

Dear CHSD 128 Parents/Guardians of Juniors,

We are very excited to introduce our Community High School District 128 college and career readiness platform, SchoolLinks! All of the SchoolLinks features are designed with students in mind to help them become career, college, and life ready. As a guardian, you have the opportunity to join your student in their career and college exploration process and have conversations with them about their future. You will have access to SchoolLinks through your own account. It is important to note that D128 is still in the process of rolling out SchoolLinks to each grade level. Specifically, while your junior student has full access to SchoolLinks' capabilities, its primary use for now is your student's ability to sign up for College Rep visits during the school day in our CRC (student-only event). Your student was emailed specific instructions on how to register for rep visits. As your student transitions to senior year in the coming months, additional information will be shared with you and your student regarding SchoolLinks. Please see below for additional information regarding the SchoolLinks platform.

Account Setup:

- **Note 1:** D128 has already preloaded your parent/guardian account information by using the email on file you provided during summer registration.
- **Note 2:** If the email you provided during registration is a gmail account, select "Log in with Google" and use that gmail email account. If you do **not** have a gmail account, YOU MUST click **Forgot Password** which is immediately below the **blue** login button.
 - DO NOT click *Don't have an account -- Sign Up or Claim account*. You DO NOT need a claim code to create this account.
- **Use this URL to access SchoolLinks:** <https://app.schoollinks.com/login/member>

Use email address you've provided to District 128 during the school registration process

Welcome to SchoolLinks

Use forgot password if you do not have a gmail account. SchoolLinks already had the email you provided D128

SchoolLinks allows you to:

- View the results of your student's career interest, strength, and mindset assessments to learn more about their interests and what careers might be right for them.
- Complete your own research on colleges, careers, and more to help you have informed conversations with your students. This will replace Naviance and SCOIR systems.
- See what colleges and careers your student has favorited and set as goals.
- Check your personalized dashboard for upcoming events as well as important reminders and to-dos for your student.
- Compare college costs and explore expected financial aid, scholarships, and out-of-pocket expenses.

We look forward to getting started and helping you help your student!

Sincerely,

District 128 College and Career Team
