

**Emmett Middle School
Board Report
January 2025**

Shout Outs

A special shout out goes to Mr. Wight's 6th period class who performed a twist on "A Christmas Carol." This story was about a middle school bully who was visited by 3 spirits and changed the way he treated people at school. They did such a phenomenal job at their evening performance, they were asked to perform the play in front of the entire school. I almost forgot to mention, these students were all 6th graders.

Thank you, Mr. Wight

Mr. Wight deserves a standing ovation for taking on both the Band and Drama programs in the first semester. Along with his students, he put together a band and a drama performance where the students could showcase their talents. Thank you, Mr. Wight.

Celebrations

Welcome back Renaiel!

We are thrilled to share a heartwarming update about one of our students, who has shown incredible resilience and determination. Many of you have been keeping Renaiel in your thoughts and prayers

following the serious accident at the beginning of the school year. Thanks to your positive energy and the student's perseverance, he has made a remarkable recovery.

On January 7th, Renaiel returned to school, eager to resume his studies and reconnect with friends. His motivation to heal and make progress is truly inspiring. Before the holiday break, EMS hosted a gathering where Renaiel spent time with friends, catching up. It was a deeply moving moment that underscored the power of community and support.

We are proud to witness his strength and the support of his peers as he continues his journey. This is a testament to the compassionate spirit of our school community.

Winter 2024 SICA Report

We are excited to report significant growth in our middle school SICA testing scores. Our students have demonstrated impressive academic progress, with scores now right at or exceeding the state average across both Math and ELA. This achievement reflects the dedication of our teachers, staff, and students, as well as the effectiveness of the instructional strategies implemented this year.

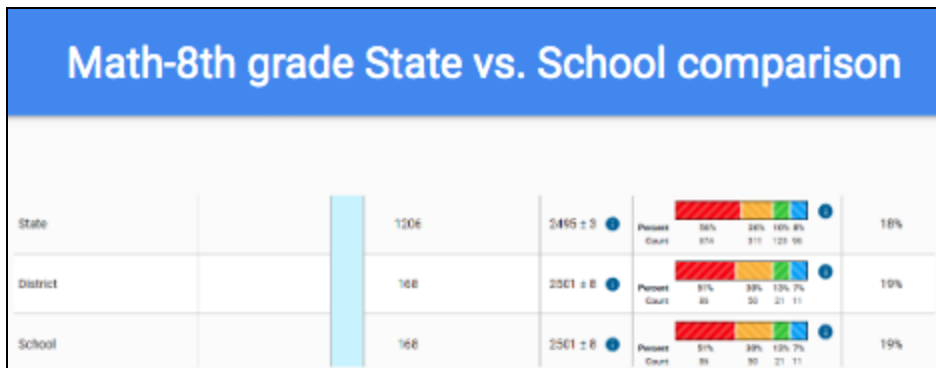

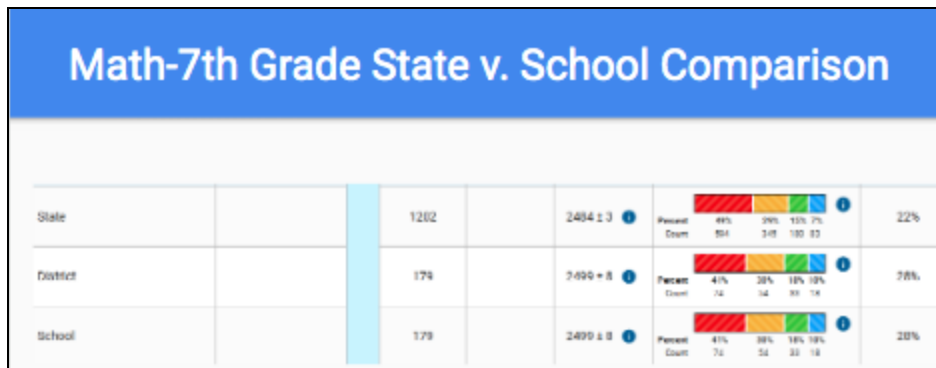

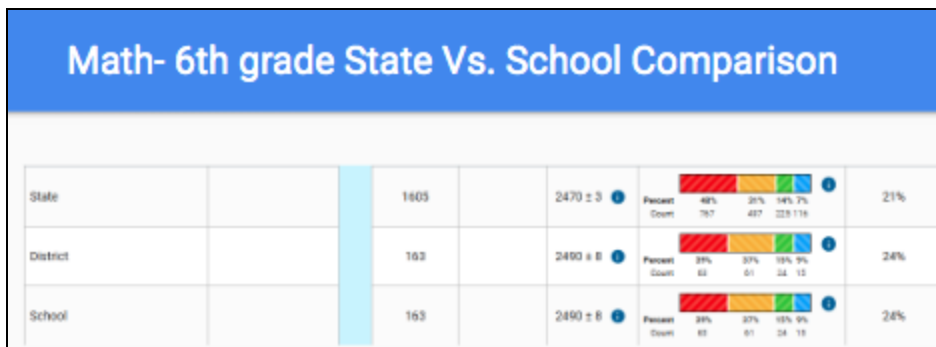

Highlights of the results include:

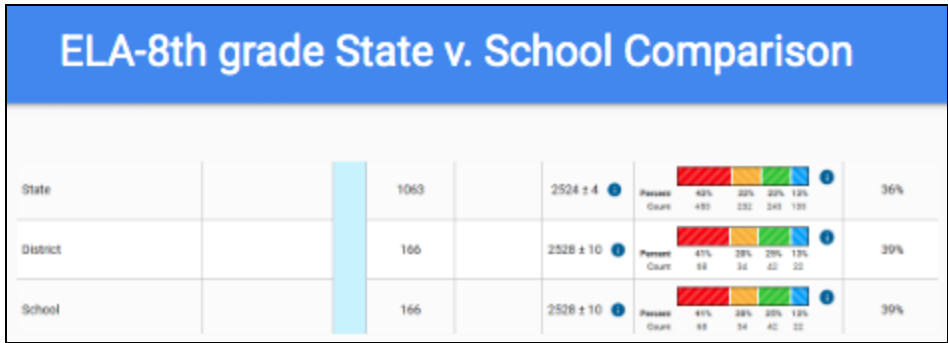

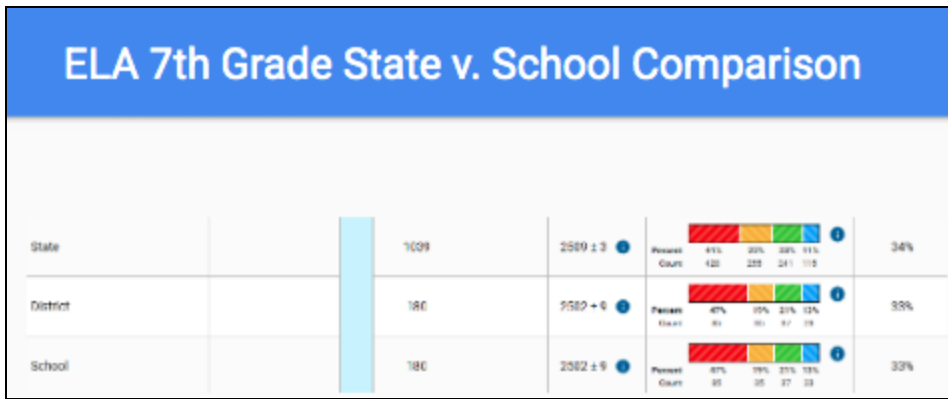

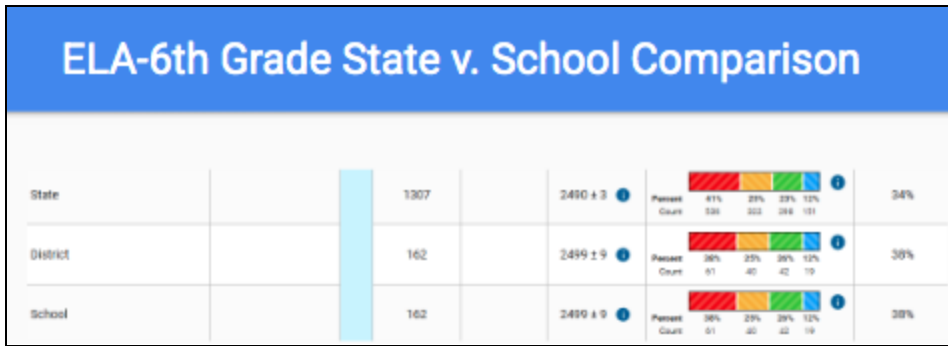

- **Growth Across All Subjects:** Students showed measurable improvement in reading, writing, and math compared to this past fall and last year.
- **Exceeding State Averages:** Our school's scores are now at or above the state average, showcasing our commitment to academic excellence.
- **Targeted Interventions:** Students who participated in intervention programs experienced exceptional growth, further validating the importance of personalized learning supports.

We extend our gratitude to the entire school community for their hard work and dedication. These results affirm that our collective efforts are fostering a culture of academic success and continuous improvement.
