Dear Karel & our friends at Gordon Creek Elementary School,

Thank you for choosing to support the Regional Food Bank through your recent donation of 346 pounds of food and grocery items.

The products we receive from food drives and individual donors have a major impact on the variety of essential items we have to offer to the programs we serve.

In 2023, the Food Bank distributed 48 million pounds of food and non-food grocery items to more than 1,000 partners in 23 counties of northeastern New York. That number translates to 40 million meals for our neighbors in need! Our service would not be possible without the food and financial donations we receive from friends like you.

On behalf of everyone at the Food Bank and those we serve we truly appreciate your generosity and continued support.

Sincerely,

A handwritten signature in black ink that reads "Joanne Dwyer".
