★ **Behavioral/PBIS Updates -**

- PBIS team and Carberry staff heard back that our ICCS grant budget plan was approved when we returned from break and they started ordering supplies for the transformation of the cafeteria to be a place where students enjoy being taken care of.

★ **Events Past/Upcoming**

- Carberry's Got Talent show is coming on February 20th in the evening. This is a great event where students get to showcase their talents and the PTO gets to Auction off donated items to raise money for projects around Carberry. The past two talent shows provided funds for the playground drainage solution and more bark. Paras on duty noted that it is so nice to be able to have students playing on the equipment after a rain when in the past it may have been a couple of weeks before the playground wasn't wet and muddy. Thanks PTO

- ICCS grant budget will be providing a 1x a week after school activities program called “Huskie Explorers” for students from 3:30-5:00 pm. This will begin in February and have three 4 week sessions.
- ICCS will also provide 3 teachers for a 2x a week for 6 weeks Mighty Mathematicians program to prepare for math ISAT. This will be by teacher invite.
