House Christmas decorating at Lara Kendall! MNES student was recognized for her artistic abilities by Carey Counseling Center!

The LCHS staff spread Christmas cheer by decorating their doors for a Student Council-sponsored contest. Alexa Metoyer, certified MA and phlebotomist, came and spoke to Mrs. Crystal's CCMA class about phlebotomy and techniques for phlebotomy drawing. These LK grades 3-5 students won the chance to attend the Titans game last Sunday!

First grade Sight Word Bingo was a huge success. Thank you to the MN families that came. We loved having you!

LC Schools is proud to be recognized with the RTI A+RTI B Community Builders Award! This honor highlights our commitment to providing effective interventions and fostering a supportive, collaborative environment that promotes student success. The award celebrates schools that excel in building strong systems for academic and behavioral support through teamwork and innovation. Thank you to our dedicated faculty and community partners for making this achievement possible! Two talented fifth-grade students showcased their poetry skills at this week's board meeting, sharing what they've been learning in class.

Lots of fun and learning during SWAG this week.

Senior Chance Estes gearing up for the upcoming West Tennessee All-Stars game this Friday night at Crockett County. Turfgrass Class braved the cold and wind to install a new raised bed at LCHS. LCMS vs Humboldt 12/12/24

3rd grade Ugly Christmas Sweater winners.

Students in Coach Taylor's science class took STEM learning to the next level by conducting a DNA extraction lab using their own cheek cells! LCHS students spread holiday cheer by creating beautiful Christmas cards, baking delicious cookies, and crafting festive ornaments for the Tiptonville nursing home residents.
