to participate in the development of the IEP and to initiate their intent to electronically audiotape the proceedings of the IEP team meetings. At least 24 hours prior to the meeting, the parent or guardian shall notify the members of the IEP team of their intent to record a meeting. If the parent or guardian does

not consent to the LEA audiotape recording an IEP meeting, the meeting shall not be recorded on an audiotape recorder.

Your rights include information about the availability of FAPE, including all program options, and all available alternative programs, both public and nonpublic. (20 *USC* 1401[3], 1412[a][3]; 34 *CFR* 300.111; *EC* 56301, 56341.1[g][1], and 56506)

Where can I get more help?
When you have a concern about your child's education, it is important that you contact your child's teacher or administrator to talk about your child and any problems you see. Staff in your school district or special education local plan area (SELPA) may answer questions about your child's education, your rights, and procedural safeguards. Also, when you have a concern, this informal conversation often solves the problem and helps to maintain open communication.

You may also want to contact one of the California parent organizations (Family Empowerment Centers and Parent Training Institutes), which were developed to increase collaboration between parents and educators to improve the educational system. Contact information for these organizations is found on the CDE special education California Parent Organizations Web page at http://www.cde.ca.gov/sp/se/qa/caprntorg.asp.

Additional resources are listed at the end of this document to help you understand the procedural safeguards.

What if my child is deaf, hard of hearing, blind, visually impaired, or deaf-blind?

The State Special Schools provide services to students who are deaf, hard of hearing, blind, visually impaired, or deaf-blind at each of its three facilities: the California Schools for the Deaf in Fremont and Riverside and at the California School for the Blind in Fremont. Residential and day school programs are offered to students from infancy to age 21 at both State Schools for the Deaf. Such programs are offered to students aged five through 21 at the California School for the Blind. The State Special Schools also offer assessment services and technical assistance. For more information about the State Special Schools, please visit the California Department of Education (CDE) Web site at http://www.cde.ca.gov/sp/ss/ or ask for more information from the members of your child's IEP team.

Notice, Consent, Assessment, Surrogate Parent Appointment, and Access to Records

Prior Written Notice

When is a notice needed?
This notice must be given when the school district proposes or refuses to initiate a change in the identification, assessment, or educational placement of your child with special needs or the

provision of a free appropriate public education. (20 *USC* 1415[b][3] and (4), 1415[c][1], 1414[b][1]; 34 *CFR* 300.503; *EC* 56329 and 56506[a])

The school district must inform you about proposed evaluations of your child in a written notice or an assessment plan within fifteen (15) days of your written request for evaluation. The notice must be understandable and in your native language or other mode of communication, unless it is clearly not feasible to do so. (34 *CFR* 300.304; *EC* 56321)

What will the notice tell me?
The Prior Written Notice must include the following:

A description of the actions proposed or refused by the school district
An explanation of why the action was proposed or refused
A description of each assessment procedure, record, or report the agency used as a basis for the action proposed or refused
A statement that parents of a child with a disability have protection under the procedural safeguards
Sources for parents to contact to obtain assistance in understanding the provisions of this part
A description of other options that the IEP team considered and the reasons those options were rejected; and
A description of any other factors relevant to the action proposed or refused. (20 *USC* 1415[b][3] and [4], 1415[c][1], 1414[b][1]; 34 *CFR* 300.503)

Parental Consent

When is my approval required for assessment?
You have the right to refer your child for special education services. You must give informed, written consent before your child's first special education assessment can proceed. The parent has at least fifteen (15) days from the receipt of the proposed assessment plan to arrive at a decision. The assessment may begin immediately upon receipt of the consent and must be completed and an IEP developed within sixty (60) days of your consent.

When is my approval required for services?
You must give informed, written consent before your school district can provide your child with special education and related services.

What are the procedures when a parent does not provide consent?
If you do not provide consent for an initial assessment or fail to respond to a request to provide the consent, the school district may pursue the initial assessment by utilizing due process procedures.

If you refuse to consent to the initiation of services, the school district must not provide special education and related services and shall not seek to provide services through due process procedures.

If you consent in writing to the special education and related services for your child but do not consent to all of the components of the IEP, those components of the program to which you have consented must be implemented without delay.

If the school district determines that the proposed special education program component to which you do not consent is necessary to provide a free appropriate public education to your child, a due process hearing must be initiated. If a due process hearing is held, the hearing decision shall be final and binding.

In the case of reevaluations, the school district must document reasonable measures to obtain your consent. If you fail to respond, the school district may proceed with the reevaluation without your consent. (20 *USC* 1414[a][1][D] and 1414[c]; 34 *CFR* 300.300; *EC* 56506[e], 56321[c] and [d], and 56346).

When may I revoke consent?

If at any time subsequent to the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, the public agency:

May not continue to provide special education and related services to the child, but must provide prior written notice in accordance with 34 *CFR* Section 300.503 before ceasing such services
May not use the procedures in subpart E of Part 300 34 *CFR* (including the mediation procedures under 34 *CFR* Section 300.506 or the due process procedures under 34 *CFR* Sections 300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child
Will not be considered to be in violation of the requirement to make a free appropriate public education (FAPE) available to the child because of the failure to provide the child with further special education and related services
Is not required to convene an IEP team meeting or develop an IEP under 34 *CFR* Sections 300.320 and 300.324 for the child for further provision of special education and related services

Please note, in accordance with 34 *CFR* Section 300.9 (c)(3), that if the parents revoke consent in writing for their child's receipt of special education services after the child is initially provided special education and related services, the public agency is not required to amend the child's education records to remove any references to the child's receipt of special education and related services because of the revocation of consent.

Surrogate Parent Appointment

What if a parent cannot be identified or located?

School districts must ensure that an individual is assigned to act as a surrogate parent for the parents of a child with a disability when a parent cannot be identified and the school district cannot discover the whereabouts of a parent.

A surrogate parent may also be appointed if the child is an unaccompanied homeless youth, an adjudicated dependent or ward of the court under the state Welfare and Institution Code, and is referred to special education or already has an IEP. (20 *USC* 1415[b][2] ; 34 *CFR* 300.519; *EC* 56050; GC 7579.5 and 7579.6)

Nondiscriminatory Assessment

How is my child assessed for special education services?
You have the right to have your child assessed in all areas of suspected disability. Materials and procedures used for assessment and placement must not be racially, culturally, or sexually discriminatory.

Assessment materials must be provided and the test administered in your child's native language or mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer.

No single procedure can be the sole criterion for determining eligibility and developing FAPE for your child. (20 *USC* 1414[b][1]–[3], 1412[a][6][B]; 34 *CFR* 300.304; *EC* 56001[j] and 56320)

Independent Educational Assessments

May my child be tested independently at the district's expense?

If you disagree with the results of the assessment conducted by the school district, you have the right to ask for and obtain an independent educational assessment for your child from a person qualified to conduct the assessment at public expense.

The parent is entitled to only one independent educational evaluation at public expense each time the public agency conducts an evaluation with which the parent disagrees.

The school district must respond to your request for an independent educational assessment and provide you information about where to obtain an independent educational assessment.

If the school district believes that the district's assessment is appropriate and disagrees that an independent assessment is necessary, the school district must request a due process hearing to prove that its assessment was appropriate. If the district prevails, you still have the right to an independent assessment but not at public expense. The IEP team must consider independent assessments.

District assessment procedures allow in-class observation of students. If the school district observes your child in his or her classroom during an assessment, or if the school district would

have been allowed to observe your child, an individual conducting an independent educational assessment must also be allowed to observe your child in the classroom.

If the school district proposes a new school setting for your child and an independent educational assessment is being conducted, the independent assessor must be allowed to first observe the proposed new setting. (20 *USC* 1415[b][1] and [d][2][A]; 34 *CFR* 300.502; *EC* 56329[b] and [c])

Access to Educational Records

May I examine my child's educational records?

You have a right to inspect and review all of your child's education records without unnecessary delay, including prior to a meeting about your child's IEP or before a due process hearing. The school district must provide you access to records and copies, if requested, within five (5) **business** days after the request has been made orally or in writing. (*EC* 49060, 56043[n], 56501[b][3], and 56504)

How Disputes Are Resolved

Due Process Hearing

When is a due process hearing available?

You have the right to request an impartial due process hearing regarding the identification, assessment, and educational placement of your child or the provision of FAPE. The request for a due process hearing must be filed within two years from the date you knew or should have known about the alleged action that forms the basis of the due process complaint. (20 *USC* 1415[b][6]; 34 *CFR* 300.507; *EC* 56501 and 56505[l])

Mediation and Alternative Dispute Resolution

May I request mediation or an alternative way to resolve the dispute?

A request for mediation may be made either before or after a request for a due process hearing is made.

You may ask the school district to resolve disputes through mediation or alternative dispute resolution (ADR), which is less adversarial than a due process hearing. The ADR and mediation are voluntary methods of resolving a dispute and may not be used to delay your right to a due process hearing.

What is a pre-hearing mediation conference?

You may seek resolution through mediation prior to filing a request for a due process hearing. The conference is an informal proceeding conducted in a nonadversarial manner to resolve issues relating to the identification, assessment, or educational placement of a child or to a FAPE.

At the prehearing mediation conference, the parent or the school district may be accompanied and advised by nonattorney representatives and may consult with an attorney prior to or following the conference. However, requesting or participating in a prehearing mediation conference is not a prerequisite to requesting a due process hearing.

All requests for a prehearing mediation conference shall be filed with the Superintendent. The party initiating a prehearing mediation conference by filing a written request with the Superintendent shall provide the other party to the mediation with a copy of the request at the same time the request is filed.

The prehearing mediation conference shall be scheduled within fifteen (15) days of receipt by the Superintendent of the request for mediation and shall be completed within thirty (30) days after receipt of the request for mediation unless both parties agree to extend the time. If a resolution is reached, the parties shall execute a legally binding written agreement that sets forth the resolution. All discussions during the mediation process shall be confidential. All prehearing mediation conferences shall be scheduled in a timely manner and held at a time and place reasonably convenient to the parties. If the issues fail to be resolved to the satisfaction of all parties, the party who requested the mediation conference has the option of filing for a due process hearing. (*EC* 56500.3 and 56503)

Due Process Rights
What are my due process rights?

You have a right to:
Have a fair and impartial administrative hearing at the state level before a person who is knowledgeable of the laws governing special education and administrative hearings (20 *USC* 1415[f][1][A], 1415[f][3][A]-[D]; 34 *CFR* 300.511; *EC* 56501[b][4])
Be accompanied and advised by an attorney and/or individuals who have knowledge about children with disabilities (*EC* 56505 [e][1])
Present evidence, written arguments, and oral arguments (*EC* 56505[e][2])
Confront, cross-examine, and require witnesses to be present (*EC* 56505[e][3])
Receive a written or, at the option of the parent, an electronic verbatim record of the hearing, including findings of fact and decisions (*EC* 56505[e][4])
Have your child present at the hearing (*EC* 56501[c][1])
Have the hearing be open or closed to the public (*EC* 56501[c][2])
Receive a copy of all documents, including assessments completed by that date and recommendations, and a list of witnesses and their general area of testimony within five (5) business days before a hearing (*EC* 56505[e][7] and 56043[v])

Filing a Written Due Process Complaint

How do I request a due process hearing?

You need to file a written request for a due process hearing. You or your representative needs to submit the following information in your request:

Name of the child
Address of the residence of the child
Name of the school the child is attending
In the case of a homeless child, available contact information for the child and the name of the school the child is attending, and
A description of the nature of the problem, including facts relating to the problem(s) and a proposed resolution of the problem(s)

Federal and state laws require that either party filing for a due process hearing must provide a copy of the written request to the other party. (20 *USC* 1415[b][7], 1415[c][2]; 34 *CFR* 300.508; *EC* 56502[c][1])

Prior to filing for a due process hearing, the school district shall be provided the opportunity to resolve the matter by convening a resolution session, which is a meeting between the parents and the relevant members of the IEP team who have specific knowledge of the facts identified in the due process hearing request. (20 *USC* 1415[f][1][B]; 34 *CFR* 300.510)

What does a resolution session include?
Resolution sessions shall be convened within fifteen (15) days of receiving notice of the parents' due process hearing request. The sessions shall include a representative of the school district who has decision-making authority and not include an attorney of the school district unless the parent is accompanied by an attorney. The parent of the child may discuss the due process hearing issue and the facts that form the basis of the due process hearing request.

The resolution session is not required if the parent and the school district agree in writing to waive the meeting. If the school district has not resolved the due process hearing issue within thirty (30) days, the due process hearing may occur. If a resolution is reached, the parties shall execute a legally binding agreement. (20 *USC* 1415[f][1][B]; 34 *CFR* 300.510)

Does my child's placement change during the proceedings?

The child involved in any administrative or judicial proceeding must remain in the current educational placement unless you and the school district agree on another arrangement.
If you are applying for initial admission of your child to a public school, your child will be placed in a public school program with your consent until all proceedings are completed. (20 *USC* 1415[j]; 34 *CFR* 300.518; *EC* 56505[d])

May the decision be appealed?
The hearing decision is final and binding on both parties. Either party may appeal the hearing decision by filing a civil action in state or federal court within 90 days of the final decision. (20 *USC* 1415[i][2] and [3][A], 1415[l]; 34 *CFR* 300.516; *EC* 56505[h] and [k], *EC* 56043[w])

Who pays for my attorneys' fees?
In any action or proceeding regarding the due process hearing, the court, in its discretion, may award reasonable attorneys' fees as part of the costs to you as parent of a child with a disability if you are the prevailing party in the hearing. Reasonable attorneys' fees may also be made following the conclusion of the administrative hearing, with the agreement of the parties. (20 *USC* 1415[i][3][B]–[G]; 34 *CFR* 300.517; *EC* 56507[b])

Fees may be reduced if any of the following conditions prevail:

The court finds that you unreasonably delayed the final resolution of the controversy
The attorneys' hourly fees exceed the prevailing rate in the community
for similar services by attorneys of reasonably comparable skill, reputation, and experience
The time spent and legal services provided were excessive, or
Your attorney did not provide to the school district the appropriate information in the due process request notice.

Attorneys' fees will not be reduced, however, if the court finds that the State or the school district unreasonably delayed the final resolution of the action or proceeding or that there was a violation of this section of law. (20 *USC* 1415[i][3][B]-[G]; 34 *CFR* 300.517)

Attorneys' fees relating to any meeting of the IEP team may not be awarded unless an IEP team meeting is convened as a result of a due process hearing proceeding or judicial action.
Attorneys' fees may also be denied if you reject a reasonable settlement offer made by the district/public agency ten (10) days before the hearing begins and the hearing decision is not more favorable than the offer of settlement. (20 *USC* 1415[i][3][B]–[G]; 34 *CFR* 300.517)

School Discipline and Placement Procedures for Students with Disabilities
School Discipline and Alternative Interim Educational Settings

May my child be suspended or expelled?
School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement is appropriate for a child with a disability who violates a code of student conduct from his or her setting to:

An appropriate interim alternative education setting, another setting, or suspension for not more than ten (10) consecutive school days, and
Additional removals of not more than ten (10) consecutive school days in the same school year for separate incidents of misconduct

What occurs after a removal of more than ten (10) days?
After a child with a disability has been removed from his or her current placement for ten (10) school days in the same school year, during any subsequent days of removal the public agency must provide services to enable the child to continue to participate in the general education curriculum and progress toward meeting the goals set out in the child's IEP. Also, a child will receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, which are designed to address the behavior violation so that it does not recur.

If a child exceeds ten (10) days in such a placement, an IEP team meeting must be held to determine whether the child's misconduct is caused by the disability. This IEP team meeting must take place immediately, if possible, or within ten (10) days of the school district's decision to take this type of disciplinary action.

As a parent you will be invited to participate as a member of this IEP team. The school district may be required to develop an assessment plan to address the misconduct or, if your child has a behavior intervention plan, review and modify the plan as necessary.

What happens if the IEP team determines that the misconduct is not caused by the disability?
If the IEP team concludes that the misconduct was not a manifestation of the child's disability, the school district may take disciplinary action, such as expulsion, in the same manner as it would for a child without a disability. (20 *USC* 1415[k][1] and [7]; 34 *CFR* 300.530)

If you disagree with the IEP team's decision, you may request an expedited due process hearing, which must occur within twenty (20) school days of the date on which you requested the hearing. (20 *USC* 1415[k][2]; 34 *CFR* 300.531[c])

Regardless of the setting the school district must continue to provide FAPE for your child. Alternative educational settings must allow the child to continue to participate in the general

curriculum and ensure continuation of services and modifications detailed in the IEP. (34 *CFR* 300.530; *EC* 48915.5[b])

Children Attending Private School

May students who are parentally placed in private schools participate in publicly funded special education programs?
Children who are enrolled by their parents in private schools may participate in publicly funded special education programs. The school district must consult with private schools and with parents to determine the services that will be offered to private school students. Although school districts have a clear responsibility to offer FAPE to students with disabilities, those children, when placed by their parent in private schools, do not have the right to receive some
or all of the special education and related services necessary to provide FAPE. (20 *USC* 1415[a][10][A]; 34 *CFR* 300.137 and 300.138; *EC* 56173)

If a parent of an individual with exceptional needs who previously received special education and related services under the authority of the school district enrolls the child in a private elementary school or secondary school without the consent of or referral by the local educational agency, the school district is not required to provide special education if the district has made FAPE available. A court or a due process hearing officer may require the school district to reimburse the parent or guardian for the cost of special education and the private school only if the court or due process hearing officer finds that the school district had not made FAPE available to the child in a timely manner prior to that enrollment in the private elementary school or secondary school and that the private placement is appropriate. (20 *USC* 1412[a][10][C]; 34 *CFR* 300.148; *EC* 56175)

When may reimbursement be reduced or denied?

The court or hearing officer may reduce or deny reimbursement if you did not make your child available for an assessment upon notice from the school district before removing your child from public school. You may also be denied reimbursement if you did not inform the school district that you were rejecting the special education placement proposed by the school district, including stating your concerns and intent to enroll your child in a private school at public expense.

Your notice to the school district must be given either:

At the most recent IEP team meeting you attended before removing your child from the public school, or
In writing to the school district at least ten (10) business days (including holidays) before removing your child from the public school. (20 *USC* 1412[a][10][C]; 34 *CFR* 300.148; *EC* 56176)

When may reimbursement not be reduced or denied?

A court or hearing officer must not reduce or deny reimbursement to you if you failed to provide written notice to the school district for any of the following reasons:

The school prevented you from providing notice
You had not received a copy of this Notice of Procedural Safeguards or otherwise been informed of the requirement to notify the district
Providing notice would likely have resulted in physical harm to your child
Illiteracy and inability to write in English prevented you from providing notice, or
Providing notice would likely have resulted in serious emotional harm to your child (20 *USC* 1412[a] [10] [C]; 34 *CFR* 300.148; *EC* 56177)

State Complaint Procedures

When may I file a state compliance complaint?
You may file a state compliance complaint when you believe that a school district has violated federal or state special education laws or regulations. Your written complaint must specify at least one alleged violation of federal and state special education laws. The violation must have occurred not more than one year prior to the date the complaint is received by the California Department of Education (CDE). When filing a complaint, you must forward a copy of the complaint to the school district at the same time you file a state compliance complaint with the CDE. (34 *CFR* 300.151–153; 5 CCR 4600)

Complaints alleging violations of federal and state special education laws or regulations may be mailed to:

California Department of Education Special Education Division

Derechos a la Educación Especial de Padres e Hijos
En virtud de la Ley de la Educación de Individuos con Discapacidades, Parte B

Aviso de Garantías Procesales

Revisado: Octubre de 2016

Nota: El término *distrito escolar* se utiliza a lo largo de este documento para describir cualquier agencia de educación pública responsable de impartir a su hijo(a) el programa de educación especial. El término *evaluación* se utiliza para referirse a una prueba o examen. En este aviso, las leyes federales y estatales se citan con sus abreviaturas en inglés, las cuales se explican en un glosario en la última página del presente.

¿Qué es el Aviso de Garantías Procesales?

Esta información proporciona una descripción general de los derechos educativos o las garantías procesales de los padres, tutores legales y padres sustitutos de niños con discapacidades desde los 3 (tres) hasta los 21 (veintiún) años de edad y de estudiantes que han cumplido 18 (dieciocho) años (la mayoría de edad).

El Aviso de Garantías Procesales se requiere en virtud de la Ley de la Educación de Individuos con Discapacidades (conocida en inglés como IDEA) y se les debe entregar: una vez al año. Además, se les debe proporcionar una copia:

Cuando así la soliciten;
La primera vez que su hijo(a) sea referido(a) para una evaluación de educación especial;
Cada vez que se le entregue un plan de evaluación para evaluar a su hijo(a);
Cuando reciba el primer reclamo de proceso legal o queja estatal en un año escolar; y
Cuando se decida hacer un retiro que constituya un cambio de ubicación.

(20 USC 1415[d]; 34 CFR 300.504; EC 56301[d] [2], EC 56321, y 56341.1[g] [1])

¿Qué es la Ley de la Educación de Individuos con Discapacidades (IDEA)?

IDEA es una ley federal que le requiere a los distritos escolares brindar una “educación pública apropiada y gratuita” (conocida en inglés como FAPE) a los niños con discapacidades que sean elegibles. Una educación pública apropiada y gratuita significa que la educación especial y los servicios relacionados se deben proporcionar a su hijo(a) conforme a lo descrito en un programa de educación individualizado (conocido en inglés como IEP), bajo la supervisión pública y sin costo alguno para usted.

¿Yo puedo participar en las decisiones sobre la educación de mi hijo(a)?

Se le debe brindar la oportunidad de participar en cualquier reunión para tomar decisiones sobre el programa de educación especial de su hijo(a). Usted tiene el derecho de participar en las reuniones del equipo del IEP sobre la identificación (elegibilidad), evaluación o ubicacion

educacional y otras cuestiones relacionadas con FAPE de su hijo(a). (20 USC 1414[d] [1]B–[d][1][D]; 34 CFR 300.321; EC 56341[b], 56343[c])

Los padres, tutores legales o el distrito escolar tienen el derecho de participar en el desarrollo del IEP e iniciar el intento de grabar electrónicamente el proceder de las reuniones del equipo IEP. De menos de 24 horas antes de la reunión, el padre o tutor legal notificara a los miembros del equipo IEP de su intención de grabar la junta. Si los padres o tutores legales no dan su consentimiento al distrito para grabar la reunión del equipo IEP, la reunión no se grabara por grabador.

Entre sus derechos se incluye el de obtener información sobre la disponibilidad de FAPE, incluyendo todas las opciones de programas y todos los programas alternativos disponibles, tanto públicos como privados. (20 USC 1401[3], 1412[a][3]; 34 CFR 300.111; EC 56301, 56341.1[g][1] y 56506)

¿Dónde puedo obtener más ayuda?
Cuando tenga alguna duda acerca de la educación de su hijo(a), es importante que se comunique con el maestro o el director de su niño(a) para hablar sobre él(ella) y cualquier problema que usted vea. El personal en su distrito escolar o área del plan local de educación especial (conocida en inglés como SELPA) puede responder a preguntas sobre la educación de su hijo(a), sus derechos y sus garantías procesales. Asimismo, si tiene alguna duda, esta conversación informal a menudo resuelve el problema y ayuda a mantener una comunicación abierta.

Usted también puede considerar ponerse en contacto con una de las organizaciones de padres de California (Family Empowerment Centers y Parent Training Institutes), las cuales se crearon para aumentar la colaboración entre los padres y los educadores para mejorar el sistema educativo. La información de contacto de estas organizaciones se encuentra en la página web de las organizaciones de padres de California para la educación especial que mantiene el CDE en http://www.cde.ca.gov/sp/se/qa/caprntorg.asp.

Para ayudarle a entender las garantías procesales, al final de este documento se enumeran algunos recursos adicionales.

¿Qué si mi hijo/a tiene sordera, discapacidad auditiva, ceguera, discapacidad visual o sordera-ceguera?

Las Escuelas Especiales del Estado (State Special Schools) proporcionan servicios a niños que tienen sordera, discapacidad auditiva, ceguera, discapacidad visual o sordera-ceguera en cada una de las tres facilidades: las Escuelas para los Sordos (School for the Deaf) en Fremont, Riverside y la Escuela para los Ciegos (School for the Blind) en Fremont. Programas residenciales y diarios se proporcionan a niños de las edades infantiles hasta 21 años en las dos escuelas para sordos. Tales programas se ofrecen a estudiantes de cinco hasta 21 años en la escuela para ciegos. Las Escuelas Especiales del Estado ofrecen servicios de asesoramiento y asistencia técnica. Para más información sobre las Escuelas Especiales del Estado, favor de visitar el sitio Web del Departamento de Educación de California, http://www.cde.ca.gov/sp/ss o pregunte para más información a los miembros del equipo IEP de su hijo/a.

Aviso, Consentimiento, Evaluación, Nombramiento de Padre Sustituto y Acceso a los Expedientes

Aviso Escrito Anticipado

¿Cuándo se necesita un aviso?
Este aviso se debe entregar cuando el distrito escolar propone o rechaza iniciar un cambio en la identificación, evaluación o ubicación académica de su hijo/a con necesidades especiales o en el proporcionar de una educación pública apropiada y gratuita. (20 USC 1415[b][3] y (4), 1415[c][1], 1414[b][1]; 34 CFR 300.503; EC 56329 y 56506[a])

El distrito escolar le debe informar sobre las evaluaciones propuestas para su hijo(a) en un aviso escrito o plan de evaluación dentro de los 15 (quince) días siguientes a su solicitud escrita para una evaluación. Este aviso debe ser comprensible y estar escrito en su idioma nativo u otro modo de comunicación, a menos que sea claramente imposible hacerlo. (34 CFR 300.304; EC 56321)

¿Qué me dirá el aviso?
El Aviso Escrito Previo debe incluir lo siguiente:

Una descripción de las medidas propuestas o rechazadas por el distrito escolar;
Una explicación del motivo por el que se propuso o rechazó la medida;
Una descripción de cada procedimiento de evaluación, registro o informe que la agencia utilice como fundamento para la medida propuesta o rechazada;
Un declaración de que los padres de un niño(a) con discapacidad están protegidos por las garantías procesales;
Fuentes a donde los padres puedan llamar para obtener ayuda y entender las disposiciones de esta parte;
Una descripción de otras opciones que consideró el equipo del IEP y los motivos por los cuales se rechazaron; y
Una descripción de cualquier otro factor pertinente para la medida propuesta o rechazada. (20 USC 1415[b][3] y [4], 1415[c][1], 1414[b][1]; 34 CFR 300.503)

Consentimiento de los Padres

¿Cuándo se requiere mi aprobación para una evaluación?
Usted tiene el derecho de referir a su hijo/a a los servicios de educación especial. Usted debe dar su consentimiento informado por escrito antes de proceder con la primera evaluación de educación especial de su hijo/a. Los padres tienen al menos 15 (quince) días desde recibir el plan de evaluación propuesto para tomar una decisión. La evaluación puede empezar inmediatamente después de recibir el consentimiento y se debe completar, junto con el IEP desarrollado, dentro de los 60 (sesenta) días siguientes del consentimiento.

¿Cuándo se requiere mi aprobación para los servicios?
Usted debe dar su consentimiento informado por escrito antes de que su distrito escolar pueda impartir a su hijo(a) la educación especial y los servicios relacionados.

¿Cuáles son los procedimientos para seguir cuando un padre no presta su consentimiento?
Si usted no da su consentimiento para una evaluación inicial u omite responder a una solicitud para dar su consentimiento, el distrito escolar puede conducir la evaluación inicial mediante los procedimientos del proceso legal.

Si usted se rehúsa a dar su consentimiento para iniciar los servicios, el distrito escolar no impartirá la educación especial ni los servicios relacionados; tampoco buscará proveer los servicios mediante el proceso legal.

Si da su consentimiento por escrito para que su hijo(a) reciba educacion especial y servicios relacionados, pero no da su consentimiento para todos los componentes del IEP, aquellos componentes del programa que si aceptó deben implementarse sin demora.

Si el distrito escolar determina que el componente del programa de educación especial propuesto que usted no aprobó es necesario para impartir a su hijo(a) una educación pública apropiada y gratuita, deben iniciar una audiencia de proceso legal. Si se mantiene una audiencia del proceso legal, la resolución de la misma será definitiva y obligatoria.

En el caso de reevaluaciones, el distrito escolar debe documentar las medidas razonables para obtener su consentimiento. Si usted no responde, el distrito escolar podrá proceder con la reevaluación sin su consentimiento. (20 USC 1414[a][1][D] y 1414[c]; 34 CFR 300.300; EC 56506[e], 56321[c] y [d], y 56346)

¿Cuando puedo revocar mi consentimiento?

Si a cualquier tiempo posterior a la iniciación de servicios en educación especial, el padre del estudiante revoca su consentimiento por escrito para la continuación de educación especial y servicios relacionados, la agencia publica:

No puede continuar a proporcionar educación especial y servicios relacionados al niño, pero debe proveer noticia previa por escrito según la regulación federal, 34 CFR Sección 300.503, antes de cesar tales servicios.
No puede utilizar los procedimientos en la subparte E de Parte 300 en 34 CFR [incluyendo los procedimientos de mediación (34 CFR Sección 300.506) o el proceso debido (34 CFR Sección 300.507 hasta 300.516)] a fin de obtener un acuerdo o mandato que los servicios se le proporcionen al niño/a.
No se considerara en violación del requerimiento de ofrecer una educación gratis y apropiada (FAPE) al niño/a por el fallo de proporcionarle más educación especial y servicios relacionados.
No será requerido a reunir el equipo de IEP o desarrollar un IEP, en conformidad con 34 CFR Secciones 300.320 y 300.324, para el niño/a por la provisión de educación especial y servicios relacionados.

Favor de notar que en acuerdo con 34 CFR Sección 300.9(c)(3), si los padres revocan su consentimiento por escrito para la participación de su niño/a en educación especial y servicios relacionados después la iniciación de servicios, la agencia pública no es requerida a enmendar los archivos educacionales del estudiante para remover referencias del recibo de educación especial a causa de la revocación del consentimiento.

Nombramiento de un Padre Sustituto

¿Qué ocurre si un padre no puede ser identificado ni localizado?

Los distritos escolares deben asegurar que se asigne una persona para actuar como padre sustituto de un niño con discapacidad cuando no es posible identificar a alguno de sus padres o el distrito escolar no puede localizar a alguno de sus padres.

Del mismo modo, se debe asignar un padre sustituto si el niño es un joven sin hogar ni compañía, dependiente adjudicado o en tutela del tribunal en virtud del *Código de Bienestar e Instituciones,* en ingles (WIC), del estado y es referido a educación especial o ya ha tenido un IEP. (20 USC 1415[b][2]; 34 CFR 300.519; EC 56050; GC 7579.5 y 7579.6)

Evaluación No Discriminatoria

¿Cómo se evalúa a mi hijo(a) para los servicios de educación especial?

Usted tiene el derecho de que se evalúe a su hijo(a) en todas las áreas de discapacidad sospechadas. Los materiales y procedimientos utilizados para la evaluación y ubicacion no deben ser discriminatorios en el aspecto ni sexual, racial, o cultural.

Se deben proporcionar los materiales de evaluación y el examen se debe aplicar en el idioma o modo de comunicación nativo de su hijo(a) y de una forma tal que tenga mejores posibilidades de generar información precisa sobre lo que su hijo(a) sabe y puede realizar académica, desenvolvimiento y funcionalmente, a menos que sea evidente que no se puede proporcionar o aplicar.

Un solo procedimiento no puede ser el único criterio para determinar la elegibilidad y el desarrollo de FAPE para su hijo(a). (20 USC 1414[b][1]–[3], 1412[a][6][B]; 34 CFR 300.304; EC 56001[j] y 56320)

Evaluaciones Académicas Independientes

¿Se puede evaluar a mi hijo(a) de manera independiente y que el distrito cubra el gasto?

Si está en desacuerdo con los resultados de la evaluación realizada por el distrito escolar, usted tiene el derecho de solicitar y obtener una evaluación educativa independiente para su hijo(a) de una persona calificada para efectuar la evaluación y el costo se cubrirá con dinero público.

Los padres tienen derecho a una sola evaluación educativa independiente con dinero público cada vez que la agencia pública realice una evaluación con la cual no estén de acuerdo.

El distrito escolar debe responder a su solicitud para una evaluación educativa independiente y brindarle información acerca de dónde la puede obtener.

Si el distrito escolar considera que la evaluación realizada por el distrito es correcta y que no es necesaria una evaluación independiente, eldistrito escolar debe solicitar una audiencia del proceso legal para demostrar que su evaluación fue apropiada. Si el distrito prevalece,

usted aún tiene el derecho a una evaluación independiente, pero no cubierta con dinero público. El equipo del IEP debe considerar las evaluaciones independientes.

Los procedimientos de evaluación del distrito permiten la observación en clase de los estudiantes. Si el distrito escolar observa a su hijo(a) en su salón de clases durante una evaluación o si hubiese permitido observar a su hijo(a), la persona que realice una evaluación educativa independiente también tendrá permiso de observarlo(a) en el salón de clases.

Si el distrito escolar propone una nueva ubicación escolar para su hijo(a) y se está realizando una evaluación educativa independiente, el asesor independiente tendrá permiso de observar primero la nueva ubicación propuesta. (20 USC 1415[b][1] y [d][2][A]; 34 CFR 300.502; EC 56329[b] y [c])

Acceso a los Expedientes Académicos
¿Puedo examinar los expedientes académicos de mi hijo/a?

Usted tiene el derecho de examinar y revisar todos los expedientes académicos de su hijo(a) sin demora innecesaria, incluso antes de una reunión sobre el IEP de su hijo(a) o antes de una audiencia del proceso legal. El distrito escolar le debe brindar acceso a los expedientes y copias, si las solicita, dentro de los 5 (cinco) días de negocio siguientes a que se presente la solicitud verbal o por escrito. (EC 49060, 56043[n], 56501[b][3] y 56504)

Cómo se Resuelven los Desacuerdos
Audiencia de Proceso Legal

¿Cuándo está disponible una audiencia del proceso legal?

Usted tiene el derecho de solicitar una audiencia de debido proceso imparcial acerca de la identificación, evaluación y la ubicación académica de su hijo(a) o sobre la entrega de FAPE. La solicitud de una audiencia de proceso legal debe ser presentada dentro de los dos años siguientes a la fecha en que usted supo o debió saber sobre la alegada acción que forma la base del reclamo de proceso legal. (20 USC 1415[b][6]; 34 CFR 300.507; EC 56501 y 56505[l])

Mediación y Método Alternativo Para Resolver Conflictos
¿Puedo solicitar una mediación u otro método alternativo para resolver el conflicto?
Usted puede presentar una solicitud para mediación antes o después de solicitar una audiencia del proceso legal.

Usted puede solicitar al distrito escolar que solucione las controversias a través de una mediación o un método alternativo para resolver conflictos (ADR, por sus siglas en inglés), el cual es menos hostil que audiencia del proceso legal. El ADR y la mediación son métodos voluntarios para solucionar una controversia y no se deben utilizar para dilatar su derecho a una audiencia del proceso legal.

¿Qué es una junta de mediación previa a la audiencia?
Usted puede buscar una solución a través de la mediación antes de presentar una solicitud para una audiencia del proceso legal. La junta es un procedimiento informal que se lleva a cabo sin confrontación para resolver cuestiones relacionados a la identificación, evaluación o ubicación académica de un(a) niño(a) o FAPE.

En la junta de mediación previa a la audiencia, el padre o el distrito escolar pueden ser acompañados y aconsejados por representantes que no sean abogados y pueden consultar con un abogado antes o después de la junta. Sin embargo, solicitar o participar en una junta de mediación previa a la audiencia no es un prerrequisito para solicitar una audiencia del proceso legal.

Todas las solicitudes para una junta de mediación previa a la audiencia se deben presentar con el Superintendente. El partido que inicie una junta de mediación previa a la audiencia, debe proporcionar a la otra parte una copia de la solicitud al momento de presentarla.

La junta de mediación previa a la audiencia se debe programar dentro de los 15 (quince) días siguientes a que el Superintendente reciba la solicitud de mediación, y se debe completar dentro de los 30 (treinta) días siguientes de ser recivida, a menos que ambas partes acuerden ampliar el plazo. Si se obtiene una resolución, las partes deberán elaborar un acuerdo por escrito legalmente obligatorio donde se establezca esa resolución. Todas las discusiones durante el proceso de mediación deben ser confidenciales. Todas las juntas de mediación previas a la audiencia se deben programar de forma oportuna y llevar a cabo a una hora y en un lugar razonablemente cómodo para las partes. Si no es posible resolver las cuestiones de manera satisfactoria para todas las partes, la que solicitó la junta de mediación tiene la opción de solicitar una audiencia del proceso legal. (EC 56500.3 y 56503)

Derechos del Proceso Legal

¿Cuáles son mis derechos del proceso legal?

Usted tiene derecho a:

Tener una audiencia administrativa justa e imparcial a nivel estatal ante una persona experta en las leyes que rigen la educación especial y las audiencias administrativas (20 USC 1415[f][1][A], 1415[f][3][A]-[D]; 34 CFR 300.511; EC 56501[b][4]);
Ser acompañado y aconsejado por un abogado o por individuos que tienen conocimiento de niños con discapacidades (EC 56505 [e][1]);
Presentar pruebas y alegatos escritos y orales (EC 56505[e][2]);
Confrontar, contrainterrogar y solicitar la presencia de testigos (EC 56505[e][3]);
Recibir por escrito o, a elección del padre, un registro electrónico textual de la audiencia, incluyendo un resumen de conclusiones y decisones (EC 56505[e][4]);
Tener a su hijo(a) presente en la audiencia (EC 56501[c][1]);

Antes de solicitar una audiencia del proceso legal, el distrito escolar debe tener la oportunidad de resolver la cuestión por medio de una sesión de resolución que consiste en una reunión entre los padres y los miembros relevantes del equipo del IEP con conocimientos específicos sobre los hechos identificados en la solicitud de audiencia del proceso legal.
(20 USC 1415[f][1][B]; 34 CFR 300.510)

¿Qué incluye una sesión de resolución?
Las sesiones de resolución se deben acordar dentro de los 15 (quince) días siguientes a recibir el aviso de la solicitud de audiencia del proceso legal de los padres. Las sesiones deben incluir a un representante del distrito escolar con autoridad para tomar decisiones, y no a un abogado del distrito escolar a menos que el padre esté acompañado de un abogado. El padre del niño(a) puede discutir la cuestión de la audiencia del proceso legal y los hechos que fundamentan la solicitud de ella.

La sesión de resolución no es necesaria si el padre y el distrito escolar acuerdan por escrito omitir la reunión. Si el distrito escolar no ha resuelto la cuestión de la audiencia del proceso legal dentro de 30 (treinta) días, se puede proceder a realizar esa audiencia. Si se logra una resolución, las partes deben llevar a cabo un acuerdo legalmente obligatorio. (20 USC 1415[f][1][B]; 34 CFR 300.510)

¿La situación de mi hijo(a) cambiará durante los procedimientos?

El/La niño(a) involucrado(a) en cualquier procedimiento administrativo o judicial deberá continuar con su ubicación académica existente a menos que usted y el distrito escolar acuerden otras condiciones. Si usted está solicitando la admisión inicial de su hijo(a) en una escuela pública, el/ella será colocado(a) en un programa de escuela pública con su consentimiento hasta que se completen todos los procedimientos. (20 USC 1415[j]; 34 CFR 300.518; EC 56505[d])

¿Se puede apelar la decisión?
La decisión de la audiencia es definitiva y obligatoria para ambas partes. Cualquier parte puede apelar la decisión de la audiencia presentando una acción civil en un tribunal estatal o federal dentro de los 90 (noventa) días siguientes a la decision final. (20 USC 1415[i][2] y [3][A], 1415[l]; 34 CFR 300.516; EC 56505[h] y [k], EC 56043[w])

¿Quién paga los honorarios de mi abogado?
En cualquier acción o procedimiento relacionado con la audiencia del proceso legal, el tribunal, a su discreción, puede asignar el pago razonable de los honorarios del abogado como parte de los costos para usted como padre de un niño(a) con discapacidad si usted es la parte prevaleciente en la audiencia. También se puede asignar el pago razonable de los honorarios del abogado después de la conclusión de la audiencia administrativa, con el acuerdo de las partes. (20 USC 1415[i][3][B]–[G]; 34 CFR 300.517; EC 56507[b])

Los honorarios se pueden reducir si prevalece cualquiera de las siguientes condiciones:

Los honorarios por hora del abogado exceden la tarifa prevaleciente en la comunidad por servicios similares de abogados con habilidades, reputación y experiencia razonablemente comparables;
El tiempo invertido y los servicios legales provistos fueron excesivos; o
Su abogado no proporcionó al distrito escolar la información apropiada en la notificación de solicitud del proceso legal.

Sin embargo, los honorarios del abogado no se reducirán si el tribunal encuentra que el Estado o el distrito escolar retrasó irracionalmente la solución final de la acción o procedimiento, o que hubo una violación a esta sección de la ley. (20 USC 1415[i][3][B]-[G]; 34 CFR 300.517)

No se asignará el pago de honorarios del abogado relativas a cualquier reunión con el equipo del IEP a menos que se acuerde una reunión con éste como resultado de una audiencia del proceso legal o una acción judicial. También se puede negar el pago de honorarios del abogado si usted rechaza una oferta de convenio razonable realizada por el distrito o la agencia pública durante los 10 (diez) días anteriores a que comience la audiencia y la decisión de la audiencia no es más favorable que la oferta de convenio. (20 USC 1415[i][3][B]–[G]; 34 CFR 300.517)

Disciplina Escolar y Procedimientos de Ubicación para Estudiantes con Discapacidades

Disciplina Escolar y Lugar Provisional Alternativo
¿Podría mi hijo(a) ser suspendido o expulsado?
El personal de la escuela puede considerar cualquier circunstancia única según el caso para determinar si es apropiado realizar algún cambio en la ubicación de un/una niño/a con una discapacidad que viola un código de conducta estudiantil de su establecimiento hacia:

Un lugar provisional alternativo apropiado, otro establecimiento o la suspensión durante no más de 10 (diez) días escolares consecutivos; y
Mudanzas adicionales de no más de 10 (diez) días escolares consecutivos en el mismo año escolar debido a distintos incidentes de mala conducta.

¿Qué ocurre después de una mudanza de más de 10 (diez) días?
Después de que un(a) niño(a) con una discapacidad se mueve de su ubicación actual por 10 (diez) días escolares en el mismo año escolar, durante cualquier día de mudanza sucesiva, la agencia pública deberá prestar los servicios que permitan al/a la niño/a continuar participando en el curriculum general y avanzar para cumplir las metas establecidas en el IEP del/de la niño(a). Además, un niño debe someterse (según sea apropiado) a una evaluación funcional de conducta, así como recibir los servicios y las modificaciones de intervención de comportamiento diseñados para resolver el mal comportamiento y evitar que sea recurrente.

Si el/la niño/a excede de 10 (diez) días en esa ubicación, se debe efectuar una reunión con el equipo del IEP para determinar si el mal comportamiento del/de la niño(a) es causada por la discapacidad. Esta reunión con el equipo del IEP se debe realizar de inmediato si es posible, o dentro de los 10 (diez) días siguientes a la decisión del distrito escolar para tomar este tipo de acción disciplinaria.

Como padre, usted será invitado a participar como miembro de este equipo del IEP. Podría ser necesario para el distrito escolar desarrollar un plan de evaluación para remediar el mal comportamiento o, si su hijo/a tiene un plan de intervención para su conducta, revisar y modificar el plan conforme sea necesario.

¿Qué sucede si el equipo del IEP determina que el mal comportamiento no es causado por la discapacidad?
Si el equipo del IEP concluye que el mal comportamiento no fue una manifestación de la discapacidad de su hijo(a), el distrito escolar podrá tomar una acción disciplinaria, como lo es la expulsión, de la misma forma en que lo haría para un niño sin discapacidad. (20 USC 1415[k][1] y [7]; 34 CFR 300.530)

Si usted está en desacuerdo con la decisión del equipo del IEP, podrá solicitar una audiencia del proceso legal expedito, que se deberá llevar a cabo dentro de los 20 (veinte) días escolares siguientes a la fecha de su solicitud. (20 USC 1415[k][2]; 34 CFR 300.531[c])

Independientemente del establecimiento, el distrito escolar deberá continuar impartiendo FAPE a su hijo/a. Los lugares provisionales alternativos deben permitir que el/la niño/a siga participando en el curriculum general y asegurar la continuación de los servicios y las modificaciones detallados en el IEP. (34 CFR 300.530; EC 48915.5[b])

Niños que Asisten a Escuelas Privadas
¿Los estudiantes inscritos por sus padres en escuelas privadas pueden participar en los programas de educación especial financiados públicamente?
Los niños inscritos por sus padres en escuelas privadas pueden participar en los programas de educación especial financiados públicamente. El distrito escolar debe consultar con las escuelas privadas y los padres para determinar los servicios que se ofrecerán a los estudiantes de escuelas privadas. Aunque los distritos escolares tienen una clara responsabilidad de ofrecer FAPE a los estudiantes con discapacidades, los niños inscritos por sus padres en escuelas privadas no tienen el derecho de recibir algunos o todos los aspectos de la educación especial y los servicios relacionados necesarios para impartir FAPE. (20 USC 1415[a][10][A]; 34 CFR 300.137 y 300.138; EC 56173)

Si el padre de una persona con necesidades excepcionales que previamente recibió educación especial y servicios relacionados bajo la autoridad de un distrito escolar inscribe a su hijo(a) en una escuela primaria o secundaria privada sin el consentimiento o el referido de la agencia educativa local, el distrito escolar no tendrá la obligación de impartir educación especial si el distrito tenía FAPE disponible. Un tribunal o un funcionario de una audiencia del proceso legal puede requerir que el distrito escolar reembolse al padre o tutor el costo de la educación especial y la escuela privada únicamente si el tribunal o el funcionario de la audiencia del proceso legal encuentra que el distrito escolar no tenía FAPE disponible para el/la niño/a del oportuna antes de esa inscripción en la escuela primaria o secundaria privada y que la ubicación privada es la correcta. (20 USC 1412[a][10][C]; 34 CFR 300.148; EC 56175)

¿Cuándo se puede reducir o negar el reembolso?

El tribunal o el funcionario de la audiencia puede reducir o negar el reembolso si su hijo/a no está disponible para una evaluación notificada por el distrito escolar antes de retirar a su hijo/a de la escuela pública. También se le puede negar el reembolso si usted no le informó al distrito escolar que rechazaba la ubicación de educación especial propuesta por el distrito escolar, incluyendo la expresión de sus preocupaciones y su intención de inscribir a su hijo(a) en una escuela privada costeada con dinero público.

Su notificación al distrito escolar se debe entregar ya sea:

En la reunión más reciente del equipo del IEP a la que asista antes de retirar a su hijo/a de la escuela pública, o

Por escrito al distrito escolar por lo menos 10 (diez) días de negocio (incluyendo días feriados) antes de retirar a su hijo de la escuela pública. (20 USC 1412[a][10][C]; 34 CFR 300.148; EC 56176)

¿Cuándo no se puede reducir o negar el reembolso?

Un tribunal o el funcionario de una audiencia no debe reducir ni negar el reembolso si usted deja de entregar la notificación por escrito al distrito escolar por cualquiera de los siguientes motivos:

La escuela evitó que usted entregara la notificación;
Usted no recibió una copia de este Aviso de Garantías Procesales ni fue informado de otro modo sobre el requisito de notificar al distrito;
Entregar la notificación posiblemente hubiera causado un daño físico a su hijo/a;
El analfabetismo y la incapacidad de escribir en inglés le impidió proporcionar la notificación; o
Entregar la notificación posiblemente hubiera causado un grave daño emocional a su hijo/a.

(20 USC 1412[a] [10] [C]; 34 CFR 300.148; EC 56177)

Procedimientos del Estado para Presentar Quejas
¿Cuándo puedo presentar una queja de cumplimiento del estado?
Usted puede presentar una queja de cumplimiento del estado cuando considere que un distrito escolar ha violado las leyes o reglamentos de educación especial federales o estatales. Su queja por escrito debe especificar al menos una violación alegada de las leyes de educación especial federales o estatales. La violación debe haber ocurrido dentro del período de un año anterior a la fecha en que el Departamento de Educación de California (CDE, por sus siglas en inglés) reciba la queja. Cuando presente una queja, debe enviar una copia al distrito escolar al momento de presentarla al CDE. (34 CFR 300.151–153; 5 CCR 4600)

Las quejas por violaciones alegadas de las leyes o reglamentos de educación especial federales y estatales pueden ser enviadas por correo a:

California Department of Education Special Education Division
Procedural Safeguards Referral Service 1430 N Street, Suite 2401
Sacramento, CA 95814

Para quejas que impliquen cuestiones que no estén cubiertas por las leyes o reglamentos de educación especial federales o estatales, consulte los procedimientos de queja correspondientes a su distrito.

Para obtener más información sobre la solución de controversias, incluyendo cómo presentar una queja, comuníquese con el CDE, División de Educación Especial, Servicio de Referidos de Garantías Procesales, por teléfono al (800) 926-0648; por fax al (916) 327-3704 o visite el sitio Web del CDE en http://www.cde.ca.gov/sp/se.

Description of Program Placement Options and Goals for English Learners

All programs include English Language Development (ELD) and teaching strategies differentiated for each student's level of English language proficiency. These strategies are used to help each student reach proficiency in speaking, reading and writing English, and succeed academically in all core subjects.

- **Structured English Immersion (SEI):** Students who score at **less than reasonable fluency** are placed in an SEI program and are taught overwhelmingly in English. Some assistance may be provided in the primary language. Students are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards.
- **English Language Mainstream (ELM):** Students who score at **reasonable fluency** in English are placed in an ELM program. They are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplementary materials. Instruction is based on ELD and grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.
- **Alternative Program (ALT):** Students with an approved "Parental Exception Waiver" are taught core subjects in their primary language. They receive instruction in ELD in English. Teachers must receive special training to work in such a program. They use district-adopted textbooks and supplementary instructional materials. Instruction is based on ELD and grade-level content standards. Students receive any additional instruction needed for them to be reclassified as fluent English proficient.

To obtain a "Parental Exception Waiver" please contact The Foundation for Hispanic Education through phone or E-mail at (408) 585-5022 x 1014 or talvarado@TFHE.ORG

NOTE: At any time during the school year, you may have your child moved into the English Language Mainstream Program.
Parents of ELs have a right to decline or opt their children out of a school district's EL program or out of particular EL service(s) within an EL program (20 United States Code Section 7012(a)(8), and 5 CCR Section 11301[b]). However, LEAs are still obligated to provide the student with language acquisition services (5 CCR Section 11302) until the student is reclassified.

Parents/Guardians have the right to request a "Parental Exception Waiver" for an alternative program.

California law gives parents the right to request that their child be placed in an Alternative Program. To do so, you must visit your child's school to apply for a "Parental Exception Waiver" each year. Your child must meet **one** of the following requirements: a) knows English and performs academically at least at fifth grade level; b) is ten years of age or older; or c) is a student under ten years of age who has been in an English language classroom for 30 calendar days, and has special needs.

Reclassification (Exit) Criteria

Descripción de las opciones de ubicación en el programa y los objetivos para los estudiantes de inglés como segunda lengua

Todos los programas incluyen el Desarrollo del Inglés Como Segunda Lengua (English Language Development, ELD) y estrategias de enseñanza diferenciadas para el nivel de dominio del inglés de cada estudiante. Dichas estrategias se utilizan para ayudar a cada estudiante a dominar la expresión oral, lectura y expresión escrita en inglés, así como también a conseguir el éxito académico en todas las materias requeridas.

- **Inmersión Estructurada en Inglés (Structured English Immersion, SEI).** Los estudiantes que obtienen como resultado una **fluidez menos que la razonable** son ubicados en un programa de SEI y la enseñanza en la mayor parte se brinda en inglés. Se puede proporcionar asistencia en la lengua materna. Maestros autorizados les enseñan ELD y otras materias requeridas mediante el uso de libros de texto y materiales suplementarios adoptados por el distrito. La instrucción se basa en los estándares de contenido del grado escolar y del ELD.
- **Inglés como Segunda Lengua Integrado (English Language Mainstream, LM).** Los estudiantes que obtienen como resultado una **fluidez razonable** en inglés son ubicados en el programa ELM. Maestros autorizados les enseñan ELD y otras materias requeridas mediante el uso de libros de texto y materiales suplementarios adoptados por el distrito. La instrucción se basa en los estándares de contenido del grado escolar y del ELD. Los estudiantes reciben toda la instrucción adicional que sea necesaria para ser reclasificados como estudiantes con dominio fluido del inglés.
- **Programa Alternativo (Alternative Program, ALT).** Se les enseñan materias requeridas dictadas en su lengua materna a aquellos estudiantes que tengan una "Solicitud de exención presentada por los padres" aprobada.**** La instrucción en ELD la reciben en inglés. Los maestros deben recibir una capacitación especial para trabajar en dicho programa. Utilizan los libros de texto y materiales didácticos suplementarios adoptados por el distrito. La instrucción se basa en los estándares de contenido del grado escolar y del ELD. Los estudiantes reciben toda la instrucción adicional que sea necesaria para ser reclasificados como estudiantes con dominio fluido del inglés.

Para obtener un formulario de "Exención Parental" favor de contactar La Fundación para la Educación Hispana por teléfono o correo electrónico a (408) 585-5022 x 1014 or talavarado@tfhe.org.

NOTA: En cualquier momento durante el año escolar, su hijo puede ser ubicado en el Programa de Clases en Inglés Regulares. Los padres de los estudiantes de inglés como segunda lengua tienen derecho a rechazar o elegir que sus hijos no participen en el programa de inglés como segunda lengua del distrito escolar o en servicios específicos dentro del programa (*20 United States Code Section 7012(a)(8), and 5 CCR Section 11301[b]*). Sin embargo, las agencias locales de educación (LEA) aún están obligadas a brindar servicios de adquisición de idioma al estudiante (*5*

CCR Section 11302) hasta que éste sea reclasificado.

Los padres/tutores tienen derecho a presentar una "Solicitud de exención presentada por los padres" para que su hijo participe en un Programa Alternativo.

La legislación de California otorga a los padres el derecho de solicitar que su hijo sea ubicado en un Programa Alternativo. Para tal fin, usted debe visitar la escuela de su hijo cada año y presentar una "Solicitud de exención presentada por los padres". El niño debe cumplir uno de los siguientes requisitos: (a) saber inglés y tener estudios académicos al menos hasta el quinto grado escolar; (b) tener diez años de edad o más; o (c) ser un estudiante menor de diez años de edad y haber estado en un salón de clases de inglés como segunda lengua durante 30 días civiles y tener necesidades especiales.

Criterios de reclasificación (salida)

El objetivo del programa para estudiantes de inglés como segunda lengua es que los estudiantes dominen completamente el inglés y que dominen los estándares estatales para obtener el logro académico tan rápido como sea posible. A continuación se detallan los criterios de reclasificación del distrito:

Criterios Exigidos (CA Education Code Section 313[d])	Criterio de la Agencia Local de Educación
Las Pruebas de Suficiencia en el Idioma Inglés de California (English Language Proficiency Assessments for California), o "ELPAC"	Nivel de rendimiento general de un "**4-preavanzado**" o más alto; y por lo menos un "**3-intermedio**" en todos los dóminos.
Comparación del desempeño en habilidades básicas	Grados 9-10: calificaciones en el percentil de "**promedio**" en los exámenes de MAP Lectura y MAP Artes de Lenguaje Grados 11-12: Lograr un nivel de **2 o mejor** en el examen Smarter Balance en las Áreas de de Artes del Lenguaje/ alfabetización
Consulta y opinión de los padres	Los padres tienen una oportunidad cara a cara de participar en el proceso
Evaluación del maestro	En el semestre, una calificación de "**C–**" o mejor en el curso de inglés

Si desea programar una conferencia de padres para discutir las opciones de su estudiante para la colocación del programa, comuníquense con la oficina durante las horas escolares.

Appendix L: Letter of Reclassification and Reclassification Form

Month Day, Year

Dear Parents or Guardians:

State and federal laws require all school districts in California to give a state test of English proficiency each year to every student who is identified as an English learner. In California, the name of this test is the English Language Proficiency Assessments for California (ELPAC). The results of the ELPAC help to measure how each student is progressing toward proficiency in English in the areas of listening, speaking, reading, and writing.

Your child has been given the ELPAC for the current school year, and the results are attached. Based on your child's performance on this test, **[he or she]** may be reclassified as fluent English proficient (RFEP). In addition to the ELPAC results, criteria used to make this decision include an evaluation of your child's academic performance by the teacher, your opinion as the parents or guardians about his/her proficiency in English, and your child's performance on standardized testing.

You are invited to attend a special meeting at the school to discuss the reclassification process and the recommended program for your child on **[date]** at **[time]** in **[location]**. Please contact the school office at **[phone number]** to tell us whether or not you are able to attend. Questions about the ELPAC or your child's results also should be directed to the same number.

We urge you to attend this important meeting and continue to
be actively involved in your child's learning.

Sincerely,

_____

Month Day, Year

Estimados padres de familia o tutores:

Las leyes estatales y federales requieren que todos los distritos escolares de California apliquen cada año una prueba estatal de dominio del inglés a todos los estudiantes identificados como estudiantes de inglés como segunda lengua (conocidos en inglés como *English learners*). En California esta prueba se llama Las Pruebas de Suficiencia en el Idioma Inglés de California (English Language Proficiency Assessments for California), o "ELPAC". Los resultados de la prueba ELPAC ayudan a medir el progreso de cada estudiante hacia el dominio del inglés en las áreas de comprensión auditiva, expresión oral, lectura y expresión escrita.

Su hijo/a ha participado en la prueba ELPAC correspondiente al presente año escolar, y los resultados están adjuntos. De acuerdo con el rendimiento que demostró en esta prueba, podrá ser reclasificado como estudiante con dominio competente del inglés (conocido en inglés como *reclassified fluent English proficient* o, por sus siglas en inglés, como RFEP). Además de los resultados de la prueba ELPAC, los criterios usados para tomar esta decisión incluyen una evaluación del rendimiento académico de su hijo/a realizada por el maestro, su opinión, como padre de familia o tutor, sobre la competencia de su hijo/a en inglés y el rendimiento de su hijo/a en la Prueba de los Estándares Académicos de California en Lengua y Literatura en Inglés y aplicada como parte del Programa de Exámenes y Reportes Estandarizados.

Le invitamos a asistir a una junta especial en la escuela para discutir el proceso de reclasificación y el programa recomendado para su hijo/a el **[put date in Spanish here]** a las **[put time in Spanish here]** en **[put location in Spanish here].** Llame a la oficina de la escuela al **[put phone number here]** para indicar si podrá asistir. Le instamos a asistir a esta importante junta y a que continúe participando activamente en el aprendizaje de su hijo/a.

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Luis Valdez Leadership Academy (LVLA) is a small, personalized, college-prep charter high school in East San Jose, CA managed by the Foundation for Hispanic Education and chartered by the East Side Union High School District. LVLA currently serves about 300 9th, 10th, and 11th graders. Sixty percent of the East San Jose population speaks a second language other than English, and 40% of them report having a college degree.

When averaging the student population of the three primary neighboring high schools, their school student enrollment is comprised of 67.9% Latino, 78.4% of these students are on free or reduced lunch and 22.7% of them are English Language Learners. Luis Valdez Leadership Academy reflects its general demographics, however, with more distinct differences. The school community is 93.6% Latino and 83.1% are or have been English language learners, and 78.6% of students are on free or reduced lunch. In addition, 26% of our students come from single-parent families whereby 34% of them are expected to provide childcare for their siblings. In terms of parent educational experience, 2% have attained a 5th-grade education, 8% attained an 8th-grade education and 25% attended high school thru 12th grade.

The faculty and staff at LVLA are passionate and dynamic, deeply dedicated to fulfilling the school's mission and vision. LVLA is committed to serving as role models for the school's 1st generation college-going population, particularly because the overwhelming majority of LVLA teachers were the first in their families to attend college.

In order to ensure that students reach their potential:
1) The LEA creates a safe and a clean learning environment by maintaining the school facility in good condition. Regular reviews of the facility are conducted and documented. Any issues that arise are addressed in partnership with the landlord.

2) The LEA takes the necessary steps to ensure the facility is safe and secure, by the regular maintenance of facility, gates, and locks. In addition, procedures for emergencies are in place.

3) The LEA implements a rigorous hiring process, which includes paper screening, formal and informal interviews, curricular teacher materials review, teaching demonstration, and reference checks. Eighty-four percent of its teaching staff is credentialed and the remainder is in the process of clearing the state certification requirements. LEA provides teachers with the supplies and learning tools that are needed to successfully teach common core curriculum in their classrooms.

4) The LEA provides textbooks and ancillary resources to support teaching and learning.

5) The LEA offers a robust, comprehensive Advisory program that seeks to ensure that ALL students attend school regularly and are academically successful. Advisory also seeks to develop students with their socio-emotional identity and character through a curriculum that focuses on academic success, and college and career readiness.

6) The LEA institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community, which is reflected by LVLA's record of zero school suspension or expulsion of students!

7) The LEA offers every 9th grader a model Mexican-American History course designed in collaboration with a Stanford University history professor. The course seeks to empower students by giving the opportunity to explore the unique and complex history of Mexican-Americans in the SF Bay Area, California and beyond. The ultimate goal is that the Common Core-aligned curricular units designed in this course will be uploaded to an online portal through Stanford University that history teachers across the nation can access.

8) The LEA is home to a well-resourced Digital Media Lab to support the ACTOS course. ACTOS is an introductory visual and performing arts and digital media class, which is Common Core aligned and A-G approved as a visual and performing arts elective. Through ACTOS, students learn the core tenets of acting and theater, as well as how to produce and edit short films and documentaries. The ACTOS course sequence, which includes Digital Media I and II, Advanced Digital Media, Chicano Theater and Actor's Studio, will inform a series of career pathways for LVLA students. All ACTOS courses feature Common Core aligned curricula and form two career pathways.

9) In order to promote the school's college-going culture, LVLA offered seven overnight college trips to Southern California, Northern California and the East Coast that have served over 140 students annually. LVLA believes that it is critical to expand students' horizons and expose them to various college and universities. The school holds regular fundraisers for these trips with the goal of making the college trips either free or low cost to LVLA families.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Academics:
Passage rate of Student Exhibitions: 100%
Student-Led Conferences Completion Rate: 96%

The ACTOS program is a Digital Media and Acting/Theater course sequence aligned to Common Core curricula and also forms a two-career pathway. This year, over 200 students took courses in the ACTOS sequence.

Culturally Sustaining Math Unit:
The Math department chair and The Foundation for Hispanic Education Math lead collaborated to design a Common Core aligned and culturally sustaining statistics based unit to support the 10th-grade Exhibition project. The primary purpose of these modules is for students to learn how data can be used to interpret patterns that help us understand the lives of real people are impacted and to be able to interpret data and develop statistical language to tell a story to help others make sense of such social patterns.

Student Safety Nets & Enrichment Programs:
Collaboration meetings took place throughout the year to support struggling learners and higher level students with the objective to ensure that the appropriate intervention strategies met students' learning needs. As a result, a Struggling Student Protocol, a Tutorial program, and a formalized PSAT program were established.

In addition, Student Led Conferences (SLCs) were held twice a year through the Advisory Program. The purpose of SLC is to have students lead a conference in their Advisory class and share out personal and academic goals, review transcripts and college lists with their families. Our school has consistently maintained over 90% completion rates throughout the past three years.

Student Engagement:

The LEA's focus on positive discipline and on one-on-one student/academic counselor conferences led to the following results, as an indicator of student engagement:

Suspensions:	Expulsions:	Dropout Rate:
2014-15: 0%	2014-15: 0%	2014-15: N/A
2015-16: 0%	2015-16: 0%	2015-16: N/A
2016-17: 0%	2016-17: 0%	2016-17: N/A

Community Service/Leadership Development:
All students are expected to complete 100 hours of community service as a graduation requirement and as a means of reinforcing LVLA's mission. This academic year, LVLA launched two new initiatives to broaden our community service partnerships. The first one was the first annual LVLA Community Service, which was hosted in the fall. Over 15 community agencies and non-profits came to LVLA to recruit students to pursue community service with their respective agencies. In January, LVLA hosted its first MLK Jr. Community Action Day, where 250 of our students performed a day-long community action project. Projects included a march to City Hall to meet with city representatives, serving meals and volunteering at a local elderly home, a landscaping project to beautify the LVLA campus, and an anti-litter/anti-graffiti project.

Professional Development:
The LEA focused its year-round Professional Development calendar on curriculum, instruction, and assessment, which supported CCSS learning objectives. Through the use of Measures of Academic Progress (MAP) benchmarks, 9th-grade freshmen leveled teachers reviewed the data and established learning goals, based on their individual classroom needs. 10th grade leveled teachers were able to create individualized learning portfolios where 10th-grade students' progress and growth was regularly reviewed during 10th-grade student-led conferences.

Parent Engagement:
Weekly bilingual (Spanish/English) Parent workshops and meetings included the following topics:

- Student success and college attendance & admission
- Time management and handling stress
- Parenting and family strengthening strategies
- Attendance and punctuality
- Successful completion of A-G
- Student safety net programs available at LVLA
- Financial aid
- Maintaining student focus and motivation

Monthly coffees with the site director also took place during the academic year. Further, in an effort to obtain parent feedback, a Parent Satisfaction Survey was distributed in early fall 2016. Forty-seven percent of 9th grade and 53% of 10th-grade parents of students returned the survey. All returned surveys indicated 100% satisfaction with Communication, School Climate, Academics and 95% in Parent Outreach and Engagement. Moreover, 100% of all families reported that they would recommend LVLA to another family.

Communication:
Overall, I am satisfied with the way LVLA communicates with me. 100%
School Climate:
Overall, I am satisfied with LVLA’s climate 100%
Academics:
Overall, I am satisfied with my student’s educational experience at LVLA 100%
Parent Outreach and Engagement:
Overall, I am satisfied with the parent engagement opportunities LVLA offers 95%

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

GREATEST PROGRESS

This year, the LEA introduced two forms of assessment to measure both student proficiency (summative) and track growth (formative). Through the use of these tools, teachers were able to track student growth a minimum of three times a year. As a result, teachers within department groups collaborated together to share instructional strategies, make curriculum adjustments, align benchmarks and discussed progress to help students overcome specific skills that ensured mastery. Similarly, the Measures of Academic Progress (MAP) platform was used to monitor student proficiency in both English and Math.

Using MAP data, the comparison below is of Baseline Growth Data for academic years 2015/16 to 2016/2017, for English Language Learners (ELLs), Reclassified Fluent English Proficient students (RFEPs), and Special Education students in the areas of Reading, Language Usage, and Mathematics:

English Language Learners (ELLs) showed:

- 32%of students met or exceeded their growth target in Language Usage (a 7% INCREASE)
- 40% of students met or exceeded their growth target in Reading proficiency (an 11% INCREASE)
- 52% of students met or exceeded their growth target in Mathematics proficiency (a 23% INCREASE)

Special Education students showed:

- 32% of students met or exceeded their growth target in Language Usage (a 3% INCREASE)
- 44% of students met or exceeded their growth target in Reading (a 2% INCREASE)
- 39% of students met or exceeded their growth target in Math (a 23% INCREASE)

In addition to having frequent data talks take place among teachers, students were able to review and monitor, within their advisory classes, their content area grades and progress. Each advisory teacher served as an advocate for their students, and they also worked together to set goals for college and career. This process contributed to an increase in the number of students receiving grades of As-Cs. Below is a comparison of the grade distribution for 2015/16 and 2016/17:

2015/16 Semester 1 Grades Distribution (As-Cs)	2016/17 Semester 1 Grades Distribution (As-Cs)
90% of grades for students in General Education	92% of grades for students in General Education
55% of grades for students in Special Education	93% of grades for students in Special Education
By Language Proficiency (2015/16):	By Language Proficiency (2015/16):
ELLs: 71% received As-Cs	ELLs: 86% received As-Cs
RFEPs: 94% received As-Cs	RFEPs: 94% received As-Cs

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

Reclassified Fluent English Proficient and Special Education Students:
The LEA introduced two forms of assessment to measure both student proficiency (summative) and track growth (formative). When comparing against the Baseline Data, though there was an increase in growth among English Language Learners (ELLs) from 2015-16 to 2016-17, Reclassified Fluent English Proficient (RFEP) students experienced a decrease in growth in Language Usage, Reading and Math as follow:

Reclassified Fluent English Proficient (RFEP) students showed:

- 36% of students met or exceeded their growth target in Language Usage (a 15% DECREASE)
- 34% of students met or exceeded their growth target in Reading (a 19% DECREASE)
- 47% of students met or exceeded their growth target in Mathematics (a 4% DECREASE)

Special Education Students:

- 56% did not meet the Reading growth target
- 68% did not meet the Language Usage growth target
- 61% did not meet Math growth target

Steps to Improve:
In order to address this need, LVLA teachers will use formative and summative assessment platforms to track student growth a minimum of three times a year. Full implementation of these tools is expected to take place, across the Mathematics, English, and Special Education Departments during the 2017-2018 school year. As a result, teachers within department groups are expected to collaborate together to share instructional strategies, make curriculum adjustments, align benchmarks and discuss progress to help students overcome specific skills that ensured mastery. In addition, students will be given expanded access to some of the same comparative tools that are used by teachers. (Goal #2 addresses this need.)

English Language Learners:
At the January 31st and March 28th Town Hall meetings, the stakeholders pointed out that ELL students needed support in math and English. They inquired about the identification and support process available to students, as well as the types of professional development needed for teachers to work with language learners.

Further, at both Town Hall meetings, the stakeholders shared their perception about students performing differently in the norm-referenced tests vs. unit tests.

Steps to Improve:
In collaboration with the TFHE, the ELL Handbook will be updated to include specific steps on how to maximize ELL strategies for both ELL and RFEP students. The ELL Handbook will be used to assist and inform parents and staff of the process, support, and interventions available. (The 2017-18 Goal #1 addresses this need.)

In addition, professional development sessions will focus on developing Instructional Practices in the areas of Academic Language and Discourse, ELL Scaffolding, and Effective Collaborative Grouping. Additionally, the sessions will include the reviewing and Assessing Student Work in order to develop a re-teach plan. (The 2017-18 Goal #1 addresses this need.)

In order to ensure that students' test anxiety and performance are reduced, full implementation of summative and formative measurement tools are expected to take place, across the Mathematics and English Departments, during the 2017-2018 school year. Further, as part of this implementation plan, students will also be able to have frequent data talks take place with teachers to review their progress. (The 2017-18 Goals #1, 2 & 3 address this need.)

Student Safety Nets:
At the January 31st and March 28th Town Hall meetings, the student progress updates were shared and discussed. The following rose to the surface and the stakeholders pointed out the following on A-G eligibility:

- What subjects do students need more support and what services are we setting in place to help them?
- What support systems are we going to use to help the 23-27% of students who can potentially be A-G eligible?
- How can we motivate the non-A-G eligible students so they can see that they are capable of reaching their college goals and start believing that college is an option for them?

Steps to Improve:
The following strategies and recommendations were discussed to address the above:
1. Summer Bridge:
Based on the placement exams administered during orientation day, offer a review math class for the students so they can have an opportunity to learn or re-learn math concepts, apply their knowledge through project-based learning activities. Program/course should include a pre and post assessment.

2. Motivation for Students:
College field trips will be available to all students, including those that are not A-G eligible. The purpose of this is to offer opportunities to visit and explore universities and imagine themselves in college.

3. Academic Plans:
For students who are not doing well academically, they will continue to meet individually with their counselors to get help and support where needed.

(The 2017-18 Goal #2 addresses the above 3 recommendations/strategies.)

Credit Recovery Options:
Twenty-three to 27% of students are potentially eligible to meet A-G requirements.

Steps to Improve:
Credit Recovery options will be expanded. (Goal #2 addresses this need.)

Attendance/Retention:
After experiencing a steady average daily attendance of 96.5%, for the previous two years, the LEA experienced a .5% decrease during the 2016-17 school year. This decrease was primarily seen in the 11th-grade class.

The 2016-17 Average Daily Attendance per grade level reflects the following:

Grade Level	Average Daily Attendance
9th	96%
10th	96%
11th	94%
Chronic absenteeism:	16%

Steps to Improve:
The LEA plans to address student retention, cumulative attendance rate, and chronic absenteeism, through updated attendance protocols and by having academic counselors, the parent coordinator, and administrators work closely with students to support them attending school on a daily basis.

(The 2017-18 Goal #1 addresses this need.)

Stakeholder Survey:
Though LEA developed a Parent Satisfaction Survey, it is not aligned to the LCAP's 8 priorities.

Steps to Improve:
A Stakeholder Survey, which will include, students, parents, and staff, will be developed to better assess each of the 8 priority areas. The survey will be distributed LEA-wide during Fall 2017.

(The 2017-18 Goal #1 addresses this need.)

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

PERFORMANCE GAPS

When reviewing student growth from Fall 2016 and Spring 2017, in the areas of Language Usage, Reading and Mathematics, there was a decrease in growth for RFEP students, as follow:

- 36% of students met or exceeded their growth target in Language Usage (a 15% DECREASE)
- 34% of students met or exceeded their growth target in Reading (a 19% DECREASE)
- 47%of students met or exceeded their growth target in Mathematics (a 4% DECREASE)

In addition, 56% of Special Education students did not meet the Reading target, 68% did not meet the Language Usage component, and 61% did not meet math growth target.

Steps to Address Performance Gap:
Through the use of formative and summative assessment platforms, teachers will be able to track student growth a minimum of three times a year. Full implementation of these tools is expected to take place, across the Mathematics, English and Special Education Departments, during the 2017-2018 school year. As a result, teachers within department groups are expected to collaborate together to share instructional strategies, make curriculum adjustments, align benchmarks and discuss progress to help students overcome specific skills that ensured mastery. In addition, students will be given expanded access to some of the same comparative tools that are used by teachers.

The LEA also plans to address students' achievement gaps by providing:
1. Counseling and socio-emotional support as needed.
2. More opportunities to motivate students
A. Role model program
i. Whereby teachers, staff, and outside professionals will share their experiences (specifically on financial aid, first and/or oldest family to attend college, and how to deal with the pressure, as well as setting an example for younger siblings).
B. Financial Aid -- additional support
i. Block off day so students can focus and complete scholarships and add Saturday sessions to support completion of applications
C. Career Exploration Opportunities
3. Provide additional support to RFEP students by providing a systematic approach to addressing reclassification needs, including but not limited to:
A. Professional development for teachers
B. Designated ELD support classes- have an additional class so they can focus more on their English development (required or also referred by teacher)
C. Continue with support group for RFEPs until their full mainstreaming

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

All teachers participated in these sessions. As a result, LEA did not need to spend money in the budgeted area. • In collaboration with Academic Counselors, Administration planned the 9th-11th-grade curriculum based on best practices pertaining to socio-development and the academic requirements needed to meet college requirements. Administration and Academic Guidance Counseling team attended 3 state conferences at East Bay CSU, UC Santa Barbara, College Board's "Preparate" Conference in New York. • Instructional materials and software programs (Mango and Edge) were purchased to support the ELD program. • Stipends were paid to Advisors for supporting student led conferences • Weekly parent workshops were held at each grade level. In addition, the site director held monthly coffees with parents to receive input and ask for support • Seven college field trips took place during the school year. Forty students visited (SAC, UC Davis, UC Berkeley) northern California campuses; 20 students visited 6 southern California campuses (CSULA, SLO, UCLA, Loyola Marymount, Laverne, UC Riverside, and twelve students visited 6 East Coast Campuses (NY, DC, RI, PA). Students were selected based on their applications and personal essay submissions.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	• - The LEA offers every 9th grader a model Mexican-American History course designed in collaboration with a Stanford University history professor. The course seeks to empower students by giving the opportunity to explore the unique and complex history of Mexican-Americans in the SF Bay Area, California and beyond. The ultimate goal is that the Common Core-aligned curricular units designed in this course will be uploaded to an online portal through Stanford University that history teachers across the nation can access. • - The LEA is home to a well-resourced Digital Media Lab to support the ACTOS course. ACTOS is an introductory visual and performing arts and digital media class, which is Common Core aligned and A-G approved as a visual and performing arts elective. Through ACTOS, students learn the core tenets of acting and theater, as well as how to produce and edit short films and documentaries. The ACTOS course sequence, which includes Digital Media I and II, Advanced Media, Chicano Theater and Actor's Studio. • - With this in mind, the Director of Social-emotional Learning was not replaced, instead lead grade level teachers acted as trainers for each grade level advisory cohort. This allowed for teacher advisors to meet every week for 30 minutes to review, plan and discuss teaching practices. Staff formed a multi-tier collaborative approach consisting of grade level lead teachers, academic counselor, parent coordinator and off-site social emotional support person. Activities included:

- - Student Led Conferences (SLCs) were held twice a year through the Advisory Program. The purpose of SLC is to have students lead a conference in their Advisory class and share out personal and academic goals, review transcripts and college lists with their families. The LEA has consistently maintained over 90% completion rates throughout the past three years,

- - Academic Counselors and Administration attended 3 State and a national conference, which allowed them to plan the 9th-11th-grade curriculum. Their work focused on best practices pertaining to socio-development, diversity, A-G completion support, college field trips, and A.P. enrollment and completion of courses. Likewise, The Foundation for Hispanic Education provided nine Professional Development workshops throughout the year that focused on data-driven curriculum and best teaching practices to support this goal.

- Weekly parent workshops were held at each grade level. In addition, the site director held monthly coffees with parents to receive input and ask for support. These parent workshops and meetings focused on strengthening the home/school relationship.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Due to our student population being primarily of Mexican decent, the Mexican-American History course has proven to empower and increase students' pride in their heritage. In addition to History, the LEA's Math department chair and The Foundation for Hispanic Education Math lead collaborated to design a Common Core aligned and culturally sustaining statistics based unit to support the 10th-grade Exhibition project. Similarly, the Digital Media Lab, which supports the ACTOS course, which is an introductory visual and performing arts and digital media class, aligned to CCSS. Through ACTOS, students learn both the core tenets of acting and theater, as well as how to produce and edit short films and documentaries. This year, well over 200 students took courses in the ACTOS sequence. All ACTOS courses feature Common Clore aligned curricula and form two career pathways.

In addition to the above, not only has the LEA has developed partnerships with a local community college, whereby students may take sophomore and junior math courses, but it has allowed students to enroll in Biology and in an English Language Arts online credit recovery program. 80% of the students earned a C or better and were able to stay on track for A-G eligibility. In addition, Cyber High is used as a credit recovery program for history and English classes over the summer. Last year, about 15 students recovered credit through Cyber High, this upcoming summer, 24 students are expected to take a course through Cyber High.

As a result of promoting an engaging academic program, the LEA continued to reflect a zero suspension and a zero expulsion rate. These indicators support the goals of forming strong relationships with students. teachers and parents.

The "Poder de los Padres" Program helped the parents understand the different factors adding to the students’ success and the importance of the parents’ continuous support during all four years. However, parents expressed frustration that other parents were not fully engaged in their child's education. As a result, new ideas would be implemented in the 2017-18 school year.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The total cost of the Dean was lower then expected and is reflected in the actual report. The Social Emotional Director was distributed across 3 school sites and therefore reduced the cost We contracted with Alumrock counseling services to provide mental health counseling the contract was larger then the budgeted cost for a single person Staff did not attend all schedule conferences and therefore did not meet the total budgeted amount Staff provide parent trainings and did not require outside consultants to provide the training
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	Based on sites' space availability, the following changes will be made to increase both student retention and parent engagement outcomes have been integrated into Goal #1 beginning in 2017-18: • More sports and clubs and more equipment to support the sports program • In collaboration with TFHE, LEA will develop and implement attendance protocols to ensure that both average daily attendance and chronic absenteeism is appropriately addressed. • Continue college exposure for SpEd students and community engagement activities More parent engagement - Goal #1 beginning in 2017-18: • Community service- give students community hours if their parents attend • Recognize the parents and the students based on parent participation hours • More family driven activities • Showcase parent activities on website • Invite parents to accompany their children on college trips

The purpose of this program was to help them understand A-G requirements, establish clear goals, provide time for them to socialize with their peers, and to facilitate a process where students begin to think about college opportunities.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	Pre/Post tests were not administered thus LEA can only assume that the Summer Bridge Program provided students with the support needed to succeed in Math. Eighty-eight students enrolled in the program and 82 completed it. Student Led Conferences (SLCs) were held twice a year through the Advisory Program. The LEA consistently maintained over 90% completion rates throughout the past three years.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The total cost of the Dean was lower then expected and is reflected in the actual report. By the number of students we did not need as many advisor leads
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	Stakeholders identified 3 specific areas to support students: • A systematic tutoring-have the tutor attend class and provide additional support for students struggling in math • Support engaging lesson delivery • Support Professional Development for teachers on differentiated instruction The LEA plans to address cumulative attendance rate and chronic absenteeism by focusing on following up with updated attendance protocols and by having academic counselors, the parent coordinator, and administrators work closely with students to support them attending school on a daily basis. This is reflected in Goal 1 for the 2017-18 school year.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	• The statistics based unit was very successful as evidenced by 100% completion. • Approximately 80% of students who participated in the Credit Recovery options earned a C grade. • The math program was not fully assessed due to the lack of data points missing that would allow for the tracking of individual student progress. LEA's SBAC scores will reflect at least similar performance to high schools with within its neighborhood and similar demographics. • Fund for one parent representative and one academic counselor to attend the College Board's "Preparate" yearly conference • Continue with Poder de los Padres Program • Consider checking into the feasibility of providing English and computer classes to parents

Community Engagement:
The following groups were actively involved in the LCAP development process described below:

Parent Advisory Committee (PAC):
The LEA formed a Parent Advisory Committee (PAC) and this group formally met to go over the LCAP (January 31 and March 28, 2017). This group was comprised of parents of low-income students, English Learners and Foster Youth. Members of the PAC were also members of both ELAC and SSC. Parent representatives were encouraged by the administration and teaching staff to take a leadership role in ELAC, PAC, SSC and PTSA. As a result, four parent representatives, who served in ELAC, SSC or PTSA, agreed to also participate in the PAC. In addition to the parent representatives mentioned, the committee was also comprised of certificated staff, students, site administrators, union representatives, the Chief Academic Officer, and other central office charter school administrative staff.

On April 27, 2017, the Preliminary LCAP was presented to the PAC. The group indicated that they were satisfied with the report and the 3-year plan and were satisfied to forward the Plan to the Charter School Committee. Likewise, the group had no questions to submit to the Charter School Committee members on the LCAP, LCFF and the budget review.

Parents and Students:
In January and February, parents and students were invited to attend informational meetings designed to more fully educate the community on issues related to major changes and directions in the state of California that will directly impact their educational experiences. These sessions covered all of the following: 1) California State Standards, 2) the Local Funding Formula (LCFF) and the 3) Local Control Accountability Plan (LCAP). These meetings occurred in conjunction with each school site's monthly SSC (9/29/16, 10/11/16, 1/31/17, 3/28/17, 4/27/17) and ELAC (9/29/16, 10/11/16, 1/31/17, 3/28/17, 4/27/17). In addition, site administrators presented the information shared in the March 28th Townhall meeting and solicited input from parents at the Principal's "cafecito" and at the regularly scheduled bilingual (Spanish/English) parent workshops, during the month of April 2017. In addition, in an effort to promote year-round involvement in the implementation of the LCAP, in addition to the above engagement meetings, site administrators invited parents to email, call or meet with them at their convenience to hear their input, concerns, and ideas.

The Community-at-Large:
Community members were invited to attend the January 31st and March 28th Townhall meetings. These meetings were held at The Foundation for Hispanic Education, a centralized location for all stakeholders on January 31st and March 28th, 2017. The meetings were conducted in both English and Spanish. Following both Townhall meetings, an overall meeting was held on April 27th to discuss and review the proposed actions, plans, and services for the upcoming 3-year plan, beginning in 2017-18. Their ideas and proposals were integrated into each of the goals.

The Local Business Community:
The President and the Vice President for The Foundation for Hispanic Education met with business leaders to engage them in the vision and mission of the Latino College Preparatory Academy. As a result, the EL students have profited from the comprehensive partnership between the LEA, local business leaders, and Foundation officers by:

- the building and remodeling of the LEA's premise, and
- the support towards students' achievement and access to A-G requirements

Teachers' Union Representatives:

- Site-based department meetings were held on a monthly basis and the LCAP was discussed among teachers in the departments - July 2016 thru June 2017
- The Chief Academic Officer and Vice President held monthly meetings with site directors. The LCAP and its development, including the importance of stakeholder engagement, was discussed at each of these meetings. As a result, in November 2016, it was determined to hire a consultant to support the coordination of efforts and direction for each of the Charter schools under its umbrella. Progress reports were also given related to the level of goal attainment. - July 2016 thru June 2017.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

The input received during the process detailed above demonstrated the public's commitment to the education of the community's students. Discussions and feedback were held based on 1) what is already in place but needs improvement, 2) what is already in place but can be eliminated, and 3) ideas for supporting student learning via the eight state priorities that should be considered but are not in the LCAP.

Thematically, the stakeholder feedback demonstrated that the LEA should prioritize its efforts as follows:
1. Improve academic achievement - State Priority 4
2. Improve campus climate and culture - State Priority 6
3. Increase and improve the experience of parents and community partners to encourage more meaningful involvement in the school. - State Priority 3
4. Improve alignment of CCSS ELD Standards across disciplines - State Priority 2

These priorities result from important feedback from stakeholders. The following recommendations resulted in modifications, additions or deletions include the following:

- Reworded the LCAP Goals to clarify language
- Provide teachers professional learning that supports CCSS lessons - Incorporated into Goal 1 and Goal 3
- Provide professional learning that supports literacy strategies for English Learners - Incorporated into Goal 1
- Provide additional academic support opportunities for students during class time and after school - Incorporated into Goal 2
- Increase services and more closely connect school counselors to student academic and social issues - Incorporated into Goal 2
- Provide coaching support for teachers in instructional practices and positive behavior strategies - Incorporated into Goal 3
- Increase parent engagement, communication and involvement - Incorporated into Goal 1

Specific Actions and Services added as a result of this stakeholder engagement process include:
1. The LEA will fully implement CCSS including ancillary materials and professional development - Goals 1 and 3
2. The Restorative Justice strategy will be fully implemented in every classroom - Goal 2
3. English Language Development department will provide support across all content areas- Goal 1

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year	☒ 2017–18 ☐ 2018–19 ☐ 2019–20

Estimated Supplemental and Concentration Grant Funds:	$$78,435	Percentage to Increase or Improve Services:	10.73%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

LVLA will be expending these funds to support a comprehensive advisory program to support academic, social and emotional development of ALL of our students. 93.6% of our students are Latino, 1.7% African Americans, .7% Asians, .3 Filipino and 3% Whites. The vast majority of whom are low-income students (78.6%), 41% are ELLs and 53.6% are RFEPs, and 9.2% are students with disabilities. Each student will be matched with an advisor, at no greater than 20:1 ratio of students to advisor, and will participate in the advisory class four times a week, In addition, these funds will be dedicated to professional development for our teachers to align curriculum schoolwide to the CCSS. All of our students will have course access to a-g aligned courses in our college prep setting. Lastly, these resources will be invested to ensure that our teachers have opportunities through both advisory and tutorial to support our struggling students.

Revised Local Control and Accountability Plan and Annual Update Template Instructions

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. For school districts and county offices of education, the LCAP is a three-year plan which is reviewed and updated in the second and third years of the plan. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, mark the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year**: This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual (http://www.cde.ca.gov/fg/ac/sa/)*. (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.
- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for

the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)

- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Education Code identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. Education Code requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, Education Code Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, mark the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by checking "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is checked, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must select one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, place a check mark next to "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, place a check mark next to "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", place a check mark next to "Limited to Student Groups".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Check "New" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Check "Modified" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Check "Unchanged" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
    - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may check "Unchanged" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the Goals, Actions, and

Services section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *Education Code* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the Demonstration of Increased or Improved Services for Unduplicated Students table and mark the appropriate LCAP year. Using the copy of the table, complete the table as required for the current year LCAP. Retain all prior year tables for this section for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to 5 *CCR* 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* 15496(a)(7).

Consistent with the requirements of 5 *CCR* 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
C. School facilities are maintained in good repair.

Appendix N: Intersegmental General Education Transfer Curriculum

San José City College
Certificate of Achievement - Level 3
2016-2017

Intersegmental General Education Transfer Curriculum

IGETC

The Intersegmental General Education Transfer Curriculum (IGETC) provides an option for San José City College students to fulfill lower-division general education requirements before transferring to a California State University (CSU) or University of California (UC) campus.

Completion of IGETC will permit a student to transfer from a California Community College to a CSU or UC campus generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. It is strongly recommended that students complete IGETC prior to transfer. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion. All UC and CSU campuses will accept the completed IGETC to satisfy all lower division general education requirements. Students may select from:

One of two IGETC Certificates of Achievement Level 3:

1) **IGETC – UC**
   Requires foreign language but not oral communication; minimum 34 units

   - OR -

2) **IGETC – CSU**
   Requires oral communication but not foreign language; minimum 37 units

A grade of "C" or better is required in <u>all</u> courses.

LCAP Survey - English

The Foundation for Hispanic Education (TFHE) is seeking to gather feedback on the design and implementation of the school's priorities for the Local Control and Accountability Plan (LCAP). To accomplish this, your participation is critical in this decision-making process, and we appreciate your assistance with this survey. As you may know, the Local Control Funding Formula (LCFF) is California's formula for determining the level of state funding provided to districts and charter schools to provide for their state-supported general and supplemental programs. As a result, the Local Control and Accountability Plan (LCAP) is a vehicle for transparency and stakeholder engagement that allows school districts and charter schools to share performance data, needs, actions, and anticipated outcomes that guide the use of available LCFF funding.

CERTIFICATED MANAGEMENT EVALUATION

BASED ON THE
CALIFORNIA STANDARDS FOR PROFESSIONAL SCHOOL LEADERS

The evaluation process for any employee of The Foundation for Hispanic Education is intended to:

1) Support the desirable qualities and characteristics in evidence in an employee's work
2) Support the continued growth of the employee in his/her profession.

Of particular importance is the evaluation process undertaken for managers throughout the schools of the Foundation. The manager is most often the person who sets the tone and example for all employees at the school site. In this role, it is incumbent upon each manager to be knowledgeable in the many competencies that reflect an effective manager's ability to lead, supervise, and assess the education program for students and teachers.

Part One: Specific Employee Objectives

Each administrator will review Foundation, site, and personal needs and select three objectives that address these areas.

One area shall be an objective directly related to a Foundation-wide goal and will reflect the efforts of the administrator to support the Foundation's endeavors to achieve this goal.

The second objective will address goals selected by the school site as emphases for the year.

The third objective will be selected by the administrator and will indicate an area of personal/professional growth/challenge.

The three personally selected objectives will be discussed with the administrator's evaluator prior to September 19, will reflect mutually agreed upon areas of growth, and will guide the administrator's continuous improvement plan.

Part Two: Standards of Competency for Administrators

At the same time that the administrator is selecting personal/professional objectives for the year, the administrator's evaluator will review the six standards of competency upon which the administrator will be evaluated.

The following standards and descriptions exemplify the expectations of The Foundation for excellence in administration. These standards are ideals to which all administrators can ascribe.

Part 1 – Specific Employee Objectives

Example

	Foundation Wide Goal	**School Site Goal**	**Personal Professional Goal**
	Increased student attendance has a direct correlation to increased student achievement. We also know	Research reveals a lengthy, yet specific, set of instructional strategies that support English Language	Research states that both student achievement and student behavior improve when the site administrator is

Background:	that we have an established mission to inspire each student to extraordinary achievement every day. Linking these two ideas together is crucial to the long-term success of each student.	Learners in the classroom.	more present in classrooms and out on campus during the school day.
Goal: (with evaluation measure)	Actual student attendance at Elkhorn School will increase by 1% over last year with 96.25% being the actual goal for the '08-'09 school year.	Increase, by 10%, the total number of EL students scoring in the proficient and advanced ranges on the ELA portion of the STAR test.	Increase, by 50%, the total number of hours spent in the classrooms and out, on campus each day. Currently I am averaging about 1 hour a day in classrooms. My goal is to increase that by at least 30 minutes each day by the end of the school year.
Action Plan:	•Establish regular attendance meetings to review attendance data. •Have regular discussions with the instructional staff about their role in inspiring students each day. Appendix W: Poder de Los Padres

Poder de los Padres

Mission

Empower parents as family and community leaders- parents are the first teachers of the students and provide knowledge as leaders and change agents, and play a critical role in motivating students to graduate from high school and obtain a college education.

Vision

Engagement of all parents within the Poder de los Padres Program is based on mutual respect and empowerment. Through full partnership we can increase the achievement and success of every child.

Framework

Dr. Joyce Epstein's Six Types of Parent Involvement	Intercultural Development Research Association (IDRA) Four Types of Parent Leadership
1. **Parenting:** Helping families establish home environments to support children as students (academic, social and emotional development, transition from middle school to high school and high school to college, college systems, etc.) 2. **Communication:** Effective forms of school-to-home and home-to-school communications about school programs and student's progress 3. **Volunteering:** Parent help and support 4. **Learning at Home:** Information and ideas to families about how they can help students at home with homework and other curriculum-related activities 5. **Decision Making:** Parents are full partners in decisions that affect students and families, supporting their development as parent leaders 6. **Collaborating with the community:** Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development	1. **Parents as Teachers:** Recognize what parents already do, have done, and will continue to do as a parent, teacher, mentor, communicator, model… 2. **Parents as a Resource:** Recognize and respect parents as a resource for the school and the community because they know their student better than anyone else. 3. **Parents as Decision-Makers:** Encourage and prepare parents to participate in all aspects of the school system. As partners, they need to exercise their right as parents, members of the RCLA community, and members of their local community. 4. **Parents as Leaders, Teachers, and Change Agents:** A leader actively listens to their peers; they accept the responsibility to advocate for the rights of all students, share leadership and responsibilities, and values team effort and accept recognition as a team.

Goals

1. Establish valuable relationships (peer support) and strong communication (connection) links among parents
2. Encourage, establish and nurture partnerships with schools and community organizations
3. Participate as leaders and train future leaders
4. Encourage feedback and gather evaluation (debrief, reflect, acknowledge success, analyze actions, and integrate lessons learned)
5. Build a community where parents utilize their cultural, linguistic and personal strengths, values and leadership to assist their student in their educational aspirations
6. Provide contexts and opportunities for parents to be spokespersons and advocates
7. Learn to work in collaboration, conduct meetings, listen to all ideas, resolve conflicts, make decisions, carry out plans of action, and evaluate results.

Workshop Structure

1. **Conocimiento (Knowledge):** What do I recall about the topic?
2. **Entendimiento (Understanding):** I understand the concepts and can form ideas or representations/summaries about the topic
3. **Aplicación (Application):** I use and apply the subject knowledge to solve a problem/develop a solution, ect.
4. **Movimiento (Movement):** I use the concepts of the subject to create new ideas, design, invent, or combine ideas and concepts

Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent ofthe Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January I, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at .

Emergency Drills Protocol

Drills may be unannounced, so please be prepared to respond at any moment.

Purpose: To conduct the following emergency drills

Drill #1: Earthquake Drill

Drill # 2: Lock Down Drill

Drill # 3: Fire Drill (Once evacuated, the students will be dismissed for break)

Earthquake Drill: During an Earthquake

Earthquake Tips from the Los Angeles City Fire Department's Earthquake Preparedness Handbook

- If you're OUTDOORS, move to a clear area away from trees, signs, buildings, electrical wires, and poles.
- If you're on a SIDEWALK NEAR BUILDINGS, duck into a doorway to protect yourself from falling bricks, glass, plaster, and other debris.
- If you're in a WHEELCHAIR, stay in it. Move to cover, if possible, lock your wheels, and protect your head with your arms.
- If you're in a STADIUM OR THEATER, stay in your seat and protect your head with your arms. Do not try to leave until the shaking is over, then leave in a calm, orderly manner. Avoid rushing toward exits.

AFTER THE EARTHQUAKE CHECK LIST

- Be prepared for aftershocks, and plan where you will take cover when they occur.
- Check for injuries. Give first aid, as necessary.
- Remain calm and reassure others.
- Avoid broken glass.
- Check for fire. Take appropriate actions and precautions.
- Check gas, water, and electric lines. If damaged, shut off service. If gas is leaking, don't use matches, flashlights, appliances, or electric switches. Open windows, leave building, and report to gas company.
- Replace all telephone receivers, and use for emergency calls only.
- Tune to the emergency broadcast station on radio or television. Listen for emergency bulletins.
- Stay out of damaged buildings.

FEMA Recommends Drop, Cover, and Hold On

Lock down Drill:

Jeff will announce over the loud speaker that we are on LOCK DOWN and

classrooms should be barricaded. A team from my office will check and

assess the classroom's barricade during the drill. Teachers will also

receive a call in their classroom asking for the sum of 9. Staff will

be notified that the drill is over via the loudspeaker. Therefore,

you are expected to participate during our lock down drill.

Please remember the following once the lock down announcement is made:

- Cover all windows/ glass doors
- Turn off lights
- Avoid the fatal funnel (area directly in front of doorway)
- Determine the safest area in the classroom
- The barricade should be high/ solid enough to hide students
- Discourage cell phone use
- Maintain Silence
- Sum of 9

At the end of the drill, Jeff will announce over the loudspeaker that the

drill is now over.

Fire Drill

The object of a fire drill is to prepare students, staff and faculty for exiting their classrooms or campus during a fire related emergency. The drills are conducted by Yerba Buena High School's discipline team.

How to Report a Fire

If you discover a fire on campus, do the following: Pull the fire alarm and call 911

(Call 911 from your cell phone and not from the classroom phone)

1. Do not attempt to fight the fire with portable fire extinguishers or fire hoses unless the fire is small and you have been trained in their proper use. DO NOT PUT YOUR LIFE IN DANGER WHILE ATTEMPTING TO CONTROL A FIRE. When in doubt, evacuate.

2. Remain calm while talking to the 911 dispatcher. Be prepared to answer several questions as to location, size of fire, your name, number of persons in the building (if known) and any injuries. Remain on the line until the dispatcher is finished.

3. Meet fire or police personnel when they arrive to the campus. Stand by to answer any questions they may have concerning the fire. Once out of the classroom DO NOT RE-ENTER FOR ANY REASON, unless emergency personnel have given the "ALL CLEAR" signal.

Fire Exit Procedure

Below are the steps to follow when establishing and participating in fire drills or emergencies:

1. The fire exit plan shall include everybody in the classroom/building. There are no excuses for not participating. Everyone must leave the classroom/ building during a drill.

2. Diagram and post two routes to the outside from all rooms.

3. Designate a meeting place outdoors which is away from the building and clear of entrances. The designated meeting place should be at least 50 feet from the building.

4. Locate a method of calling 911 near the designated meeting place that does not involve re-entering the building.

5. Establish a method to account for those known to be in the building at the time the alarm is sounded. In case of actual fire conditions, information regarding persons believed to be in the building should be made available to responding emergency crews.

(Do not return inside.Only trained search & rescue personnel should re-enter an evacuated area.)

If the fire is INSIDE your room: Leave your room and close the door.

IF the fire is NOT in your room: With your hands, test the door for heat before opening.

IF THE DOOR IS HOT:

- Stay in your room or lab.
- Phone for help.
- Stay calm.
- Seal cracks with wet towels.
- Wait for help.

IF THE DOOR IS COOL:

- Take your room key.
- Open the door slowly.
- WALK to the nearest exit and leave the building.
- If the exit is unsafe, return to the room and remain there.
- If the hall is smoky, stay low or crawl out on your hands and knees

(B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)

Disaster Plan (See Appendix C-F)

The ICS provides overall direction and sets priorities for an emergency. In operations, the ICS has five functions: management, planning/intelligence, operations, logistics and finance/administration. Under each of these functions, schools should pre-assign specific individuals, based on their job roles and responsibilities, to assist in the management of school site operations.
Management (overall policy direction)

Until the arrival of the Incident Command Officer, the site administrator is in charge. The site administrator is most often the site director unless circumstances dictate otherwise.
Communications Public Information Officer: Dr. Sherry Segura The administrator may authorize and designate a trusted, well-trained individual to coordinate information being released to the press and make public announcements.
Bi-Lingual Translator: Mrs. maricela Alvarez Assists in communication in schools as needed.

This person must have access to attendance records, visitor sign-in sheets, emergency data cards of students and any other information that will assist in accounting for the school population. This person works closely with the Student Assembly, Shelter & Release Coordinator.
Student Assembly, Shelter & Release Coordinator: Mr. Jeff Camarillo Supervises students in evacuation site, organizes shelter, and coordinates student release after evacuation.
Logistics Coordinator: Mr. Jeff camarillo and Ivan Huerta Grounds and Maintenance Coordinator Knows layout of building and grounds, location of shut-off valves and utility lines and is familiar with blueprints.

Traffic Safety Coordinator Oversees transportation system

(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines
LVLA institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community. The goal of the discipline policy at LVLA is to maintain a safe, positive and successful learning environment. We believe that all children want to learn and be part of the community. We believe that all children need guidance, structure, and consistency to help them achieve self-control.

The Principal within applicable law and following all due process requirements in accordance with AB 1360, may use his/her discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and an anger management program, for a student subject to discipline under this section. However, a student, including an individual with exceptional needs as defined in Section 56026, may be suspended for any of the reasons enumerated above upon a first offense, if the principal determines that the student violated subdivision (a),(b).(c),(d), or(e) of Section 48900 or that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process. If an offense listed above that could subject a student to suspension or expulsion is alleged to have occurred, the principal or designee shall investigate the allegation. If the alleged allegation appears to have occurred and the suspension would be less than 10 days, the student will be provided oral or written notice of the charge(s). If the student denies the charges, the school must provide explanation of the evidence that supports the charges, and an opportunity for the student to present his or her side of the story (Ed. Code 47605(b)(5)(J)(i)).
For expulsions or suspensions of 10 days or more, the school must provide timely, written notice of the charges against the student and an explanation of the student's basic rights. Within a reasonable number of days, the school must hold a hearing adjudicated by a neutral officer, at which the student has a fair opportunity to present testimony, evidence and witnesses, to confront and cross examine adverse witnesses and at which the student has the right to bring legal counsel or an advocate (Ed Code 47605(b)(5)(J)(i)).
No student will be involuntarily disenrolled, dismissed or transferred by the charter for any reason unless the parent or guardian has been provided written notice at least 5 school days before the effective date of his or her removal. For all involuntary removals, including expulsions and dismissals for non-disciplinary reasons, parents must be informed of their right to a hearing before the effective date of the removal. If the student's parents or guardian initiates the hearing procedures, the student must remain enrolled until the charter school issues a final decision (Educ. Code 47605(b)(5)(J)(iii)).
The decision of TFHE is final.

(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)
Ed Code 49079 requires that we notify classroom teachers/bargaining unit members of students who have engaged in, or are reasonably suspected of engaging in certain suspendable or expellable acts. Those acts are listed in section 48900 of the Education Code and are included in the end of this section.

This is usually done via email to the specific teachers assigned to the given student. Student Initials or first name only are used for confidentiality purposes.
The goal of the plan is to define a system whereby every classroom teacher and substitute will have immediate access to the names of those students currently enrolled in his/her classroom who meet the criteria of Education Code section 48900.

****
California Education Code Section 49079
California Education Code Section 49079

(a) A school district shall inform the teacher of each pupil who has engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h), of Section 48900 or in Section 48900.2, 48900.3, 48900.4, or 48900.7 that the pupil engaged in, or is reasonably suspected to have engaged in, those acts. The district shall provide the information to the teacher based upon any records that the district maintains in its ordinary course of business, or receives from a law enforcement agency, regarding a pupil described in this section

(E) Sexual Harassment Policies (EC 212.6 [b])
Inappropriate sexual conduct will not be tolerated and may constitute sexual harassment. Luis Valdez Leadership Academy does not condone or tolerate any form of sexual harassment involving educators, staff or students. The school system is committed to the creation and maintenance of a learning and work environment in which all persons who participate in school programs and activities can do so in an atmosphere free from all forms of sexual harassment. SCHOOL DRESS CODE POLICY 2017-18

The Luis Valdez Leadership Academy has instituted a dress code for the 2018-19 school year. Our dress code policy was created to ensure that we maintain a positive and safe school climate, but also to give teenagers the freedom to express themselves through their dress.

(I) School Discipline Rules and Consequences (EC 35291 and EC 35291.5)

Luis Valdez Leadership Academy Student Conduct Code

LVLA's campus is situated on the larger Yerba Buena High School of the East Side Union High School District. The facility is comprised of fifteen modular/portable classrooms and the main office. The facility's safety and code compliance is monitored and evaluated by ESUSD annually, during which our classrooms are inspected and given formal compliance reviews.

The LVLA campus is currently served by two maintenance professionals that ensure the cleanliness of both campus and classrooms. Our lead maintenance professional also facilitates campus beautification opportunities for student volunteers and students completing community service hours.

Our preventative protocols employ a variety of practices and procedures to promote the safety of students, faculty, and staff. Certain practices, such as locking or monitoring doors and gates, are intended to limit or control access to school campuses, while others such as the location of our administration offices is intended to monitor or restrict students' and visitors' behavior and access to campus.

LVLA institutes a restorative justice approach to discipline that seeks to avoid suspension, expulsion and other punitive forms of discipline and promote conflict mediation, public apologies and community service as alternative means of discipline. It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community.

Conduct Code Procedures

It is the goal to allow students the opportunity to reflect and take ownership of their behavior and make amends for the wrong or harm that they bring to the LVLA community. To this point in the school's 3.5+ years of operation, LVLA has not recorded a single school suspension or expulsion, and has received national recognition from the United States Department of Education for its progressive approach to rethinking school discipline.

Luis Valdez Leadership Academy Incident Command System

Incident Command Team Responsibilities

Standardized Emergency Response Management System Overview
The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:
Management (overall policy direction)
Site Principal/Administrator: Jeff Camarillo
The critical incidents and/or disaster determine who will be the Incident Command (IC) Officer. Until the arrival of the Incident Command Officer, the site administrator is in charge. The site administrator is most often the site principal unless circumstances dictate otherwise.

Planning/Intelligence: Irene Castillon
Instructional Staff
Teachers, librarians, computer center managers and teachers' aides can perform this function. These individuals must be able to use communication equipment, gather information in a timely manner and weight it for significance.

Operations Coordinator: Jeff Camarillo
Member of the command team overseeing the efforts of the emergency teams directly related to health and safety. These teams include: First Aid, Search and Rescue, and Student Assembly and Release.

Logistics Coordinator: Jeff Camarillo/Irene Castillon
Grounds and Maintenance Coordinator
Knows layout of building and grounds, location of shut-off valves and utility lines and is familiar with blueprints.

Management
During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

Planning & Intelligence
Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

Operations
All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

Logistics
Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

Finance & Administration
Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

Emergency Response Guidelines

Step One: Identify the Type of Emergency
If you have an EXTREME EMERGENCY dial 9-1-1.

When dialing this number, you will be contacting the Santa Clara County Fire, Police and Medical Response.

What is an EXTREME EMERGENCY?

- In any Life-Threatening Emergency.
- A person in need of immediate medical attention

Please Note:

- The person calling 9-1-1will become the initial point of contact for the emergency.
- While calling 9-1-1, please send a student or staff member to notify the closest Administrator
- Administration will respond to the classroom or location of the incident
- Administration will implement proper protocol

Emergency Response Procedures

Basic Actions

Most emergency responses are covered by the following Basic Actions:

A. Action: STAND BY

Action: STAND BY consists of bringing students into the classroom or holding them in the classroom pending further instruction.

B. Action: LEAVE BUILDING

Action: LEAVE BUILDING consists of the orderly movement of students and staff from inside the school building to outside areas of safety or planned evacuation site.

Action: LEAVE BUILDING is appropriate for—but not limited to—the following emergencies:

1. Fire

2. Peacetime Bomb Threat

3. Chemical Accident

4. Explosion or Threat of an Explosion

5. Following an Earthquake

6. Other similar occurrences that might make the building uninhabitable

7. At the onset of a Code Red/Lockdown Alert, when teacher/supervisor has ascertained that leaving is the best option.

C. Action: TAKE COVER

Action: TAKE COVER consists of bringing/keeping students indoors if possible and sheltering in place as appropriate to the situation.

Comprehensive School Safety Plan 40 of 66 2/21/19

If outdoors, Action: TAKE COVER consists of hiding behind any solid object (large tree, engine block of car, cement wall), in the event a sniper attack, armed intruder, rabid animal, or moving immediately to a location which is upwind and uphill in the event of a chemical or biological threat

Action TAKE COVER is appropriate for, but not limited to, the following:

1. Severe Windstorm (short warning)

2. Biological or Chemical Threat

3. Sniper Attack

4. Rabid Animal on School Grounds

D. Action: DROP

WARNING: The warning for this type of emergency is the beginning of the disaster itself.

Action: DROP consists of:

1. Inside school buildings
    - Immediately TAKE COVER under desks or tables and turn away from all windows
    - Remain in a sheltered position for at least 60 seconds silent and listening to/or for instructions

2. Outside of School Buildings
    - Earthquake: move away from buildings
    - Take a protective position, if possible

3. Explosion/Nuclear Attack:
    - Take protective position, OR,
    - Get behind any solid object (ditch, curb, tree, etc.); lie prone with head away from light or blast; cover head, face, and as

much of the skin surface as possible; close eyes, and cover ears with forearms.

E. Action: DIRECTED MAINTENANCE

No school personnel/students are allowed to enter a school facility until inspected by and authorized by appropriate school personnel: Maintenance and School Administrators, and if applicable, Police, Fire, or City Inspectors.

In the event that drinking water is unsafe, water valves will be turned off and the drinking fountains sealed.

Water, gas, and electrical shut off valves will be shut off for each applicable building under the join authorization of the administration and head custodian.

F. Action: DIRECTED TRANSPORTATION

WARNING: Under certain disaster conditions, authorized officials may attempt to move an entire community, or portion thereof, from an area of danger to another area of safety.

Action: DIRECTED TRANSPORTATION consists of loading students and staff into school buses, cars and other means of transportation, and taking them from a danger area to a designated safety area.

Action: DIRECTED TRANSPORTATION is considered appropriate only when directed by the Superintendent or designee, Site Administrator, Police, Fire, or OES. It may be appropriate for, but not limited to, movement away from:

1. Fire

Comprehensive School Safety Plan 41 of 66 2/21/19

2. Chemical & Biological Gas Alert

3. Flood

4. Fallout Area

5. Blast Area

6. Chemical & Biological Gas Alert

7. Specific Man Made Emergency (shooting, fire, etc.)

G. Action: GO HOME

Action: GO HOME consists of:

1. Dismissal of all classes

2. Return of students to their homes by the most expeditious

Action: GO HOME is to be considered only if there is time for students to go safely to their homes and if buses or other transportation are available for students who live at a distance from the school. Notification of parents by radio broadcast, local television, ALERT website, phone distribution lists, or other means will be requested.

H. Action: CONVERT SCHOOL

Action: CONVERT SCHOOL to a Red Cross emergency facility will be initiated by City officials.

Step Two: Identify the Level of Emergency
Level 1: Major Disaster On-scene incident Commander(s) (multiple school sites) communicates with District EOC under command of EOC Director _____ District EOC communicates with the City EOC
Level 2: Local Disaster On-scene incident Commander(s) (multiple school sites) communicates with Abbreviated District EOC under command of EOC Manager
Level 3: Local Emergency On-scene incident Commander (Site Coordinator) communicates as shown in Classroom Emergency & Critical Incident Plan Based upon size of emergency, an Abbreviated District EOC may be activated.
Level 0: Readiness & Routine Day-to-day response by District

Step Three: Determine the Immediate Response Action
In the Event of a Lockdown

The purpose of a Lockdown signal is to provide the Incident Commander with a means for alerting staff and students that there is an emergency situation in the school and that for a period of time, movement in the school will berestricted.

Because of the variety of emergencies/crisis that can occur in a school it is necessary to establish two lockdownsignals:

Lockdown – Hard – is used when:

(1) Incident Commander feels that it's necessary,or;

(2) there is an active threat in/at the school,or;

(3) there are shots being fired,or;

(4) there is an active threat outside the school,or;

(5) there is a hostagesituation.

If the above situations are taking place, school administration will announce, "Attention on campus, we are going to begin a hard lockdown. Staff and Faculty, please check your phone for further detail."

These three situations pose the greatest threat to students and staff and require that NO ONE MOVES IN THE SCHOOL. The School Emergency Response Team is not activated. Staff not supervising children remain where they are. Personnel available in the office (Command Post) will be utilized to stabilize the situation until the police arrive on the scene and assess the situation.

Teachers close and lock their classroom doors, turn off lights, shut the blinds and drop down to the floor. Teachers should make a list (see Emergency Attendance Sheet) of all children not accounted for, add to this list the name of Any child or adult that enters the classroom after the LOCKDOWN - HARD is declared, moves the children away from windows (if possible) and have everyone sit on the floor. All room occupants should be huddled or spread out in a way that conceals their presence the best. They remain in this position until directed to dootherwise.

IF LOCKED OUT, THEN WHATSECTION

Students who are not under direct supervision of an adult when the LOCKDOWN - HARD signal is given will find the nearest adult and follow theirdirections.

Any visitors to the school will remain where they are, assuming they are either in a classroom or in an office. If in either location, they should go to the nearest classroom and follow the teacher's instructions.

Teachers should not open the door to your classroom under ANY circumstances until directed by the administrator or law enforcement.

Lockdown - Soft – Is used, at the designation of the Incident Commander when in her/his opinion an emergency/crisis has occurred and it requires the holding of students for a period of time. The command activates the School Emergency Response Team who will respond to the Command Post and receive their instructions. All adults not having direct supervision of students will report to a designated location and assist in the Searching of the school for stray students and guests.

Teachers will follow the same procedures as they would for a LOCKDOWN - HARD except there is no need to move students away from windows or to sit on the floor. Instruction can continue after the Emergency Attendance Form iscompleted.

Comprehensive School Safety Plan 43 of 66 2/21/19

A Lockdown signal should never be used for fire/explosion or weatheremergency. These events have their own signal and should not be confused with Lockdownsituations.

Lockdown Response OfficeProcedures

1. Page all classrooms and declare a "LockdownResponse"

2. Record time incident or report was received –write a brief statement about incident.Record time that classrooms were paged and time doors werelocked

3. Call 911 (if necessary) – RecordTime

2. Come up with a list of actions you would take to protect yourself and those around you

Evacuations

Evacuations will be conducted as follows:

1. General evacuation

A general evacuation is executed upon hearing the fire alarm or with a verbal command. Standardized evacuation procedures are followed.

o Fire: Evacuate at least 50 feet from the building.

o Bomb Threat: Evacuate at least 300 feet from the building.

o Multi-hazardous: Evacuate at least 300 feet from the building.

2. Controlled evacuation

A controlled evacuation will be executed by the IC or police/fire authorities. A controlled evacuation is typically conducted classroom by classroom and staff and students are directed to evacuate away from the threat. Areas/classrooms closest to the threat are evacuated first.

General procedures:

1. Remain calm.

2. Ensure that an evacuation map is posted in every room. This map should include the evacuation route and site, as well as all fire extinguishers and pull stations. This map should be posted on or near the evacuation door.

Evacuation procedures for IC:

2. Coordinates and manages the overall evacuation of personnel from the building.

3. Members of the School Emergency Response Team or IC designees will report to the evacuation site before any students arrive. Team members will look for any suspicious objects or behavior (i.e. abandoned cars or objects in the evacuation site) and report findings to IC. In the event of a suspicious object, team member will redirect teachers and students to alternate evacuation site.

4. Relays evacuation information to first responders.

Evacuation procedures for Teachers:

Evacuate the area immediately. Take your Emergency Binder, First Aid Kit and cell phone. All staff and students are to report to the evacuation site. Staff will take attendance for their assigned group. When completed, one designated member from each group will stand and hold up the appropriate 'alert card' (Green Card = all students accounted for, Red Card = missing students and/or need assistance) from the binder. Staff will fill out Emergency Drill Log and submit to Administration.

The office staff must take the emergency cards, medication, first aid kit, safety binder, visitor log, cell phone, radios, and keys. All staff and students must be accounted for.

Teachers should check their buddy classroom to ensure everyone has evacuated and assist or evacuate the class yourself if necessary.

Evacuation responsibilities and procedures for Teachers:

If such items are needed the Search Team or IC designee will retrieve the items. Accordingly, these items should be maintained in a visible area to assist with their collection during an emergency.

7. If there is a blocked exit, the teacher will know the alternate route and guide or instruct the students to proceed with a secondary evacuation route.

8. The teacher will supervise his/her students and will remain with the students. Those teachers who are members of the ICS and their presence is required elsewhere, will turn over his/her students to a teacher on the Student Supervision Team for supervision before reporting to duty at their ICS location.

Evacuation of Disabled Students:

General Procedures

An individual plan should be formulated for each disabled student or staff member in your school who requires assistance during an evacuation due to physical, cognitive, or emotional/behavioral needs. This plan should be reviewed with all staff directly involved with the student, including (but not limited to) the school nurse, classroom and special education

teachers, and all adults assigned to aid disabled students in an emergency requiring evacuation.

Options include:

1. Overriding discontinuance of elevator (physical disability).

2. Carrying student (physical disability).

3. Adult and student waiting for fire department in the prearranged area (physical disability)

4. Staff person assigned to specific student(s) to assist student during an evacuation.

When developing your individual plans for disabled students, consultation with the fire department is strongly advised.

Identify Disabled Individuals Needing Evacuation Assistance and Post Evacuation Plan

Identify any student or staff member who may need evacuation assistance (e.g., individuals who are in wheelchairs or unable to use stairs). Develop a specific plan for their evacuation. It is recommended that each student's classroom teacher be designated to assist the student in getting to the Evacuation Staging Area. The designated teacher may need to transfer their class to another teacher to remain with the disabled student until they are evacuated. The Site Administrator must:

o Identify students or staff needing evacuation assistance

o Develop an evacuation plan for each student or staff member

o Post a list of these individuals and their evacuation plan on the FirePanel

o Put list of disabled individuals in the secretary's copy of the student emergency contact information roster.

o Inform the classroom teacher of each student or staff member of the evacuation plan o Inform students and parents of the evacuation plan

Evacuation of Wheelchair-ConfinedIndividuals

To accomplish a safe evacuation from the second floor of a building, the following procedures should be followed:

1. Designated staff members should be assigned to assist wheelchair users down the stairs. The number of staff members required would depend upon the number of people needing assistance. Three staff members per wheelchair would be the minimum number needed (two staff members to transport the person and one to bring the wheelchair or to assist in other ways).

2. A designated area by the stairs (out of the evacuation path) should be assigned where wheelchair users can gather. This will aid in their accountability and speed up their evacuation. Because a hazard is created when evacuating wheelchair-confined students downstairs, unless necessary, they should not be transported.

3. It if is determined an actual fire hazard exists and evacuation must be made using stairs, the wheelchair-confined should be the last to be transported down the stairs. Because their movement will be slow, their evacuation may hinder the evacuation of others if on the stairs at the same time. In addition, the rushing of others may knock down physically challenged individuals and their transporters.

4. If wheelchair-confined individuals must be transported downstairs, the evacuation should be accomplished by staff properly training in the following methods:

o Chair carry

o Fore-and-aft carry

o Two-handed and four-handed seats.

o Evacuation chair. This chair is designed to ride on the ends of stair treads so one person can easily guide it down the stairs. The evacuation chair is lightweight, folds flat, and can be unobtrusively stored.

First Aid Team:

Will move to their designated area, unpack supplies as they become available and set up triage, treatment stations, and a morgue if necessary.

The First Aid Team will follow their pre-assigned responsibilities as outlined.

The First Aid Team will assess the extent and incidence of injuries and tag themaccordingly. All persons sent to triage are to be tagged. The triage categories are asfollows:

MINOR: Move to walkingwounded

DELAYED: May be able to take direction to help one another IMMEDIATE: Tag victim, note time and type of injury DECEASED: Should be removed as far away as possible

Treat injuries to the extent possible. Inform outside emergency personnel as to the status of the injured.

Step Four: Communicate the Appropriate Response Action

Types of Emergencies & Specific Procedures

Aircraft Crash

This procedure addresses situations involving an Aircraft Crash on or in proximity to school property. If a crash results in a fuel or chemical spill on school property. If a crash results in a utility interruption.

Procedure

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE BUILDING, or OFF-SITE EVACUATION
2. If the School Administrator issues the EVACUATE BUILDING action, staff and students will evacuate the buildings using prescribed routes or other safe routes to the Assembly Area.
3. In the event of an evacuation, teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.
4. The School Administrator will call "911" and will provide the exact location (e.g.,building or area) and nature of emergency.
5. The First Aid/Medical Team will check injuries to provide appropriate first aid.
6. Any affected areas will not be reopened until the Fire Department or appropriate agency provides clearance and the School Administrator issues authorization to do so.
7. The Psychological First Aid Team will convene onsite and begin the process of counseling and recovery as appropriate.
8. If it is unsafe to remain on campus, the School Administrator will initiate an OFFSITE EVACUATION

Animal Disturbance

This procedure should be implemented when the presence of a dog, coyote, mountain lion or any other wild animal threatens the safety of students and staff.

Procedure

1. The School Administrator will initiate appropriate Immediate Response Actions, which may include LOCK DOWN or EVACUATE BUILDING
2. Upon discovery of an animal, staff members will attempt to isolate the animal from students, if it is safe to do so. If the animal is outside, students will be kept inside. If the animal is inside, students will remain outside in an area away from the animal. It is suggested closing doors or locking gates as means to isolate the animal.
3. If additional outside assistance is needed, the School Administrator will call "911and provide the location of the animal and nature of emergency.
4. If a staff member or student is injured, a 9-1-1 call will be made.
5. The School Administrator will initiate an OFF-SITE EVACUATION if warranted by changes in conditions at the school.

Armed Assault on Campus

Lock down Drill:

Jeff will announce over the loud speaker that we are on LOCK DOWN and

classrooms should be barricaded. A team from my office will check and

assess the classroom's barricade during the drill. Teachers will also

receive a call in their classroom asking for the sum of 9. Staff will

be notified that the drill is over via the loudspeaker. Therefore,

you are expected to participate during our lock down drill.

Please remember the following once the lock down announcement is made:

- Cover all windows/ glass doors
- Turn off lights

- Avoid the fatal funnel (area directly in front of doorway)
- Determine the safest area in the classroom
- The barricade should be high/ solid enough to hide students
- Discourage cell phone use
- Maintain Silence
- Sum of 9

At the end of the drill, Jeff will announce over the loudspeaker that the

drill is now over.

Biological or Chemical Release
Poisoning, Chemical Spills, Hazardous Materials

POISONING:

If a student ingests a poisonous substance:
- Call Poison Control Center Link Line 1-800-222-1222. Take appropriate first aid measures.
- Call parents.
- Notify the Health Services Office.

Following any emergency, notify the Chief Executive Officer

CHEMICAL SPILL ON SITE:

The following are guidelines for Chemical Spills:
- Evacuate the immediate area of personnel
- Determine whether to initiate Shelter In Place Protocol
- Secure the area (block points of entry)
- Identify the chemical and follow the procedures for that particular chemical.
- Notify the District Office.

CHEMICAL SPILL OFF SITE INVOLVING DISTRICT EQUIPMENT/PROPERTY
- Notify the District Office with the following information:
- Date, time, and exact location of the release or threatened release

Comprehensive School Safety Plan 52 of 66 2/21/19
- Name and telephone number of person reporting
- Type of chemical involved and the estimated quantity
- Description of potential hazards presented by the spill
- Document time and date notification made
- Other emergency personnel responding (Highway Patrol, CALTRANS, etc.)
- Locate a fire extinguisher and have present, should the need arise
- Place reflective triangles or traffic cones if in street or highway. DO NOT LIGHT FLARES!
- If spill response equipment is available use it to take the necessary measures to prevent the spill from spreading.

Reporting Chemical Spills

Once an emergency spill response has been completed, the person reporting the initial spill must complete a SPILL RESPONSE EVALUATION. The incident must be reported to the Superintendent WITHIN 24 HOURS OF THE SPILL.

Spill Clean Up

Chemical Spills may not be cleaned up by school personnel. Call the Facilities Manager at 729-2281. The cleanup will be coordinated through a designated contractor.

HAZARDOUS SUBSTANCES

Hazardous Substances include the following, but is not limited to the following:

Gasoline Lacquer Thinner

Solvents Paint

Motor Oil Agricultural Spray

Diesel Fuel Paint Thinner

Kerosene Stain

Anti-Freeze

Airborne Gases/Fumes Brake Fluid

Always call for assistance and:

- Extinguish all ignition sources
- Shut off main emergency switch to fuel pump, if appropriate
- Move appropriate fire extinguishing equipment to area
- If possible, contain the spill to prevent further contamination
- Move people/personnel away or evacuate from contamination area

Staff and students will evacuate the area immediately, if appropriate. Move uphill, upwind, upstream if possible.

VEHICLE FUEL SPILL

When a spill has occurred, the first thing to do is to keep the situation from worsening. Follow these steps:

- Shut off emergency switch
- Avoid skin contact
- Isolate the spill from people and vehicles by blocking all points of entry
- Stop and evaluate any hazards
- Prevent discharge into storm drains. Divert the flow by sealing off areas with absorbents. Prevent runoff. Use absorbent

"socks" or "booms" to contain the spill

Comprehensive School Safety Plan 53 of 66 2/21/19

- Identify the source, estimated quantity spilled and stop further release(s) - IF IT CAN BE DONE SAFELY
- Take care of any injured
- Notify the District Office.
- If the spill is unmanageable, contact the Fire Department by calling 9-1-1

If, after attempted containment, the release still poses either a present or a potential threat, notify the California Office of Emergency Services and local emergency assistance organizations (fire, police, etc.). Give the following information:

- Date, time, and exact location of the release
- Name and telephone number of persons reporting the release
- The type of fuel spilled and the estimated quantity
- Description of potential hazards presented by the fuel spill
- Document the time and date notification was made and the information provided

- A written report to the appropriate office of the California Department of Health Services is required within 15 days after

the incident. Contact the District for assistance with this report.

Bomb Threat/ Threat Of violence

Most likely, threats of a bomb or other explosive device will be received by telephone.

THE PERSON RECEIVING THE BOMB THREAT WILL:

- Attempt to gain as much information as possible when the threat is received. Do not hang up on the caller.
- Use the "Bomb Threat checklist" form (attached) as a guide to collect the information needed. Don't be bashful about asking direct, specific questions about the threat. Keep the caller on the phone as long as possible. If the threat is received by phone, attempt to gain more information.

The most important information is:

- When will the bomb explode and where is the bomb located?
- Immediately after receiving the bomb threat, the person receiving the call will verbally notify the building administrator of the threat received. Complete the "bomb threat checklist" form (attached).
- Turn off cellular phones and/or walkie-talkie radios (transmits radio waves--could trigger a bomb).

BUILDING ADMINISTRATOR WILL (IF NECESSARY):

- Call 9-1-1. Give the following information:
- Your name
- Your call-back phone number
- Exact street location with the nearest cross street
- Nature of incident
- Number and location of people involved and/or injured
- Notify Chief Executive Office.
- Evacuate involved buildings using fire drill procedures.

The administration must have Chief Executive Officer's permission to evacuate the entire site.

- Implement a systematic inspection of the facilities to determine if everyone is out.
- Fire Department or Police Officers shall organize a search team to check for suspicious objects; a bomb can be disguised to look like any common object. Site employees should be ready to assist as needed.
- Maintain an open telephone line for communications.
- Secure all exits to prevent re-entry to buildings during the search period.
- Be certain people stay clear of all buildings; a bomb(s) may be planted against an outside wall. The blast will be directed in large part away from the building.
- Re-occupy buildings only when proper authorities give clearance

- If the bus disaster involves injury of any type, the incident commander will immediately contact 911
- -The incident commander will follow the lead and directions of first responders
- Parent coordinator will work with the school director to contact families of injured parties

Disorderly Conduct

At LVLA, Disorderly Conduct may involve a student or staff member exhibiting threatening or irrational behavior. If the perpetrator is armed, refer to Armed Assault on Campus.

Procedure 1. Upon witnessing a Disorderly Conduct, staff should take steps to calm and control the situation and attempt to isolate the perpetrator from other students and staff, if it is safe to do so.

2. Staff will immediately notify the School Administrator.
3. The School Administrator at LVLAA will initiate the appropriate Immediate Response Actions, which may include SHELTER-IN-PLACE, LOCK DOWN, EVACUATE BUILDING or OFF-SITE EVACUATION
4. The School Administrator at LVLAA will call 911, and provide the exact location and nature of the incident.
5. If an immediate threat is not clearly evident, the School Administrator at LVLAA or a staff member may attempt to diffuse the situation. Approach the perpetrator in a calm, non-confrontational manner and request he or she leave the campus. Avoid any hostile situations.
6. If the perpetrator is an LVLA student, an attempt should be made to notify the family. (Family members may provide useful information on handling the situation.)
7. The School Administrator at LVLA will notify the CEO of the Foundation of Hispanic Education of the situation.

Earthquake

Earthquake Tips:

- If you're OUTDOORS, move to a clear area away from trees, signs, buildings, electrical wires, and poles.
- If you're on a SIDEWALK NEAR BUILDINGS, duck into a doorway to protect yourself from falling bricks, glass, plaster, and other debris.
- If you're in a WHEELCHAIR, stay in it. Move to cover, if possible, lock your wheels, and protect your head with your arms.
- If you're in a STADIUM OR THEATER, stay in your seat and protect your head with your arms. Do not try to leave until the shaking is over, then leave in a calm, orderly manner. Avoid rushing toward exits.

AFTER THE EARTHQUAKE CHECK LIST

- Be prepared for aftershocks, and plan where you will take cover when they occur.
- Check for injuries. Give first aid, as necessary.
- Remain calm and reassure others.
- Avoid broken glass.
- Check for fire. Take appropriate actions and precautions.
- Check gas, water, and electric lines. If damaged, shut off service. If gas is leaking, don't use matches, flashlights, appliances, or electric switches. Open windows, leave building, and report to gas company.
- Replace all telephone receivers, and use for emergency calls only.
- Tune to the emergency broadcast station on radio or television. Listen for emergency bulletins.
- Stay out of damaged buildings.

Explosion or Risk Of Explosion

If an explosion occurs near or on the campus, the following procedures will be enacted:

- The incident commander will assess the impact of the explosion and initiate emergency protocols which could include LOCKDOWN or Evacuation
- If the emergency warrants 911, the incident commander will contact 911 and follow direction from first responders
- If evacuation is necessary, the incident commander will announce for evacuations procedures to be enacted

To mitigate the risk of explosion, the following procedures have been enacted:

- Chemicals used for lab and learning purposes are properly stored and secured in fire proof cabinets as outlined in CA Ed Code
- LVLA conducts an annual walk through with the SJFD to ensure the school is up to code and there is no risk of fire or explosion

Fire in Surrounding Area
If a fire is discovered in the surrounding area of the schools, the following procedures will occur:

- Observer will immediately contact the incident commander
- Incident commander will assess the threat of the fire and contact 911
- If the school is in peril, the procedures for a fire on school grounds will be enacted

Fire on School Grounds
Fire Drill

The object of a fire drill is to prepare students, staff and faculty for exiting their classrooms or campus during a fire related emergency. The drills are conducted by Yerba Buena High School's discipline team.

How to Report a Fire

If you discover a fire on campus, do the following: Pull the fire alarm and call 911

(Call 911 from your cell phone and not from the classroom phone)

1. Do not attempt to fight the fire with portable fire extinguishers or fire hoses unless the fire is small and you have been trained in their proper use. DO NOT PUT YOUR LIFE IN DANGER WHILE ATTEMPTING TO CONTROL A FIRE. When in doubt, evacuate.

2. Remain calm while talking to the 911 dispatcher. Be prepared to answer several questions as to location, size of fire, your name, number of persons in the building (if known) and any injuries. Remain on the line until the dispatcher is finished.

3. Meet fire or police personnel when they arrive to the campus. Stand by to answer any questions they may have concerning the fire. Once out of the classroom DO NOT RE-ENTER FOR ANY REASON, unless emergency personnel have given the “ALL CLEAR” signal.

Fire Exit Procedure

Below are the steps to follow when establishing and participating in fire drills or emergencies:

1. The fire exit plan shall include everybody in the classroom/building. There are no excuses for not participating. Everyone must leave the classroom/ building during a drill.

2. Diagram and post two routes to the outside from all rooms.

3. Designate a meeting place outdoors which is away from the building and clear of entrances. The designated meeting place should be at least 50 feet from the building.

4. Locate a method of calling 911 near the designated meeting place that does not involve re-entering the building.

5. Establish a method to account for those known to be in the building at the time the alarm is sounded. In case of actual fire conditions, information regarding persons believed to be in the building should be made available to responding emergency crews.

(Do not return inside.Only trained search & rescue personnel should re-enter an evacuated area.)

If the fire is INSIDE your room: Leave your room and close the door.

IF the fire is NOT in your room: With your hands, test the door for heat before opening.

IF THE DOOR IS HOT:

- Stay in your room or lab.
- Phone for help.

- Stay calm.
- Seal cracks with wet towels.
- Wait for help.

IF THE DOOR IS COOL:

- Take your room key.
- Open the door slowly.
- WALK to the nearest exit and leave the building.
- If the exit is unsafe, return to the room and remain there.
- If the hall is smoky, stay low or crawl out on your hands and knees

Flooding

In the event of flooding near or on the LVLA campus the following procedures will be enacted:

- The school administrator will assess the potential threat and initiate the appropriate immediate response, which may include Shelter in place, evacuation, or offsite evacuation
- The school administrator will contact 911 and describe the nature and extent of the flooding
- If the school administrator issues the evacuate building or off-site evacuation action, staff and students will evacuate affected areas
- The school administrator will contact the TFHE CEO and the ESUHSD
- If necessary, the school administrator will initiate the parent alert system

Loss or Failure Of Utilities

IT IS THE INTENT TFHE THAT SCHOOLS WILL REMAIN OPEN DURING A POWER OUTAGE.

There are several stages of alerts that are being broadcast over the radio:

? STAGE 1 EMERGENCY indicates that the operating reserves in the real-time market are forecasted to be less than the California Independent System Operator (CAISO) Minimum Operating Reserves criteria.

? STAGE 2 EMERGENCY indicates that the operating reserves in the real-time market are forecasted to be less than five (5) percent.

? STAGE 3 EMERGENCY indicates that the operating reserves in the real-time market are forecasted to be less than 1.5 percent

If the district is notified of a STAGE 3 EMERGENCY, possible-affected sites will be contacted as soon as practicable. Once notified, turn off PCs, monitors, printers, copiers, and lights when not in use or not needed. If you cannot turn off the whole computer, turn off the monitor and the printer. Shut off lights in unoccupied rooms. In spite of everyone's best effort to communicate, it is possible that an outage will occur with no notice to the district. To keep abreast of the daily situation, listen to 740AM (KCBS) radio station as you are driving into work for the status of the day.

PREPARING FOR AN OUTAGE

? Update each student's emergency card.

? Determine availability of portable lighting at site, i.e. flashlights & batteries.

? Find out that when power is lost, do emergency lights go on and do the "Exit" signs remain lit?

? Clear away materials and boxes from hallways and pathways.

? Check school district's PG&E Block list to determine in which PG&E block your site is located. As a note, Block 50's power

will not be interrupted.

? Ask your teachers to have alternative teaching methods and plans to be used at STAGE 3 only.

? Conduct a survey of your site for the classrooms and offices with no windows and prepare relocation plans.

? Plan alternative communication methods that suit your site, such as runners, cell phones, or radios.

? Develop a site plan such as a buddy system or chaperone, for restrooms or any other necessary leave during this period.

? Have flashlights & replacement batteries available for the restrooms and other locations with no windows.

? Ask your staff and students to have seasonal warm clothing available.

? Use surge protectors for all computer equipment, major appliances and electronic devices.

? If you have electric smoke detectors, use a battery-powered smoke detector as a back up.

DURING AN OUTAGE
? CONTACT MAINTENANCE & OPERATIONS IMMEDIATELY IF YOUR SITE IS EXPERIENCING A BLACKOUT.

? According to SBC (Telephone Company), phones connected directly to a phone jack will be operable. Phones that require power from an electrical outlet will not work.

? If an outage lasts more than 30 minutes, have pre-designated people walk through the campus and check on the status of individuals in each building.

? Use a buddy system when going to the restrooms.

? DO NOT USE bar-b-cues, Coleman-type stoves, hibachis and other outdoor-cooking devices indoors.

? DO NOT USE candles or gas lanterns.

? Turn off PCs, monitors, printers, copiers, major appliances and lights when not in use or not needed. If you cannot turn off the whole computer, turn off the monitor and the printer.

? Shut off lights in unoccupied rooms.

The rolling outages should not last more than two hours and, with some preparation, business can be conducted as close to normal as possible.
If a power outage is prolonged, the principal should contact the Vice President's for directions (release students/staff, evacuation to another site, etc.).

Motor Vehicle Crash
MOTOR VEHICLE CRASH
This procedure addresses situations involving a Motor Vehicle Crash on or immediately adjacent to school property. If a crash results in a fuel or chemical spill on school property, refer to Section 5.4, Biological or Chemical Release. If a crash results in a utility interruption, refer to Section 5.13, Loss or Failure of Utilities.
Procedure
1. The School Administrator will initiate appropriate Immediate Response Actions, which may include DUCK AND COVER, SHELTER-IN-PLACE, EVACUATE
BUILDING, or OFF-SITE EVACUATION as described in Section 4.0.

2. If the School Administrator issues the EVACUATE BUILDING action, staff and students will evacuate the buildings using prescribed routes or other safe routes to
the Assembly Area.
3. In the event of an evacuation, Teachers will bring their student roster and take attendance at the Assembly Area to account for students. Teachers will notify the Assembly Area Team of missing students.
4. The School Administrator will call "911" and will provide the exact location (e.g., building, area) and nature of emergency.
5. The School Administrator will notify the Local District Superintendent of the situation.
6. The Security/Utilities Team will secure the crash area to prevent unauthorized access. If the crash results in a fuel or chemical spill, refer to Section 5.4. If the
crash results in a utility interruption, refer to Section 5.13.
7. The First Aid/Medical Team will check for injuries to provide appropriate first
aid.
8. Any affected areas will not be reopened until the Fire Department
provides clearance and the School Administrator issues authorization to do so.
9. The School Administrator will initiate an OFF-SITE EVACUATION

Psychological Trauma

PSYCHOLOGICAL TRAUMA
Crisis management refers to actions during and after any emergency that may have a psychological impact on LVLA students and staff, such as an act of violence; the death of a student or staff member; an earthquake or other natural disaster; a serious environmental problem; or ethnic and racial tensions. Emergencies like those described above usually
produce one or more of the following conditions:
? Temporary disruption of regular school functions and routines.
? Significant interference with the ability of students and staff to focus on learning. ? Physical and/or psychological injury to students and staff.
? Concentrated attention from the community and news media.
As a result of such emergencies, students and staff may exhibit a variety of psychological reactions. As soon as the physical safety of those involved has been insured, attention must turn to meeting the emotional and psychological needs of students and staff.
Procedure

1. The School Administrator at LVLA will establish Psychological First Aid Team, which has primary responsibility for providing necessary assistance after all types of crises.
2. The Student Services Team will assess the range of crisis intervention services needed during and following an emergency.
3. The Student Services Team will provide direct intervention services.
4. If there is a need for additional assistance, the School Administrator will notify the Chief Executive Officer
5. The Student Services Team will advise and assist the LVLAA School Administrator to restore regular school functions as efficiently and as quickly as possible.
6. In performing their duties, the Student Services Team members will limit exposure to scenes of trauma, injury and death.
7. The Student Services Team will provide ongoing assessment of needs and follow-ups services as required.

Suspected Contamination of Food or Water
SUSPECTED CONTAMINATION OF FOOD OR WATER
This procedure should be followed if site personnel report suspected contamination of food or water. This procedure applies where there is evidence of tampering with food packaging, observation of suspicious individuals in proximity to food or water supplies, or if notified of possible food/water contamination by central District staff or local agencies. Indicators of contamination may include unusual odor, color, taste, or multiple employees with unexplained nausea, vomiting, or other illnesses.
Procedure
1. The School Administrator will isolate the suspected contaminated food/water to prevent consumption, and will restrict access to the area.
2. The School Administrator will notify "911", County Department of Health and the Office of Environmental Health and Safety if any contaminated food or water has been ingested.
3. The School Administrator will make a list of all potentially affected students and staff, and will provide the list to responding authorities.

4. The First Aid/Medical Team will assess the need for medical attention and provide first aid as appropriate.
5. The School Administrator will maintain a log of affected students and staff and their symptoms, the food/water suspected to be contaminated, the quantity and character of products consumed, and other pertinent information.
6. School Administrator will call Fire Department which will conduct an onsite review to determine necessary follow-up actions including the need to notify other potentially affected District facilities.
7. The School Administrator will confer with the County Department of Health Services before the resumption of normal operations.
8. If tampering is evident, notify the Fire Department
9. The School Administrator will notify parents of the incident, as appropriate.

Unlawful Demonstration or Walkout

UNLAWFUL DEMONSTRATION/WALKOUT
At LVLAA, an unlawful Demonstration/Walkout is any unauthorized assemblage on or off campus by staff or students for the purpose of protest or demonstration.

Procedure
1. Upon indication that an unlawful demonstration or walkout is about to begin, personnel should immediately notify the School Administrator.

2. LVLA Students not participating in the demonstration or walkout should be kept within their classrooms until further notice by the School Administrator.

3. LVLA administration will never make any attempt to physically impede a student from demonstrating or walking out of school

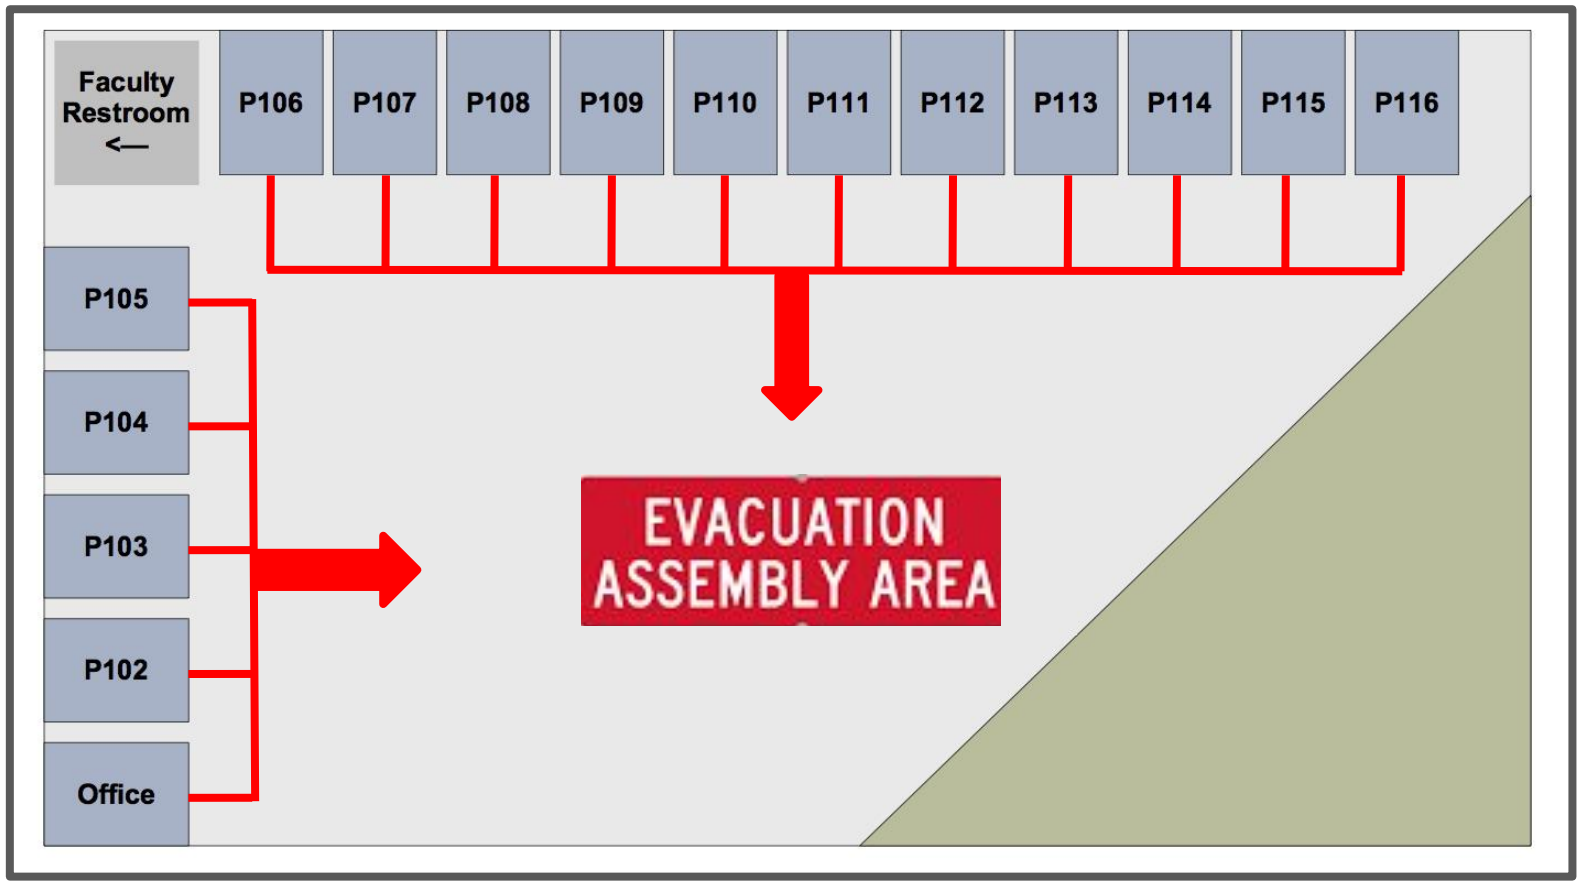

4. LVLA administration will make very attempt to document each student who decides to walk out or leave campus in demonstration

5. The School Administrator at LVLA should proceed in good judgment as to how to respond based on the nature of the walkout or demonstration

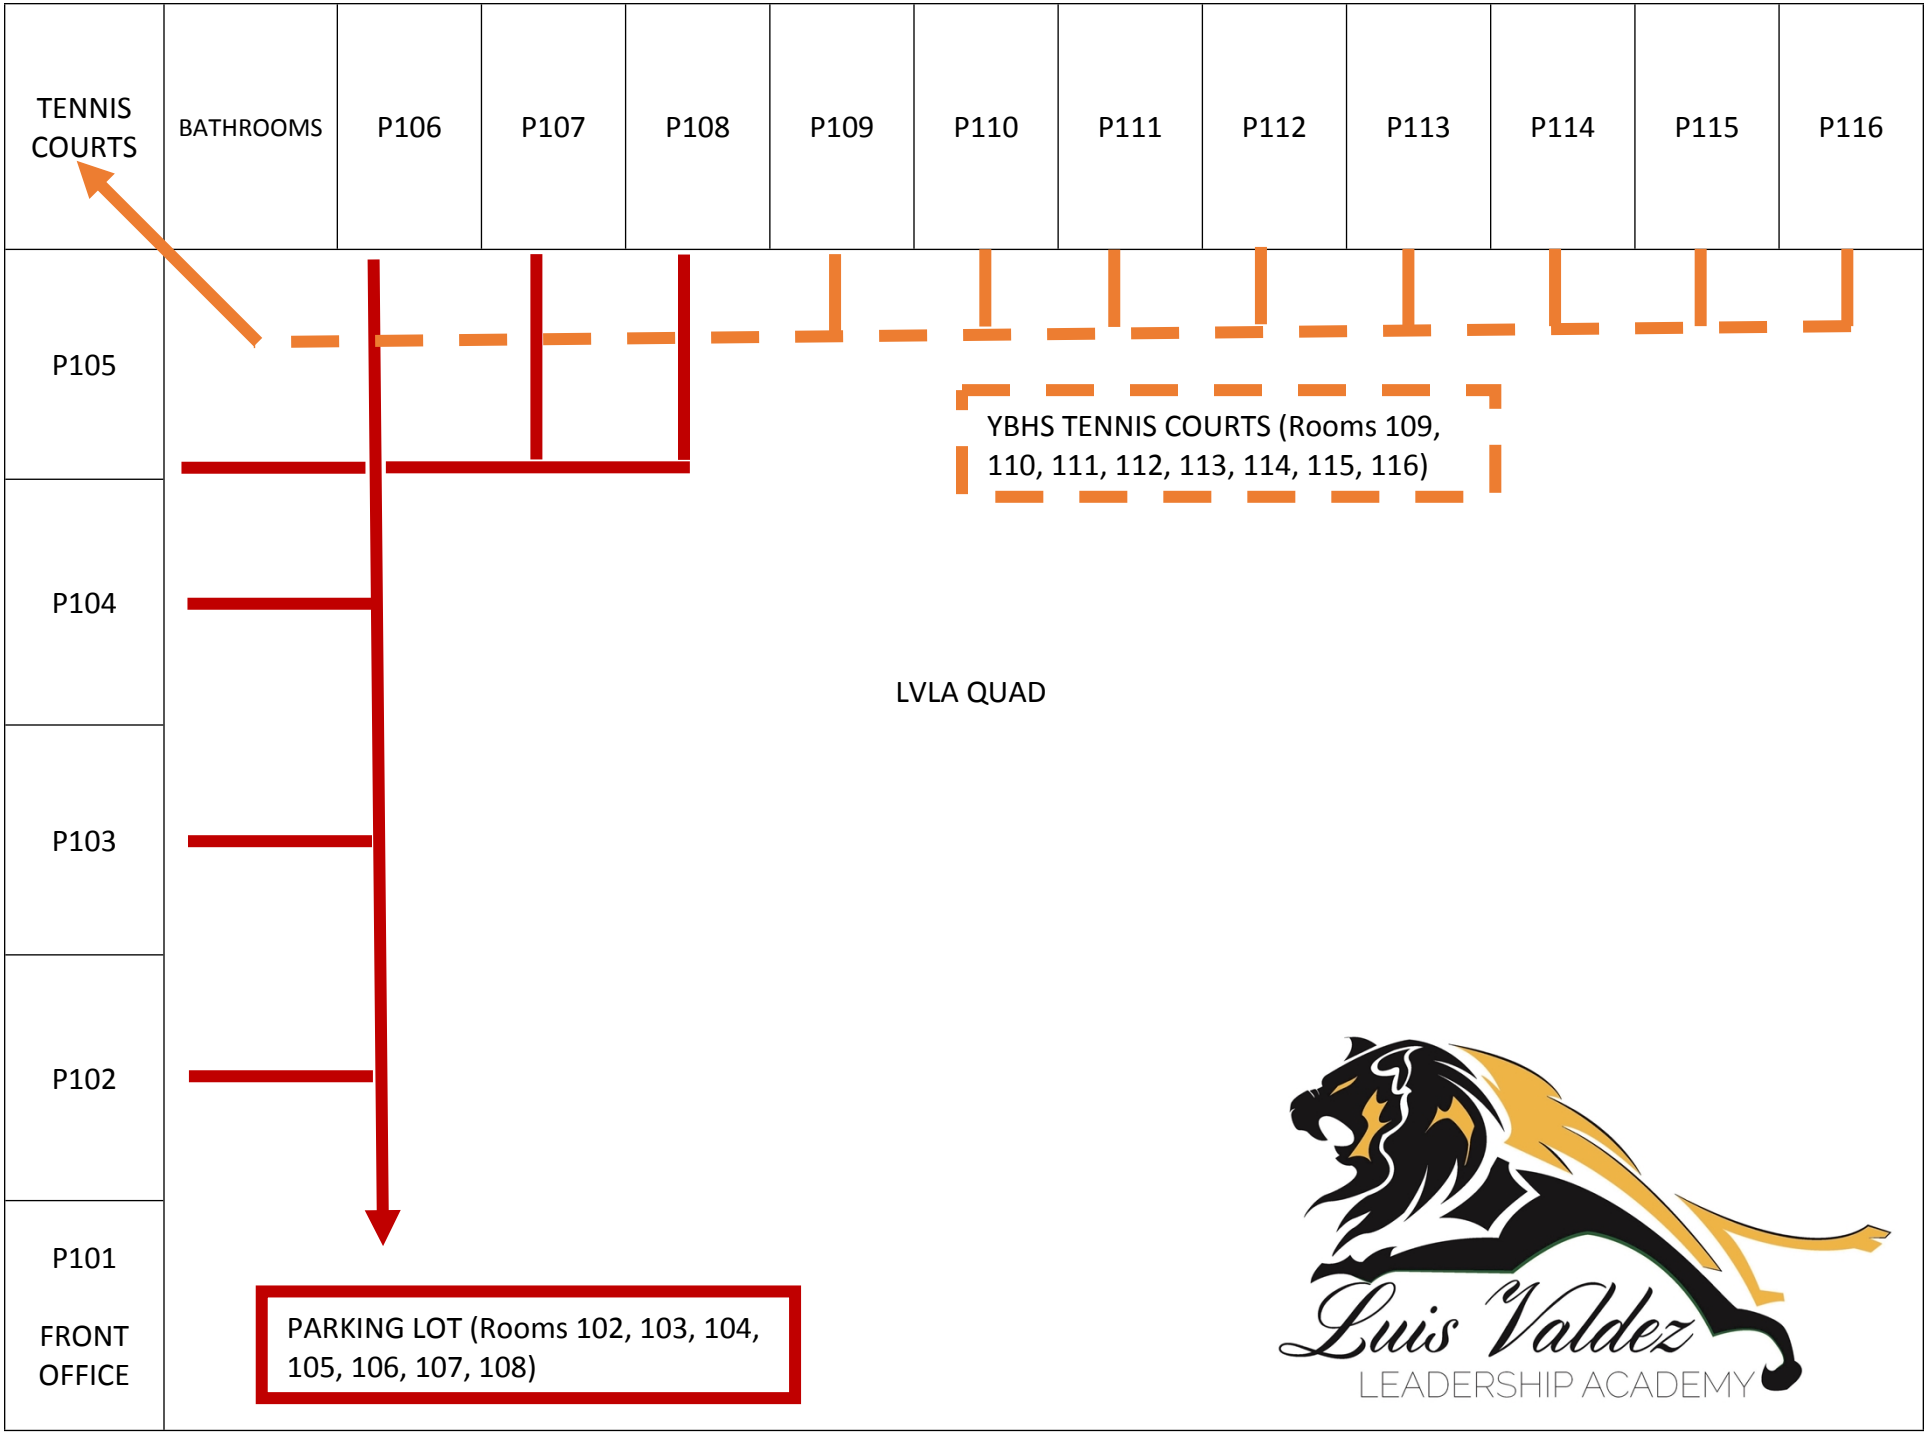

9. The School Administrator at LVLA will notify parents of the incident, as appropriate.

Luis Valdez Leadership Academy
Enrollment Info Packet

Overview

Luis Valdez Leadership Academy (LVLA), often referred as LVLA, is a small, personalized, college-prep charter high school that serves an urban, residential, low-income community in East San Jose, CA. LVLA is committed to providing comprehensive learning experiences to academically low achieving English language learner students within a vibrant, culturally rich, college-going environment. LVLA is managed by The Foundation for Hispanic Education and chartered by the East Side Union High School District. LVLA opened its doors for its inaugural school year in August 2014 with a class of 100 students. This was preceded by a two-week Summer Bridge transition program for incoming 9th graders which culminated with a grand ribbon cutting ceremony, attended by LVLA students, their families, community and educational leaders and a few of the family members of our school's namesake, Luis Valdez.

The charter school is open to all students, on a space available basis, and does not and will not discriminate on the basis of ethnic or racial background.

Mission and Vision

Mission: To provide a rigorous academic program designed to instill a lifelong passion for learning and to equip students with the skills for social and academic success at community colleges and four-year universities. Through an emphasis on visual and performing arts, digital media and culturally sustaining pedagogy, LVLA will graduate empowered young adults who are poised, confident, and articulate leaders. Through a focus on the Spanish language, for both native speakers and Spanish language learners, LVLA students will use their education, bi-literacy and life experiences to create positive changes in their own lives, in their own families and within their communities. Through leadership, responsibility and resilience, LVLA graduates will make a positive impact on the East San Jose community and beyond.

Vision: In order to prepare ELL students for success in competitive four-year colleges and universities, the Luis Valdez Leadership Academy has created a focused learning environment that cultivates an ELL students' leadership traits and academic skills. In line with the school's mission is the underlying belief that one of the fundamental purposes of education is to empower a learning community. That is, an ELL student must develop a sense of purpose that exceeds mere social or economic gain. Through intentional teaching and modeling and constant reinforcement of strong leadership traits, the Luis Valdez Leadership Academy staff and students operate by four central values: Leadership, Excellence, Responsibility, and Resilience.

Difference between LVLA and a Regular Public High School

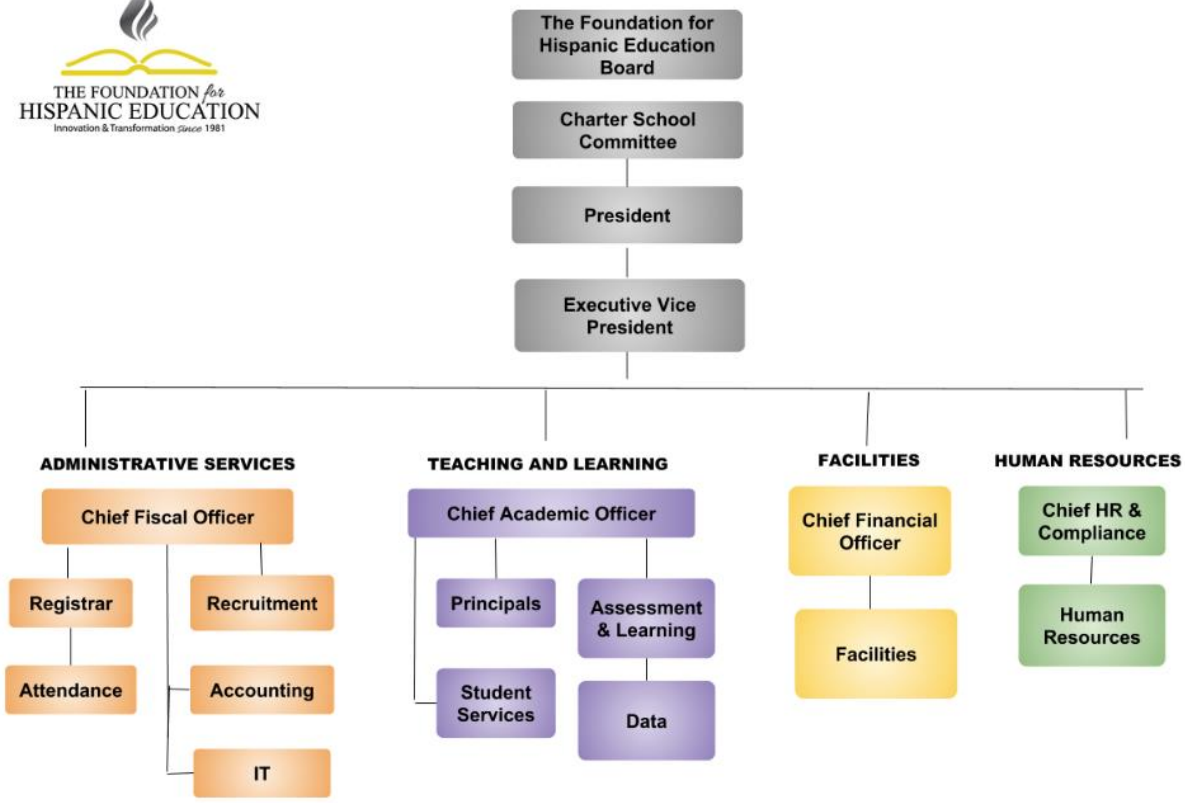

LVLA is a public charter high school, though similar to regular high schools, LVLA was founded by The Foundation for Hispanic Education, a private Foundation that operates in a public setting. LVLA operates mostly under public funds, with some monies from donations made to the Foundation for Hispanic Education. Similar to public schools, LVLA is held to a very high regulatory and compliance standard in order to ensure that practices, operations and student outcomes are consistent with state mandates.

A public school operates on public funds. To attend, proof of residence is required. Students are usually assigned a high school within their district, based on geographic location and in some cases, school preference. LVLA students have the opportunity to choose their school of interest, even if that school is located outside their specific school district.

TFHE's Mission, Governance and Structure:

The mission of The Foundation for Hispanic Education (TFHE) is to identify, understand, and address the Latino education achievement gap through innovation and collaboration.

The Board of Trustees Charter School Committee is the governing body of the schools operated by The Foundation for Hispanic Education, a 501(c)(3) public benefit corporation. The chart below illustrates the organization's governance and structure from a bird's eye. Under the school principal (not shown here) there are a number of staff members that support the teaching and learning goals, such as: teachers, parent coordinator, academic pathways counselor, socio-emotional/behavioral counselor, English language development and special education services.

Admissions and Enrollment Timeline

The below timeline of Recruitment and Admissions activities is a general outline of the sequence and timing of the general activities relating to new students. The general order of the events will remain, however the details of the events (including enrollment targets) may be modified over time in accordance with best practices. All modifications will be communicated to the ESUHSD, and will be posted on TFHE's and on the school's website in the interest of transparency.

August – June: Application period officially opens

June 30th: Application deadline, if the waitlist is achieved. Otherwise, applications will be accepted continuously.

The first week of July: Public random drawing held, if necessary (more than 120 applications). Status of application mailed to families.

Implementation of Lottery System If Needed

If demand for school slots exceeds the number of slots available, a lottery system will be implemented. It will be held as many days from the start of the school year as possible from the time it becomes clear there will be more applicants than slots.

In order of preference for prospective school families is as follow:

First Priority:	Current families (siblings)
Second Priority:	Families within the East Side Union High School District
Third Priority:	Non-district students

If such a lottery becomes necessary, it will be held as many days from the start of the school year as is possible from the time it becomes clear there will be more applicants than slots. This will be done to give those students not admitted to the charter school sufficient time to register in another school.

The charter school is open to all students, on a space available basis, and does not and will not discriminate on the basis of ethnicity, national origin, gender, disability or racial background.

School Capacity

The capacity of the school is approximately 400 students, with the goal of maintaining a student to teacher ratio of 25:1.

Accreditation

Our academic curriculum has been accredited by the Accrediting Commission for Schools Western Association of Schools and Colleges (ACS WASC). For more information about our accrediting, please contact our Registrar department.

School Calendar and Activities

The school year consists of 180 instructional days, there is an additional week of supplemental instruction offered to incoming freshmen, during the summer, as part of their school's program.

On Mondays, Tuesdays, Thursdays and Fridays, the school day is from 8:15 a.m. until 3:10 p.m. On Wednesdays the day begins at 8:00 a.m. and ends at 4:00 p.m. During the school day, students will be engaged in the standard curriculum areas of English, mathematics, science, social studies, fine arts, foreign languages, and physical education and health. Additionally, Advisory period is offered school-wide to develop a college-going environment, self-advocacy, and asset building at each grade level. There is a 40-minute lunch break. In addition, interventions and tutoring services are offered during the regular

schedule. Student activities occur during lunch and afterschool as facilitated by student leaders.

Attendance

Regular attendance, arriving on time, and remaining in school for the entire day promotes academic success. Inconsistent attendance translates into lost learning time. While students may make up work, making up assignments or homework cannot take the place of class lessons and the dialogue that occurs between students and teachers during classroom lessons. Therefore, it is expected that all students come to school every day on time, prepared, and ready to learn.

The LVLA staff understands that sometimes absences are unavoidable. In the event that an absence is unavoidable, parents/guardians should follow the procedures set forth in the Student and Parent Handbook. Generally, a student's absence shall be excused when it is due to the following:

- Illness (for self or of a child for whom the student is the custodial parent)
- Medical/dental appointment (for self or of a child for whom the student is the custodial parent)
- Quarantine under the direction of a county or city health officer (for self or of a child for whom the student is the custodial parent)
- Attending funeral services of an immediate family member. Services conducted in California, no more than one day will be excused. For services conducted outside of California, no more than three days will be excused.
- Jury duty
- Certain justifiable personal reasons (the school office has a list of reasons)

An example of a parent program is *Poder de los Padres*/Parent Empowerment. The program is offered on a weekly basis and parents learn how to best support their students at each development stage of their lives, from academics to social development issues. For additional information, please contact the Parent Coordinator at the school office.

Their primary responsibility is to identify common goals and assist the leadership team in establishing a plan to achieve the goals. Notwithstanding any provision to the contrary, to ensure parity, the school site council is comprised of (a) the school principal, classroom teachers and other school personnel, and (b) equal numbers of parents or other community members selected by parents and students. All members are elected, including the community member. Vacancies may be filled by appointments.

The Foundation for Hispanic Education

Use of Technology – Chromebook Agreement

Students at The Foundation for Hispanic Education (TFHE) schools- Latino College Preparatory Academy, Luis Valdez Leadership Academy, and Roberto Cruz Leadership Academy- will be issued Google Chromebooks for use in school and at home. This document provides students and their parents/guardians with information about taking care of the equipment, using it to complete assignments, and being a good digital citizen.

Students and their parents/guardians are reminded that use of TFHE Technology is a privilege and not a right and that everything done on any TFHE-owned computer, network, or electronic communication device may be monitored by school authorities. Inappropriate use of TFHE Technology can result in limited or banned computer use, disciplinary consequences, removal from courses, loss of credit, receiving a failing grade, and/or legal action.

TFHE students and their parents/guardians are responsible for reviewing the TFHE's Use of Technology Policy.

Ownership of the Chromebook

TFHE and its schools retain sole right of possession of the Chromebook. The Chromebooks are lent to the students for educational purposes only for the academic year. Moreover, administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add or delete installed software or hardware.

Responsibility for the Chromebook

Students are solely responsible for the Chromebooks issued to them and must adhere to the following:

- Students must comply with the Use of Technology Policy when using their Chromebooks.
- Students must bring their Chromebooks to school every day and make sure it is fully charged.
- Students must treat their device with care and never leave it in an unsecured location.
- Students must keep their device in a protective case or backpack when traveling.
- Students must promptly report any problems with their Chromebook to their respective school staff.
- Students may not remove or interfere with the serial number and other identification tags.
- Students may not attempt to remove or change the physical structure of the Chromebook, including the keys.
- Students may not attempt to install or run any operating system on the Chromebook other than the ChromeOS operating system supported by TFHE.
- Students must keep their device clean and must not touch the screen with anything (e.g., your finger, pen, pencil, etc.) other than approved computer screen cleaners.

Responsibility for Electronic Data

The students are solely responsible for any apps or extensions on their Chromebooks that are not installed by a member of TFHE technology staff. Students are responsible for organizing, managing, and maintaining their files in Google Drive.

Users of TFHE Technology have no rights, ownership, or expectations of privacy to any data that is, or was, stored on the Chromebook, school network, or any school-issued applications and are given no guarantees that data will be retained or destroyed.

Digital Citizenship

Students must follow the five conditions of being a good digital citizen:

1. **Respect Yourself.** I will show respect for myself through my actions. I will consider the information and images

that I post online

2. **Protect Yourself**. I will ensure that the information, images and materials I post online will not put me at risk. I will report any attacks or inappropriate behavior directed at me.
3. **Respect Others**. I will show respect to others through my actions. I will not use electronic mediums to antagonize, bully, harass or stalk other people.
4. **Protect Others**. I will protect others by reporting abuse, not forwarding inappropriate materials or communications, etc.
5. **Respect and Protect Intellectual Property**. I will request permission to use resources and suitably cite any and all use of websites, books, media etc. I will acknowledge all primary sources and validate information.

Copyright and File Sharing

Students are required to follow all copyright laws around all media including text, images, programs, music, and video. Downloading, sharing, and posting online illegally obtained media is against the Use of Technology policy.

Spare Equipment and Lending

If a student's Chromebook is inoperable, the school has a limited number of spare devices for use while the student's Chromebook is repaired or replaced. This agreement remains in effect for loaner computers. The student may not opt to keep an inoperable Chromebook to avoid doing class work due to loss or damage. If a student does not bring his/her Chromebook to school, the student may be required to borrow a device from the school based on the direction from his/her teacher. Disciplinary action may result for failure to bring a fully charged Chromebook to school.

Warranty and Insurance

The Foundation will repair or replace damaged equipment resulting from normal use. All other breakages will be the responsibility of the student to pay for. The Foundation will make its best attempt to purchase replacement parts at the best possible price. Loss or theft of the device is also the student's responsibility and will result in the student being charged the full replacement cost to purchase a new device. Families are responsible for buying insurance for their Chromebooks through a third party. LVLA will provide contact information for the third party insurance providers.

Signature Form

By signing the below, the student and their parent/guardian agree to follow and accept:

- Use of Technology Policy
- The Chromebook Agreement.
- The Chromebook Procedures and Information for Students and Parents Guide.
- If the student ceases to be enrolled at a Foundation school, the student/parents will return the Chromebook in good working order or pay the full replacement cost of the computer.
- In no event shall the schools be held liable to any claim of damage, negligence, or breach of duty.

Consent for Participation

While attending Luis Valdez Leadership Academy (LVLA), you have access to Student Support Services. Our school staff, administrators, and counselors are dedicated in helping you succeed in school, as well as in other aspects of your life. We are here to help you advance your educational goals, social development, career aspirations, and so much more. It is important to know that we will listen and attempt to help you with any issues you might have.

Your student has expressed an interest in participating in Student Support Services. These services are free of charge and will be provided at school during school hours. Services are delivered through both individual and support group formats. Most times students are asked to miss class for a designated period of time once a week. Teachers decide whether or not it would be problematic to miss class and in some cases students will be required to make-up missed work. In order for a student to participate, we must have your consent. If you wish to provide consent for these services, please fill out and return the form with your student.

Any information you share with a counselor during a counseling session will remain confidential. However, according to California Law, educators and school staff are mandated reporters and must breach confidentiality under the following circumstances when there is a reasonable suspicion of:

- An incident of child abuse, past or present
- An incident of elder abuse or dependent adult abuse
- Serious threat of harm to oneself or others
- Under the influence of drugs or alcohol or in possession of on campus
- In possession of any type of weapon on campus
- If the court issues a subpoena to testify in court

These records will not be part of the educational cumulative file maintained by the school district. This consent shall remain in effect for one year from the date of signature. Students will be seen by a Mental Health Provider (Social Work Intern, MFT Intern, or Licensed LCSW/LMFT Provider). If you have any questions relating to the contents above or should you require further information, please feel free to contact the Mental Health Services Coordinator, Rochelle Fong, at (408) 384-4015.

THE FOUNDATION for HISPANIC EDUCATION
Innovation & Transformation Since 1981

Dear Parent/Guardian:

Latino College Preparatory Academy, Luis Valdez Leadership Academy, and Roberto Cruz Leadership Academy participates in the National School Lunch Program and/or School Breakfast Program by offering healthy meals every school day. At all school locations within the district, healthy lunches and/or breakfasts are served **at no charge** to each child every school day. The meal programs that we provide are supported by federal and state reimbursements that are based on household income and eligibility. We are able to serve meals at no charge solely because households continue to submit meal applications. Your cooperation is appreciated.

This packet includes an Application for Free and Reduced-Price Meals and a set of detailed instructions. Below are some common questions and answers to help you with the application process.

1. **WHO CAN RECEIVE FREE OR REDUCED-PRICE MEALS**?
   - All children in households receiving benefits from CalFresh, CalWORKs, or FDPIR are eligible for free meals.
   - Foster children under the legal responsibility of a foster care agency or court are eligible for free meals.
   - Children participating in their school's Head Start program are eligible for free meals.
   - Children who meet the definition of homeless, migrant, or runaway are eligible for free meals.
   - Children may receive free or reduced-price meals if your household's income is within the limits of the federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart.

2. **HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?**
   Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will qualify for free meals, please call or email Damian Perez at 408-585-5022 ext. 1018 and/or dperez@tfhe.org.

3. **DO I NEED TO COMPLETE AN APPLICATION FOR EACH CHILD**?
   No. Complete **one** Application for Free and Reduced-Price Meals for all students in your household. We cannot approve an Application that is not complete, so be sure to fill out all required information. Return the completed Application to: Maria Ramirez, 14271 Story Road, San Jose, CA 95127, 408-585-5022 ext.1019, mramirez@tfhe.org.

4. **SHOULD I COMPLETE AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS?**
   No, but please read the letter carefully and follow any instructions. If any children in your household were missing from your eligibility notification, please contact Maria Ramirez located at 14271 Story Road, San Jose, CA 95127 via phone number 408-585-5022 ext.1019 and/or e-mail at mramirez@tfhe.org immediately.

5. **CAN I APPLY ONLINE?**
   Yes! You are encouraged to complete an online Application instead of a paper Application if you are able. The online Application has the same requirements and will ask you for the same information as the paper Application. Visit www.mymealtime.com to learn more about the online Application process.

6. **MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE?**
   Yes, if you want to participate in the meal program. Your child's Application is only good for one school year at a time and for the first few days of the following school year. You must send in a new Application by 8/23/16 unless the school told you that your child is eligible for the new school year. If you do not send in a new Application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

7. **I RECEIVE WOMEN, INFANTS AND CHILDREN (WIC) BENEFITS. CAN MY CHILDREN RECEIVE FREE MEALS?**
   Children in households participating in WIC **may** be eligible for free or reduced-price meals. Please complete an Application.

8. **WILL THE INFORMATION I PROVIDE BE CHECKED?**
   Yes. School officials may verify the information on the Application at any time during the school year. You may be asked to send additional information to prove your income, or current eligibility for CalFresh, CalWORKS, or FDPIR.

9. **IF I DO NOT QUALIFY NOW, MAY I APPLY LATER?**
   Yes, you can apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may be eligible for free and reduced-price meals if the household income drops below the income limit.

10. **WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION REGARDING MY APPLICATION?**
    You should talk to the school officials. You may also ask for a hearing by calling or writing to: Maria Ramirez located at 14271 Story Road, San Jose, CA 95127 via phone number 408-585-5022 ext.1019 and/or e-mail at mramirez@tfhe.org immediately.

11. **MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN?**
    Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.

12. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?**
    List the amount that you **normally** receive. For example, if you normally make $1,000 each month, but you missed some work last month and only made $900, enter on the Application that you made $1,000 per month. If you

normally receive overtime, include it, but do not include it if you only occasionally work overtime. If you have lost your job or had your hours or wages reduced, use your current income.

13. **WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT?**
    All household members must be included on the Application even if the individual does not receive income. Whenever this happens, please write a "0" in the income field. However, if any income fields are left empty or blank, the income will be counted as zero. Please be careful when leaving income fields blank, as we will assume you meant to do so.

14. **WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY?**
    Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

15. **WHAT IF THERE IS NOT ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY?**
    List any additional household members on a separate piece of paper, and attach it to your application. Contact Maria Ramirez located at 14271 Story Road, San Jose, CA 95127 via phone number 408-585-5022 ext.1019 and/or e-mail at mramirez@tfhe.org to receive a second application.

16. **MY FAMILY NEEDS ADDITIONAL FINANCIAL ASSISTANCE. ARE THERE OTHER PROGRAMS WE CAN APPLY FOR?** Yes. For information on CalFresh and CalWORKs, contact your county welfare department by reviewing the CalFresh Web page at http://www.calfresh.ca.gov/PG839.htm or by phone at 877-847-3663. For additional assistance in your local area, contact the California referral hotline by phone at 211.

If you have other questions or need help, please contact Maria Ramirez located via phone number 408-585-5022 ext.1019 and/or e-mail at mramirez@tfhe.org.

Welcome to the Foundation for Hispanic Education *Familia*!

We are happy to have you join The Foundation for Hispanic Education (TFHE). We believe our organization is truly unique. TFHE was established in 1981 as a product of the late Dr. B. Roberto Cruz's vision of providing quality education and support for all underserved learners, with a focus on Latino students. Committed to its mission *to identify, understand, and address the Latino education achievement gap through innovation and collaboration,* TFHE continually funds and provides resources to local and national initiatives undertaking educational issues facing minorities in innovative ways. Serving the East San Jose community for over 30 years, TFHE currently operates the Center for Latino Education and Innovation, two charter high schools, and a third charter high school opening in 2015.

We serve a diverse group of talented and hardworking students. We regard the work we do as being of utmost importance. Therefore, we have high expectations for professionalism and performance for each one of our employees. All employees should treat all individuals, students, teachers, administrators, volunteers, vendors and family members, with respect and approach all situations as opportunities to learn and succeed.

This manual has been written to provide you with an overview of TFHE, its personnel policies and procedures, and your benefits as an employee of the Foundation and its charter schools.

This manual is intended to explain in general terms those policies that most often apply to your day-to-day work activities. This manual cannot anticipate every situation or answer every question about employment, and it is not an employment contract. Employees are expected to read this manual thoroughly upon receipt, to know and abide by the policies outlined herein, and as revised over time, throughout their employment.

We welcome you to our *familia* and wish you great success and fulfillment at TFHE!

VISION AND MISSION

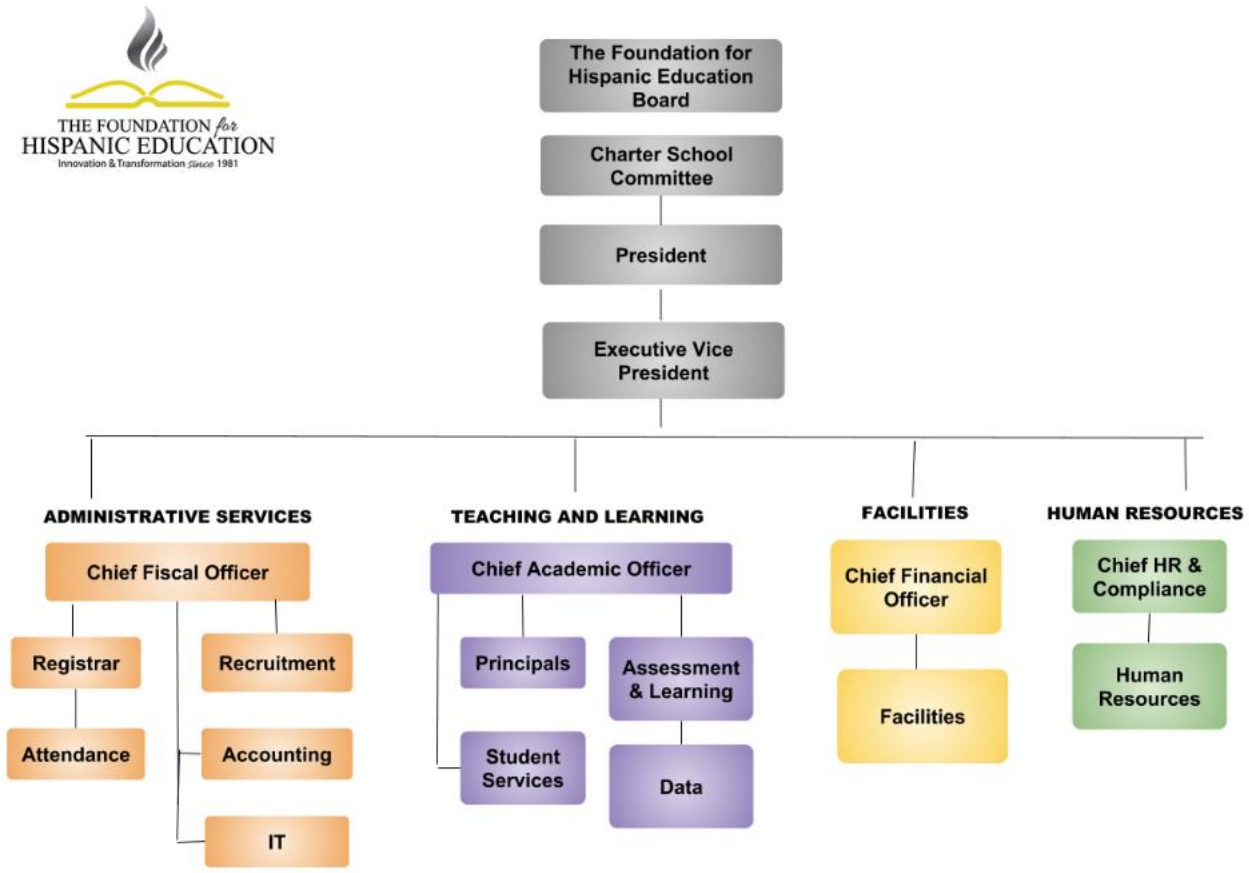

VISION

The Foundation for Hispanic Education envisions a world in which all English Language Learner students are provided with the opportunity to learn in an environment that addresses their educational needs, supports cultural awareness, emphasizes their abilities and provides them with a path to success.

MISSION

The mission of TFHE is to identify, understand, and address the Latino education achievement gap through innovation and collaboration.

GOVERNANCE STRUCTURE

I. INTRODUCTION TO MANUAL

This Manual has been written to serve as a guide for the employer/employee relationship with TFHE and its charter high schools, The Latino College Preparatory Academy (LCPA), The Luis Valdez Leadership Academy (LVLA), and the Roberto Cruz Leadership Academy (RCLA). It explains the policies and procedures that guide employment with TFHE, as well as the priority areas for building a dedicated and competent staff. These priority areas include:

1. Balance between the belief that our student population can and will succeed, and position knowledge and abilities;
2. Willingness and flexibility to incorporate the philosophy and practice of TFHE in day to day performance on the job;
3. Desire to be a life-long learner both individually and as a collective part of a team or community

In addition to the above priorities, Faculty must specifically exhibit:

4. Demonstrated mastery of course content now or the potential to develop mastery within 2 years;
5. Desire and willingness to understand and work with the assets and areas for growth of the individual student in Academic achievement status; Language; Socio-economic status; Culture; and Life experience.
6. Appropriate valid credential, where applicable

Although this Manual encompasses the policies under which TFHE operates, it is not intended to represent all of the policies of the Board of Trustees for TFHE. The intention of this document is to serve as a reference document for employees throughout their employment at TFHE. Employees should understand, however, that this Manual is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of TFHE or its employees. In no way does the Manual replace any official plan documents (e.g., health insurance, retirement plan, Collective Bargaining Agreement, etc.) or insurance contracts, which will govern in all cases. This Manual supersedes and replaces all previous personnel policies, practices, and guidelines.

If any policies or procedures set forth in this document be in conflict with the terms of a Certificated or other contracted employee agreement, that agreement takes precedence.

Due to the fact that TFHE is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Manual, or the policies and procedures on which they may be based, at any time without advance notice. TFHE also reserves the right to interpret any of the provisions set forth in this Manual in any manner it deems appropriate.

No individual other than the Board of Trustees or its designee(s) has the authority to enter into any employment or other agreement that modifies TFHE policy. Any such modification *must* be in writing.

This Manual is the property of TFHE, and is considered confidential and is intended for personal use and reference by employees of TFHE. Circulation of this Manual outside of TFHE requires the prior written approval of the Board President or his/her designee(s).

The standards of conduct apply to all individuals who work on the school premises including independent contractors, vendors, and visitors. Unless otherwise indicated, a benefit, policy, program, or procedure applies, or is available, to ALL eligible employees.

Employees must sign the acknowledgment forms at the front of this Manual, tear it out, and return it to the HR Office. This will provide TFHE with a record that each employee has received this Manual.

II. EMPLOYMENT

A. RIGHT TO REVISE

This employee Manual contains the employment policies and practices of TFHE in effect at the time of publication. All previously issued Manuals and any inconsistent policy statements or memoranda are superseded.

TFHE reserves the rights to revise, modify, delete, or add to any and all policies, procedures, work rules, or benefits stated in the Manual or in any other document, except for the policy of at-will employment. However, any such changes must be in writing and signed by the President of the Board of Trustees.

Any written changes to this Manual will be distributed to all employees so that employees will be aware of the new policies or procedures. No oral statements or representations can in any way alter the provisions of this Manual.

This Manual sets forth the entire agreement between you and TFHE as to the duration of employment and the circumstances under which employment may be terminated. Nothing in this employee Manual or in any other personnel document, including benefit plan descriptions, creates or is intended to create a promise or representation of continued employment for any employee.

B. EMPLOYMENT APPLICATION

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

C. EMPLOYMENT AT-WILL

Except if stated expressly otherwise by employment contract, it is the policy of TFHE that all employees are considered "at-will" employees of TFHE. Employment at-will may be terminated with or without cause and with or without notice at any time by the employee or TFHE. Nothing in this Manual shall limit the right to terminate at-will employment. No manager, supervisor, or employee of TFHE has any authority to enter into an agreement for employment for any specified period of time or to make an agreement for employment on other than at-will terms for TFHE personnel and non-faculty LCPA, LVLA and RCLA staff. Unless otherwise delegated by the President of TFHE, only the President of TFHE has the authority to make any such agreement, which is binding only if it is in writing.

D. EQUAL EMPLOYMENT OPPORTUNITY

TFHE is an equal opportunity employer and makes employment decisions on the basis of merit. We want to have the best available persons in every job. TFHE policy prohibits unlawful discrimination based on race, color, creed, gender, religion, marital status, age, national origin or ancestry, physical or mental disability, and medical condition including genetic characteristics, sexual orientation, or any other consideration made unlawful by federal, state, or local laws. It also prohibits unlawful discrimination based on the perception that anyone has any of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics. All such discrimination is **unlawful**.

E. DISABILITY ACCOMMODATION

TFHE is committed to complying with all applicable provisions of federal, state and local laws prohibiting discrimination on the basis of disability. It is TFHE's policy not to discriminate against any qualified employee or applicant with regard to any terms or conditions of employment because of such individual's disability or perceived disability so long as the employee can perform the essential functions of the job. Consistent with this policy of nondiscrimination, TFHE will provide reasonable accommodation to a qualified individual with a disability who has made TFHE aware of his or her disability, provided that such accommodation does not constitute an undue hardship on TFHE. Employees with a disability who believe they need a reasonable

accommodation to perform the essential functions of their job should contact the HR Department. TFHE encourages individuals with disabilities to come forward and request reasonable accommodation.

AMERICAN WITH DISABILITIES ACT

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact the human resources office and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job. TFHE then will conduct an assessment to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform his or her job. TFHE will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, TFHE will make the accommodation.

If you believe you have been subjected to any form of unlawful discrimination, submit a written complaint to your supervisor or the individual with day-to-day personnel responsibilities. Your complaint should be specific and should include the names of the individuals involved, the names of any witnesses, and the date of the incident. If you need assistance with your complaint, or if you prefer to make a complaint in person, contact the human resources office. TFHE will immediately undertake an effective, thorough, and objective investigation and attempt to resolve the situation.

If TFHE determines that unlawful discrimination has occurred, effective remedial action will be taken commensurate with the severity of the offense. Appropriate action also will be taken to deter any future discrimination. TFHE will not retaliate against you for filing a complaint and will not knowingly permit retaliation by management, employees or your coworkers.

F. ANTI-HARASSMENT

TFHE is committed to providing a work environment free of harassment. TFHE policy prohibits sexual harassment, and harassment based on pregnancy, childbirth or related medical conditions, race, religious creed, color, gender, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, bullying or any other basis protected by federal, state or local law or ordinance or regulation. ***All such harassment is unlawful.*** The Foundation's anti-harassment policy applies to all persons involved in the operation of the Foundation and prohibits harassment by any employee of the Foundation, including supervisors, co-workers and any other persons. It also prohibits harassment based on the perception that anyone has any of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics.

Prohibited harassment includes, but is not limited to, the following behavior:

- Offensive remarks, comments, jokes or slurs pertaining to an individual's race, religion, sex, sexual orientation, gender or gender identity, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages
- Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors regardless of the gender of the individuals involved and whether verbally or by electronic means
- Offensive physical conduct, including touching, regardless of the gender of the individuals involved, including threats of harm, violence or assault
- Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication
- Holding company functions in inappropriate venues, such as a strip-club, sex or gender based practical jokes, sexual favoritism
- Threatening reprisals due to an employee's refusal to respond to requests for sexual favors or for reporting a violation of this policy

- Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual natures, regardless of gender, when:
  - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
  - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
  - Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment.

Responsibility

All Foundation employees have a responsibility for keeping our work environment free of harassment and discrimination.

Reporting

TFHE encourages reporting of all perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been the victims of such conduct should discuss their concerns with their immediate supervisor, or the Human Resources Coordinator. In addition, TFHE encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. TFHE recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although it is understood that an investigation will normally require the involvement of third parties. TFHE is serious about enforcing its policy against harassment; however, TFHE cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to TFHE's attention so it can take whatever steps are necessary to correct the problems.

Retaliation

Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

Conclusion

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination and retaliation. TFHE will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with his/her immediate supervisor or the Human Resources Coordinator. Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of TFHE prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and perquisites of employment. The prohibitions against harassment, discrimination and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

PROCEDURE FOR FILING AN UNLAWFUL HARRASSMENT COMPLAINT

All complaints of harassment or discrimination will be promptly investigated. If the investigation substantiates the accusations, the appropriate corrective action will be taken. This may include, but not be limited to, reprimand, suspension or dismissal, depending on the nature and severity of the offense. Appropriate action will also be taken in the event the accusations are intentionally false or malicious in intent.

Individuals who believe they have been the victims of conduct prohibited by this policy statement or believe they have witnessed such conduct should discuss their concerns with their immediate supervisor or the Human Resources Department, or the President of the Foundation as soon as possible after the incident. Supervisors will refer the complaints to the human resources office or investigative officer. Complaints involving students will be referred to Academic Director. TFHE encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent consistent with adequate investigation methods and appropriate corrective actions. Misconduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as TFHE believes appropriate under the circumstances. False and malicious complaints of harassment, discrimination or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

If the Foundation determines that unlawful harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee determined by the Foundation to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to, and including termination. The Foundation will take appropriate action to remedy any loss to you resulting from harassment. The Foundation will not retaliate against you for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.

The Foundation encourages all employees to report any incidents or harassment forbidden by this policy *immediately* so that complaints can be quickly and fairly resolved. If you believe you have experienced discrimination or harassment, you may file a Department of Fair Employment and Housing ("DFEH") or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC. You may find their phone numbers in the phone directory.

G. WHISTLEBLOWER POLICY

TFHE requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities. As representatives of TFHE, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that TFHE has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of TFHE to raise serious concerns about the occurrence of illegal or unethical actions within TFHE before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of TFHE have a responsibility to report any action or suspected action taken within TFHE that is illegal, unethical or violates any adopted policy of TFHE. Anyone reporting a violation must act in good faith, without malice to TFHE or any individual at TFHE and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action.

For information on filing a report, please contact the HR Department

V CONDITIONS OF EMPLOYMENT

A. IMMIGRATION LAW COMPLIANCE

TFHE employs only personnel authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed an I-9 with TFHE within the past three years or if their previous I-9 is no longer retained or valid.

B. CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide copies of your credential, transcripts, and test scores each fall prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both the HR Department with verification of renewals. Failure to provide these updated documents to the school may result in suspension without pay until such time as the necessary documentation has been provided.

If you allow a credential, certificate, registration, or required course deadline to expire, or if you fail re-certification, training, or testing, TFHE is required to remove you from the work schedule until you meet the requirements or renew your credential.

C. CRIMINAL BACKGROUND CHECKS

TFHE recognizes the importance of maintaining a safe workplace with employees who are honest, trustworthy, qualified, reliable, and nonviolent, and do not present a risk of harm to students, coworkers or others. TFHE will perform applicant background checks and employee investigations as required by Education Code section 47605 [b] [f], which requires that "each employee of the school furnish the school with a criminal record summary".

All employees must have Live Scan fingerprint results on file with TFHE. Proof of Live Scan fingerprinting is a requirement of employment and the results must be provided to TFHE's Custodian of Records prior to the first day of work. Live Scan fingerprinting will be required of all job applicants, employees, and volunteers as required by California and federal law. Background checks may also be required of employees whose job duties involve care of students, handling of money, valuables or confidential information, or as otherwise deemed prudent by the Foundation. These background checks are performed through a fingerprinting service coordinated by the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Any information obtained by TFHE may be taken into consideration in evaluating one's suitability for employment, promotion, reassignment, or retention as an Employee.

TFHE may occasionally find it necessary to investigate current employees, where behavior or other relevant circumstances raise questions concerning work performance, reliability, honesty, trustworthiness, or potential threat to the safety of coworkers, students or others. Employee investigations may, where appropriate, include credit reports and investigations of criminal records, including appropriate inquiries about any arrest for which the employee is out on bail. In the event that a background check is conducted, TFHE will comply with the federal Fair Credit Reporting Act and applicable state laws, including providing the employee with any required notices and forms. Employees subject to an investigation are required to cooperate with TFHE's lawful efforts to obtain relevant information, and may be disciplined up to and including suspension without pay and/or termination for failure to do so.

Employees with adverse background information (such as a criminal conviction) may be ineligible for employment with TFHE. In case of a prior arrest or conviction, the employee must discuss the history of the arrest or conviction with the School's Director, or immediate supervisor if part of the Foundation team. The employee may be required to provide proof of a mistake in the official records or provide official explanation of the nature of the offense.

For additional information on background checks, please contact the HR Department.

Background checks are done at the expense of TFHE.

D. SUBSEQUENT ARREST NOTIFICATION

All employees are subject to "Subsequent Arrest Notification Service" by the Department of Justice (DOJ) once they have been fingerprinted for employment at TFHE or any of its charter schools. Any time an employee is arrested after his or her initial background clearance for the school, the DOJ will notify the Custodian of records and send the school the new CORI information.

E. HEALTH TESTING REQUIRED BY STATUTE

Before the first day of employment, all new employees must have had a tuberculosis (TB) test as described in Education Code 49406 within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's statement must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of your ability to begin work or termination.

Results of these tests are strictly confidential. TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the HR Department has a valid certificate on file.

Testing such as TB testing, are mandated by statute and are done at the expense of the employee, prior to employment.

F. FIRST-AID AND CPR TRAINING

All individuals working unsupervised with children or in a classroom setting (i.e. core teachers, advisors, non-core teachers, administrators) must receive, renew, and maintain basic first-aid and CPR certification by the first day of school for students. TFHE will provide First Aid and CPR training for teachers, assistants and staff. Any employee hired after the beginning of the school year will be required to provide proof of completion of both First Aid and CPR training prior to the first day of work.

For additional information on the training required, please contact the HR Department.

G. CHILD ABUSE AND NEGLECT REPORTING ACT

Since our employees work directly with children, they are in a position to detect instances of child abuse and neglect. It is TFHE's policy that all employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

"Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident."

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Classroom teachers who become aware of suspected child abuse should request class coverage from the Main Office immediately and make reports to the administrators.

It is extremely important that TFHE Charter School employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

The HR Coordinator is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without the school's or TFHE's assistance, he or she is required to notify the school Director of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with any of the charter schools of TFHE.
For information on filing a report, please contact the HR Department

H. PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to the Human Resources department. All requests should be put in writing preferably on the form maintained by Administration. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

I. CHANGES IN EMPLOYMENT

An employee is responsible for notifying the human resources department about changes in the employee's personal information and changes affecting the employee's status (for example, name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

J. TERMINATION OF EMPLOYMENT

Voluntary termination: This results when an employee voluntarily resigns his or her employment, or fails to report to work for three consecutively scheduled workdays without notice to, or approval by, his or her supervisor. All TFHE-owned property, including keys, identification badges, credit cards, laptops, cell phones, etc., must be returned immediately upon termination of employment.

All wages and accrued vacation earned but unpaid for an employee who quits with more than 72 hours notice to TFHE will be paid on the last day of work.

All wages and accrued vacation earned but unpaid for an employee who quits with fewer than 72 hours notices to TFHE will be paid not later than 72 business hours after notice is given. An employee who gives fewer than 72 hours notice will receive his/her final wage payment by mail to his/her last known mailing address. Alternatively and in writing the employee may request to pick up their check at the end of the 72 business hour period. The date of mailing is considered the date of payment for purposes of the 72 hour requirement. The payment deadlines for final wages do not apply to reimbursement of expenses.

Involuntary Termination and Progressive Discipline: Violation of TFHE policies and rules may warrant disciplinary action. TFHE may, in its sole discretion, utilize whatever form of discipline is deemed appropriate under the circumstances, up to, and including, termination of employment.

All wages and accrued vacation earned but unpaid will be paid immediately when an employee is terminated.

The payment deadlines for final wages do not apply to reimbursement of expenses.

Reorganization, Economics, or Lack of Work: Under some circumstances, TFHE may need to restructure or reduce its workforce. If restructuring our operations or reducing the number of employees becomes necessary, TFHE will attempt to provide advance notice, if possible, to help prepare affected individuals.

In determining which employees will be subject to termination, TFHE will take into account, among other things, operation and requirements, the skill, productivity, ability, and past performance of those involved, and also, when feasible, the employee's length of service.

VI EMPLOYMENT PROCESSES

A. EMPLOYEE CLASSIFICATIONS

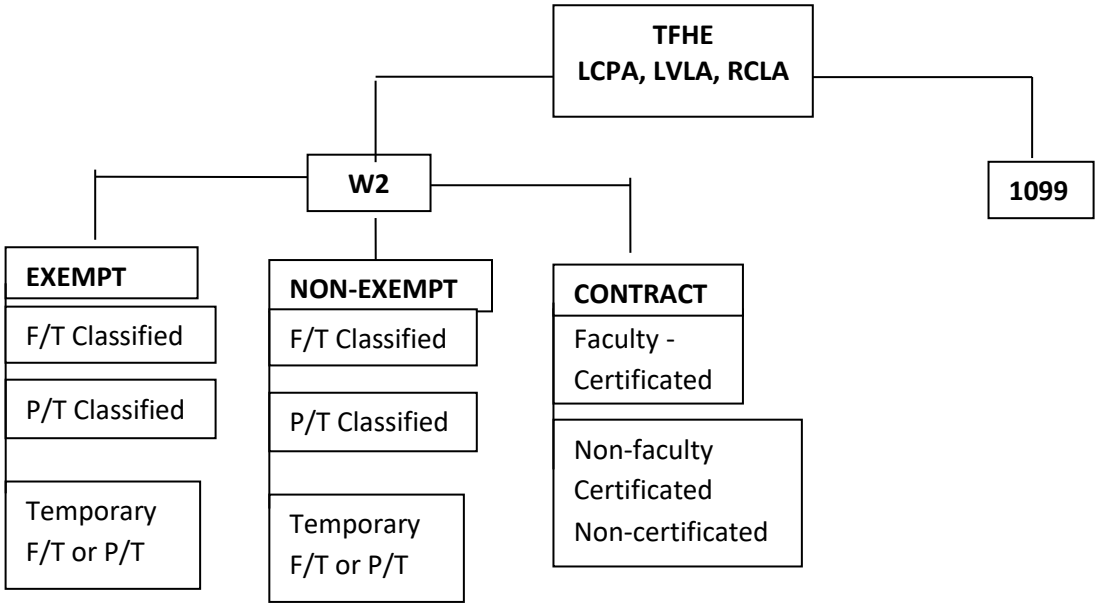

Employee classifications are basically based on how they are paid: W-2 status employees and 1099 non-employee contracted.

W-2 status staff may be regular or certificated contracted employees and are subject to statutorily mandated payroll withholding (see Section IV, B, 1). In addition, W-2 status classified employees are further identified as Exempt and Non-exempt (see Section IV, B. 6 & 7).

1099 staff is contracted, paid on a fee-for-services and not subject to payroll withholding.

Your employee classification is determined based upon the position for which you are applying. An overview of this description follows.

If you are a W-2 employee, other conditions may apply per your employment agreement.

1. New Hires

The first 90 days of employment are considered an introductory period during which time the Foundation evaluates new employees to see if they are suited to the job. Immediate supervisors will closely monitor performance.

During the introductory period, your supervisor will explain your job responsibilities and the performance standards expected of you.

TFHE reserves the right, at any time, with or without notice, to alter or change job responsibilities, reassign or transfer job positions, or assign additional job responsibilities.

Completion of the introductory period does not entitle you to remain employed by TFHE for any definite period of time, but rather allows both you and TFHE to evaluate whether or not you are the right fit for the position.

2. Exempt Employees

This category includes all regular employees who are determined by the organization to be exempt from certain wage and hour provisions of state and federal laws. Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work or time off in lieu of additional compensation. Exempt employees shall be paid an established salary and are expected to fulfill the duties of their positions regardless of hours worked; greater emphasis is placed on meeting the responsibilities assigned to the position than on working a specified number of hours.

Reduced Salary for Exempt Employees: Salaried employees will receive their salary for any week in which they perform any work. For purposes of this salary pay policy, a week is Sunday 12:01 AM through Saturday midnight. An employee will receive his or her full salary for any week in which an employee does any work, subject to the following rules:

- An employee's salary may be reduced for complete days of absence due to sick leave, vacations, and personal leave, before sick leave and vacation benefits accrue or after they are exhausted, and incomplete initial and final weeks of work; and
- An employee's salary will not be reduced due to partial weeks of work due to service as a juror, witness, or in the military, or for lack of work.

This salary pay policy is intended to comply with the salary pay requirements of the California labor law regulations regarding exempt employment. Employees are encouraged to direct any questions concerning their salary pay to the human resources office so that any inadvertent error can be corrected.

3. Non-Exempt Employees

This category includes all regular employees who are covered by certain wage and hour provisions of state and federal laws. Non-exempt employees are entitled to overtime for hours worked beyond 8 hours in one workday or beyond 40 in one workweek, as well as meal and rest breaks as prescribed by law.
Rest Breaks: Rest breaks are provided at the rate of not less than 10 consecutive minutes for each four hours (or major portion thereof) worked, occurring as near as possible to the middle of the work period. You may not combine rest breaks or add them to meal breaks. Nor may they be used to come in 10 minutes late or leave 10 minutes early. Break times are paid.

Hours of Work	Rest Breaks
0.0 - 3.5	0
3.5 - 6.0	1
6.0 – 10	2
10 – 14	3
14 – 18	4

Meal Periods: A meal break of at least 30 minutes is provided for every work period of more than five hours. However, if six hours of work complete the day's work, the employee may voluntarily choose to waive (in writing) the meal break; otherwise, the employee is required to take at least a 30 minute meal break. A second meal break of at least 30 minutes will be provided for all workdays on which an employee works more than 10 hours. Meal breaks may be up to one hour in length, based on the discretion of the department head. Meal periods are unpaid. If you are unable to take your schedule meal break or rest break you are to notify your supervisor immediately.

Overtime: TFHE provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

- All hours actually worked in excess of eight hours in one workday or 40 hours in one workweek will be treated as overtime. A workday begins at 12:01a.m., and ends at midnight 24 hours later. Workweeks begin each Sunday at 12:01a.m;
- Compensation for hours in excess of 40 for the workweek, or in excess of eight and not more than 12 for the workday, and for the first eight hours on the seventh consecutive day of work in one workweek, shall be paid at a rate one and one-half (1.5) times the employee's regular rate of pay;
- Compensation for hours in excess of 12 in one workday and in excess of eight on the seventh consecutive workday in a workweek shall be paid at double the regular rate of pay; and
- Exempt employees may have to work hours beyond their normal schedules, as work demands require. No overtime compensation will be paid to exempt employees.

Time Worked Records. By law, TFHE is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall be required to utilize TFHE's time-keeping system.

Non-exempt employees are solely responsible for ensuring accurate information on their time and remembering to record time worked.

While TFHE is required to pay unapproved overtime, working unapproved overtime is grounds for disciplinary action, up to and including termination.

Off the clock work: TFHE prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

4. Full-Time Classified Employees

An employee who works at least 30 hours per week is eligible for all benefits set forth in this Manual as required by law or described in this handbook.

In addition, full time employees are further classified as either non-exempt (hourly) of exempt (salary). This is required by law to identify those employees who qualify to be paid at an overtime rate for hours worked in excess of 40 hours in a work week. Only non-exempt employees are entitled to receive overtime pay.

5. Full-Time Temporary Employees

A Full-Time Temporary employee is an employee who has been hired as a temporary replacement for a regular employee, for special projects or to meet additional workloads. Temporary employment may be terminated any time without notice or severance based on funding, workload or performance.

6. Part-time Classified Employees

An employee who regularly works 20-25 hours per week and is entitled only to sick days and statutory benefits on a pro-rata basis.

7. Part-time Temporary Employees

An employee who works 20 or fewer hours per week and is not entitled to the privileges and benefits set forth in this Manual. Students who work in this capacity at TFHE must have and maintain a 2.5 GPA to be considered for the following academic year.

8. Employees Under Contract

a) Faculty – Certificated
   For classification details refer to the Collective Bargaining Agreement.
b) Non-faculty, certificated and non-certificated
   Staff members not covered under the Collective Bargaining Agreement and hired on a "number of work days" basis per individual contracts.

9. Faculty

Faculty is defined as employees that are certificated by the state and work directly with students in the classroom. Faculty is considered to be contracted employees and the terms of employment are set forth in individual contracts. The Directors of the charter schools have the authority to execute said contracts. Should any policies in this manual be in conflict with said contracts, the terms set forth in the contracts will supersede those in TFHE Employee Manual. Expenses incurred for certification are the responsibility of the employee.

B. EMPLOYEE WAGES

1. Payroll Withholdings

As required by law, TFHE shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) and State Disability Insurance from each regular employee's pay, as follows:

a) Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.

b) State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.

c) Social Security (FICA) and Medicare: The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by TFHE.

d) State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.

Every deduction from your paycheck is explained on your check voucher. If you do not understand the deductions, ask the HR Department to explain them to you.

You may change the number of withholding allowances you wish to claim for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to the HR Department. The HR Office maintains a supply of these forms.

All Federal, State, and Social Security taxes will be automatically deducted from paychecks. Federal Withholding Tax deduction is determined by the employee's W-4 form. The W-4 form should be completed upon hire and it is the employee's responsibility to report any changes in filing status to the HR Office and to fill out a new W-4 form.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security and Medicare withheld; federal taxes withheld; state taxes withheld, and total wages.

2. Payment of Wages

- Paydays for salaried employees fall on the last business day of each month.
- Paydays for hourly employees are scheduled on the 15th and on the last business day of the month.
- When payday falls on a weekend, paychecks will be released on Friday. When payday falls on a holiday, paychecks will be released on the day before the holiday, unless the holiday is a Monday and in that case, paychecks will be released the preceding Friday.
- Paydays for contracted employees are established pursuant to the terms of their contract.

If you observe an error on your check, please report it immediately to your supervisor, the finance office or the human resources office.

Time sheets must be submitted by 5:00 pm three days prior to pay roll processing day. Should eligible employees elect dependent coverage under any TFHE insurance plan, the cost of that coverage will be deducted from your paycheck each pay period. If you decide to make any voluntary contributions to a pension plan, and/or if you elect any other voluntary benefits, the appropriate amount will be deducted from your paycheck each pay period.

TFHE offers automatic payroll deposit for its regular employees. Further information is available in the human resources office or the finance office. A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual "payday," the school is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

Classified part-time TFHE Staff accrue paid vacation days on a pro-rata basis according to the number of days worked based on the above schedule.
Eligible employees start accruing vacation time on the first day of employment. Vacation time is calculated according to full time anniversary date.

Temporary employees do not accrue paid vacation time.

Part-time employees who are scheduled to and do work 20 hours or more every week accrue pay vacation based on the number of hours worked and the accrual rates below.

Full-time employees begin to accrue vacation time at the rate of **.01923** hours per hour worked. An employee who is scheduled to and does work 40 hours per week will normally accrue five working days, or 40 hours of vacation in the first year of continuous employment.

In the second, third and fourth years of continuous employment, full time employees will accrue vacation time at the rate of **.0385** hours per hour worked. An employee who is scheduled to and does work 40 hours per week will normally accrue 10 working days or 80 hours vacation time per year in the second, third, and fourth years of employment.

Beginning with the fifth year through the 8th year of continuous employment, full-time employees begin to accrue vacation time at the rate of **.0576** hours per hour worked. An employee who is scheduled to and does work 40 hours per week will normally accrue 20 working days or 160 hours of vacation time per year beginning in the 12th year of employment.

Beginning with the 13th year of continuous employment, full-time employees begin to accrue vacation time at the rate of **.0846** hours per hour worked. An employee who is scheduled to and does work 40 hours per week will normally accrue 22 working days or 176 hours of vacation time per year beginning in the 13th year of employment.

TFHE encourages employees to take vacation annually. Earned vacation time accrues to a maximum of:

20 working days in the second through fourth years of employment;

30 working days in the fifth through 8th years of employment;

40 working days in the 9th through 12th years of employment; and

44 working days in the 13th and following years of employment

- If the maximum accrual is reached, no additional vacation will be earned until accrued vacation time is used.
- Vacations must be scheduled to provide adequate coverage of job responsibilities and staffing requirements. Supervisors must approve employee requests for vacation time in advance and submit approved requests to the HR office.
- Approved vacation time requested prior to accrual or that is more than accrued will be taken without pay.
- In the event that you and another employee have requested vacation time covering the same period and may not be absent simultaneously, and if both requests were submitted at the same time, preference will be given to the employee with greater length of service. Otherwise, preference will be given to the request made first.

Employees on un-paid leave do not accrue vacation time.

At no time may an employee receive pay in lieu of accrued vacation except at the time of termination.

Required Use of Vacation before Unpaid Sick Leave: You are required to take accrued and unused vacation before taking unpaid leave, or having unpaid absences where legally allowed.

Family and Medical Leave (under both state and federal law) are included in this requirement, unless the absence is pregnancy-related.

If you are absent for a reason that qualifies you for Paid Family Leave (PFL) payments, you are required to first use any accrued and unused vacation, up to a maximum of two weeks in a 12-month period. Employees who are absent because of their own disability may be eligible for State Disability Insurance (SDI) benefits. SDI payments do not begin until after you have been absent from work for seven calendar days. If you have accrued sick leave, sick leave will be used for the first seven days before SDI payments begin. If you do not have accrued sick leave, but do have accrued vacation, vacation will be substituted for the unpaid absence.

SDI benefits do not replace all of your usual wages. Your SDI benefits may be supplemented with any accrued and unused sick leave. If you have no sick leave, or once you exhaust your sick leave, accrued and unused vacation may be used to supplement your SDI benefits. You may request that your SDI benefits be supplemented by contacting the human resources office at least one week prior to the first day of your leave.

Employees who are **required** to work on a paid scheduled holiday will receive straight time pay in addition to holiday pay or an alternate paid day off.

Part time regular employees receive holiday pay if they are regularly scheduled to work on the day on which the holiday is observed for the hours they would normally work on that day. (Example: If a part time regular employee normally works six hours on a particular day, then they would receive six hours of holiday pay if that scheduled workday were a holiday).

Part time temporary employees do not receive holiday pay.

- **School Calendar Scheduled Breaks**

This policy applies only to LCPA, LVLA and RCLA staff.

E. SICK LEAVE

Sick leave is a form of insurance that employees accumulate in order to provide a cushion for incapacitation due to illness. It is intended to be used only when actually required to recover from illness or injury; sick leave is not for "personal" absences. Time off for medical and dental appointments will be treated as sick leave. TFHE will not tolerate abuse or misuse of your sick leave privilege. **All employees are required to notify their immediate supervisor and the HR department of any absences due to illness or injury.**

As of July 1st, 2015 TFHE offers paid sick leave to **all eligible employees** who have worked 30 days. New regular full-time employees have a full year's worth of sick leave available for use on the 91st day of employment. Regular full-time employees earn 12 days of sick leave per year, or the equivalent of one sick day per month of service.

At no time may an employee other than CalSTRS eligible employees, accumulate more than 12 days of sick leave. Sick days do not roll over to the following year. TFHE does not pay employees in lieu of unused sick leave.

1) **CALSTRS eligible employees** earn 10 days of annual sick leave each school year at the rate of one (1) sick leave day per school month of actual paid service. Unused sick leave may be accumulated and utilized as needed per school year. Any sick days accumulated but unused, if applicable, will be transferred to a public school employer upon separation from employment. Employees will not be paid for unused sick time upon separation from employment with TFHE.

   Accumulations and transfer of sick leave: The full year's credit of current sick leave shall be available and can be used on the first day of contracted service, with accumulated sick leave added to it. Subject to the limitations noted in the Collective Bargaining Agreement, sick leave accumulated in other California school districts shall be credited upon employment and shall be transferred, if applicable, to a school district or other public school upon separation.

   Further details or changes to this policy regarding Sick Leave may be found in the Collective Bargaining Agreement.

2) **Temporary employees** earn 3 days worth of sick time per year. Sick time is available for use on the 31st days of employment.
3) **Part time classified employees** earn 3 days worth of sick time per year. Sick time is available for use on the 31st days of employment.

Classified employees who have depleted their sick leave may use accrued vacation time to cover for absences.

Kin Care: Employees may use up to one-half of their yearly sick leave to attend to a child, grandchild, parent, grandparent, sibling, spouse, spouse's parent, domestic partner, domestic partner's parent, or domestic partner's child who is ill.

For purposes of sick leave use, a "child" is defined as a biological, foster, or adopted child; stepchild; or a legal ward. A "child" also may be someone for whom you have accepted the duties and responsibilities of raising, even if he or she is not your legal child.

A "parent" is your biological, foster, or adoptive parent; stepparent; or legal guardian.

A "spouse" is your legal spouse according to the laws of California, which do not recognize "common law" spouses (a union that has not been certified by a civil or religious ceremony). All conditions and restrictions placed on employee's use of sick leave apply also to sick leave used for care of a child, parent, or spouse.

A "domestic partner" is another adult with whom you have chosen to share your life in an intimate and committed relationship of mutual caring, and with whom you have filed a Declaration of Domestic Partnership with the Secretary of State.

A "domestic partner's child" is the biological, foster, or adopted child; stepchild; or legal ward of your domestic partner. A "domestic partner's child" also may be someone for whom your domestic partner has accepted the duties and responsibilities of raising, even if he or she is not your domestic partner's legal child.

New hire employees will be entitled to use accrued sick leave on the 90th day of their employment and may use sick leave in increments of 2 hours. Employees must provide reasonable advance notice of the need for sick leave if foreseeable. If not foreseeable, the employee must provide notice as soon as practicable.

Sick leave may be used for the diagnosis, care, or treatment of an existing health condition, or for preventative care for the employee or the employee's family member. Family member includes: child, spouse, parent, registered domestic partner, grandparent, grandchild and sibling.

Sick leave may also be used for victims of domestic violence, sexual assault or stalking.

Request

Sick time leave requests and notifications must be sent to the human resources office and approved by the employee's supervisor. If you are absent longer than three days due to illness, medical evidence of your illness and/or medical certification of your fitness to return to work, which is satisfactory to TFHE, will be required to honor any sick pay requests. All employees must present proper documentation to the HR department, no later than five business days after returning to work. TFHE may withhold sick pay if it suspects that sick leave has been misused.

VIII. LEAVES

Please contact your immediate supervisor and the HR office as soon as you have determined the need for any type of leave. Requirements for the timing or verification of need differ depending on the type of leave requested.

Please refer to the appropriate section of your employee manual for these requirements, and necessary forms.

A leave request form may be obtained from the HR Department.

A. EXTENDED MEDICAL LEAVE

A medical leave of absence without pay may be granted for non-work-related temporary medical disabilities (other than pregnancy, childbirth, and related medical conditions) for up to four months with a doctor's written certificate of disability. Employees should request any leave in writing as far in advance as possible. If you are granted a medical leave, you must use your accrued sick time and accrued vacation time.

A medical leave begins on the first day your doctor certifies that you are unable to work, and ends when your doctor certifies that you are able to return to work or after a total of four months of leave, whichever occurs first. Human resources will supply you with a form for your doctor to complete, showing the date you were disabled and the estimated date you will be able to return to work. An employee returning from a medical disability leave must present a doctor's certificate declaring fitness to return to work.

If returning from a non-work-related medical leave, you will be offered the same position you held at the time your leave began, if available. If your former position is not available, a comparable position will be offered. If neither the same nor a comparable position is available, your return to work will depend on job openings existing at the time of your scheduled return. TFHE makes no guarantees of reinstatement, and your return will depend on your qualifications for existing openings.

B. FAMILY MEDICAL LEAVE (FMLA/CFRA)

Family/Medical leave is provided through the Federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). CFRA contains family care and medical leave provisions for California employees and covers employers who do business in California and employ 50 or more part-time or full-time staff. FMLA and CFRA provide for up to 12 workweeks of unpaid family/medical leave within a 12-month period under the following conditions.

1) **Eligibility:**
   - The employee must have more than 12 months of continuous service;
   - The employee has worked at least 1,250 hours during the previous 12-month period before the need for leave.

2) Leave may be taken for one or more of the following reasons:

- The birth of the employee's child, or placement of a child with the employee for adoption or foster care (FMLA/CFRA)
- To care for the employee's spouse, registered domestic partner, child, or parent who has a serious health condition (FMLA/CFRA)
- To care for the employee's registered domestic partner (CFRA only)
- For a serious health condition that makes the employee unable to perform his or her job (FMLA/CFRA)
- For any "qualifying exigency" (as defined by federal regulation) because the employee is the spouse, son, daughter, or parent of an individual on active military duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation (FMLA only).

An employee who is the spouse, son, daughter, parent or next of kin of a covered service member shall be entitled to a total of 26 workweeks of leave during a 12- month period to care for the service member (FMLA only).

3) Calculating the 12 month period

For purposes of calculating the 12-month period during which 12 weeks of leave may be taken, TFHE uses the rolling backward calculation method.
Under most circumstances, leave under FMLA and CFRA law will run at the same time and the eligible employee will be entitled to a total of 12 weeks of family and medical leave in the designated 12-month period.

Any leave taken under this provision that qualifies as leave under the state, CFRA and/or federal FMLA, Family and Medical Leave Acts will be counted as family/medical leave and charged to your entitlement of 12 workweeks of family/medical leave in a 12-month period.

a. Pregnancy, Childbirth or Related Conditions (ALSO SEE PDL POLICY)

FMLA will run at the same time as PDL. Once the pregnant employee is no longer disabled, she may apply for leave under the California Family Rights Act, for purposes of baby bonding.
Any leave taken for the birth, adoption, or foster care placement of a child does not have to be taken in one continuous period of time. California Family Rights Act leave taken for the birth or placement of a child will be granted in minimum amounts of two weeks. However, TFHE will grant a request for a California Family Rights Act leave (for birth/placement of a child) of less than two weeks' duration on any two occasions. Any leave taken must be concluded within one year of the birth or placement of the child with the employee.

b. Leave for Employee's Own Health Condition

Please contact the HR Department as soon as you realize the need for family medical leave. If the leave is based on the expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or a family member, the employee must notify the HR Department at least 30 days before leave is to begin. The employee must consult with his or her supervisor regarding scheduling of any planned medical treatment or supervision in order to minimize disruption to the operations of the organization.
If the employee cannot provide 30-days notice, the HR Department must be informed as soon as is practical.

TFHE requires the employee to provide medical certification within 15 days of any request for family medical leave under state and federal law, unless it is not practicable to do so. TFHE may require recertification from the health care provider if additional leave is required. If the employee does not

provide medical certification in a timely manner to substantiate the need for FMLA, TFHE may delay approval of the leave, or continuation thereof, until certification is received. If certification is never received, the leave may not be considered FMLA and therefore not subject to the protections afforded by FMLA/CFRA.

If the FMLA/CFRA request is made because of the employee's own serious health condition the employee must provide a certification from the health care provider stating:

- Date of commencement of the serious health condition;
- Probable duration of the condition; and
- Inability of the employee to work at all or perform any one or more of the essential functions of his/her position because of the serious health condition.

TFHE may require, at its expense, a second opinion from a health care provider that TFHE chooses. The health care provider designated to give a second opinion will not be one who is employed on a regular basis by TFHE.

If the second opinion differs from the first opinion, TFHE may require, at its expense, the employee to obtain the opinion of a third health care provider designated or approved jointly by the employer and the employee. The opinion of the third health care provider shall be considered final and binding on TFHE and the employee.

Return to work. TFHE will require certification by the employee's health care provider that the employee is fit to return to his or her job. Failure to provide certification by the health care provider of the employee's fitness to return to work will result in denial of reinstatement for the employee until the certificate is obtained.

C. Leave to Care for a sick child, spouse, or parent

The employee must provide a certification from the health care provider stating:

- Date of commencement of the serious health condition;
- Probable duration of the condition;
- Estimated amount of time for care by the health care provider; and
- Confirmation that the serious health condition warrants the participation of the employee.

When both parents are employed by TFHE and request simultaneous leave for the birth or placement for adoption or foster care of a child, TFHE will not grant more than 12 workweeks total of family/medical leave for this reason. If an employee cites his/her own serious health condition as a reason for leave, the employee must provide a certification from the health care provider stating:

- Date of commencement of the serious health condition;
- Probable duration of the condition;
- Inability of the employee to work at all or perform any one or more of the essential functions of his/her position because of the serious health condition.

The School will require certification by the employee's health care provider that the employee is fit to return to his or her job. Failure to provide certification by the health care provider of the employee's fitness to return to work will result in denial of reinstatement for the employee until the certificate is obtained.

d. Leave Related to Military Service

A leave taken due to a "qualifying exigency" related to military service must be supported by a certification of its necessity. A leave taken due to the need to care for a service member shall be supported by a certification by the service member's health care provider.

4) Continuation of Benefits

Health and welfare benefits: An employee taking family/medical leave will be allowed to continue participating in any health and welfare benefit plans in which he/she was enrolled before the first day of the leave for a maximum of 12 workweeks (26 workweeks if the leave is to care for a covered service member) at the level and under the conditions of coverage as if the employee had continued in employment for the duration of such leave. TFHE will continue to make the same premium contribution as if the employee had continued working. The continued participation in health benefits begins on the date leave first begins under FMLA/CFRA.

In some instances, TFHE may recover from an employee premiums paid to maintain health coverage if the employee fails to return to work following FMLA.

Employees on FMLA who are not eligible for continued paid coverage may continue their group health insurance coverage through TFHE in conjunction with the federal COBRA guidelines by making monthly payments to TFHE for the amount of the applicable premium. Employees should contact the human resources office for further information. Payment is due on the same schedule as payments that are made under COBRA.

Carryover: Leave granted under any of the reasons provided by state and federal law will be counted as family/medical leave and will be considered as part of the 12-workweek entitlement in a 12-month period. The 12-month period is measured forward from the date any employee's first Family and Medical Leave Act leave begins. Successive 12-month periods commence on the date of an employee's first use of such leave after the preceding 12-month period has ended. No carryover of unused leave from one 12-month period to the next 12-month period is permitted.

5) Substitution of Paid Leave

Paid leave will be substituted for unpaid leave in the following circumstances:

- **Accrued sick leave** is required to be used during Family and Medical Leave Act/California Family Rights Act leave for the employee's own serious health condition, or, up to a limit of that which is accrued over six months, to attend to the illness of a child, parent, spouse, or registered domestic partner of the employee; or

Vacation time is required to be used for any family/medical leave qualifying event, except leave that is also pregnancy disability leave.

6) Reinstatement

Return rights after CFRA leave:

- After CFRA leave, employees are guaranteed a return to the same or comparable position and can request the guarantee in writing
- If the same position is no longer available, such as layoff or closure, the employer must offer a position that is comparable in terms of pay, location, job content, and promotional opportunities, unless the employer can prove that no comparable position exists.
- An employee is not entitled to reinstatement if the employee would have been otherwise laid off or terminated.

In addition, an employee's use of family/medical leave will not result in the loss of any employment benefit that the employee earned before using family/medical leave.

Reinstatement after family/medical leave may be denied to certain salaried "key" employees under the following conditions:

- An employee requesting reinstatement was among the highest-paid 10 percent of salaried employees employed within 75 miles of the work site at which the employee worked at the time of the leave request;
- The refusal to reinstate is necessary because reinstatement would cause substantial and grievous economic injury to TFHE's operations;

- The employee is notified of TFHE's intent to refuse reinstatement at the time TFHE determines the refusal is necessary; and
- If leave has already begun, TFHE gives the employee a reasonable opportunity to return to work following the notice described previously.

Temporary Transfers

Employees who request a temporary transfer for medical and/or family medical leave reasons will be considered for that transfer if a position exists at the time the transfer is requested and the employee is qualified to perform the job. The employee will be paid in accordance with the responsibilities and duties of the temporary job.

7) Vacation or Sick Time Accrual

Employees on Family and Medical Leave Act/California Family Rights Act leave will not continue to accrue sick, vacation and/or PTO leave during unpaid FMLA/CFRA. Holidays will not be paid while on FMLA/CFRA.

If you have any questions regarding FMLA/CFRA, please contact the HR Department.

C. PREGNANCY DISABILITY LEAVE

You may take up to four months (693 hours for a full-time employee) of medically necessary pregnancy disability leave for pregnancy, childbirth or a related medical condition under California State law and (if eligible and you have not exhausted your entitlement) an additional 12 workweeks for non-pregnancy disability-related family medical leave under the California Family Rights Act (CFRA) for the purpose of baby-bonding. The first 12 workweeks of pregnancy disability run concurrently with the federal FMLA, if eligible. Any remaining FMLA leave will run concurrently with CFRA leave. The amount of leave will be pro-rated based on number of hours worked (i.e. a part-time employee working 20 hours per week would be entitled to 346.6 hours of leave).

Pregnancy, childbirth, or related medical conditions will be treated like any other disability, and an employee on leave will be eligible for temporary disability benefits in the same amount and degree as any other employee on leave.

Any female employee planning to take pregnancy disability leave should advise the human resources office as early as possible. The individual should make an appointment with human resources to discuss the following conditions:

- Employees who need to take pregnancy disability must inform TFHE's human resources office when a leave is expected to begin and how long it will likely last. If the need for a leave or transfer is foreseeable, employees must provide notification at least 30 days before the pregnancy disability leave or transfer is to begin. Employees must consult with their supervisor regarding the scheduling of any planned medical treatment or supervision in order to minimize disruption to the operations of TFHE. Any such scheduling is subject to the approval of the employee's health care provider;
- If 30 days advance notice is not possible, notice must be given as soon as practical;
- Upon the request of an employee and recommendation of the employee's physician, the employee's work assignment may be changed if necessary to protect the health and safety of the employee and her child;
- Requests for transfers of job duties will be reasonably accommodated if the job and security rights of others are not breached;
- Temporary transfers due to health considerations will be granted when possible. However, the transferred employee will receive the pay that accompanies the job, as is the case with any other temporary transfer due to temporary health reasons;
- Pregnancy leave usually begins when ordered by the employee's physician. The employee must provide the human resources office with a certification from a health care provider. The certification indicating disability should contain:

- The date on which the employee became disabled due to pregnancy;
- The probable duration of the period or periods of disability; and
- A statement that, due to disability, the employee is unable to perform one or more of the essential functions of her position without undue risk to herself, the successful completion of her pregnancy, or to other persons.

- Leave returns will be allowed only when the employee provides a release to return to work from her health care provider.

Except to the extent that other paid leave is substituted for pregnancy-related disability leave, PDL is unpaid. An employee will be allowed to use accrued sick time (if otherwise eligible to take the time) during a pregnancy disability leave. An employee will be allowed to use accrued vacation or personal time (if otherwise eligible to take the time) during a pregnancy disability leave. The substitution of sick pay and/or vacation/PTO pay for pregnancy disability leave does not extend the total duration of the leave to which the employee is entitled and which is supported by medical certification.

Duration of the leave will be determined by the advice of the employee's physician, but employees disabled by pregnancy may take up to 17 -1/3 weeks or 693 hours for a full-time employee. Part-time employees are entitled to leave on a pro rata basis. The duration of leave includes any period of time for actual disability caused by the employee's pregnancy, childbirth, or related medical condition. This includes leave for severe morning sickness and for prenatal care.

Leave does not need to be taken in one continuous period of time and may be taken intermittently, as needed. Leave may be taken in increments of one (1) hour.

Unless TFHE and the employee have already agreed upon the employee's return to work date, an employee who has taken a pregnancy disability leave or transfer must notify the Human Resources contact at least thirty (30) days prior to her anticipated return to work or, as applicable, before her transfer back to her former position. Under most circumstances, upon submission of a medical certification that an employee is able to return to work from a pregnancy disability leave, an employee will be reinstated to her same position held at the time the leave began or to an equivalent position, if available. An employee returning from a pregnancy disability leave has no greater right to reinstatement than if the employee had been continuously employed.

Employees on pregnancy disability leave will accrue leave benefits, such as sick leave, vacation and/or PTO only when paid leave is being substituted for unpaid leave and only if the employee would otherwise be entitled to such accrual. No leave benefits shall accrue when the employee is in unpaid status.

Baby bonding leave is covered by the California Family Rights Act (CFRA). If the employee has not exhausted the full 12 weeks of her FMLA entitlement, a portion of the baby bonding leave may be protected under FMLA as well. The employee must complete a request for baby bonding leave. See the HR Department for the proper form to use to request this leave. Prior to commencing baby bonding leave, the employee will be required to submit a certification from her health care provider showing that the employee is no longer disabled by pregnancy or childbirth, to the HR Department.

Coordination of Pregnancy Disability Leave with FMLA

TFHE will maintain its portion of group health insurance coverage that the employee was provided before the leave commenced on the same terms as if the employee had continued to work up to the maximum leave allotment allowed under the Pregnancy Disability Leave law (693 hours) and for the first 12 weeks of CFRA "Baby-Bonding Leave". TFHE may recover premiums it paid to maintain health coverage if the employee does not return to work following pregnancy disability leave. Employees are still responsible to pay for their own portion of group health benefits premium. See the HR Department to review the amount that employee will need to reimburse the school while on pregnancy disability leave.

If you are on pregnancy disability leave and are not eligible for continued paid coverage, or if paid coverage ceases after 17 -1/3 workweeks, you may continue your group health insurance coverage through TFHE in

conjunction with federal COBRA guidelines by making monthly payments to TFHE for the amount of the relevant premium. Contact the human resources office for further information.

Intermittent Leave: Employees may take Family and Medical Leave Act/California Family Rights Act leave intermittently (in blocks of time, or by reducing their normal weekly or daily work schedule) if the leave is for the serious health condition of the employee's child, parent or spouse, or of the employee, and the reduced leave schedule is medically necessary as determined by the health care provider of the person with the serious health condition. The smallest increment of time that can be used for such leave is one (1) hour.

D. WORKERS' COMPENSATION

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration of your leave will depend upon the rate of your recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (FMLA/CFRA). Unless otherwise mandated by law, employees on a leave of absence of more than (90*) days are responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA.

TFHE or its insurer will not be liable for payment of workers' compensation benefits for any injury that arises out of an employee's voluntary participation in any off-duty recreational, social, or athletic activity that is not part of the employee's work-related duties, except where these activities are a reasonable expectancy of, or are expressly or implicitly required by employment.

Benefits:

- **Medical care:** Paid for by your employer, to help you recover from an injury or illness caused by work.
- **Temporary disability benefits:** Payments if you lose wages because your injury prevents you from doing your usual job while recovering.
- **Permanent disability benefits:** Payments if you don't recover completely.
- **Supplemental job displacement benefits** (if your date of injury is in 2004 or later): Vouchers to help pay for retraining or skill enhancement if you don't recover completely and don't return to work for your employer.
- **Death benefits:** Payments to your spouse, children or other dependents if you die from a job injury or illness.

Return to work

Upon submission of a medical certification that an employee is able to return to work after a workers' compensation leave, the employee under most circumstances will be reinstated to his or her same position held at the time the leave began, or to an equivalent position, if available.

If the employee on workers' compensation leave would have been terminated had he or she not gone on leave, or if the employee's position has been eliminated or filled in order to avoid undermining TFHE's ability to operate safely and efficiently during the leave, and no equivalent or comparable positions are available, then the employee would not be entitled to reinstatement.

An employee's return depends on his or her qualifications for any existing openings. If, after returning from a workers' compensation disability leave, an employee is unable to perform the essential functions of his or her job because of a physical or mental disability, TFHE's obligations to the employee may include reasonable accommodation, as governed by the Americans with Disabilities Act.

The law requires TFHE to notify the workers' compensation insurance company of any concerns of false or fraudulent claims.

Any person who makes or causes to be made any knowingly false or fraudulent material statement or material misrepresentation for the purpose of obtaining or denying workers' compensation benefits or payments is guilty of a felony. A violation of this law is punishable by imprisonment for one to five years, or

by a fine not exceeding $50,000 or double the value of the fraud, whichever is greater, or both. Additional civil penalties may also apply.

PROCEDURE FOR FILING A WORKERS' COMPENSATION CLAIM

Filing for Worker's Compensation Procedures:

Report the injury to your employer
Tell your supervisor right away if you believe your injury was caused by your job.

Get emergency treatment if needed
If it's a medical emergency, go to an emergency room right away. TFHE will tell you where to go for treatment. Tell the health care provider who treats you that your injury or illness is job-related.

Fill out a claim form and give it to your employer
Your employer must give or mail you a claim form (DWC 1) within one working day after learning about your injury or illness. Use it to request workers' compensation benefits.

Submit a health care provider certification to the Human Resource Department
This certification must include your need for workers' compensation, disability leave, as well as your eventual ability to return to work from the leave.

Workers' Compensation and FMLA/CFRA
Employees who are ill or injured as a result of a work-related incident, and who are eligible for family and medical leave under state and federal law (Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA)), will be placed on FMLA/CFRA during the time they are disabled and not released to return to work.

The leave under these laws run concurrently, and eligible employees will be on FMLA/CFRA for a maximum of 12 weeks.

Workers' Compensation and Paid Sick Leave
Paid sick leave is a benefit that also covers absences for work-related illness or injury. Employees who have a work-related illness or injury are covered by workers' compensation insurance. However, workers' compensation benefits may not cover absences for medical treatment.

Any further medical treatment will be under the direction of the health care provider. Any absences from work for follow-up treatment, physical therapy or other prescribed appointments will not be paid as time worked. If you have accrued and unused sick leave, the additional absences from work will be paid with the use of sick leave.

If you do not have accrued, paid sick leave, or if you have used all of your sick leave, you may choose to substitute vacation time for further absences from work, related to your illness or injury.

E. BEREAVEMENT LEAVE
TFHE grants leave of absence to employees in the event of the death of the employee's current spouse, child, parent, legal guardian, brother, sister, grandparent, or grandchild; or mother-, father-, sister-, brother-, son-, or daughter-in-law. An employee with such a death in the family may take up to three consecutive scheduled

workdays off with pay with the approval of TFHE. Requests must be made through the human resources office.

F. MILITARY LEAVE

Employees who wish to serve in the military and take military leave should contact the human resources office for information about their rights before and after such leave. You are entitled to reinstatement upon completion of military service, provided you return or apply for reinstatement within the time allowed by law.

G. MILITARY SPOUSE LEAVE

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict.

An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use accrued vacation/sick or PTO for this leave.

H. JURY DUTY AND WITNESS LEAVE

TFHE encourages employees to serve on jury duty when called. Employees will receive full pay while serving up to **two weeks of jury duty**. You should notify your supervisor of the need for time off for jury or witness duty as soon as a notice or summons from the court is received. You may be requested to provide written verification from the court clerk of performance of jury service. If work time remains after any day of jury selection, jury duty, or witness duty, you will be expected to return to work for the remainder of your work schedule.

Non-exempt employees may take an unpaid leave of absence for jury duty. Exempt 12-month employees may take up to 5 days of paid leave for jury duty. Exempt employees on a 10-month calendar are directed to postpone a summons to perform jury duty to the summer period.

I. TIME OFF TO VOTE

TFHE will allow any nonexempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise. The employee may be required to prove he or she is a registered voter.

An employee may also serve as an election official on Election Day without being disciplined, however TFHE will not pay the employee for this time off. Vacation or personal hours which have accrued but not been used may be paid to the employee for this time off.

J. DOMESTIC VIOLENCE, SEXUAL ASSAULT, STALKING LEAVE

Employees who are victims of domestic violence, sexual assault or stalking, are eligible for unpaid leave. You may request leave if you are involved in a judicial action, such as obtaining restraining orders, or appearing in court to obtain relief to ensure your health, safety, or welfare, or that of your child.

You should provide reasonable advance notice of the need to take time off, unless advance notice is not feasible, and certification of your need to take leave under this policy. Certification may be sufficiently provided by any of the following:

- A police report indicating that the employee was a victim of domestic violence, sexual assault or stalking;

- A court order protecting or separating the employee from the perpetrator of an act of domestic violence, or other evidence from the court or prosecuting attorney that the employee appeared in court; or
- Documentation from a medical professional, domestic violence advocate, health-care provider, or counselor that the employee was undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence, sexual assault or stalking.

TFHE will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave under this provision. The length of unpaid leave an employee may take is limited to 12 weeks provided for in the federal Family and Medical Leave Act of 1993. Any absence from work will be unpaid, unless you choose to take paid time off, such as accrued vacation or sick leave.

K. VICTIMS OF CRIME LEAVE

An employee who is a victim or who is the family member of a victim of a violent felony or serious felony may take time off from work under the following circumstances:

- The crime must be a violent or serious felony, as defined by law; and
- You must be the victim of a crime, or you must be an immediate family member of a victim, a registered domestic partner of a victim, or the child of a registered domestic partner of a victim.
    - An immediate family member is defined as: a spouse, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father or stepfather.
    - A registered domestic partner means a domestic partner who is registered in accordance with California state law.

The absence from work must be in order to attend judicial proceedings related to a crime listed above.

Before you are absent for such a reason, you must provide documentation of the scheduled proceeding. Such notice is typically given to the victim of the crime by a court or government agency setting the hearing, a district attorney or prosecuting attorney's office or a victim/witness office.

If advance notice is not possible, you must provide appropriate documentation within a reasonable time after the absence.

Any absence from work to attend judicial proceedings will be unpaid, unless you choose to take paid time off, such as accrued vacation or sick leave.

L. SCHOOL ACTIVITIES LEAVE

Employees are encouraged to participate in the school activities of their child/ren. The absence is subject to all of the following conditions:

- Parents, guardians, or grandparents having custody of one or more children in kindergarten or grades one to 12 may take time off for a school activity;
- The time off for school activity participation cannot exceed eight hours in any calendar month, or a total of 40 hours each school year;
- Employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor, and is subject to supervisor approval.
- Regular employees must use accrued vacation time in order to receive compensation for this time off;
- Employees who do not have paid time off available will take the time off without pay;
- If both parents are employed by TFHE, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor; and
- Employees must provide their supervisor with documentation from the school verifying that the employee participated in a school activity on the day of the absence for that purpose.

If an employee who is the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before

leaving work. In agreement with California Labor Code Section 230.7, no discriminatory action will be taken against an employee who takes time off for this purpose.

M. VOLUNTEER CIVIL SERVICE LEAVE

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter or emergency rescue personnel. This is an unpaid leave but the employee may use any earned sick, vacation and/or PTO.

N. ORGAN DONOR / BONE MARROW DONOR LEAVE

If you volunteer to donate an organ you may take up to thirty (30) days paid leave per year for this process or up to five (5) days paid leave for the donation of bone marrow.

You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to two weeks of any accrued paid leave (sick and/or vacation/PTO) for organ donation and up to five (5) days accrued paid leave (sick and/or vacation/PTO) for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to accrue paid time off and other benefits as if they had continued working. The Employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if he or she had been actively working during this time but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

O. OTHER LEAVES OF ABSENCE

TFHE may grant leaves of absence to employees in certain circumstances. Unused sick leave or accrued vacation may be used during unpaid leaves. Request any leave in writing as far in advance as possible, keep in touch with your supervisor or human resources office during your leave, and give prompt notice of any change in your anticipated return date. If your leave expires and you fail to return to work without contacting your supervisor or the human resources office within 3 days, TFHE will assume that you do not plan to return and that you have terminated your employment. Upon return from a leave of absence, you will resume all aspects of your employment status that existed prior to the start of your leave.

PERSONAL LEAVE

A personal leave of absence without pay may be granted at the discretion of TFHE. Requests for personal leave should be limited to unusual circumstances requiring an absence of longer than two weeks. Approved personal absences of shorter duration are not normally treated as leaves, but rather as excused absences without pay.

Health Insurance Premium: TFHE will continue to pay for health insurance for employees on leaves of absence or while using accrued sick leave or vacation, granted that employees on leave continue to make their portion of contributions on a timely basis. After that, you may self-pay premiums under the provisions of COBRA. The human resources office can give you additional information.

IX. PERSONNEL RECORDKEEPING AND EVALUATION

A. PERSONNEL RECORDS

It is important that all personnel files contain current information regarding each employee. It is the responsibility of each employee to make sure that the personnel data in his or her file is accurate and up to date. Report any change of address, phone number, name, filing status, etc., to the human resources office by completing the required change forms. All personal information change forms must be submitted to the human resources office.

TFHE will restrict disclosure of your personnel file to authorized individuals within TFHE. Any request for information contained in personnel files must be directed to the human resources office. Only the human resources office is authorized to release information about current or former employees. Disclosure of personnel information to outside sources will be limited. However, TFHE will cooperate with requests from authorized law enforcement or local, state, or federal agencies conducting official investigations and as otherwise legally required.

Names and Addresses: TFHE is required by law to keep current all employee's names and addresses. Employees are responsible for notifying the human resources office in the event of a name or address change. Post Office boxes are not acceptable for tax purposes. If you use a P.O. Box for correspondence, please provide an alternative mailing address for tax purposes.

Employment References: All requests for references must be directed to the human resources office. No other manager, supervisor, or employee is authorized to release references for current or former employees. By policy, TFHE discloses only the dates of employment and the title of the last position held of former employees. If you authorize the disclosure in writing, TFHE also will inform prospective employers of the amount of salary or wage you last earned.

Inspection of personnel files: An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to the Human Resources Office. All requests should be put in writing preferably on the form maintained by Administration. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

B. PERFORMANCE EVALUATIONS

Employees are expected to observe and maintain certain standards of job performance and good conduct. When performance or conduct does not meet TFHE standards, the Foundation will endeavor when it deems appropriate to provide the employee a reasonable opportunity to correct the deficiency. However, if the employee fails to meet required standards, he or she will be subject to disciplinary action, including termination.

1. **Classified employees**

Periodic performance reviews are conducted by the employee's supervisor. Your first performance evaluation will take place after completion of your introductory period. Subsequent performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems.

Your performance evaluations may review factors such as the quality and quantity of the work you perform, your knowledge of the job, your initiative, your work attitude, and your attitude toward others. The performance evaluations are intended to make you aware of your progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of TFHE and depend upon many factors in addition to performance. After the review, you will be required to sign the evaluation report simply to acknowledge that is has been presented to you, that you have discussed it with your supervisor, and that you are aware of its contents**.**

Non faculty evaluations are done on an annual basis with the employee's immediate supervisor.

2. **Faculty**

Faculty evaluations are based on the California Standards for Teaching Professionals. These evaluations are done on a regular basis, both formally and informally, and are consistently used to support faculty in their professional development goals. Additional details can be found on the Collective Bargaining Agreement.

Full details on faculty evaluations may be obtained from the schools Director's office.

X. WORKPLACE POLICIES

A. STANDARDS OF CONDUCT

1) Punctuality and Attendance

As an employee of TFHE, you are expected to be punctual and regular in attendance. Any tardiness or absence causes problems for your fellow employees and your supervisor. When you are absent, others must perform your assigned work.

Employees are expected to report to work as scheduled, on time, and prepared to start work.

Employees also are expected to remain at work for their entire work schedule, except for meal periods or when required to leave on authorized TFHE business. Late arrival, early departure, or other unanticipated and unapproved absences from scheduled hours are disruptive and must be avoided.

If you are unable to report for work on any particular day, you must under all but the most extenuating circumstances call your supervisor at least one hour before the time you are scheduled to begin working for that day. If you call less than one hour before your scheduled time to begin work and do not arrive in time for your assigned shift, you will be considered tardy for that day. In all cases of absences or tardiness, employees must provide their supervisor with an honest reason or explanation. Employees also must inform their supervisor of the expected duration of any absence. Excessive absenteeism or tardiness, whether excused or not, will not be tolerated. TFHE defines excessive absenteeism as more than three days absence in a one-month period.

If you fail to report for work without any notification to your supervisor and your absence continues for a period of three days, TFHE will consider that you have abandoned your employment.

B. TEACHER-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator.
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed
- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities.

Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any after-school activity on or off campus (exclusive of tutorials).
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions.
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment).
- Keeping the door open when alone with a student.
- Keeping reasonable and appropriate space between you and the student.
- Stopping and correcting students if they cross your own personal boundaries.
- Keeping parents informed when a significant issue develops about a student.
- Keeping after-class discussions with a student professional and brief.
- Asking for advice from senior-staff or administration if you find yourself in a difficult situation related to "boundaries."
- Involving your direct supervisor about situations that have the potential to become more severe.
- Making detailed notes about an incident that could evolve into a more serious situation later.

- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers.
- Asking another staff member to be present if you will be alone with any student who may have severe social or emotional challenges (and you are not the assigned case educator).
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours.
- Giving students praise and recognition without touching them in questionable areas; giving appropriate pats on the back, high-fives, and handshakes are appropriate.
- Keeping your professional conduct a high priority during all moments of student contact.
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career.

Reporting

When any staff member, parent, or student becomes aware of a staff member having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, he or she must report the suspicion to the school director promptly. ** A reasonable suspicion means something more than a mere suspicion but less than absolute knowledge. It is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The Human Resources Office will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. The investigating administrator shall promptly notify the Governing Board in closed session of the existence and status of any investigations. Upon completion of any such investigations, the Human Resources Office shall report to the Governing Board any conclusions reached. The investigating administrator shall consult with legal counsel, as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

California Penal Code Section 11166 requires any teacher or child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible by telephone and to prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

C. BUSINESS HOURS

Office hours are normally 8:00 a.m. – 6:00 p.m. Monday through Friday.

The regular workday schedule for non-exempt employees is 8 hours. For example: 8-5 or 9-6. The regular workweek schedule is forty (40) hours.

Exempt employees are also generally expected to be present during business hours and to commit whatever additional time is necessary to satisfactorily complete all job requirements.

For faculty and other staff who work with students, the normal day will start at 7:30 a.m. and end 4:30 p.m. There will be different times scheduled for certain activities such as meetings, extra-curricular activities, parent conferences and other activities deemed vital to the performance of the charter school.

Duplication of any school key is not allowed and strictly prohibited. It is against TFHE policy to loan or distribute your assigned keys to another employee or non-employee of the organization. If your school keys are lost, misplaced, destroyed, or stolen, you must report it immediately to the Operations and Facilities manager.

Employees are not allowed on TFHE's property after hours without prior authorization.

E. CONFIDENTIALITY AND NON-DISCLOSURE OR USE OF TRADE SECRET INFORMATION

Each employee is responsible for safeguarding the confidential information obtained during employment. In the course of your work, you may have access to confidential information regarding TFHE, its suppliers, its customers, its students, or its employees. You have the responsibility to prevent revealing or divulging any such information unless it is necessary for you to do so in the performance of your duties. Access to confidential information should be on a "need-to-know" basis and must be authorized by your supervisor. Any breach of this policy will not be tolerated and legal action may be taken by TFHE.

During their term of employment with TFHE, employees may have access to and become acquainted with information of a confidential, proprietary, or secret nature that is or may be either applicable or related to the present or future business of TFHE, its research and development, or the business of its customers. For example, trade secret information includes, but is not limited to, devices, secret inventions, processes and compilations of information, records, specifications, and information concerning customers, vendors, students, or trustees. Employees shall not disclose any of the above-mentioned trade secrets, directly or indirectly, or use them in any way, either during the term of their employment or at any time thereafter, except as required in the course of employment with the company. The above agreement should not be construed as constituting a promise of continued employment for at-will employment purposes.

Each employee will be required to sign a non-disclosure agreement. The non-disclosure agreement is included at the front of this document and must be returned to the HR office upon commencement of employment.

F. CONFLICT OF INTEREST

All employees must avoid situations involving actual or potential conflict of interest. Personal or romantic involvement with a competitor, supplier, or subordinate employee of TFHE, which impairs an employee's ability to exercise good judgment on behalf of TFHE, creates an actual or potential conflict of interest. Supervisor-subordinate romantic or personal relationships also can lead to supervisory problems, possible claims of sexual harassment, and morale problems.

An employee involved in any of the types of relationships or situations described in this policy should immediately and fully disclose the relevant circumstances to his or her immediate supervisor, or human resources office, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, TFHE may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action, up to, and including termination.

Conducting Personal Business During Work Hours: Employees may not conduct personal business or business for another employer during their scheduled working hours.

Additional Employment and Off-duty Conduct: While TFHE does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with TFHE's legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect TFHE's or their own integrity, reputation or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects TFHE's legitimate business interests or the employee's ability to perform his or her job will not be tolerated.

Employees who wish to engage in additional employment that may create a real or apparent conflict of interest must submit a written request to the human resources office explaining the details of the additional employment. If the additional employment is authorized, TFHE assumes no responsibility for it. TFHE shall not provide worker's compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Staff working at LCPA, LVLA and RCLA may obtain a request form from the HR Department.

G. PROPERTY

They must be kept clean and are to be used only for work-related purposes. The employee must sign a Credit Card Agreement Form upon receipt of the credit card. This agreement form stipulates that the employee agrees only to use the credit card for legitimate TFHE expenses and that he/she will abide by the Expense Policy for those expenses. The Credit Card Agreement Form is kept on file in the Office of the CFO. A list of credit cardholders along with the authorized credit limit for each cardholder is submitted annually to the Finance Committee of the Board of Directors for review.

It is the cardholder's responsibility to safeguard the credit card and account number to the same degree that a cardholder safeguards his/her personal credit information. If the credit card is lost or stolen, the cardholder must notify the bank and the accounting office immediately. A new card will be issued to the cardholder after the reported loss or theft. A card that is subsequently found by the cardholder after being reported lost must be given to the accounting office.

The cardholder is responsible for all charges made on the credit card. At the end of each billing cycle, the cardholder shall receive from the bank his/her monthly statement of account that will list the transactions for that period. The cardholder must check each transaction listed against his/her receipts to verify the charges. A cardholder's credit card may be revoked at any time for lack of need, unauthorized purchases, improper usage, or continual tardiness in submitting the required payment information to the Accounts Payable Office. A cardholder who makes unauthorized purchases or improperly uses the credit card may be liable for the total dollar amount of such unauthorized purchases plus any administrative fees charged by the bank in connection with misuse.

XI. SAFETY

A. DRUG AND ALCOHOL POLICY

TFHE is concerned about the use of alcohol, illegal drugs, or controlled substances as it affects the workplace. Possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and exposes TFHE to the risks of property loss or damage, or injury to other persons.

Behavior that applies to all employees on TFHE property, during the workday (including meals and rest periods), or officially representing TFHE or the schools, which violates TFHE policy includes:

- Possession or use of an illegal or controlled substance, or being under the influence of an illegal or controlled substance while on the job;
- Driving an TFHE vehicle while under the influence of alcohol; and

TFHE will encourage and reasonably accommodate employees with alcohol or drug dependencies to seek treatment and/or rehabilitation. Employees desiring such assistance should request a treatment or rehabilitation leave. TFHE is not obligated, however, to continue to employ any person whose performance of essential job duties is impaired because of drug or alcohol use, nor is TFHE obligated to re-employ any person who has participated in treatment and/or rehabilitation if that person's job performance remains impaired as a result of dependency. Additionally, employees who are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome their dependency problem, will not automatically be given a second opportunity to seek treatment and/or rehabilitation. In no event does TFHE's automobile liability insurance coverage pay for damage to the employee's vehicle. Insuring your vehicle against collision damage is recommended for your protection.

TFHE retains the right to transfer to an alternative position, suspend, or terminate an employee whose license is revoked, or who fails to maintain personal automobile insurance coverage or who is uninsurable under the Foundation's policy.

TFHE is not responsible for any loss or damage to employee vehicles or contents while parked on TFHE property or in the course of conducting TFHE business.

Appendix DD: Budget and Cash Flow with Annotated Assumptions (Financial Plan)

Enrollment

Current year (2017-18) enrollment is 378. For the next several years we are looking at increasing each year's incoming 9th grade class to closer to 115 so that we obtain an overall school enrollment of 420-430 starting in 2020-21. We have modeled a 94% attendance rate to account for natural attrition and a conservative attendance rate.

LCFF Revenues

In 2014-15 and 2015-16 the LCFF Revenue per ADA has grown at 15.64% and 17.27% respectively as the State had surplus revenues, which it used to close the LCFF gap. In 2016-17, the rate of growth slows to approximately 7% as the State attempts to close almost 95% of the gap. For the 2017-18 years and beyond we use growth factors provided by School Services of California to model our growth in LCFF revenue per ADA. We have modeled more modest growth in the range of 2.2%-2.7% for the years 2017-18 through 2021-22 (the period covered by the Charter renewal petition). Please find below a table showing LCFF revenue per ADA and the consequent growth rate.

Staffing

Current staffing represents LVLA at full enrollment of approximately 400 students. Full-time teachers account for 22 of the campus' total of 30 full-time employees. Of the 30 staff members Special Education has 2 on site. On site administrative and support staff has been kept at levels sufficient to support the school through its first 3+ years operation. Teachers receive a step adjustment for every year worked within the LVLA. This annual salary adjustment approximates 2.7%. STRS rates have been modeled to increase over time and so have medical costs. Please refer to Assumptions tab of the Projections file for more details on rates used.

Facilities

Facilities costs at the Yerba Buena campus are estimated based on our MOU with ESUHSD and the annual invoices we receive for our allocated percentage of District-wide expenses. At our second site the lease and maintenance costs are used for budget purposes. We are looking at developing a long term lease relationship and our budget assumes market lease escalations.

Financial projections (Income Statement, Balance Sheet & Cash Flow Statement) assume annual increases in facility costs and the most updated SB 740 rates for those expenses we believe are eligible for state reimbursement. LVLA contracts with or reimburses external vendors to provide janitorial services at our campuses.

Food Service
LVLA currently engages ESUHSD for the provision of nutrition services. ESUHSD will provide a space from which food is served twice a day. Our budgets assume a slight annual operating loss from this activity, in the range of $10,000- $20,000.

Consultants
Consultants for Academic support have been modeled at less than 1% of expenses.

Other Expenses:

Academic software
LVLA has a full suite of cloud based software for the classroom and support services. These applications include:

PowerSchool – Student Information System
Hero K-12 – Student Behavior Management Software
Naviance – College and Career Readiness Technology Solution
Schoology – Learning Management System
Google Education Suite
Go Guardian – Chromebook Management Software

Technology:
LVLA on the Yerba Buena campus uses ESUHSD's network for internet bandwidth to support our 1:1 Chromebook initiative and VOIP phones. At our 2nd site we use a Comcast high speed connection to support our media lab, including several high performance computers using sophisticated digital software.

Each student receives a new Chromebook at 9th grade and keeps the same device all 4 years.

Legal Services:
LVLA will set aside $13,256 for legal services in the 2018-19 school year. The cost of legal services will continue to increase by the estimated CPI.

Fees for central office
LVLA's long range plans anticipate a CMO type arrangement starting in 2018-19 that models an 8% of LCFF revenue CMO fee. This 8% fee would increase if real estate management (including debt service, lease and rental costs) are included. Any CMO fee that is instituted would be partially offset by reductions in current payroll expense that cover those services that would be provided by the CMO.

PROPOSITION 39 FACILITIES USE AGREEMENT BY AND BETWEEN
EAST SIDE UNION HIGH SCHOOL DISTRICT AND
LUIS VALDEZ LEADERSHIP ACADEMY 2016-2021

This Proposition 39 Facilities Use Agreement is made and entered into this 14th day of March, 2016, by and between the Luis Valdez Leadership Academy ("Charter School") and the East Side Union High School District (the "District"). The Charter School and the District are hereinafter collectively referred to as the "parties".

The District and Charter School have determined that the District will satisfy its Proposition 39 facilities obligations for the 2016-2021 school year by providing Charter School facilities on the terms and conditions set forth herein at District's Yerba Buena High School.

The District and Charter School desire to set forth their respective rights and obligations in connection with the use by Charter School of certain District facilities specified below and located at Yerba Buena High School, 1855 Lucretia Avenue, San Jose, CA 95122 (the "High School Site").

The District and Charter School, in consideration of the mutual covenants, representations and agreements contained herein, hereby agree as follows:

Terms and Permitted Uses

1.1 This Agreement shall commence on July 1, 2016 and, subject to the terms herein, shall be for a term of 5 years and terminate on June 30, 2021 (the "Term"). Upon the request of Charter School, at least eighteen (18) months prior to the expiration of the Term, the parties hereto shall enter good faith negotiations for the continued use of the Dedicated Space (defined below) located at the High School Site by Charter School for the benefit of Charter School pursuant to Proposition 39 and its implementing regulations. If the parties are not able to reach mutual agreement on the terms of continued use of the facilities at the High School Site, Charter School shall discontinue its use of the Dedicated Space and Shared Space upon expiration of the Term and return the Dedicated Space facilities to the District in the condition described herein.

1.2 Upon termination of this Agreement, Charter School shall fully vacate the Dedicated Space specified herein at the High School Site in a reasonably similar condition to that which existed at the commencement of this Agreement, reasonable wear and tear excepted. Charter School shall remove all of its personal property from the High School Site at Charter School's sole expense on or before the termination of this Agreement.

1.3 Charter School shall use the Dedicated Space and the Shared Space provided herein for the sole purpose of operating its public charter high school serving grades 9-12 only, and related incidental activities, and for no other purpose.

1.4 The District has the right to terminate this Agreement in accordance herewith should Charter School fail to utilize the spaces for educational academic purposes consistent with California law and the Charter School, or if Charter School fails to qualify or maintain its

status as "a charter school operating in the school district" in accordance with Section 47614 of the Education Code and its implementing regulations. Additionally, this Agreement shall automatically terminate upon the revocation of the Charter School after all applicable appeal periods.

1.5 Charter School shall not allow any outside organization or individual not affiliated with Charter School to use any of the District's property including the High School Site without prior approval by the Superintendent or his/her designee, to be requested at least one week in advance of said event unless otherwise allowed by the Superintendent. Charter School does not have the authority to issue a permit or to authorize the use of the District's property. Charter School shall be allowed to use the Dedicated Space and the High School Site only in connection with its charter high school program in a manner consistent with use of other schools sites within the District.

1.6 It is a material term of this Agreement that Charter School shall ensure that any contractor or vendor likely to have significant contact with pupils and persons admitted by Charter School to the High School Site in a paid or volunteer position to work with pupils in a pupil activity program sponsored by Charter School shall, prior to any such contact, be cleared by a background check performed by the Department of Justice pursuant to Education Code section 45125.1 and/or section 49024 and all other applicable provisions of the Education Code. The District shall ensure that any persons admitted by the District that are likely to have significant contact with District students at the High School Site will be cleared in the same manner. Charter School shall also ensure that its employees and volunteers are in compliance with the tuberculosis testing requirements set forth in Section 49406 of the Education Code.

1.7 In consideration for the facilities provided herein, and in accordance with 5 C.C.R. §§11969.1 – 11969.11, Charter School agrees to pay to District the sums specified herein and shall pay to District the amounts specified in **Exhibit "B"** and Table 2 hereto, which monthly amount shall be paid by Charter School to the District on the first day of each month commencing July 1, 2016. District shall provide to Charter School an updated **Exhibit B** (and Table 1 and Table 2 thereto) no later than February 28 each calendar year during the Term hereof for the next following school year, if applicable, to reflect any adjustments to the District's pro rata share calculations. Such updated Exhibit B shall be effective July 1 of the subsequent school year.

1.8 The District and Charter School agree that, as a condition to this multi-year Agreement, the provision of facilities pursuant to this Agreement constitutes full and complete satisfaction of the District's obligation to provide facilities to Charter School under Proposition 39, including but not limited to Education Code section 47614 and its implementing regulations, for the Term herein, and Charter School shall not submit any request for additional facilities for its school for the Term herein.

1.9 No later than November 1 of each calendar year during the Term hereof, Charter School shall submit to District reasonable projections of total ADA, total in-district ADA, total classroom ADA and total in-district classroom ADA, supported by Intent to Enroll forms signed and completed by parents/guardians of Charter School's incoming 9th grade students and new students intending to enroll in the Charter School for the subsequent school year. The District shall promptly review Charter School's projections. The District will allow Charter School to submit additional Intent to Enroll forms through March 1 of each year of the Term to support its initial November 1 projections and, in the case of Charter School's request for additional facilities, District will review and consider such additional Intent to Enroll forms to the extent of contiguous suitable space is available. District may, after good faith communications with

Charter School and upon no less than ninety (90) days written notice to Charter School, to relocate Charter School's facilities (including Dedicated Spaces and Shared Spaces) on the High School Site, and/or reduce the total Dedicated Spaces allocated to Charter School hereunder for the subsequent instructional year if: (i) Charter Schools projects a decline in total ADA and total classroom ADA of more than twenty-five percent (25%) of current school year total ADA and total classroom ADA for the next following school year, and/or Charter School projects a decline in total in-district ADA and total in-district classroom ADA of more than twenty percent (20%) of current year's total in-district ADA and total in-district classroom ADA for the next following school year, or (ii) the Superintendent or his designee reasonably determines that Charter School's submittal indicates that Charter School's total ADA and total classroom ADA will decline more than twenty-five percent (25%) of current year total ADA and total classroom ADA for the next following school year, and/or that Charter School's total in-district ADA and total in-district classroom ADA will decline more than twenty percent (20%) of current year total in-district ADA and total in-district classroom ADA for the next following school year. No less than sixty days prior to the notice described herein the District shall provide Charter School with an explanation and the bases for its projected ADA for Charter School and the bases on which it disputes Charter School's projections. The District and Charter School will meet and confer in good faith in an effort to resolve any issues relating to the ADA projections. (b) The complete abandonment or vacating of the Dedicated Space by Charter School;

(c) A failure by Charter School to observe and perform any other provision of this Agreement to be observed or performed by Charter School, where such failure continues for thirty (30) days after receipt of written notice thereof by the District to Charter School; unless, however, the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, Charter School shall not be deemed to be in default if Charter School shall within such thirty (30) day period commence such cure and thereafter diligently prosecute the same to completion;

1.43 If Charter School commits any such material default or breach, then the District may, at any time thereafter without limiting the District in the exercise of any right or remedy at law or in equity which the District may have by reason or such default or breach:

(1) Maintain this Agreement in full force and effect and recover use payments and other monetary charges as they become due, without terminating Charter School's right to use irrespective of whether Charter School shall have abandoned or vacated the Dedicated Space. If the District elects not to terminate the Agreement, then the District shall have the right to use the Dedicated Space or lease or grant occupancy rights in the Dedicated Space at such rent or use fee and upon such conditions and for such a term, and to do all acts necessary to maintain or preserve the Premises as the District deems reasonable and necessary without being deemed to have elected to terminate the

Agreement, including removal of all persons and property from the Dedicated Space; such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Charter School. If any subletting or assignment occurs by Charter school of all or any portion of the Dedicated Space or the High School Site, then this Agreement shall terminate automatically without notice by District.

(2) Terminate Charter School's right to possession by any lawful means, in which case this Agreement shall terminate and Charter School shall surrender possession of the Dedicated Space upon ninety (90) days prior written notice. In such event the District shall be entitled to recover from Charter School the remaining balance of pro rata share payments and any unpaid sums for maintenance and/or custodial services and other charges.

Before the District exercises any of its remedies of this Section, it shall attempt to address Charter School's alleged default through the use of the dispute resolution provision below.

1.44 The District shall not be in default unless the District fails to perform obligations required of the District within a reasonable time, but in no event later than thirty (30) days after receipt of written notice by Charter School to the District specifying wherein the District has failed to perform such obligations; provided however, that if the nature of the District's obligation is such that more than thirty (30) days are required for performance, then the District shall not be in default if the District commences performance within such 30 day period and thereafter diligently prosecutes the same to completion.

1.45 If the District commits any such default, then Charter School may, at any time thereafter without limiting Charter School in the exercise of any right or remedy at law or in equity which Charter School may have by reason of such default:

(a) Terminate the Agreement with no further obligation to the District; or

(b) Maintain the Agreement with the District and pursue damages or other equitable relief in a court of law. If Charter School chooses to pursue the remedy in this section 10.4, then Charter School shall be allowed to place all fees as they come due in a blocked trust account until such time as the District cures the default or the matter is otherwise resolved in a court of law. Before Charter School exercises any of its remedies of this Section, it shall attempt to address the District's alleged default through the use of the dispute resolution provision below.

Dispute Resolution

1.46 Disputes between Charter School and the District regarding the alleged violation, misinterpretation, or misapplication of this Agreement shall be resolved using the dispute resolution process identified below.

1.47 The party initiating the dispute resolution process shall prepare and send to the other party a notice of dispute that shall include the following information:

(1) the name, addresses and phone numbers of designated representatives of the party;

(2) a statement of the facts of the dispute, including information regarding the parties attempts to resolve the dispute;

(3) the specific sections of the Agreement that are in dispute; and

(4) the specific resolution sought by the party. Within five days from receipt of the notice of dispute the representatives from Charter School shall meet with representatives from the District in an informal setting to try to resolve the dispute.

1.48 If the informal meeting fails to resolve the dispute, the party initiating the dispute resolution process shall notify the other party (the responding party) in writing that it intends to proceed to mediation of the dispute and shall request the State Mediation and Conciliation Service to appoint a mediator within seven days to assist the parties in resolving the dispute. The initiating party shall request appointment of a mediator who is available to meet as soon as possible but not later than thirty (30) days after receipt of the request for appointment. The party initiating the dispute shall forward a copy of the notice of the dispute to the appointed mediator. The responding party shall file a written response with the mediator and serve a copy on the initiating party within seven (7) days of the first scheduled mediation. The mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party in advance of the mediation. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the District and Charter School. The costs of the mediator, if any, will be shared equally between the District and Charter School.

1.49 Either party may seek equitable relief prior to the mediation to preserve the status quo or to compel the performance of a duty under this Agreement pending the completion of that process. Except for such an action to obtain equitable relief, neither party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session, or 45 days after the date of filing the written request for mediation, whichever occurs first. Mediation may continue after the commencement of a civil action, if the parties so desire.

Exhibit B: Annual Facilities Specifications

This Exhibit defines the facilities dedicated space, cost and contracted services for each year of the Term of the Agreement between Charter School and the District. This section will be renegotiated and revised by April 30 of each year of the Term of the Agreement.

For Year 1 of the term: July 1, 2016 – June 30, 2021

1.0 Dedicated Space

1.1 Pursuant to Proposition 39, Charter School maintains in-district ADA of at least 206.38 for grades 9-12. Charter School will occupy a total of 12 Classrooms at the High School Site. District agrees to provide 7 Classrooms to meet projected in-district ADA, 1 Classroom for office/administrative uses, 1 Classroom as a science lab/classroom, and 1 Classroom for alternative education as part of Charter School's baseline allocation. During the Term the District will continue to monitor and evaluate Charter School's in-District enrollment projections and information as provided herein and will adjust/increase the base allocation as indicated by such information. In that event, Charter School's pro rata share will be adjusted accordingly. Charter school's pro rata share may also be adjusted by the District during the Term as a result of any increases or decreases in District costs and expenses. Total rent for any additional Classrooms is determined by the formula below in 1.2 for the additional space Charter School elects.

1.2 Formula:

Classroom loading factor: 30 students per Classroom
Estimated total of East Side Students: 206.38 equals 7 Classrooms,
plus 1 Classroom for office and administrative use,
plus 1 science/lab Classroom,
plus 1 alternative education Classroom.

Total Number of occupied/used Classrooms: **12**

Total number of Classrooms in excess of District average:
12 – 10 equals 2 Classrooms.

Charter School shall pay to the District the fees specified in **Table 1** in accordance with the terms of the Agreement.

Operations & Maintenance

2.0 GENERAL OPERATIONS: Charter School shall pay the pro rata share as shown on the attached **Table 2**. The calculation for the Dedicated Space is based on pro rata share from the plant maintenance and operations which are paid by the district unrestricted general fund. (Title 5 C.C.R. §11969.7)

The District's expenditures for maintenance and grounds for 2014-15 are shown on **Table 2**. The District is updating these expenditures and reserves the right to adjust and modify these amounts as calculations are finalized and bill/credit Charter School for such adjustments, and Charter school agrees to timely pay any such adjusted amounts. The amount shown does not include expenditures for custodial services. As shown on **Table 2**, the pro rata facilities cost is $2.87 per square foot for district charter schools (Total facilities costs from unrestricted general fund revenues divided by total square footage).

2.1 CUSTODIAL: Charter School will independently contract for this service.

Shared Space

3.0 PARKING: The District will provide Charter School with a designated parking area shown on **Exhibit C** for Charter School staff and visitors on the High School Site.

Over-Allocated Space

4.0 OVER-ALLOCATION: Any over-allocation of facilities shall be subject to the provisions of 5 CCR §11969.8. Any charges for over-allocated space as provided in 5 CCR §11969.8 shall be submitted to Charter School on or around June 1 each year and shall be promptly paid by Charter School.

This MOU **Exhibit B** is hereby approved.

The Foundation for Hispanic Education
Youth Suicide Prevention Policy

The Governing Board of The Foundation for Hispanic Education recognizes that suicide is a leading cause of death among youth and that an even greater amount of youth consider (17 percent of high school students) and attempt suicide (over 8 percent of high school students) (Centers for Disease Control and Prevention, 2015).

The possibility of suicide and suicidal ideation requires vigilant attention from our school staff. As a result, we are ethically and legally responsible for providing an appropriate and timely response in preventing suicidal ideation, attempts, and deaths. We also must work to create a safe and nurturing campus that minimizes suicidal ideation in students.

Recognizing that it is the duty of the district and schools to protect the health, safety, and welfare of its students, this policy aims to safeguard students and staff against suicide attempts, deaths and other trauma associated with suicide, including ensuring adequate supports for students, staff, and families affected by suicide attempts and loss. As it is known that the emotional wellness of students greatly impacts school attendance and educational success, this policy shall be paired with other policies that support the emotional and behavioral wellness of students.

This policy is based on research and best practices in suicide prevention, and has been adopted with the understanding that suicide prevention activities decrease suicide risk, increase help-seeking behavior, identify those at risk of suicide, and decrease suicidal behaviors. Empirical evidence refutes a common belief that talking about suicide can increase risk or “place the idea in someone’s mind.”

In an attempt to reduce suicidal behavior and its impact on students and families, the Superintendent, Chief Academic Officer or Designee shall develop strategies for suicide prevention, intervention, and postvention, and the identification of the mental health challenges frequently associated with suicidal thinking and behavior. These strategies shall include professional development for all school personnel in all job categories who regularly interact with students or are in a position to recognize the risk factors and warning signs of suicide, including substitute teachers, volunteers, expanded learning staff (afterschool) and other individuals in regular contact with students such as crossing guards, tutors, and coaches.

The Superintendent, Chief Academic Officer or Designee shall develop and implement preventive strategies and intervention procedures that include the following:

Overall Strategic Plan for Suicide Prevention

The Superintendent, Chief Academic Officer or Designee shall involve school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers,

students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating the district's strategies for suicide prevention and intervention. Districts must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources. The Foundation for Hispanic Education has worked in conjunction with Sonoma County Charter SELPA, Santa Clara County Behavioral Health Services/Social Emotional and Academic Services (SEAS) Program, Santa Clara County Mental Health Services Act, Alum Rock Counseling Center, Silicon Valley YWCA, and Foothill Community Health Center.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, the district shall appoint an individual (or team) to serve as the suicide prevention point of contact for the district. In addition, each school shall identify at least one staff member to serve as the liaison to the district's suicide prevention point of contact, and coordinate and implement suicide prevention activities on their specific campus. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Resources:

- The K–12 Toolkit for Mental Health Promotion and Suicide Prevention has been created to help schools comply with and implement AB 2246, the Pupil Suicide Prevention Policies. The Toolkit includes resources for schools as they promote youth mental wellness, intervene in a mental health crisis, and support members of a school community after the loss of someone to suicide.

  Additional information about this Toolkit for schools can be accessed on the Heard Alliance Web site at http://www.heardalliance.org/.

Prevention

A. Messaging about Suicide Prevention

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, The Foundation for Hispanic Education along with its partners has critically reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide.

Resources:

- For information on public messaging on suicide prevention, see the National Action Alliance for Suicide Prevention Web site at http://suicidepreventionmessaging.actionallianceforsuicideprevention.org/

- For information on engaging the media regarding suicide prevention, see the Your Voice Counts Web page at http://resource-center.yourvoicecounts.org/content/making-headlines-guide-engaging-media-suicide-prevention-california-0

- For information on how to use social media for suicide prevention, see the Your Voice Counts Web page at http://resource-center.yourvoicecounts.org/content/how-use-social-media

B. Suicide Prevention Training and Education

The The Foundation for Hispanic Education along with its partners has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members and other adults on campus (including substitutes and intermittent staff, volunteers, interns, tutors, coaches, and expanded learning [afterschool] staff).

Training:

- At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.

- All suicide prevention trainings shall be offered under the direction of school-employed mental health professionals (e.g., school counselors, psychologists, or social workers) who have received advanced training specific to suicide and may benefit from collaboration with one or more county and/or community mental health agencies. Staff training can be adjusted year-to-year based on previous professional development activities and emerging best practices.

- At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment. Previously employed staff members shall attend a minimum of one-hour general suicide prevention training (Common Myths about Suicide, Protective Factors, Warning Signs, Procedural Safeguards). Core components of the general suicide prevention training shall include:

    - Suicide risk factors, warning signs, and protective factors;

    - How to talk with a student about thoughts of suicide/Apprpriate ways to interact;

- How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment;

- Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member;

- Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide;

- Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at http://cal-schls.wested.org/.

- In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff should include the following components:

    - The impact of traumatic stress on emotional and mental health;

    - Common misconceptions about suicide;

    - School and community suicide prevention resources;

    - Appropriate messaging about suicide (correct terminology, safe messaging guidelines);

    - The factors associated with suicide (risk factors, warning signs, protective factors);

    - How to identify youth who may be at risk of suicide;

    - Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on district guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on district guidelines;

    - District-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed;

- District-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention);
- Responding after a suicide occurs (suicide postvention);
- Resources regarding youth suicide prevention;
- Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide;
- Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

- The professional development also shall include additional information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
  - Youth affected by suicide and/or exposed to;
  - Youth with a history of suicide ideation or attempts;
  - Youth with disabilities, mental illness, or alcohol/substance abuse disorders;
  - Lesbian, gay, bisexual, transgender, or questioning youth;
  - Youth experiencing homelessness or in out-of-home settings, such as foster care or runaway children;
  - Youth with a history of severe depression and/or self-harming behaviors;
  - NSSI
  - Youth who have suffered traumatic experiences;
  - Bullies and victims of bullying;

Resources:

- Youth Mental Health First Aid (YMHFA) teaches a 5-step action plan to offer initial help to young people showing signs of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self-help care. - Question, Persuade, and Refer (QPR) is a gatekeeper training that can be taught online. Just as people trained in cardiopulmonary resuscitation (CPR) and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. See the QPR Web site at http://www.qprinstitute.com/

- Applied Suicide Intervention Skills Training (ASIST) is a two-day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone may have thoughts of suicide and work with them to create a plan that will support their immediate safety. See the LivingWorks Web page at https://www.livingworks.net/programs/asist/

- Kognito At-Risk is an evidence-based series of three online interactive professional development modules designed for use by individuals, schools, districts, and statewide agencies. C. Employee Qualifications and Scope of Services

Employees of the The Foundation for Hispanic Education and their partners must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

D. Specialized Staff Training (Assessment)

Additional professional development in suicide risk assessment and crisis intervention shall be provided to mental health professionals (school counselors, psychologists, social workers, and nurses) employed by The Foundation for Hispanic Education.

Resource:

- Assessing and Managing Suicide Risk (AMSR) is a one-day training workshop for behavioral health professionals based on the latest research and designed to help participants provide safer suicide care. See the Suicide Prevention Resource Center Web page at http://www.sprc.org/training-events/amsr

E. Parents, Guardians, and Caregivers Participation and Education

- To the extent possible, parents/guardians/caregivers should be included in all suicide prevention efforts. At a minimum, schools shall share with parents/guardians/caregivers the The Foundation for Hispanic Education suicide prevention policy and procedures.

- This suicide prevention policy shall be prominently displayed on the The Foundation for Hispanic Education Web page and included in the parent handbook.

- Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.

- All parents/guardians/caregivers should have access to suicide prevention training that addresses the following:

    - Suicide risk factors, warning signs, and protective factors;

    - How to talk with a student about thoughts of suicide;

    - How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

Resource:

- Parents as Partners: A Suicide Prevention Guide for Parents is a booklet that contains useful information for parents/guardians/caregivers who are concerned that their children may be at risk for suicide. It is available from Suicide Awareness Voices of Education (SAVE). See the SAVE Web page at https://www.save.org/product/parents-as-partners/

F. Student Participation and Education

The The Foundation for Hispanic Education along with its partners has carefully reviewed available student curricula to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Under the supervision of school-employed mental health professionals, and following consultation with county and community mental health agencies, students shall:

- Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress;

- Receive developmentally appropriate guidance regarding the district's suicide prevention, intervention, and referral procedures.

- The content of the education shall include:

    - Coping strategies for dealing with stress and trauma;

    - How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others;

    - Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help;

    - Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.

  Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, freshman orientation classes, science, and physical education).

  The The Foundation for Hispanic Education will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Weeks, Peer Counseling Programs, Freshman Success Programs, and National Alliance on Mental Illness on Campus High School Clubs).

Intervention, Assessment, Referral

A. Staff

The Foundation for Hispanic Education staff members who have received advanced training in suicide intervention shall be designated as the primary and secondary suicide prevention liaisons. Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

- Under normal circumstances, the primary and/or secondary contact persons shall notify the principal, another school administrator, school psychologist or school counselor, if different from the primary and secondary contact persons. The names, titles, and contact information of multi-disciplinary crisis team members shall be distributed to all students, staff, parents/guardians/caregivers and be prominently available on school and TFHE Web sites.
    - Primary Suicide Prevention Liason: Rochelle Fong, Director of Student Services, LMFT
    - Secondary Suicide Prevention Liason: Marcella Rojas (LCPA) and/or Margarita Medina (RCLA) Irene Castilon (LVLA) and/or Mobile Crisis Team (All TFHE Schools), Alum Rock Counseling Center

  The principal, another school administrator, school counselor, school psychologist, social worker, or nurse shall then notify, if appropriate and in the best interest of the student, the student's parents/guardians/caregivers as soon as possible and shall refer the student to mental health resources in the school or community. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

If the student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

- Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary or secondary suicide prevention liaisons.

- Students experiencing suicidal ideation shall not be left unsupervised.

- A referral process should be prominently disseminated to all staff members, so they know how to respond to a crisis and are knowledgeable about the school and community-based resources.

- The Superintendent or Designee shall establish crisis intervention procedures to ensure student safety and appropriate communications if a suicide occurs or an attempt is made by a student or adult on campus or at a school-sponsored activity.

B. Parents, Guardians, and Caregivers

A referral process should be prominently disseminated to all parents/guardians/caregivers, so they know how to respond to a crisis and are knowledgeable about the school and community-based resources.

C. Students

Students shall be encouraged to notify a staff member when they are experiencing emotional distress or suicidal ideation, or when they suspect or have knowledge of another student's emotional distress, suicidal ideation, or attempt.

D. Parental Notification and Involvement

Each school within the The Foundation for Hispanic Education shall identify a process to ensure continuing care for the student identified to be at risk of suicide. The following steps should be followed to ensure continuity of care:

- After a referral is made for a student, school staff shall verify with the parent/guardian/caregiver that follow-up treatment has been accessed. Parents/guardians/caregivers will be required to provide documentation of care for the student.

- If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at-risk for suicide or in emotional distress, the suicide point of contact (or other appropriate school staff member) will meet with the parents/guardians/caregivers to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. If follow-up care for the student is still not provided, school staff should consider contacting Child Protective Services (CPS) to report neglect of the youth.

E. Action Plan for In-School Suicide Attempts

If a suicide attempt is made during the school day on campus, it is important to remember that the health and safety of the student and those around him/her is critical. The following steps should be implemented:

- Remain calm, remember the student is overwhelmed, confused, and emotionally distressed;

- Move all other students out of the immediate area;

- Immediately contact the administrator or suicide prevention liaison;

- Call 911 and give them as much information about any suicide note, medications taken, and access to weapons, if applicable;

- If needed, provide medical first aid until a medical professional is available;

- Parents/guardians/caregivers should be contacted as soon as possible;

- Do not send the student away or leave them alone, even if they need to go to the restroom;

- Listen and prompt the student to talk;
- Review options and resources of people who can help;
- Be comfortable with moments of silence as you and the student will need time to process the situation;
- Provide comfort to the student;
- Promise privacy and help, and be respectful, but do not promise confidentiality;
- Student should only be released to parents/guardians/caregivers or to a person who is qualified and trained to provide help.

F. Action Plan for Out-of-School Suicide Attempts

If a suicide attempt by a student is outside of The Foundation for Hispanic Education property, it is crucial that the LEA protects the privacy of the student and maintain a confidential record of the actions taken to intervene, support, and protect the student. The following steps should be implemented:

- Contact the parents/guardians/caregivers and offer support to the family;
- Discuss with the family how they would like the school to respond to the attempt while minimizing widespread rumors among teachers, staff, and students;
- Obtain permission from the parents/guardians/caregivers to share information to ensure the facts regarding the crisis is correct;
- Designate a staff member to handle media requests;
- Provide care and determine appropriate support to affected students;
- Offer to the student and parents/guardians/caregivers steps for re-integration to school.

G. Supporting Students after a Mental Health Crisis

It is crucial that careful steps are taken to help provide the mental health support for the student and to monitor their actions for any signs of suicide. The following steps should be implemented after the crisis has happened:

- Treat every threat with seriousness and approach with a calm manner; make the student a priority;

- Listen actively and non-judgmental to the student. Let the student express his or her feelings;

- Acknowledge the feelings and do not argue with the student;

- Offer hope and let the student know they are safe and that help is provided. Do not promise confidentiality or cause stress;

- Explain calmly and get the student to a trained professional, guidance counselor, or designated staff to further support the student;

- Keep close contact with the parents/guardians/caregivers and mental health professionals working with the student.

H. Re-Entry to School After a Suicide Attempt

A student who threatened or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

The following steps shall be implemented upon re-entry:

- Obtain a written release of information signed by parents/guardians/caregivers and providers;

- Confer with student and parents/guardians/caregivers about any specific requests on how to handle the situation;

- Inform the student's teachers about possible days of absences;

- Allow accommodations for student to make up work (be understanding that missed assignments may add stress to student);

- Mental health professionals or trusted staff members should maintain ongoing contact to monitor student's actions and mood;

- Work with parents/guardians/caregivers to involve the student in an aftercare plan.

I. Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on students and staff. Therefore, it is vital that we are prepared ahead of time in the event of such a tragedy. Rochelle Fong and/or Marcella Rojas and Margarita Medina and/or Irene Castillon are the Primary and Secondary Suicide Prevention Liaisons at the The Foundation for Hispanic Education shall ensure that each school site adopts an action plan for responding to a suicide death as part of the general Crisis Response Plan. The Suicide Death Response Action Plan (Suicide Postvention Response Plan) needs to incorporate both immediate and long-term steps and objectives.

- Suicide Postvention Response Plan shall:
    - Identify a staff member to confirm death and cause (school site administrator);
    - Identify a staff member to contact deceased's family (within 24 hours);
    - Enact the Suicide Postvention Response Plan, include an initial meeting of the district/school Suicide Postvention Response Team;
    - Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
- Coordinate an all-staff meeting, to include:
    - Notification (if not already conducted) to staff about suicide death;
    - Emotional support and resources available to staff;
    - Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration);
    - Share information that is relevant and that which you have permission to disclose.

- Prepare staff to respond to needs of students regarding the following:
    - Review of protocols for referring students for support/assessment;
    - Talking points for staff to notify students;
    - Resources available to students (on and off campus).
- Identify students significantly affected by suicide death and other students at risk of imitative behavior;
- Identify students affected by suicide death but not at risk of imitative behavior;
- Communicate with the larger school community about the suicide death;
- Consider funeral arrangements for family and school community;
- Respond to memorial requests in respectful and non-harmful manner; responses should be handed in a thoughtful way and their impact on other students should be considered;
- Identify media spokesperson skilled to cover story without the use of explicit, graphic, or dramatic content (go to the Reporting on Suicide.Org Web site at www.reportingonsuicide.org). Research has proven that sensationalized media coverage can lead to contagious suicidal behaviors.
- Utilize and respond to social media outlets:
    - Identify what platforms students are using to respond to suicide death
    - Identify/train staff and students to monitor social media outlets
- Include long-term suicide postvention responses:
    - Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
    - Support siblings, close friends, teachers, and/or students of deceased
    - Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide

b. Extra duty assignments shall be made available to all qualified unit members; however, selection of unit members to serve in an extra duty assignment is at the complete discretion of The Foundation. The Foundation may relieve a unit member from providing extra duty services at any time and for any reason. If relieved of extra duties mid-year by The Foundation, any compensation to be paid to a unit member shall be reduced by an amount proportionate to the services remaining to be completed.

c. Stipends. Unit members will be paid stipends for completing the extra duty assignments set forth below:

    i. Founding Teacher: $1,500 (one-time stipend; shall only be paid to unit members who have been employed since the founding year of the school and who continue through the graduation of the first class at said school)

    ii. High Need Areas (Math, Science & Special Education Teachers): $2,000 to $10,000 (annual stipend; variable from year to year, but all teachers in a particular subject area shall receive the same stipend each year a stipend is provided)

d. Hourly/Daily Rate. Unit members required to perform the extra duties below, with advance approval of the Principal, will be compensated at an hourly rate of $50 or a daily rate of $250, as indicated:

    i. After-Hours Parent/Teacher Conferences: When unusual circumstances do not allow unit members to complete conferences with parents during designated parent/teacher conference hours or regular school hours, unit members will be compensated at the hourly rate.

ii. Additional Chaperone Duties: For any chaperone duties beyond the professionally required school events set forth in Section 7.3.a.

e. Any other or additional stipends approved by a Principal for the 2017-2018 school year will be honored for that year only. Any stipends or additional compensation not previously promised for the 2017-2018 school year or enumerated herein shall be negotiated between UFE and The Foundation.

f. Extra duty pay shall be considered earned upon completion of the services and/or outcomes described in The Foundation's written description of the extra duty assignment. Unit members will submit a time card tracking extra duty pay to the Principal which will be processed and paid at the next regularly scheduled pay period. Only extra duties approved in advance by The Foundation are compensable under this section.

4. Signing Incentive. To allow The Foundation to compete and hire the best possible candidates for employment and/or fill those positions that are high need, The Foundation may offer discretionary signing incentives that are not ongoing. The Foundation shall notify UFE of any signing incentives. Every effort shall be made to distribute signing incentives in an equitable manner. There shall be no other discretionary compensation unless specifically negotiated between the Foundation and UFE.

5. Health Benefits.

a. Upon ratification of this agreement, the Foundation shall contribute 90% of the total cost toward coverage for any and all health and welfare benefits.

b. Health and welfare benefits shall include:

i. Medical coverage, with benefits similar to or better than the current benefits provided by the existing Kaiser plans;

ii. Dental coverage, with benefits similar to those current benefits provided by the existing Delta Dental Plan; and

iii. Vision coverage, with benefits similar to those current benefits provided by the existing VSP plan.

c. If any changes in health benefits are anticipated, the Foundation shall meet with UFE to discuss these changes.

ARTICLE IX: EMPLOYMENT STATUS

1. Probationary Employment. During the initial first two consecutive years of employment with The Foundation, all unit members' employment is on a probationary at will basis. During this probationary term, the employee may be released from employment with or without cause at any time. Non-renewal of probationary employment will be on an at-will basis; however, The Foundation will provide notice of non-renewal of probationary employment no later than April 15 of the school year in which the non-renewal notice is given.

2. Regular Employment. Should a unit member be offered an employment contract beginning in the third consecutive year of employment with The Foundation, the contract shall be for regular employment. Regular employment may be terminated for cause as set forth in and subject to the discipline procedure of Article X or for unsatisfactory performance as set forth in and subject to the evaluation procedure of Article XII.

3. Status Credit.

    a. Employees who have been unit members at the Foundation for at least two (2) consecutive and complete years as of June 30, 2017 will be given credit for completion of the probationary period.

    b. Employees who have been unit members at the Foundation for one year as of June 30, 2017 will be given credit for completion of the first year of the two-year probationary period.

ARTICLE X: DISCIPLINE AND DISMISSAL

1. Discipline Process. The disciplinary action to be taken in the event of a unit member's misconduct depends of a variety of factors including the type, severity and repetitive nature of the misconduct. The Foundation will engage in the concept of progressive discipline, in an effort to provide unit members an opportunity to recognize their deficient performance or unacceptable conduct and to attempt to remediate or improve.

    a. Except as otherwise provided, The Foundation will follow the steps below prior to imposing an unpaid suspension or dismissal:

        i. Counseling and verbal warning

        ii. Two written warnings

    b. Should repeated grounds for discipline occur, The Foundation is not required to use more severe disciplinary action than previously. In such cases The Foundation shall have discretion to determine whether to issue additional verbal or written warnings, or to impose more severe discipline, up to and including termination, subject to the terms and conditions of this Article.

    c. In cases of egregious misconduct, The Foundation may skip all or some of the above steps or may immediately seek suspension or termination.

2. Warnings. The Foundation shall take all of the following steps in issuing warnings. The Foundation's decision to issue warnings is not subject to appeal or grievance.

    a. The Principal or designee shall meet with the unit member to discuss the matter;

    b. The Principal or designee shall inform the unit member of the nature of the problem and shall make an effort to discover, in a fair and objective manner, whether the problem, in fact, exists;

    c. If a problem is confirmed, the Principal or designee shall inform the unit member of the action necessary to correct the problem, and the consequences if it is not corrected;

    d. The Principal or designee shall apply rules and penalties consistently and without discrimination, taking into account the degree of misconduct and the member's previous record of discipline with The Foundation;

e. The Principal or designee shall warn the member that another incident may result in more severe disciplinary action up to and including termination; and

f. If a written warning is issued, the Principal or designee shall furnish the unit member with a copy of the written document that is to be placed into the personnel file and any written response by the unit member provided to The Foundation within five days shall also be placed in the personnel file.

3. Unpaid Suspension or Termination – Probationary Members. Probationary members are at will, meaning their employment with The Foundation can be terminated at any time with or without cause. Probationary members may be suspended or dismissed subject to the process and procedures set forth in Sections 10.1 and 10.2.

4. Unpaid Suspension or Termination – Regular Members.

    a. For Cause. Regular unit members may only be suspended or terminated for cause as defined in Section 10.5 and subject to the procedure set forth in this Section 10.4.

    b. Notice of Proposed Disciplinary Action.

        i. The suspension or dismissal shall be initiated by a Notice of Proposed Disciplinary Action in writing, setting forth the specific cause(s) for discipline and a statement, in ordinary language, of the facts upon which the disciplinary action is based, any rule or regulation alleged to have been violated, the proposed penalty and the proposed date upon which the discipline will be imposed.

        ii. The Notice shall also include a copy of any documentary materials upon which such action is based, including a copy of all written charges, materials, and reports.

        iii. The Notice shall inform the unit member that within five (5) workdays of receipt, a Pre-Disciplinary Conference with the Principal or designee shall be scheduled, unless The Foundation and unit member mutually agree to an extended deadline or the unit member waives their right to such Conference.

        iv. The Notice shall state that the unit member has a right to respond, verbally and in writing, and to present evidence in their own defense.

    c. Pre-Disciplinary Conference.

i. A Pre-Disciplinary Conference with The Foundation President or designee shall be scheduled within five (5) workdays following the unit member's receipt of the Notice of Proposed Disciplinary Action, unless otherwise mutually agreed.

ii. If the unit member waives their right to a Conference or fails to appear, The Foundation may impose the discipline as proposed in the Notice.

iii. The unit member shall be entitled to appear personally at the Conference to present any evidence or testimony to contest the proposed discipline. This conference is not a formal evidentiary hearing and as such there will be no right to cross examine witnesses. If the unit member chooses to be accompanied by a Union representative or legal counsel at such Conference, the employee may do so and shall bear any cost therein involved.

iv. Following the Pre-Disciplinary Conference, The Foundation shall issue a written decision upholding, amending or rejecting the proposed discipline, and including a statement of all facts upon which the decision is based. The Foundation's written decision will be served on the unit member by overnight mail and email within 10 days of the Pre-Disciplinary Conference, unless The Foundation determines that additional time to review information is needed, in which case The Foundation shall give written notice of the extension to the unit member before the expiration of initial 10 day deadline. In no event will The Foundation's deadline to issue a decision be extended more than 20 days after the Pre-Disciplinary Conference unless mutually agreed upon by the unit member and The Foundation.

v. The Foundation's decision will be implemented upon service of the written decision.

d. Appeal to Board Subcommittee.

i. If a unit member wishes to appeal the decision to impose a suspension or dismissal, the unit member must do so within 10 days of the date of The Foundation's decision. The appeal must be in writing and delivered to the President or designee by overnight mail or hand delivery, and by email. The notice of appeal must clearly state the name of the appellant, the decision being appealed and the grounds for appeal.

ii. The Foundation shall have 30 days to consider the appeal and modify or withdraw the decision by action of the Board Subcommittee, unless otherwise mutually agreed. Written notice of any such action by the Board Subcommittee shall be provided to the unit member.

e. Binding Arbitration Panel.

i. If the Board Subcommittee does not act on the appeal within 30 days, or other deadline mutually agreed to by the Foundation and unit member, or it upholds the decision, the unit member may submit his/her appeal to binding arbitration subject to the terms and conditions specified herein.

ii. The unit member shall notify The Foundation of the decision to submit the disciplinary decision to a binding arbitration panel within five (5) work days after receiving notice of action by the Board Subcommittee. The notification of the decision to arbitrate shall include the Notice of Proposed Disciplinary Action, the decision rendered at each level (as applicable), and a clear, concise statement of the reasons for the appeal or the request to arbitrate.

iii. The arbitration shall be conducted by a five-member panel consisting of two (2) representatives of Foundation, two (2) representatives of Union, and an arbitrator. Participation on the Panel is voluntary and panel members will agree to participate in fair decision-making training provided to panel members jointly by the Foundation and UFE. UFE and TFHE will each select their respective representatives.

iv. Within ten (10) work days after issuing the decision to arbitrate, the Union shall request the State Mediation and Conciliation Service to provide a list of arbitrators. A representative of the Union and a representative of The Foundation shall select the arbitrator from the California State Mediation and Conciliation Services list by eliminating names until one name remains. The one remaining name shall be the arbitrator. The process of striking names shall occur within (10) days of receipt of the list. A coin flip shall determine if the Union or The Foundation will have first elimination. Once the arbitrator has been selected, hearings shall commence at the convenience of the arbitrator.

v. No party to the arbitration shall be permitted to assert any grounds or evidence, with the exception of impeachment evidence, before the panel that was not disclosed to the other party at the Pre-Disciplinary Conference.

Either party may request from the other the production, review and right to copy any such non-confidential evidence relevant to the disciplinary action. The Parties shall exchange lists of exhibits and witnesses at least ten (10) calendar days prior to the arbitration date unless otherwise mutually agreed. The binding arbitration panel shall consider only those issues raised by the parties-in-interest.

vi. The jurisdiction of the binding arbitration panel shall be confined to a determination of the facts and whether there has been a violation, misinterpretation, or misapplication of this Article as alleged by the grievant(s). The binding arbitration panel will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The binding arbitration panel will have no power to add to, subtract from, or modify the terms of this Agreement, or the written policies, rules, regulations and procedures of The Foundation except to the extent such policies, rules, regulations and procedures violate the terms and conditions of the Agreement.

vii. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitration shall be borne by the party not receiving the award. If the binding arbitration panel's decision is split between the School and the Union, the cost shall be divided equally. If either party requests a transcript of the proceedings, that party shall bear the full costs of the transcript. If the parties mutually request a transcript, the total cost of the transcripts shall be divided equally between the parties.

viii. The decision of the binding arbitration panel shall be submitted to UFE and The Foundation as soon as possible but no later than 20 calendar days after the hearing has concluded. The decision of the majority of the panel will be final and binding upon the parties.

ix. Nothing shall prevent an extension of the timelines if mutually agreed to by both parties.

5. Grounds for Cause Discipline/Dismissal. The following independently or collectively constitute causes for suspension or termination of regular unit members.

    a. Threatening harm or posing risk to the safety of others;

b. Falsifying of employment records;

c. Theft or deliberate damage or destruction of school property;

d. Consistent irresponsible or unauthorized use of school property;

e. Possession of firearms or other dangerous weapons on school property;

f. Possession or being under the influence of any intoxicant or drug while on school property or at a school function;

g. Insubordination;

h. Absence without leave, repeated tardiness or abuse of leave privileges;

i. Violating any Foundation policies, rules or procedures;

j. Engaging in any conduct which risks injury to the safety, health or security of employees or others;

k. Engaging in conduct which constitutes a conflict of interest;

l. Commission of or involvement in any act of unlawful harassment or discrimination of another individual;

m. Failure to maintain appropriate credentials or certification required for the position;

n. Unsatisfactory performance subject to the evaluation procedure in Article XII; and

o. Abandonment of position defined as failing to report to work for 3 consecutive days without notice or approved leave.

6. Paid Administrative Leave. Any unit member who is being investigated for egregious misconduct, which may include harassment, discrimination, retaliation, actual or threatened violence or any other misconduct that creates a threat to health and safety or a substantial distraction from the learning environment, may be immediately placed on a paid administrative leave by The Foundation. The Foundation's decision to place a unit member on a paid administrative leave is not subject to appeal or grievance.

ARTICLE XI: REDUCTIONS IN FORCE

1. Scope. Layoffs may occur due to programmatic needs, declining or insufficient enrollment, reduction in funds or a charter revocation or non-renewal. Prior to considering any layoff of unit members, the Foundation shall meet with the Union to discuss the impact of the layoff. The Foundation's decision to conduct a layoff is not subject to grievance.

2. Notice.

    a. Unit members subject to layoff during the school year shall receive 60 days' notice and shall be added to the rehire list.

    b. Notice for layoff or reduction in force occurring at the end of a school year (for the subsequent school year) shall be provided not later than April 15.

    c. If a school closure, nonrenewal or revocation of a charter petition, or a verifiable financial situation causes the Foundation to consider a layoff after the first 60 days of the work year and before the end of the school year, The Foundation shall meet with UFE in order to discuss alternatives to layoff and/or severance packages. If layoffs are necessary, The Foundation shall follow the layoff procedures outlined in Section 11.3.

3. Procedure. If layoffs take place, the following procedure shall be followed:

    a. The Foundation determines the department or service and school in which the layoff shall occur.

    b. Layoff shall occur on a school by school basis. A unit member laid off at one school shall not "bump" a unit member at another school.

    c. Before issuing a layoff notice to any unit member, volunteers shall be sought first. Potential volunteers must be notified that they have to no return right (other than the Rehire List).

4. Order of Layoff

    a. In the event The Foundation decides to lay off a unit member, the following criteria shall be considered: credentialing status, length of service with The Foundation, relevant experience and documented performance including annual evaluations. If The Foundation determines all aspects are equal, then length of service shall prevail ("seniority date"). For purposes of this Article, a unit member's seniority date is

based on the date on which he or she began paid probationary service with the Foundation. For any unit member with a break in service, the most recent date of regular employment is the seniority date. For purposes of this Article, a break in service is defined as an unpaid leave of absence of more than 12 months.

b. In the event two or more members share the same seniority date, the tie will be broken by random lottery conducted in the presence of at least one Union representative and the affected members. In the event any one or more of affected member(s) is unavailable for the lottery, an additional Union representative must be present as a witness and substitute for each absent member.

5. Rehire List. Unit members who have been laid off shall be placed on a reemployment list for a period of 12 months following the effective date of the layoff and shall be offered reemployment in order of seniority as defined herein:

    a. If and when a position opens, it must be initially offered to the most senior unit member on the Rehire List who holds the appropriate certification from that school site. The offer is to be made by phone call and via certified mail to the address on file for the unit member. The unit member shall have ten (10) calendar days from the date of the notice to respond to the offer.

    b. Unit members who decline an offer of reemployment for a position requiring the same credential as the position from which they were laid off will be removed from the Rehire List and will have to reapply for consideration of future employment.

    c. Unit members who decline an offer of employment for a position requiring a different credential from the position from which they were laid off will continue to be on the Rehire List but they will no longer be eligible for a reemployment offer for a position requiring a credential for the position they declined.

    d. No prospective employee may be offered a position until every qualified unit member on the Rehire List has been offered reemployment for a position requiring that credential.

    e. When a unit member is reemployed, the time spent on the Rehire List shall not constitute a break in service but for all purposes will be treated as time spent on an unpaid leave of absence.

6. Grievance Procedure

a. The employer's decision to conduct a layoff is not subject to grievance. However, alleged violations of the procedures and criteria set forth in Sections 11.2 through 11.5 are subject to the grievance procedures of this Agreement.

b. A unit member who disputes the order of layoff under Section 11.4 must provide written documentation to the Principal or designee within ten (10) calendar days after the reduction in force notice is delivered to the unit member. If The Foundation revises the unit member's layoff priority as a result of the documentation provided by the unit member, The Foundation shall notify the unit member and any other affected unit members within ten (10) calendar days.

c. In the event that The Foundation makes an error with respect to the procedures and criteria set forth in Sections 11.2 through 11.4, the remedy will be to restore employment to the affected member and the time prior to restoration will not be considered a break in service and to provide backpay.

ARTICLE XII: EVALUATION

1. Purpose. The primary purpose of evaluation is the improvement of the professional practices of all unit members and thereby the improvement of the quality of education for all students at the schools. Unit members will be evaluated by a Principal or Assistant Principal according to the terms outlined below. A unit member will be provided advance written notice if she or she will be evaluated by someone other than a Principal or Assistant Principal.

2. Evaluation System. UFE and The Foundation recognize the evaluation process as framework for ongoing opportunities for professional growth and development to improve both teaching and learning. The evaluation process shall provide for instructional growth at every point in the educator's career, give increased help and supervision to struggling educators and ensure ample opportunities for leadership development. Further, the process will provide relevant and constructive feedback, including opportunities for peer involvement for advisory and support purposes, and integration with professional development and the necessary resources for unit members to improve their practice and enhance student learning.

3. Evaluator and Coaches.

    a. The unit member's Principal, Assistant Principal or designee shall be responsible for evaluating or observing the unit member.

    b. The unit member's designated coach (if any) shall not be someone who has acted as the unit member's designated evaluator within the last 12 months. Unit members may receive coaching from a fellow unit member.

    c. A unit member may not evaluate another unit member.

4. Formal Observation. Formal observations for teachers will occur in classroom. For counselors, formal observations will occur during appropriate counselor-led events, such as student workshops and activities.

5. Informal Observation. Informal observations are ongoing and take place in the context of a professional environment, including but not limited to in-class instructional performance, in which overall professional performance is reflected in day-to-day performance and in contacts with peers, students, parents and others.

6. Evaluation Timeline and Frequency. All formal evaluations should be held between September and April. Unit members will be evaluated once a semester for a total of two

times every year. One formal evaluation will be scheduled with the unit member in advance and one will be unannounced. A unit member will have a post-evaluation meeting with their evaluator no later than 3 weeks after the unit member's formal observation.

7. Support for Growth Areas/Performance Improvement Plans. If growth areas are noted in the evaluation or if the unit member receives an unsatisfactory rating on their evaluation, the evaluator shall develop a plan with the unit member to assist the unit member in developing the areas identified. The evaluator will:

    a. Provide a written document that includes explanation of the growth area and suggested corrections. Improvement goals shall be identified along with clearly indicated expectations and evidence of achievement.

    b. Provide resources (at no cost to the unit member) to assist with improvement which shall include appropriate coaching by someone other than the unit member's evaluator to occur within the normal workday, and may include but is not limited to the following: support from director, department lead, professional development, observation of demonstration lessons and peer classrooms, administrator determined and accompanied visitations to other classes, direct supervisory assistance pertaining to improvement of marked areas of deficiencies; observe or to be observed by another unit member to gain insight into other techniques or strategies; in-service and other training to assist with improvement; review The Foundation policies, rules, regulations or procedures; or other techniques to support improvement.

    c. Provide a clear timeline for making improvement.

    d. Meet regularly with the unit member to provide feedback and review progress towards the goals identified on the timeline and make adjustments as needed.

8. Professional Evidence.

    a. A unit member may collect evidence that will demonstrate effective work in the classroom, the school and the community. For example, the evidence might include a sample of the curriculum unit, a video of a successful lesson, a survey created to assess parents 'reactions to home-school communications, or work generated as part of a team.

    b. Evidence could also include: reports of formal and informal observations, sample lesson plans, self-evaluation based on performance standards, and evidence of

contributing to school academic growth. Additionally, items may be included such as lead unit member/coaching, peer observations, and other indicators or professional accomplishments, etc.

9. Evaluation Task Force. Representatives of The Foundation and Union shall form a task force to meet and design the evaluation system including but not limited to tools, evaluation criteria including accountability measures, and process.

    a. The task force shall be composed of four (4) unit members (chosen by Union), and no more than four (4) Foundation representatives. Every effort shall be made to choose one (1) unit member from each high school. Union and Foundation representatives will be chosen as soon as possible, but in no event later than May 1, 2018 at which time notice of task force membership will be provided to the Chief Academic Officer and Union.

    b. The task force's work shall be completed by August 1, 2018, and participating unit members will be paid the daily rate for task force work performed over the summer.

10. Non-renewal of post-probationary unit members for poor performance may only occur if the unit member's evaluation is unsatisfactory three times within two consecutive years (including probationary years) and the unit member cannot demonstrate that they have met their performance improvement plan goals. If these criteria are met, post-probationary employees must receive a notice of nonrenewal by April 15th.

ARTICLE XIII: PERSONNEL FILES

1. The Foundation shall maintain confidential its official personnel file for each unit member. All personnel file information, including but not limited to derogatory information and evaluations shall be kept confidential to the fullest extent permitted by law.

2. Right to Inspection. Upon request, every unit member shall have the right to inspect their own personnel file in the presence of the Director or his/her designee, provided that the inspection shall occur during regular business hours and at a time when the unit member is not required to be providing instructional services and subject to the Director/Designee availability. Upon written request, a copy of such materials shall be provided, except for any pre-employment ratings, reports, examinations or records which were obtained prior to the unit member's employment.

3. Materials in personnel files of unit members which may serve as a basis for affecting the status of their employment shall be available to The Foundation personnel and agents authorized by law to assist or advise The Foundation on those matters. Personnel records shall not be provided to any other individuals or third parties, including the Exclusive Representative, without the unit member's express written consent and release or as may be required by a lawful court order or subpoena.

4. Derogatory Material. Information of a derogatory nature, except as allowed by law, shall not be entered or filed in the personnel file until the unit member is given 5 days advance notice that the information will be placed in the personnel file and is informed of the opportunity to review the material and provide a written response. The response will be attached to any such derogatory material and be made part of the personnel file.

ARTICLE XIV: LEAVES OF ABSENCE

1. Paid Sick Leave

    a. Eligibility and Allotment. Full- time unit members shall earn ten (10) days of paid sick leave each school year at the rate of one (1) sick leave day per school month of actual paid service and any unit members who work a partial year shall receive a pro-rated allotment of sick leave. The full year's credit of sick leave shall be available and can be used on the first day of the work year along with any accrued, unused sick leave carried over from prior years. Sick leave will not accrue during any unpaid leave of absence.

    b. Compensation for Sick Leave. Unit members will receive pay at their normal base rate for any sick leave taken. Unit members will not be paid for unused accrued sick leave upon termination of employment. Upon retirement, a teacher's accrued, unused sick leave, if any, may be applied towards service credit in accordance and as permitted by the State Teachers Retirement System (STRS) regulations.

    c. Accrual and Transfer of Sick Leave. Accrued, unused sick leave will carry over from year to year. Subject to the limitations noted in Section 14.1.a, sick leave accumulated in other California school districts shall be credited upon employment and shall be transferred, if applicable, to a school district or other public school upon separation. Any sick leave transferred from another employer and credited by the Foundation will be banked for STRS retirement purposes but will not be available for use.

    d. Use of Paid Sick Leave. Unit members may use their accrued sick leave to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventative care for) the employee or the employee's family member. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee in addition to individuals related by blood or affinity whose close association with the employee is the equivalent of a family relationship. "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. "Spouse" means a legal spouse, as defined by California law.

e. Requesting Sick Leave. If the need for sick leave is foreseeable, unit members shall provide notice at least one (1) hour prior to the start of the school day on the day of an absence. If the need for paid sick leave is unforeseeable, unit members shall provide notice of the need for the leave as soon as practicable. The unit member shall notify the Principal or designee of their intended return no later than 2:00 p.m. on the day prior to returning to work.

f. Return to Work. If requested, it shall be the unit member's responsibility to present a physician's statement certifying the unit member's fitness to return to full-time duty after illness. Failure to do so can constitute grounds for discipline. Consistent with legal requirements, unit members on unpaid leave of absence shall be entitled to return to the same or similar position held before commencement of the leave. Such unit member shall receive credit for annual salary increments for the paid leave provided the unit member serves at least 60% of the work year.

g. Coordination of Sick Leave Benefits with Other Benefits. The Foundation may require unit members to use any accrued unused sick leave during any medical leave of absence (if applicable, only before or after differential pay) as permitted under the laws applicable to the particular leave.

h. Verification of Illness. The Foundation may require medical verification of the nature and extent of the illness after three (3) days of absence or when The Foundation has documented that the employee has a pattern of absences suggesting abuse of sick leave; or in such circumstances the employee may be required, for probable cause, to submit to a medical examination at the Foundation’s expense.

i. Statements of Personal Illness and Injury Leave Accrual. The Foundation shall once annually or upon reasonable request provide each unit member with a written statement of 1) the accrued personal illness and injury leave total and 2) the personal illness and injury leave entitlement for the school year. Such statement shall be provided no later than the last day of the first teaching month of each school year.

2. Personal Necessity Leave

a. Use. A unit member may elect to use up to seven (7) days of his/her accumulated sick leave in any school year for purposes of personal necessity including:

i. Death or serious illness of a member of their family. This is in addition to bereavement leave.

ii. Accident involving their person or property or the person or property of a member of their family.

iii. To help ensure the health, safety, or welfare of the member and/or that of their child when they are the victim of domestic abuse or other crime.

iv. Appearance in court as a litigant, or as a witness under official order (not intended for jury duty).

v. Adoption of a child.

vi. The birth of a child making it necessary for an employee to be absent from his or her position during the work hours.

vii. Other activities which cannot reasonably be deferred to another day or time when the employee is free from duties.

b. Cap and Carryover. Personal necessity leave will carry over from year to year subject to a cap of seven (7) days per year.

c. Notice and Approval. Unit members must provide The Foundation with reasonable advance notice of the need for personal necessity leave and the reasons therefore and must obtain advance approval of The Foundation.

d. Coordination with Other Benefits. The Foundation may require unit members to use any accrued unused personal necessity leave during any medical leave of absence as permitted under the laws applicable to the particular leave.

e. Verification. The Foundation may require verification of the grounds for leave when The Foundation has documented that the employee has a pattern of absences suggesting abuse of personal necessity leave.

3. Bereavement Leave. Each unit member is granted paid time off, not to exceed a total of (5) days of leave at full pay in any school year in the event of a death in the family. Unit members may take an additional 5 days unpaid. A request for bereavement leave must be submitted to the Principal in advance of the need for such leave.

4. Leaves of Absence Under the Family Medical Leave Act, California Family Rights Act, Americans with Disabilities Act and California Pregnancy Disability Act.
