

**Emmett School District
Superintendent's Report January 13, 2025**

District Updates

● 2025 Legislative Session

Priorities

- Increased funding for rural schools
 - Accountability needs for any school choice legislation
 - Stable funding for school districts with the transition back to Average Daily Attendance and protection for districts in regard to the 97% ADA
 - Increase funding for Behavioral Programs
- Ola Elementary Rural School Discussion and Planning
- Ola elementary currently has 10 students K-6 with 2 6th graders that will be moving to the Emmett Middle School in 2025
- Interest-Based Bargaining
- Planning meetings for Interest-Based Bargaining will begin in January, with the first meeting scheduled for January 14th.
- Idaho School Board Association Day on the Hill February 17th and 18th
- Emmett School District has requested Idaho High School Association consider a mid-cycle move for Emmett High School from the 5A classification to th 4A based on our April 2024 appeal and the state data that confirms our numbers from November 2024
- Draft Calendars for 2025-2026 and 206-2027 will be presented later this meeting for questions and discussion

Maintenance and Facility Updates

● **Emmett Middle School Projects**

- Annex building roofing project is scheduled to begin over spring break March 14-March 24th.

● **Speed Limit Signage**

New speed limit signs on Cherry Lane through Mill Road have been installed and our

shuttle services to and from EHS are not capable of turning left from Payette River Regional Technical Academy, reducing transition time.

- **Emmett High School**

- EHS School Structure Crack Mapping was conducted on January 7th. A report will be provided to the districts with the findings. They used radar to look at the depth of concrete and conditions of the concrete and rebar within the walls.
