The Parties further agree to re-open any other article(s) that refers to or impacts Sergeants, if a unit number is issued and only at the time of issuance/at one of the Parties' request.

The employer is expressly prohibited from any involvement in the collection of fines, penalties or special assessments and shall not honor any request of this nature other than for association dues.
- 4.2** Any employee may, at any time, revoke his dues deduction and shall submit such revocation form to the School District's payroll division with a copy to the association.

Such use of time is at the sole discretion of the Chief of Police and may be denied if the absence of union representatives creates an insufficient number of personnel to maintain efficiency of operations within the School Police Department or unduly disrupts the operation of a school center.
- 6.2** Union Representatives, up to a maximum of four (4), shall be permitted to attend negotiations on an on-duty status. Bargaining unit members on an off-duty status shall not be carried on an on-duty status for the sessions.

All costs incidental to preparing and posting of PBA material will be borne by the PBA.

With the approval of the PBA President and the Chief of Police (approval of specific notice or item), the PBA may send notices and information to members through the District's email system. Unless there is mutual agreement to do so, these meetings are not to be used as an alternative to filing a grievance should there be an alleged violation of this Agreement.
- 6.6** Following contract ratification, the PBA will be allowed one (1) hour to meet with members during a Department-wide training. The PBA also will be allowed 30 minutes to address all OIT's (Officer in Training) during orientation.

- C. The law enforcement officer under investigation shall be informed of the rank, name and command of the officer in charge of the investigation, the interrogating officer, and all persons present during the interrogation. - F. The law enforcement officer under interrogation shall not be subjected to offensive language or threatened with transfer, dismissal, or disciplinary action. No promise or reward shall be made as an inducement to answer any questions.
- G. The formal interrogation of a law enforcement officer, including all recess periods, shall be recorded, and there shall be no unrecorded questions or statements.
- H. If the law enforcement officer under interrogation is under arrest, or is likely to be placed under arrest as a result of the interrogation, he/she shall be completely informed of all his/her rights prior to the commencement of the interrogation.

At the request of any law enforcement officer under investigation, he/she shall have the right to be represented by counsel or any other representative of his/her choice who shall be present at all times during such interrogation when the interrogation relates to the officer's continued fitness for law enforcement service.

ARTICLE 7 - POLICE OFFICERS' BILL OF RIGHTS Cont.

2. Complaint Review Board

A Complaint Review Board shall be composed of three (3) members: One (1) member selected by the chief administrator of the agency or unit; one (1) member selected by the aggrieved Officer, and a third (3rd) member to be selected by the other two (2) members. The Board members shall be law enforcement officers selected from any state, county, or municipal agency within the county. There shall be a Board for law enforcement officers whose members shall be from the same discipline as the aggrieved officer.

3. Civil Suits Brought by Law Enforcement Officers

Every law enforcement officer shall have the right to bring civil suit against any person, group of persons, or any organization or corporation of the head of such organizations or corporation, for damages, either pecuniary or otherwise, suffered during the performance of the officer's official duties or for abridgment of the officer's civil rights arising out of the officer's performance of official duties.

4. Notice of Disciplinary Action

No dismissal, demotion, transfer, reassignment, or other personnel action which might result in loss of pay or benefits or which might otherwise be considered a punitive measure shall be taken against any law enforcement officer unless such officer is notified of the action and the reason or reasons thereof prior to the effective date of such action.

5. Retaliation for Exercising Rights

No law enforcement officer shall be discharged, disciplined, demoted, or denied promotion, transfer, or reassignment, or otherwise be discriminated against in regard to his/her employment, or be threatened with any such treatment, by reason of his/her exercise of the rights granted by this part.

ARTICLE 8 - INVOLUNTARY TRANSFER

- 8.1** If a non-probationary School Police Officer is transferred involuntarily, except in an emergency as defined by the Superintendent or designee, the employee shall be given an advanced written notice two (2) weeks before the effective date of the involuntary transfer. A one (1) week notice of transfer shall be given prior to the beginning of the school year, if applicable.
- 8.2** For the purpose of this Article, the designee shall be the Chief of Police.
- 8.3** If necessary, the Chief shall allow for adequate time for those Officers who have been assigned to a different work location to relocate Department and personal belongings to that new work location.

ARTICLE 9 - PERSONNEL RECORDS

- 9.1** The School District agrees that all official personnel records shall be kept confidential to the extent provided by law. The provisions of subsection 1012.31, Florida State Statute are hereby incorporated herein. There shall be two (2) employee files, which shall be as follows: one (1) located in the Human Resources Division, which shall be the official District personnel file, and a Florida Department of Law Enforcement (FDLE) file in the School Police Department.
- 9.2** The School District agrees that in accordance with state law, upon request, a bargaining unit employee shall have the right to inspect his/her personnel record. No record(s) shall be hidden from a member's inspection. Anytime an entry is made into an employee's District personnel file, the employee will be notified and given a copy of the entry.
- 9.3** The School District agrees that a member shall have the right to include in his/her official personnel record a written and signed refutation (including signed witness statements) of any material he/she considers to be detrimental within ten (10) working days of the employee's receipt of the material.
- 9.4** All such insertions will remain a permanent part of the member's official personnel records.

ARTICLE 10 - SENIORITY, LAY-OFF, AND RECALL RIGHTS

- 10.1** Seniority shall be defined as the total length of continuous services in the Police Department. Seniority shall continue to accrue during all types of compensable leave. An employee on active military leave shall be entitled to all rights and benefits upon return to employment, as afforded by the Uniformed Services Employment and Reemployment Rights Act (USERRA) in accordance with Federal and State laws. Other approved leaves of absence without pay shall not count towards the accrual of seniority.
- 10.2** The Chief of Police may initiate the lay off of a member when it is deemed necessary by reason of shortage of work or funds, the abolition of the position, material change in the Department organization, or for other related reasons which are outside the member's control and which do not reflect discredit on the member.

In the event of a lay off for any reason, employees shall be laid off in the inverse order of their seniority in their classification. Any employee who is to be laid off, who has advanced to the present classification in which he/she held a permanent appointment, shall be given a position in a lower classification in the same Department. His/her seniority in the lower classification shall be established according to the date of his/her original (first) appointment to that classification. Employees shall be called back from lay off according to the seniority in the classification from which the employee was laid off within the Department. Probationary employees shall have no recall rights.

Persons promoted out of the bargaining unit shall be permitted to bump into the bargaining unit for a period of one (1) year after the date of promotion.

- 10.3** Unassigned school locations will be opened to the members for bidding prior to the beginning of each new school year (not during the school year), and selection will be made prior to the beginning of the fall term and based on those bidding members' seniority. The Chief of Police may consider other factors and has final authority in school assignments.

ARTICLE 11 - LEGAL BENEFITS: Limited Indemnification

11.1 The School District is authorized to provide legal services for officers and employees who are charged with civil or criminal actions arising out of and in the course of the performance of assigned duties and responsibilities. The School District shall provide for reimbursement of reasonable expenses for legal services for officers and employees who are charged with civil or criminal actions arising out of and in the course of the performance of assigned duties and responsibilities upon successful defense by the employee or officer. However, in any case in which the officer or employee pleads guilty or

nolo contendere or is found guilty of any such action, the officer or employee shall reimburse the Board for any legal services which the Board may have supplied pursuant to this section. A School District may also reimburse an officer or employee of the School District for any judgment which may be entered against him in a civil action arising out of and in the course of the performance of his assigned duties and responsibilities. Each expenditure by a School District for legal defense of an officer or employee, or for reimbursement pursuant to this section, shall be made at a public meeting with notice pursuant to Florida Statutes Sec. 120.53(1)(d). The providing of such legal services or reimbursement under the conditions described above is declared to be a district school purpose for which district school funds may be expended.

ARTICLE 12 – RESIGNATION AND PROBATION

- 12.1** Any bargaining unit member who submits his/her resignation will be permitted to continue his/her employment for the one (1) week notice period, or be paid for the one (1) week in lieu thereof at the discretion of the Chief of Police. Whenever possible, officers will attempt to give two (2) weeks-notice of resignation.
- 12.2** Employees shall be considered probationary from date of hire to one (1) calendar year following the employee's successful completion of the Field Training Officer (FTO) Program. During such probationary period, the employee may be terminated without recourse. Employees can access the probationary end date in PeopleSoft.

ARTICLE 13 - HEALTH, LIFE, DENTAL AND VISION INSURANCE BENEFITS

Effective January 1, 2024, the following provisions shall supersede all previous Articles/Sections regarding health/medical, dental, vision and life insurance benefits. This Section shall be included in each respective PERC recognized organization’s Collective Bargaining Agreement or negotiated modifications hereto, upon ratification by each respective employee organization and approval of the School Board. During coalition negotiations for the 2024 calendar year, employee contributions towards premiums were increased by \$10.00 per pay period which equals \$20.00 per month.

- 1. (a) The District will provide a choice of benefits to eligible employees under a cafeteria plan hereinafter referred to as a “Flexible Benefits Plan.”
- (b) Full-Time Eligible Employees: A full-time eligible employee is defined as a non-temporary employee who is in a regular established position and works six (6) or more hours per day.
- (c) Part-Time Eligible Employees: A part-time eligible employee is defined as a non-temporary employee in a regular part–time position who falls within one of the following two classifications:
 - a. Employee who works three and three quarter (3.75) or more hours, but less than six (6) hours per day and is included in the job classifications under the CTA Bargaining group or:
 - b. Employee who works four (4) or more hours per day, but less than six (6) and was hired prior to January 1, 2012 and remains continually employed in such position.

Any employee who is hired or rehired into a part-time position or transfers from a full-time into a part-time position on or after January 1, 2012, will not be eligible under this definition, except for those in the CTA bargaining group.

- 2. (a) Within the Flexible Benefits Plan, the District shall make available to each eligible employee an option of medical health plans. Such medical plans shall consist of a High Option Health Maintenance Organization (HMO) Plan, a Low Option HMO Plan and a Consumer Driven Health Plan (CDHP).

The medical plan enrollment choices include: Low Option HMO Plan or the CDHP for the first eighteen (18) months of active eligible employment. Thereafter, any elected medical plan changes will be effective the first day of the plan year occurring at least eighteen (18) months after the date the employee became eligible for insurance coverage.

- (b) DENTAL PLANS: The District will also make available choices of dental plans, including a Managed Dental Plan and a Preferred Provider (PPO) Plan to be paid by the employee with pre-tax dollars through payroll deduction.
- (c) VISION PLAN: The District will also make available a vision plan to be paid by the employee with pre-tax dollars through payroll deduction.
- (d) GROUP TERM LIFE INSURANCE: Basic Term Life Insurance will be provided and paid by the District for eligible employees in the following amounts:
 - ▶ \$20,000 face value for full-time eligible employees.
 - ▶ \$10,000 face value for part-time eligible employees.

ARTICLE 13 - HEALTH, LIFE, DENTAL AND VISION INSURANCE BENEFITS Cont.

The Group Term Life Policy will include equal amounts of Accidental Death and Dismemberment (AD&D) coverage and will provide an employee a conversion right to an individual whole life policy directly with the life insurance carrier without the need for a physical examination if the employee ends his or her employment with the District. No other continuation or portability plans will be offered.

Eligible employees will be able to purchase additional term life and AD&D insurance if they enroll within thirty (30) days of their first date of hire at the same rates the Board pays in \$20,000 increments, up to \$100,000 or five (5) times their annual salary, whichever is less.

Employees who avail themselves of this option may also enroll their non-disabled spouse with one-half (1/2) the face value of the additional insurance the employee has opted to purchase. Such spousal coverage includes AD&D and may only be purchased in \$10,000 increments. If an employee's spouse is also an eligible employee, the employee is not eligible to purchase spouse optional life or AD&D and only one of the eligible employees may purchase group term life for their dependent children.

Employees who purchase additional term life insurance may also purchase coverage without AD&D for their non-disabled dependent children, who are under the age nineteen (19) or under age twenty-five (25) if the child is a student. Such dependent coverage will have two options:

- ▶ \$5,000 coverage on all dependent children over six (6) months of age, or
- ▶ \$10,000 coverage on all dependent children over six (6) months of age.

All voluntary group term life purchased coverage will be paid through payroll deduction and no medical questionnaire or physical exam need to be taken if the eligible employee enrolls within the first thirty (30) days of employment and not in excess of \$100,000 coverage. Rates for optional employee coverage will not be more than the rates that the District pays for the basic coverage described above.

Group Term Life Insurance coverage in excess of \$100,000 and enrollment during annual enrollment periods will require satisfactory proof of insurability by the insurance carrier.

- (e) **CLAIMS ADMINISTRATION:** An employee will be required to comply with any and all rules and regulations and/or limitations established by the carrier or applicable third party administrator and contained in the policy, and employees and their dependents shall look solely to such carrier or third party administration for the adjudication of the payment of any and all benefits claims.
- 3. The District has established a retirement program under IRS Code Section that defers taxation until retirement or other severance from employment and permits the employee to forfeit and allow the District to contribute each year all of his/her benefit dollars to this retirement plan. This program is called the Special Retirement Plan. At the option of the District, additional contributions may also be made by the District. Any contributions to the Special Retirement Plan shall be made as an employer contribution to such eligible retirement program. Account values under this Plan shall be available to the employee only as permitted under, and in accordance with applicable Federal and Internal Revenue Service regulations governing such programs.

ARTICLE 18 - LEAVES

18.1 - LEAVES OF ABSENCE

A Leave of absence is permission granted by the District, or allowed under its adopted policies, for an employee to be absent from duty for specified periods of time with the right of returning to employment on the expiration of the leave. All absences of School District employees from duty shall be covered by leave duly authorized and granted. Leave shall be officially granted in advance by the School District and shall be used for the purposes set forth in the leave application. Leave for sickness or other emergencies may be deemed to be granted in advance if prompt report is made to the proper authority. No leave, except military leave, shall be granted for a period greater than one (1) year. A new leave application may be filed and granted at the expiration of leave, but automatic renewals of leave shall not be allowed. Leave may be with or without pay as provided by law, regulations of the State Board, and School District Policy.

A. The following types of leave are available to School Police Officers:

- Leave for Personal Reasons
- Sick Leave
- Catastrophic Leave
- Injury or Illness In-Line-Of-Duty Leave
- Temporary Military Leave
- Bereavement Leave
- Military Leave
- Leave of Absence for the Purpose of Campaigning for Political Office
- Personal Leave Including Maternity/Recovery and Child Care
- Domestic Violence Leave
- Family Medical Leave

If an employee's leave time falls on a date when the District is closed due to a state of emergency, such as a hurricane, the employee's leave will not be deducted if the employee rescinds his/her pre-approved sick or vacation leave up to two hours prior to the start of his/her normal work time.

B. Also in addition to the leaves listed in 18.1 (A) above, a non-probationary bargaining unit member as of July 1, of any given year, may volunteer for the ensuing twelve (12) months to meet annual fitness standards measuring body fat, body weight in proportion to height and aerobic power in accordance with standards established by the Institute for Aerobic Fitness, Dallas, Texas or other standards adopted by the Department. Eligible bargaining unit members achieving these annual fitness goals in all three categories shall be eligible for a paid administrative leave day which may be utilized only during the summer training months with the approval of the Chief of Police or designee. The Department will establish written procedures for bargaining unit members to follow so such members will know what fitness goals they will need to achieve in order to be eligible for this paid administrative leave day.

18.2 - PAID LEAVES

A. Leave for Personal Reasons

An employee shall be allowed six (6) days paid leave for personal reasons each year to be charged against accrued sick leave. Any personal leave shall be non-cumulative. Officers will submit all types of leave requests to their immediate supervisor for approval. If a member requests to use a personal day at least fourteen (14) calendar days in advance, the District must grant use of the day, absent undue operational hardship.

B. Sick Leave

1. Extent of Sick Leave

- a. An employee shall be credited with four (4) days (32 hours) of sick leave as of the last day of the first (1st) month of regular employment of each appointive year, and shall thereafter earn one (1) day (8 hours) of sick leave at the end of each calendar month provided that the employee has been on duty or compensable leave a minimum of eleven (11) days and/or eighty-eight (88) hours exclusive of overtime within the month; and provided further, that the employee shall be entitled to earn no more than one (1) day (8 hours) of sick leave times the number of months of employment during the year of employment; and provided further, that upon timely written request to the Chief of Police, the employee may be scheduled so that twelve (12) days (96 hours) of accrued sick leave may be earned during a twelve month period.
- b. If the employee terminates employment and has not earned the four (4) sick days (32 hours) available, the District will withhold the average daily amount for the sick days utilized but unearned by the employee.

2. Sick leave shall be cumulative from year to year with no limit on the number of days accrued; provided, that at least one-half (½) of this cumulative leave must be established within the Palm Beach County School District. An employee returning to the system after a leave of absence or resignation shall be entitled to the accrued balance credited at the time of such leave or resignation.

3. An employee may use accumulated sick leave for absence due to pregnancy, miscarriage, abortion, childbirth, and recovery therefrom, all of which shall hereafter be referred to as pregnancy. Should sick leave be insufficient, personal leave provisions may be used for pregnancy. The employee will have the duty to inform the personnel office at least one (1) month before the expected date of leave, when possible, so that a temporary replacement can be provided. Similarly, the employee should keep the Chief of Police informed as to the date of probable return to assignment after delivery and recovery.

An employee requiring more than thirty (30) working days (240 hours) of paid leave for recovery may be required to submit medical evidence at reasonable intervals supporting the need for additional leave.

ARTICLE 18 – LEAVES Cont.

4. Sick leave for medical appointments shall be scheduled more than forty-eight (48) hours ahead and not be changed except in the event of an emergency. All other requests for sick leave must be made at least two (2) hours in advance, except in the case of an emergency.
5. All sick leave and personal leave shall be approved by the Superintendent or designee. Personal leave shall be approved in advance. Officers will submit all types of leave to their immediate supervisor for approval.
6. Out-of-County Credit for Sick Leave – Employees shall be entitled to transfer sick leave credit from other Florida School Systems and State Agencies which are participants in any of the Florida Retirement System plans with the restriction that at least one-half (½) of the cumulative leave shall be established within this School District.
7. Sick leave claims shall be honored as submitted by the employee for personal illness, as well as illness or death of father, mother, brother, sister, husband, wife, child or other close relative, or member of the employee's own household.

An employee who uses Sick Leave to miss an entire scheduled work calendar day, shall not work any Extracurricular School Function, Lease, or Mutual Aid Details until the next calendar day unless otherwise agreed to by the Chief or designee.

8. Sick leave without pay may be granted for employees who have used all accumulated sick leave, but who would otherwise qualify for sick leave.
9. The Superintendent or designee may require a doctor's statement of verification of illness. A request to the Superintendent for a verification of claim may be initiated by the Chief of Police. Any use of sick leave for which a doctor's note is provided shall not be considered as a violation of any sick leave policy.
10. A false claim for sick leave shall be grounds for dismissal by the School District.
11. The Parties agree that the following provisions will govern the Transfer of Sick Leave to Another Officer:

As permitted by Florida State Statutes a regular full-time Officer may donate unused accrued sick leave, in increments of eight (8) hours to another regular full-time Officer to use as sick leave for either the recipient Officer's serious illness that prevents the Officer from performing his/her work duties/responsibilities or a recipient Officer's serious physical injury that prevents that Officer from performing his/her work duties/responsibilities. Transferred sick leave may not be used as paid personal leave for personal reasons pursuant to Section A above. To be eligible to receive donated sick leave:

- a. The seriously ill or injured Officer must submit documentation to the Chief of Police signed by his/her treating physician that the Officer's serious illness or serious injury prevents the Officer from performing his/her work duties/responsibilities. Such

ARTICLE 18 – LEAVES Cont.

documentation must include an approximate date when the Officer will be able to return to work and resume all of his/her work duties/responsibilities.

- b. Upon receipt of a request from the Chief of Police or his/her designee for updated documentation, including a revised date on which the Officer will be able to return to work, the Officer is required and will promptly see that all necessary steps are taken to obtain such required updated documentation, along with the revised return to duty date, and that such documentation is signed by the treating physician and promptly submitted to the Chief of Police or his/her designee.
- c. The prospective recipient Officer must have had a minimum of eight (8) earned, accumulated and unused sick leave hours at the time of illness or injury.

The following provisions will govern the transfer of sick leave days:

- a. The Officer donating his/her earned and unused sick leave will use form PBSB 2175 found on the District's website.
- b. A regular full-time Officer with an accumulation of at least forty-eight (48) hours of earned and unused sick leave may donate sick leave hours pursuant to this provision to any eligible full-time Officer regardless of that Officer's tenure with the School Police Department.
- c. A donating Officer may not donate sick leave hours in a number that would lower his/her own accumulation of earned sick leave to below forty (40) hours.
- d. Such donated sick leave shall be processed using the above-mentioned District form that is completed, signed, notarized and timely submitted by the donor Officer. The donated sick leave shall not be accessible or transferred to the recipient Officer until the recipient officer's own sick leave is exhausted. Once the recipient's own sick leave is exhausted, the donors' leave shall be transferred to the recipient. Donated sick leave hours are to be used on a go forward basis and are not applied retroactively to the recipient's accrual. Once transferred, such donated leave is no longer a part of the donor's accrued sick leave and it may never be returned to the donor except as provided in g. below.
- e. Donated sick leave shall have no terminal value to the recipient, but may have terminal value to the donor if any such sick leave hours are returned to the donor's accumulation, but only as provided in g. below.
- f. If sick leave is donated, but not yet transferred to the intended recipient and it is determined the recipient either does not meet the eligibility requirements to receive such donations as set forth in this Section or is no longer in need of such donated sick leave, such sick leave will not be transferred and will remain a part of the donor's sick leave accumulation.

ARTICLE 18 – LEAVES Cont.

- g. In such instances, any completed, signed, notarized and submitted forms PBSB 2175 will be deemed void and be of no further use. In the event sick leave hours have been transferred to the recipient, but it is determined the recipient is no longer eligible to use donated sick leave hours, the number of donated, but unused sick leave hours will be transferred from the recipient's accumulation and returned to the respective donors in as equitable manner as possible as determined by the District. If a donor is no longer an employee of the School District, any sick leave hours that would have been returned to such donor(s) are waived/eliminated and may not be used for any purpose whatsoever by the donor, by the recipient, by anyone else, by the District or by PBA.

C. Catastrophic Illness or Injury Leave

1. A catastrophic illness or injury shall be defined as a medical condition not covered by Worker's Compensation requiring absence from work greater than fifty (50) working days of consecutive absence for a single illness or injury.
2. An employee who sustains a catastrophic illness or injury may apply for and receive, for use on a matching basis, supplementary catastrophic illness or injury leave not to exceed the number of regular, unused sick leave days that the employee had accumulated on the first day of the regular sick leave applied to the catastrophic illness or injury.
3. Two (2) medical verifications of such catastrophic illness or injury shall be required. Employees shall fully cooperate with the Board and shall authorize the release of any medical records necessary. The Board shall satisfy itself that any claim for catastrophic illness or injury leave is legitimate and correctly states the facts. The Board may at its expense require an independent medical examination.
4. The School District's granting of matching leave days shall begin on the fifty-first (51) scheduled work day of catastrophic illness or injury.

D. Injury or Illness In-Line-Of-Duty Leave

An employee who is absent due to injuries or illness clearly received in the discharge of assigned duties shall be entitled to additional sick leave benefits as hereafter provided.

1. An employee who is injured in-the-line-of-duty may be entitled to a maximum of ten (10) non-cumulative leave days which shall not be charged against the employee's sick leave balance. All claims for such leave must clearly substantiate an injury received in carrying out assigned duties. Additionally, such paid leave shall only be awarded for the duty days for which the employee has been employed. Nothing herein shall be construed to limit the employee's rights under Chapter 440, Florida Statutes.

ARTICLE 18 – LEAVES Cont.

- a. Leave will not be payable under this section if the injury occurs while the employee is intoxicated, or; while under the influence of any narcotic drug, barbiturates, or other stimulus not prescribed by a physician, to such extent as to deprive the employee of normal faculties to drive, be in actual physical control of, or operate, while on duty, any automobile, truck, or other vehicle, and the injury is caused primarily by the intoxication of the employee.
 - b. Leave will not be payable under this section to an employee when that employee willfully or intentionally causes injury to self or to others while on duty.
 - c. If the injury is caused by the intentional refusal of the employee to properly use equipment or observe safety rules required by State Statute or this District, and said rules have been reviewed by the employee prior to the accident, compensation as provided by Section 440.09(4), Florida Statutes, shall be reduced by twenty-five percent (25%).
 - d. A law enforcement officer as defined in Section 943.10(1), (2), or (3) who, while acting within the course of employment as provided by Section 440.091, is maliciously or intentionally injured and who thereby sustains a job-connected disability compensable under this Chapter, shall be carried in full-pay status rather than being required to use sick, annual, or other leave until either the employee reaches maximum medical improvement (MMI) as determined by a health care provider or two (2) years from the date of injury or illness, whichever occurs first. Full-pay status shall be granted only after submission to the employing agency's head of a medical report which gives a current diagnosis of the employee's recovery and ability to return to work. In no case shall the employee's salary and workers' compensation benefits exceed the amount of the employee's regular salary requirements.
 - e. When an employee is required to attend a doctor's appointment or therapy session related to his/her workers' compensation injury, and he or she has exhausted the Line of Duty Leave as referenced in Article 18(D)(1) above, he or she may attend up to three (3) medical appointments during work time only when given prior approval by the Chief of Police. Following these appointments, the employee should schedule the workers' compensation-related appointments during "after hours" times or on weekends, unless such appointments are diagnostic tests designated by a doctor to occur "as soon as possible" and/or the only available doctor's, therapy, or diagnostic tests/appointments are during work hours, as confirmed by the doctor's office.
2. When an employee can clearly demonstrate that the contracting of a disease was from the school center or department to which assigned, then the employee may qualify for a maximum ten (10) days of non-cumulative illness in-line-of-duty leave. An absence for illness in-line-of-duty leave may be granted when the employee can clearly demonstrate the contracting of an infectious or contagious disease at the work location for which vaccinations are not available and exclusive of upper respiratory infections or

ARTICLE 18 – LEAVES Cont.

complications therefrom. Common colds, influenza, or other illnesses common to the public are not to be considered as illness in-line-of-duty. Further, this contagious disease must be exclusive of upper respiratory infections or complications therefrom and must be one for which vaccinations are not available. The School District agrees to provide vaccinations for Hepatitis A and B, and for AIDS, when available.

3. In cases of unusual illness or injury in the line-of-duty, an employee may make a request to the Chief of Police for additional compensated leave days. If the Chief of Police is satisfied that the condition warrants, additional leave days shall be authorized.
4. An employee who has claim for compensation while absent because of illness contracted or injury incurred as prescribed herein shall notify the Chief of Police as soon as such illness or injury is apparent and shall file a claim by the end of each month or pay period as requested during which such absence has occurred. The School District shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment. An employee who has a claim under this Policy shall fully cooperate with the Board and shall authorize the release of any medical records necessary.
5. “Light duty” is a term used when an employee who has been injured on the job and who has been determined eligible for Workers Compensation benefits and leave. Before and until the employee’s Workers Compensation Doctor determines the employee has reached MMI (maximum medical improvement), the doctor may approve the employee to return to duty, but with work limitations that are provided in writing by the Workers Compensation Doctor. If the Chief of Police determines the Department can temporarily accommodate the employee returning to duty with these light-duty restrictions, the employee will return to duty under those restrictions.

E. Temporary Military Leave

If the obligation for temporary military service cannot be met outside the time of contractual employment, temporary leave for military service with the United States Armed Forces or the Florida National Guard will be granted with pay not to exceed two hundred forty (240) working hours of compensation as provided in Section 115.07, Florida Statutes, or the member of the staff may request uncompensated personal leave. All efforts should be made to prevent such leave being taken during the time school is in session. Requests for temporary military service shall be made by letter with copies of official order attached.

F. Bereavement Leave

1. An Officer who is required to be absent from work due to the death in his/her immediate family is entitled to paid bereavement leave for up to three (3) days. As used herein, “immediate family” is limited to parents, siblings, spouse, children, mother-in-law, father-in-law, grandparents, grandparents-in-law, domestic partner or other relatives residing in the Officer’s household.

ARTICLE 18 – LEAVES Cont.

2. The employee must provide to his/her supervisor the name of the deceased, date of death, city of death and the deceased's relationship to the employee upon return from the leave. Failure to provide the requested information may result in conversion of the bereavement leave to accrued or unpaid leave.
3. The use of bereavement leave shall not be counted against an Officer's sick leave, personal leave or compensatory leave time. If an Officer requires additional time off for bereavement, the Officer may use sick leave and may also use compensatory time if approved by the Chief or designee as provided in Section 17.1 of this Agreement.
4. Bereavement leave is only available for active employees. It will not be permitted to be used for an officer who was already on an active leave at the time of the need for the absence.

1. Regular Military Service

An employee who is required to serve in the United States Armed Forces or the Florida National Guard shall be granted military leave without pay. Regular military duty shall not be initiated by the employee. All applications or request for re-employment shall be filed with the School District in accordance with the provisions of the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. Personal leave may be used to extend a leave of absence due to sickness when that sickness has extended beyond all compensable leave for the duration of up to one (1) calendar year when supported by doctor's statements verifying the necessity of the extended leave. An employee requesting return to duty who has served efficiently and exhibited those qualities called for in the position held prior to such leave will be given every consideration for re-employment provided the conditions of employment have been met and the request is supported by a doctor's statement certifying that his physical condition is satisfactory to return to normal duties.

D. Expectant/New Mothers and New Dependent Children

1. Maternity/Recovery and Child Care

- a. - 2. At the discretion of the Chief of Police or designee, if an employee is temporarily unable to perform all of her assigned job duties due to her pregnancy, the employee may be assigned to an alternative duty assignment. There is no right to be so assigned and it is at the sole discretion of the Chief of Police or designee whether or not such alternative duty assignment will be offered, and if offered and accepted, when the employee will be reassigned back to her full regularly assigned job duties.

E. Non-Work Related Injury

At the discretion of the Chief of Police or designee, if an employee is temporarily unable to perform all of his/her job duties due to a non-work related injury or due to a non-work related medical condition, the employee may be temporarily reassigned to an alternative duty assignment. There is no right to be so assigned and it is at the sole discretion of the Chief of Police or designee whether or not such alternative duty assignment will be offered, and if offered and accepted, when the employee will be reassigned back to his/her full regularly assigned job duties.

Bargaining unit members, upon completion of their sixth (6th) or more years of continuous service with the District who achieve a score of 165 or higher on the District's Performance-Based Evaluation Instrument with no areas rated as "Not Acceptable" the previous fiscal year, are eligible to receive a Performance-Based Pay stipend on or about December 1 of the fiscal year following the attainment of the score of 165 or higher. The employee must remain an employee of the District through December 1 of the fiscal year following the attainment of the score of 165 or higher to maintain his/her eligibility to receive the Performance-Based Pay stipend. - b. The amount of the Performance-Based Pay stipend that is paid to each eligible employee will vary each year based on the total number of bargaining unit members who are eligible to receive a Performance-Based Pay stipend that fiscal year. The number of eligible employees each year will be divided into the District's Performance-Based Pay amount of one-hundred thousand dollars (\$100,000) each December.
- c. While each eligible employee is required to have all legally mandated deductions made from his/her Performance-Based Pay stipend, the District assumes all responsibility for making all additional legal payments and these additional payments will be made in addition to the one hundred thousand dollars (\$100,000) set aside annually to pay these Performance-Based Pay stipends.

ARTICLE 27 - GRIEVANCE AND ARBITRATION PROCEDURE

27.1 GRIEVANCE PROCEDURE

In a mutual effort to provide harmonious relations between the Parties to this Agreement, it is agreed to and understood by both Parties that there shall be a procedure in this Department for the resolution of grievances or misunderstandings between the Parties arising from the applications or interpretation of this Agreement as follows:

A. STEP 1: The aggrieved employee, with or without the Union Representative, shall discuss the problem or dispute concerning the Agreement with the immediate supervisor or Chief of Police within ten (10) working days of the occurrence or employee's knowledge of the occurrence resulting in the problem or dispute. The supervisor has ten (10) working days after the discussion with the employee to resolve the problem/concern.

STEP 2: If, after informal discussions with the immediate Supervisor or Chief of Police, the problem has not been resolved, the grievant and/or PBA may elect to file a written grievance with the Chief of Police, by completing the attached Grievance Form, signed by the grievant and/or a PBA representative, stating the specific Article, Section, and language of this Agreement that is alleged to have been violated, misinterpreted, or misapplied.

The properly completed and signed Grievance Form must be submitted to the Chief of Police within twenty (20) working days of the date on which informal discussions took place. The Chief of Police will have ten (10) working days from receipt of the Grievance Form to reconsider or notify the Grievant and the PBA of the decision.

STEP 3: If the grievance has not been satisfactorily resolved at Step Two, using the Grievance Form, the employee and/or PBA may appeal the grievance to the Director of Labor Relations within ten (10) working days after the Chief of Police's response is due. Using the Grievance Form, the Director of Labor Relations shall respond within ten (10) working days to the grievant and PBA.

1. Failure to observe the time limits for submission of a grievance, at any Step, will automatically result in the grievance being considered abandoned. Failure to respond to a grievance within the prescribed time limits will automatically move the grievance to the next step.
2. The Parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
3. All responses required in Steps Two and Three above shall be directed to the employee with a copy furnished to the PBA.
4. The resolution of any grievance processed by a bargaining unit member with Association representation shall be in accordance with this Agreement.

ARTICLE 27 - GRIEVANCE AND ARBITRATION PROCEDURE Cont.

5. No more than two (2) Association Representatives shall be present at any grievance hearing.
6. An employee shall have the option of using appropriate procedures pursuant to Florida Statutes or of using this grievance procedure in resolving an issue that falls within the definition of a "Grievance" as contained in Section 26.1 of this Article; however, the employee is precluded from using more than one of the procedures when seeking a resolution to an issue.
7. The Parties acknowledge that multiple grievances may be combined with the mutual agreement of the employer and the PBA. Grievances of a general nature relating to the provisions of this Agreement may be processed directly at Step Two by the PBA.

STEP 4: ARBITRATION PROCEDURE

1. If the grievance has not been satisfactorily resolved at Step 3, only the PBA may submit the grievance to arbitration, in writing, no later than ten (10) working days after the date the Director of Labor Relations' response is due. A grievance may be appealed to Step 4 - Arbitration by the PBA provided timely written notice is given to both the Superintendent and the Federal Mediation & Conciliation Service (FMCS) demanding arbitration of the grievance on a form prescribed by FMCS. Nothing contained in this Article or elsewhere in this Agreement shall be construed to permit the Association to file for arbitration, unless by mutual consent, that has not been processed through this grievance procedure.
2. It is further understood and agreed that the aggrieved employee(s) shall be granted release time to attend formal proceedings, as described herein, which are held during working hours. The agents of School Police and the PBA shall mutually agree on a representative number of employee witnesses to insure a full hearing on the merit of the issues for which said employee witnesses shall be granted released time to testify.
3. At the arbitration hearing, the aggrieved employee shall be accompanied by the PBA Representative. The arbitrator shall render his/her decision no later than thirty (30) calendar days after the conclusion of the final hearing. Such decision shall be final and binding and made in accordance with the jurisdictional authority under this Agreement. Copies of the award shall be furnished to both Parties.
4. Selection: The arbitrator shall be selected and shall conduct the arbitration proceedings in accordance with the rules established by the Federal Mediation Conciliation Service.
5. Powers: The Arbitration Award shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue submitted. The arbitrator shall limit his decision to the application and interpretation of this Agreement and the arbitrator shall have no right to amend, modify, nullify, ignore, or add to the provisions of this Agreement. The cost of the services of the arbitrator shall be shared equally by both Parties to this Agreement.

ARTICLE 28 – EVALUATION

- 28.1** An Evaluation will be conducted annually by the Chief of Police. The evaluation will be reviewed by the Chief of Police for final decision on renewal, transfer, or assignment of the employee.
- 28.2** [formerly 20.10] The Parties continue to agree and understand that the Performance Based Evaluation Instrument for Officers is not a part of this Agreement and that all appeals of an Officer’s annual evaluation based on the District’s Performance Based Evaluation Instrument will be made to the Officer’s evaluator and then, if necessary, to the Chief of Police for a final determination. The Parties also agree that any appeal will be limited to the failure of the evaluator to have followed evaluation procedures, criteria and/or forms. The judgments and conclusions of the evaluator are not subject to appeal and no evaluation issue may be processed through the Grievance Procedure contained in this Collective Bargaining Agreement. The decision of the Chief of Police on any appeal is final.
- 28.3** [formally 20.5d] The District’s Performance Based Evaluation Instrument for School Police Officers will continue to be in effect with the understanding that the Instrument is not a part of this Agreement. All appeals of an Officer’s annual evaluation based on the District’s Performance Based Evaluation Instrument will be made to the employee’s evaluator and then, if necessary, to the Chief of Police for a final determination. The Parties agree that any appeal will be limited to the failure of the evaluator to have followed evaluation procedures, criteria and/or forms. The judgments and conclusions of the evaluator are not appealable and no evaluation issue may be processed through the Grievance Procedure contained in this Collective Bargaining Agreement. The decision of the Chief of Police on any evaluation appeal is final.
- 28.4** [formerly 20.6] If a bargaining unit member is going to receive at least one “Not Acceptable” rating on his/her annual Performance Based Evaluation, the member shall be given notice at least sixty (60) calendar days prior to the completion of the employee’s annual evaluation. If the bargaining unit member’s performance continues to be “Not Acceptable” in one or more evaluation categories and the member receives an overall unsatisfactory annual performance evaluation at the end of the school year, said member will not be eligible to receive a step increase for the following school year should there be an agreement to provide step increases that year. In addition, said member will not be eligible to receive any negotiated increase to the salary schedule for the following school year, should there be an agreement to increase the salary schedule that year. One “Not Acceptable” rating on any of the evaluation indicators at the end of a school year annual evaluation constitutes an overall unsatisfactory annual performance evaluation rating.

2. After becoming a twelve-month employee, a bargaining unit member may opt to return to his or her previous work schedule as a non-twelve-month employee, but he or she must wait until the end of the fiscal year. After returning to his or her prior employment status, he or she will cease earning any new benefits acquired during that time working as a twelve-month employee, including annual leave or compensation.

 - c. The following procedures will be followed in scheduling the use of annual leave:

 - iii. If a member requests use of annual leave thirty (30) or more calendar days in advance, the District must grant use of that leave, unless it will suffer undue operation hardship.

To the best of their ability, employees are responsible to keep themselves informed of the number of annual days/hours they have accrued and are accruing, so that the employee does not forfeit any annual leave over sixty (60) days on July 1 of every year.

Any employee who becomes ill while on annual leave may use accrued sick leave for such period of illness, provided a doctor’s note is presented to his/her immediate supervisor upon the employee’s return to work.

32.3 ATTENDANCE SUPPLEMENT

- 1. All bargaining unit members employed as twelve-month (12-month) employees are still entitled to receive the attendance supplement, as described in Article 18.5 of this Agreement. Furthermore, a unit member’s use of annual leave will not preclude the bargaining unit member from receiving the attendance supplement.
