

## INVOLVEMENT IN PLANNING

The Lind School District wants to ensure that parents have an opportunity to participate in the design of the Title I program and can give input about how the programs are run.

- Parent input will be requested at the annual Title I meeting and through parent surveys each year. This is used to update the program during the Needs Assessment Process.
- Parents will receive an updated copy of this policy at fall conferences.

Are you interested in volunteering at school? Can the school help you with any reading or math issues?

If you have any questions about the Title I Program, please email Mrs. Connie Field at [cfield@lrschools.org](mailto:cfield@lrschools.org), or call at 509-677-3481 ext 407.

## INVOLVEMENT IN PROGRAM EVALUATION

Each year parents are given the opportunity to participate in the developing, operation, and evaluation of the Title I Program through parent surveys and attending the annual Title I public meeting, or by calling Mrs. Connie Field at school.

## Parent Involvement Policy Title I Schoolwide

Lind Elementary School  
P.O. Box 340  
Lind, WA 99341  
509-677-3481

Revised 9/2024

Title I is a federally funded program to help students meet the state's high standards in reading and math. We serve qualifying students in grades K-5.

The effectiveness of this program is judged by how well all of the students in our school perform on grade level reading and math assessments, and the Common Core Smarter Balanced Assessment exams, SBA. These are standards set by the state which our school has to meet each year in order to make adequate yearly progress (AYP). The proficiency level is met when the students' tests show they are performing at grade level.

Studies show that students with involved parents and families are more likely to be successful in school and continue their education. The purpose of this policy is to help engage parents and families in supporting their children's learning. At the fall conference, a Teacher-Student-Parent Contract will be reviewed and signed to reflect commitment to this partnership in learning.

Title I instruction helps students pass their grade level classes and to prepare for the SBA exams.

The focus of the Title I program in Kindergarten is on readiness and reading.

For grades 1-5 our focus becomes both reading and math.

Title I staff members are readily accessible to parents by calling 677-3481 or by e-mail.

Title I Staff Teacher: Mrs. Connie Field

## KEEPING PARENTS INFORMED

- Quarterly report cards are provided quarterly.
- The Title I program is explained at the annual meeting held during the fall Curriculum/Assessment night.
- Notification of this meeting is made by letter.
- The agenda for the annual meeting will cover: assessments and program curriculum, the school report card, staff members and highly qualified status, parent needs, citizen complaint link, and annual review/revisions of the parent involvement policy.
- Teacher-Student-Parent Compacts are signed at fall conferences.
- Parents may contact the classroom teachers at school by calling 677-3481 or by email.
- Parents are encouraged to obtain a password to our Skyward Family Access program to check on their child's grades and missing assignments.
- Additional conferences may be scheduled by parent request.
