

Summer Softball League Registration – open through March 7

De Pere Girls Softball (DGSA) offers a Summer Rec Softball League from late April through July. Girls will participate in weekly practices and games through the summer at 6U, 8U, 10U, and Senior levels.

Our organization's mission is to prepare girls for high school softball by offering a cost-effective venue to develop fundamental softball skills and teamwork through league and tournament play.

For league information, please visit our website: www.dpgsa.com
