

Give your student a head start in their college journey!

We are thrilled to announce **Page High School's** partnership with Arizona State University to offer Accelerate ASU, a unique program that empowers students with accessible, flexible and affordable college-level learning.

Why should your student participate?

Accelerate ASU partners with schools across the country to provide students with world-class learning opportunities. In a collaborative and supportive online learning environment, your student can access rigorous college courses designed and assessed by expert faculty at ASU, ranked #1 in the nation for innovation by *U.S. News and World Report*.

With Accelerate ASU, your student can build a strong foundation for their future — one with greater social and economic mobility.

Earn up to 60 credits towards a college degree

With Accelerate ASU, your student can start earning college credit in their supportive and familiar school environment. Students can walk away with their Associate Degree! **A college degree offers numerous advantages for your student's future:**

Enhanced earning potential

Over a lifetime, college graduates earn 84 % more than those with a high school diploma.

Generational impact

Create a strong legacy: 85% of children whose parents graduated from college will also attend

Expanded career opportunities

College degrees open doors to many career paths and can provide valuable networking opportunities, internships, and other experiences vital to successful careers.

Personal development

College is not just about academics, but also about personal growth, critical thinking, communication skills, and self-discovery.

Key Benefits of Accelerate ASU:

Accessible and affordable

Removing cost barriers to ensure your student can access world-class college learning. Courses are only \$250 for 3-5 college credits! A 3 credit course at ASU costs about \$2,000!

Rigorous curriculum

Courses designed by leading faculty at Arizona State University, with credit widely transferable to universities around the country. Options for online and in person classes!

Simple enrollment

No application is required — your student can start courses with a simple online sign-up.

No risk to transcript

Students can choose to make the course official on their ASU transcript if they wish. If they do not pass or choose not to transcript the course, no payment is required..

High success rates

Accelerate ASU's cohort-facilitated model achieves high passage rates among students without prior experience learning at the college level.
