OPEN TO CHILDREN WHO WILL TURN 5 BY AUGUST 1, 2025

The Fairview Park City School District is excited to announce Kindergarten Registration is now open for the **CLASS OF 2038!**

WHY CHOOSE THE FAIRVIEW PARK CITY SCHOOLS?

The district offers **full-day, tuition-free** Kindergarten for all families living in Fairview Park. Our Early Education programs provide children with a strong academic and social-emotional foundation and the development of key student skill sets.

In September 2024, the Fairview Park City School District earned an overall five-star rating on the Ohio Department of Education and Workforce State Report Card for the second consecutive year. We were one of 68 school districts, out of 607, that earned this overall five-star rating.

Our schools feature newer facilities for students to learn and grow. Our staff is dedicated to helping all children succeed through a rigorous curriculum with integrated technology use. **Students will enjoy an inclusive and supportive educational experience with lower student-to-teacher ratios where all students feel safe, valued, and respected.**

Register your incoming Kindergarten student by April 16, 2025, and you will receive a special invitation to our official Kindergarten Round-Up event on May 8th!
