Upcoming Community Forums

Opportunities to engage in the relocation process

# UPCOMING COMMUNITY FORUM

**FEBRUARY 18, 2025**

**6:00 PM IN THE LIBRARY**

**740 OLIVE AVE**

Opportunities to engage in the relocation process

## OUR VISION

We envision sending **OUR STUDENTS** into the world with the **CREATIVE CONFIDENCE** to solve meaningful problems with **EMPATHETIC** and **INNOVATIVE** responses. They will **BE PREPARED** with the **SKILLS, MINDSETS, and DISPOSITIONS** necessary to successfully thrive in the **FUTURE**.

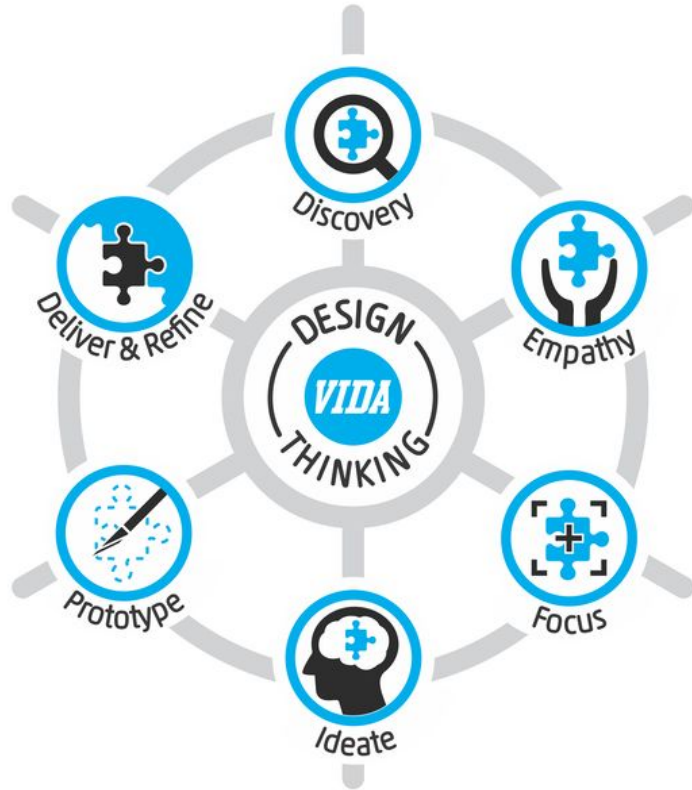

## OUR MISSION

We dare to **IGNITE THE CREATIVE GENIUS OF EACH STUDENT** as they discover their unique **STRENGTHS**, hone their **INTERESTS**, and understand their **VALUE**. We utilize the **DESIGN THINKING PROCESS** as a common framework to **SOLVE PROBLEMS** across all disciplines.

# Agenda:

- **Review the Purpose**
- **Staffulty and Student Forums**
- **Input from Previous Community Forum**
- **Tour key spaces and discuss opportunities**

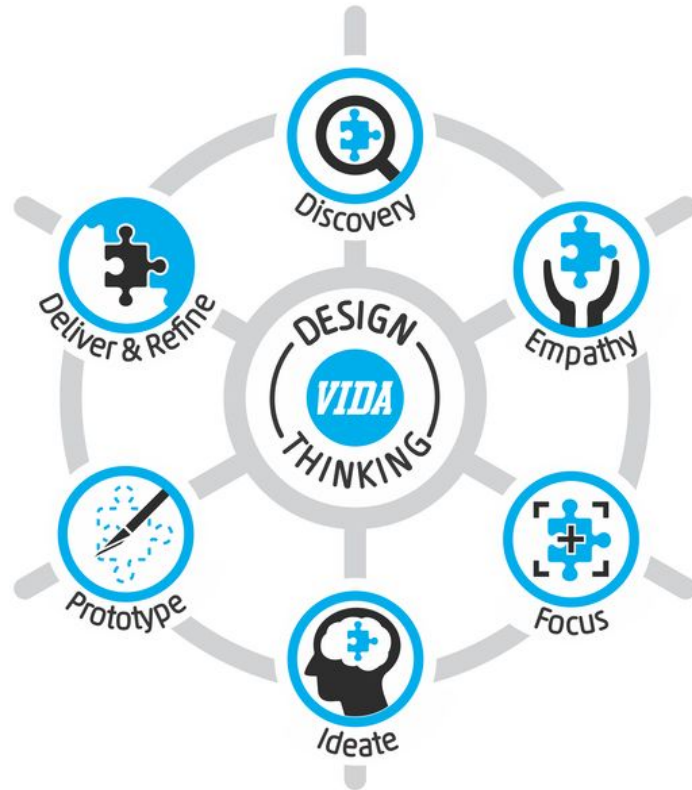

# Design Thinking

## Human Centered Design

Designing with a User in Mind

# Who are our users during this relocation process?

- **Students**
- **Staff**
- **Community**

# Staffulty Forums

# MAP- FIND SUSHI

## INSTRUCTIONS-

At each location marked   
Find Sushi's notes & treats!

2245 Foothill Dr. Vista 92084

# Staffulty Forums

# The Future

## FUTURE FOCUSED

# Student Forum

# Student Forum

# Student Forum

- **"This gym is really cool! There's definitely more space and these bathrooms are so nice. It feels good in here."**
- **"Definitely the colors need to be updated. It doesn't look like VIDA yet."**

# Student Forum

- **"It smells good at this school."**
- **"The whiteboards are so big and really clean! I love it."**
- **"The orange stools and metallic tables are awesome.  
So comfy. I'd want to sit here."**

# Student Forum

- **"Wow, they have sinks! That would be nice! And, they WORK!" (science rooms)**
- **"I want to be a teacher here!" (in a regular class, F113)**
- **"Classrooms need some color though. Right now it's a lot of white on white on white."**

# Student Forum

- **"This campus is very well laid out.. actually it feels huge."**
- **"We definitely need more signs because it's hard to navigate. It's going to take a while to figure out, but I'm excited!"**

# Student Forum

- **"The higher windows (in the classrooms) are helpful. You get light but probably I would be less distracted in class. We have gross blinds, too, at our VIDA."**
- **"I want to be a teacher here!" (in a regular class, F113)**
- **"It just feels a lot nicer here."**
- **"Tons of shade."**

# Activity

- **Creative Design Elements :**

*Elements for collaborative projects, individual work, innovation*

# Creative Design Elements

glass choir props  
sound central school  
sewing production teaching class  
larger space/options blocks shark  
aquatics programming room dance  
design film projects kitchen community seating  
meetings classrooms spaces  
polo dance/music stage work murals  
create swim creative think work music  
editing students lab/studio roll engineer  
qualcomm water space/lab themed arts  
etc level theater news progress artist  
messy studio grade computer tank  
lighting collaborative lab crew color  
kids presentation program area wood  
bit drama multi-use perform back  
cooking drama/theater colorful  
clays backstage electrical performing  
booth robotics costumes fashion  
liaison printer doors  
local tech

# Activity

- **Event Elements :**

*Elements that support the showcasing of student work, VIDA Expo.*

arts open espanol field  
gym talent flow seating  
stage bike space mpr  
shaded paths spring musical show  
performing design safe drop  
studio/space big ample steps  
better bleachers enough  
dance tested parking music  
walking indoor vida families  
whole-school mas expoo traffic benches  
event outdoor theater pick-up/drop-off  
performances programs events etc drama  
clear large lighting plenty cement  
col's tml swimming park allow  
choir pick  
theater/auditorium

# Elements

# Activity

- **Flexible Elements :**

*Elements that support efficient use of space.*

support  
attract options cold  
outdoor safe  
teacher  
upset easy accessibility chairs  
shaded garden keep  
recording location parking  
crosswalks electives events  
keeping space teachers  
access school equipment lighting  
transportation  
pool transition comfortable lab sidewalks  
robotic community liaison  
growing learning storage guards  
meeting retention amazing  
walking staff spaces  
development creative  
get relaxing slow

**Flexible**

**Elements**

# Activity

- **Equipment Needs :**

*Elements that support VIDA's specialized programs and equipment needed to support.*

lights tennis  
speakers pottery  
transporting equipo  
natación track  
printing production kilns  
system instruments indoor  
streets school video  
electives safe pool etc drums get  
access stage kiln steel dance  
items green  
stage  
equipment  
screens sound live spaces  
children space studio outdoor  
turf field sports music  
instrument wheels/kilns theater robotics  
sidewalks transportation room  
drama ceramics movable  
mics better carts
