Dear Parent/Carer

Re: Ofsted Inspection Report

I am pleased to share with you the final report following our recent Ofsted inspection. As the inspection was 'ungraded' we have maintained our **'Good'** rating.

The Ofsted team highlighted many positive aspects of the school, including:

- Pupils are **happy** and **welcoming** at this school.
- There is an increasing sense of **pride** across the **school community**.
- The school's systems are instilling a **positive culture**.
- Staff are committed to providing an **ambitious** and **inclusive school experience** for all. They are **determined to improve** examination results.
- Pupils, parents and staff recognise that **behaviour** is **improving**.
- Lessons are **calm** and **purposeful**.
- Staff know their pupils well and **relationships are strong**.
- The school's actions to **raise aspirations** are starting to have **impact**.
- Pupils generally **respect** the new **expectations** and **routines**
- **Careers** education is **strong**.
- Staff **appreciate** the **care** taken with their **well-being** and workload during this period of change.
- Staff are **very positive** about the **ongoing developments** at the school.
- There is now a **strong team** in place.

This report is a reflection of the hard work and commitment shown by our students, families and school staff. We are incredibly proud of what we have already achieved together, but are also determined to improve further to ensure that every child receives the best possible education.

I would like to take this opportunity to thank you, our parents and carers, for your ongoing support and look forward to working together so that we might build on this success.

Yours sincerely
