## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2024-25 School Description and Mission Statement

Redwood Middle School's 2024-25 School Accountability Report Card fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievements, staff, instructional programs and materials, safety procedures, classroom environment, and condition of facilities. Redwood Middle School students are actively involved in positive social activities, and a rigorous, standards-based curriculum emphasizes individuality and innovation. As a testament to our dedication to student well-being, students are afforded SEL lessons via Acknowledge Alliance and receive additional support through CASSY counseling services.

## 2024-25 School Description and Mission Statement

### Redwood Mission Statement

The mission of Redwood Middle School is to create an environment that excites and inspires all students, building a passion for learning now and in the future. We encourage and support students to reach their highest potential. Our focus includes promoting academic success for all students, providing a balanced curriculum, and fostering caring, responsible citizens.

### Redwood Vision Statement

At Redwood Middle School, parents and staff work together to ensure that each student receives a balanced, comprehensive, rigorous educational program in a safe and caring environment. All students have the opportunity to develop their ability to think critically, communicate effectively, work both independently and collaboratively, and be creative and innovative. Students, as our number one priority, staff will continuously reflect on our teaching practices, use data to guide instruction, share ideas and concerns, and communicate regularly with all stakeholders.

### School Profile

Redwood Middle School is located at the base of the beautiful mountains in Saratoga and serves students in grades six through eight following a traditional calendar. Redwood is a culturally diverse school with a population of approximately 650 students. Redwood students aspire for academic success, reflected in their high test scores for local and state assessments.

### SUSD Mission and Vision Statement

The mission of SUSD is to create an innovative public school system that stimulates intellectual curiosity, provides academic rigor for every learner, and instills leadership, responsibility, and global citizenship in a safe and nurturing environment where learners thrive. We accomplish this with a highly professional and differentiated system of education, which engages the community as educational partners, embraces diversity, inspires creativity, and fosters students' well-being. We measure success in student outcomes and achievement, professional growth, and a commitment to continuous improvement.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All instructional materials in the core curriculum of Saratoga Union School District are aligned with the California Content Standards and Frameworks. SUSD adheres to the CA Education Code and AB 1246, which gives school districts freedom, decision-making, and choice in selecting instructional materials, and requires implementing the California Common Core State Standards, equal access to current curriculum materials, change in the adoption cycle; local school districts can choose their adoption review process, and classroom teachers will be a major contributor in local adoption processes.

SUSD students have access to standards-based instructional materials, as per EC Section 60119(c)(1), which states that sufficient textbooks or instructional materials mean "each pupil, including English Learners, has a standards-aligned textbook or instructional materials, or both, to use in class and to take home. This paragraph does not require two sets of textbooks or instructional materials for each pupil." This specifically applies to four subject areas: reading/language arts, mathematics, science, and history-social science.

A Public Hearing for 2024-2025 Sufficiency or Insufficiency of Textbooks and Instructional Materials was opened in September 2024 and closed in October 2024, as required by Education Code 60119. The purpose of the public hearing is to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 452.9-17, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

## School Facility Conditions and Planned Improvements

The district makes great efforts to ensure that all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Redwood Elementary School's original facilities were built in 1952; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Various improvements are needed throughout the year as identified. The exterior of the school was repainted in the summer of 2018. One-touch faucets were installed in all bathrooms in 2020, hand sanitizers in all classrooms, the school office, and multi-purpose rooms, and all HVAC filters were changed to MERV 13 filters to address COVID-19 safety measures. The roofs were replaced for the administrative office and the multipurpose room in the summer of 2022. The remaining roofs and repair and replacement of asphalt throughout the campus were completed in the summer of 2024. The cafeteria servery was remodeled and completed in December 2024 to address a 50% increase in meal participation with the implementation of the Universal Free Meals Program.

Annual inspections and tests were completed for the fire alarm/sprinkler/hydrant, fire extinguishers, post indicator valve and backflow, elevator and stage lifts, kitchen hoods and fire systems, bathroom hardware, and preventative maintenance on sewers. Weed abatement and pest control are monitored and performed. Every room receives deep cleaning in the summer. Preventative maintenance is performed on all HVAC units.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. The site has one day custodian and one evening custodian assigned to Redwood Middle School. The day custodian is responsible for general grounds maintenance, cleaning the restrooms, and multi-purpose room, trash removal, and preparing the school for opening. The evening custodian is responsible for cleaning the classrooms and trash removal.

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	86	88	88	89	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. #### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Redwood Middle School has a dedicated and active parent community. Many parents generously contribute their valuable time, energy, and financial resources for our students to receive extraordinary experiences on campus. Offerings include inter-mural sports, Robotics Club, FBLA, Speech and Debate, Science Olympiad Club, Science Bowl, Quiz Bowl, Rainbow Alliance, Garden Club, Club 47, social/emotional (Acknowledge Alliance) activities, and more. Families are provided information regarding upcoming events and school activities through the school website, weekly ParentSquare updates, and Griffin News Network.

Parents are encouraged to stay involved in the learning environment by volunteering in decision-making groups and attending school events. There are numerous ongoing committees that rely on the valuable input from parents such as the Parent-Teacher Association and Principal Advisory Committee.

Contact the principal or administrative assistant at (408) 867-3042 for more information on how to become involved in your child's learning environment.

## 2024-25 School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed for each school in SUSD in collaboration with the School Site Councils, the SUSD Emergency Planning Committee, local agencies (sheriff, fire department, and city government), and the district office to fulfill Senate Bill 187 requirements. Components of this plan include information assessing the current status of school crime committed on the school campus and at school-related functions, strategies, and programs that provide or maintain a high level of school safety, procedures for complying with existing laws related to school safety, including child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy.

The school's most recent safety plan was reviewed, updated, and discussed with staff annually at the beginning of the school year. The most current copy of the school plan is available in the school office for public review. For additional information on school safety programs, policies, procedures, and how you may become involved, please contact the school principal.

### Focus areas:

#### Areas of Pride and Strength: (Components 1 & 2)

Redwood Middle School's areas of pride and strength are safe egress and ingress of pedestrian traffic, as well as two separate drop-off/pick-up areas to expedite the process. Staff uses a Multi-Tiered System of Support (MTSS) and the COST process to help students succeed in our school. Acknowledge Alliance offers seven (7) lessons to address students' social/emotional needs. These lessons are taught to all grade levels in the Social Studies classrooms. Staff are currently being trained in Restorative Justice practices to more skillfully navigate student needs and improve communication.

#### Areas to Change: (Components 1 & 2)

Redwood Middle School would like to increase parent participation, especially regarding attendance for PAC and PTA

## 2024-25 School Safety Plan

meetings and other parent volunteer opportunities. Redwood has received numerous physical improvements: a new food service area, blacktop resurfacing, exterior painting, new lighting, roofs, and fans in the MPR, as well as an updated garden area and shed. Additional measures are being reviewed to increase the safety and security of Redwood's physical plant.

Generalized statement of goals for 2024-2025- (EC 35294.2(a)(2)(H):

1. Parent participation – develop/promote a school site council to ensure a continuous communication cycle.
2. Community service – integrate more school-wide and community-wide events to increase participation and communication.
3. Campus security – Work with the district and sheriff's office to ensure the campus is safe

## Fiscal Year 2023-24 Types of Services Funded

Supplemental financial support for our students comes from:

- Each school site's Parent-Teacher Association
- One-Time Discretionary Funds
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined (Parcel Tax and Saratoga Education Foundation)
- Special Education
- Federal Funds (Title I, Title II, Title III English Learner, Title IV)

These funds are used to supplement our general education, early literacy, technology, visual and performing arts, elementary physical education programs, as well as support for students with social, emotional or academic difficulties. We have counseling support to assist with social and behavioral counseling intervention. We also use supplemental funds for additional staff, teacher training and support materials.

## Professional Development

Saratoga Union School District's major areas of focus for staff development were selected based on student achievement data, teacher leadership information, curriculum adoption, and alignment with state curriculum initiatives. SUSD has developed a comprehensive curriculum framework to align professional development and curriculum implementation.

Professional learning focus areas in 2024-2025 are:

Health and Safety:

- \* Mandatory health and safety training (Bullying: Recognition and Response; Bloodborne Pathogen Exposure Prevention; Sexual Misconduct; Sexual Harassment; Mandated Reporter: Child Abuse and Neglect)
- \* Annual mandatory AED (automated external defibrillator) and EpiPen training for all SUSD staff
- \* First Aid and CPR training (two-year certification; training is provided annually)
- \* Suicide awareness and prevention, gender equity and inclusivity, and comprehensive sexuality education
- \* Seizure protocol

Content Standards, Pedagogy, and Curriculum:

- \* Strategies to support English learners
- \* Trauma-informed care and Restorative Practices

Special Education:

- \* Specialized training in a curriculum designed to meet the needs of students with disabilities, including students with dyslexia (Orton-Gillingham)
- \* Assistive technology and tools for universal access
- \* Classified training to support students with independence and advocacy
- \* Supporting parent engagement in the IEP process
- \* Mental health training, including strategies for students needing support
- \* Guidance on legal issues and compliance training

The SUSD District Leadership Team's (DLT) purpose is to provide a vehicle for teacher input on district decisions, specifically to 1) ensure and facilitate articulation among school sites, grade levels, departments, etc., and 2) Establish long- and short-term professional development goals (content and timelines), based upon district goals and administrator, teacher and/or student need. Elementary grade and middle school department-level representatives on the DLT and Leadership meet to align professional development to content standards, assessed student performance and professional needs.
