TECHNOLOGY STUDENT ASSOCIATION

Take your STEM skills to the next level with TSA

TSA is a student member organization that provides opportunities for engagement in STEM competition and activities, teamwork, and leadership for middle and high school students enrolled in or who have taken technology classes.

Join over **300,000 students** who are participating in TSA and...

- Learn leadership skills
- Develop career and technical skills
- Develop teamwork and presentation skills
- Compete in over 75 events at the state and national level
- Build your resume
- Be a part of a large, national student group
- Connect with like-minded peers at your school and in your community
- Network with industry professionals
- Have fun!
