Honors/AP/CIHS classes registered for the 2025 - 2026 school year:

- *I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.*
- *I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).*
- *I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.*
- *I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.*
- *I understand I must pay approximately \$99 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.*
