Assessments and Data

Black Canyon IXL Snapshot testing January 13-16 and SICA Testing January 20-23.

On February 7, 2025, our PD concentration for the Black Canyon site staff and Patriot Center site staff will collaborate on our Reading Comprehension initiative, SICA, and IXL data. We will be able to see from our data, students struggle with reading and math. Our approach to this issue will require adaptations as we move forward in an attempt to meet the needs of our students, but as we continue to share with each other monthly what we are seeing in each classroom, we will be better able to adapt our approach to instruction.
