Welcome to the Early Learning Center

An excellent education with Edina Public Schools begins with our littlest Hornets! Our vision is for Each and Every Student to Discover their Possibilities and Thrive.

The Early Learning Center at Edina Public Schools offers dynamic programs aimed at creating partnerships with families to achieve our mission of fostering early learners' development. Our services cater to students across age ranges, each program tailored to distinct developmental stages. We provide varied early social and academic learning opportunities. The Early Learning Center takes particular pride in the breadth and depth of its collaboration with parents and guardians. Our goal is help each child reach their full potential.

Options for your family begin at your child's birth. Our popular Early Childhood Family Education (ECFE) classes are taught by parent educators who are experts in the field of child development. Learn from them and other parents who are in the same phase of their parenting journey. Our preschool prepares your child for kindergarten at our nationally recognized elementary schools. These and other programs have been designed with you and your child's growth and learning in mind.

Building strong partnerships between home and school is an Edina Public Schools core value and key to our success in fostering lifelong learning and educational excellence. Family engagement helps build strong home-to-school connections and will have a positive impact on your child's learning for years to come. We are delighted that you are considering the opportunities we have to offer.

We wish you and your family a wonderful experience at the Edina Early Learning Center and look forward to a long relationship with you as your child progresses through Edina Public Schools. **Discover Your Possibilities. Thrive.**

ELC School Year 2025-2026 Overview

The Edina Early Learning Center offers dynamic programming to meet the needs for you and your children ages birth through five. Our programs are organized into three categories, described below.

Early Childhood Family Education (ECFE)

- Unique to Minnesota, ECFE classes provide opportunities for children and parents to learn and grow together.
- Parent education is provided either separate from children or together, depending on age and family choice.
- ECFE classes are offered from birth to 5 years, with many options to fit your schedule.
- Examples of Parent Education classes for parents and children together are Busy Babies, Taste of Preschool, and more.
- Parent-only classes help you navigate the ups and downs of the parenting journey, while sharing experiences with other caregivers.

Preschool Classes

- These classes nurture and expand your child's next step in their educational development.
- There are a variety of schedules to fit families' needs.
- As an extension to preschool, childcare is offered.

Additional Student Support Services

- Early Childhood Screening
- Early Childhood Special Education
- Financial Assistance

The Edina Early Learning Center Offers:

- Support for you and your child from day one, with classes for newborns through preschool
- A family education program with tools and resources so you can parent with confidence
- A developmentally appropriate, play-based learning approach
- An opportunity to connect with other families and opportunities in our community
- A place to belong and connect with other young families and discover ways to share your talents

The Edina Early Learning Center fosters an inclusive and welcoming environment where every child and caregiver feels valued and supported. We prioritize high-quality, play-based instruction that focuses on exploration, creativity, and growth, ensuring children learn in ways that are engaging and developmentally appropriate. Our inclusive practices celebrate diversity and promote equity, recognizing and respecting each child's unique background and learning style. By partnering closely with caregivers, we aim to create a strong, collaborative community where families feel heard and empowered, and children are equipped with the skills and confidence they need to thrive both inside and outside the classroom.”

Get to Know the ELC Teachers

Brenda Libert

Years teaching in ECFE/ELC/Edina: 25

What classes do you teach here? Baby & Me, Busy Babies, Toddlin Tykes, Tender Tots, Baby

& Toddler Playtime

What is your favorite part about teaching here? Establishing supportive, encouraging and trusting relationships with all the parents, caregivers, and children. Providing a loving, positive and educational experience every single day for everyone who enters my classroom.

How would you describe the experience at the ELC? It is the highest quality environment for caregivers to begin their parenting journey.

Advice for parents thinking about ECFE? Please join us asap! You will never regret, and you will always cherish your time spent at the ELC with your little one!!

What are your favorite hobbies outside of teaching? I love to garden, shop and go for walks by any large body of water!

Anything else you want families to know about you? Being a part of this amazing ECFE program for 25 years has been an incredible blessing and I am grateful for every day spent at the ELC.

Heather Whitesell

Years teaching in ECFE/ELC/Edina: 32

What classes do you teach here?: ECFE Taste of Preschool 2's

What is your favorite part about teaching here? Engaging with the families and being a part of their first school experience.

How would you describe the experience at the ELC? The ELC is a wonderful learning space with a natural progression as the child moves from one stage of development to the next.

Advice for parents thinking about ECFE? ECFE is a great space to come and meet other families with children of similar age and discuss relevant parenting topics with a licensed educator.

What are your favorite hobbies outside of teaching? I love running and reading and spending time with my family.

Linda Stotts

Years teaching in ECFE/ELC/Edina: 18

What classes do you teach here? Toddlin' Tykes, Tender Tots, 2 year olds, Parenting Middle

School Students, Parenting High School Students, Parenting Boys, Popular Topics in Parenting, Book Studies, and Individual Parent Education

What is your favorite part about teaching here? The incredible ECFE teaching team and the families we support.

How would you describe the experience at the ELC? I feel the experience we provide families in our classes is based on the development of their child as well as supporting the entire family structure. We have moms, dads, grandparents, nannies, older siblings, participating in our classes. They are here for the child and to better themselves as a parent/caregiver.

Advice for parents thinking about ECFE? It is amazing! You will be connected with other families and feel supported as you celebrate your child's growth.

What are your favorite hobbies outside of teaching? Spending time with my family, trips to our cabin, and walks around local lakes and parks.

Dawna St Martin

Years teaching in ECFE/ELC/Edina: 16

What classes do you teach here? 3 year old ECFE and Family Literacy

What is your favorite part about teaching here? Meeting new families, watching them form a community and observing student growth.

How would you describe the experience at the ELC? Over the years, the best experience is working with so many talented staff and meeting wonderful students and families.

Advice for parents thinking about ECFE? ECFE brings parents a sense of community, a knowledge of parenting topics and experiences and joys of watching their child thrive in a school setting.

What are your favorite hobbies outside of teaching? My family and I enjoy camping, hiking, biking and spending time with family and friends.

Libby Plowman

Years teaching in ECFE/ELC/Edina: 4 years

What classes do you teach here? Family Literacy, Taste of

Preschool, Toddlin' Tykes, Songs & Stories, Parenting Elementary Schoolers, ECFE 3's Preschool

What is your favorite part about teaching here? Getting to know families and their incredible kids. It's impossible not to smile when you see a caregiver and their child having fun discovering and playing together, but as a parent educator, it's also rewarding to have rich conversations about the "tough stuff" that can come along with being a parent.

How would you describe the experience at the ELC? Welcoming! There are so few judgment-free zones for parents in our society, but the ELC is warm, welcoming, and supportive. Parent education and ECFE are less about learning "how to parent" and more about discovering that as parents, we already have everything inside us that we need to be the caregivers our children need. Being reflective and practicing awareness with other parents helps us feel more empowered in our own families - and when we feel like we know what we're doing, we have a lot more fun doing it.

Advice for parents thinking about ECFE? Come join us! ECFE can be the "village" so many parents of young children are searching for—a place where children can learn and have fun, parents can be supported, and families can connect with new friends.

What are your favorite hobbies outside of teaching? Yoga, baking with my daughter, walking the lakes, and collecting children's books.

Early Childhood Family Education (ECFE)

Our ECFE program is the perfect starting point for your family's adventure with Edina Public Schools. Our Early Childhood Family Education (ECFE) program is dedicated to supporting all families, creating a welcoming and inclusive environment where everyone can learn, connect, and grow together. Our passionate, licensed Parent Educators and early childhood teachers are here to provide resources, support, and community for parents and caregivers, so that every family feels empowered on their child's educational journey.

In ECFE classes, you'll gain perspective on the world through your child's eyes, find a supportive network of parents sharing similar experiences, and discover a sense of purpose as you connect with others committed to building community.

At ECFE, we recognize you as your child's primary and most influential teacher. Our goal is to help you savor these precious moments together while equipping you with the tools to parent confidently.

Join us in giving your child the best possible start in life!

What Our ECFE Program Offers:

Classes for All Ages: Engaging parent-child classes designed for families with children from birth to age 5, helping each child build skills in a fun, nurturing setting.

Parent Education: Expert-led sessions covering topics like child development, behavior guidance, and parenting strategies to support your family at every stage.

Here's a preview of what you and your child will experience in ECFE:

Parent-Child Activity Time

Designed to strengthen the bond between you and your child while exploring learning through play. These interactive sessions create a wonderful opportunity for parents to engage with their children and other caregivers in a fun, supportive environment, guided by our experienced educators.

Parent Discussion

Offers a welcoming space where parents can connect, share experiences, and support one another. Led by experienced licensed Parent Educators, these groups provide valuable insights on child development, behavior, and parenting strategies, all while fostering a sense of community among families.

Children's Learning Time

In classes where children and parents separate for the parent discussion, children will stay with licensed early childhood teachers. During this time, children will develop social-emotional skills while playing and learning with other children.

We're here to help you get your child off to a great start! You are your child's first and most important teacher. We help you enjoy this time together, and give you the tools you need to parent with confidence.

Sibling Care

Sibling care is available while you are attending Parent Education. Children ages 6 weeks through 5 years spend time in age-appropriate exploration, play and activities under the supervision of our highly-trained, dedicated staff. Sibling care is available for all Parent Education classes offered between 8:30am and 3:30pm, Monday through Friday. Sibling care is not available for evening or weekend classes. Register when you register for your parent education class.

Sliding Fee Scale

For classes with a parent education (ECFE) component, tuition is charged on a sliding fee scale based on family household income. The price shown in the catalog is the most a family will pay.

Annual Income	Participant Pays
\$0 - \$24,999	10% of listed price
\$25,000 - \$44,999	25% of listed price
\$45,000 - \$59,999	50% of listed price
\$60,000 - \$74,999	75% of listed price
\$75,000+	100% of listed price

All Caregivers Welcome

While we use the word “parent,” we recognize that not all family structures look the same. Any and all adults parenting and/or caregiving are welcome in our classes.

Age Specifications

Class registration is based on your child’s age as of 9/1/2025. If you have questions please contact the Early Learning Center we will help you find the correct class for you and your family.

Additional Offerings Coming

Be on the lookout for more ECFE classes coming your way! Edina’s ECFE team is excited to offer new opportunities that will continue to support your family’s learning journey and strengthen connections. Stay tuned for updates.

Classes for Babies (0 to 12 months)

ECFE classes for the very youngest children have the parent education component within the classroom. Babies and caregivers learn, discover, and play together in a supportive environment.

Classes for Two-Year Olds (24 to 35 months)

Our two-year-old classrooms are designed to allow children to engage all of their senses as they sing, dance, create, build, problem-solve, communicate and socialize. Children gain confidence, trust and independence as their caregivers separate for a facilitator-led parenting discussion. Families can build a customized schedule for their child by adding the drop-off class to once- or twice-weekly ECFE Taste of Preschool options, or enrolling in it as an independent offering.

Drop & Play

Drop & Play classes are two hours of complete fun for your toddler or preschooler! The first 90 minutes of class are drop-off time - opportunities for your child to play, create, and socialize with other children while you have time for yourself. During the last 30 minutes of class, come join your child for a circle time led by one of our early childhood educators. Purchase a season pass and come as often as your schedule allows.

Cook & Learn

while making Jello!

Ingredients and Notes:

- **Jello mix** – This recipe uses the 3-ounce jello mix. You can make whatever flavor you want. Vegan and/or gelatin-free mixes will also work!
- **Boiling water** – Use an electric tea kettle to boil water on the fly; or a small saucepan will do. You'll need 1 cup boiling water.
- **Cold water** – You'll need just 1 cup of water. But make sure it's cold water, not room temperature.

Instructions:

1. Dissolve the mix in $\frac{3}{4}$ cup boiling water.
2. Add ice cubes to $\frac{1}{2}$ cup cold water to make 1 $\frac{1}{4}$ cups.
3. Stir the cold water into the mix until it's slightly thickened.
4. Then just remove any unmelted ice cubes, and refrigerate the jello mixture for 30 to 90 minutes, or until firm.

Ask your child these questions along the way:

Before mixing:

While feeling the outside of the bowl—how does it feel? Warm?

Feel the outside of the cold water bowl—how does it feel? Cold?

When you combine ingredients:

What does the mixture smell like once you add to the water and stir? Sweet?

What does the texture of liquid of the bowl look like/feel like?

After you take out the jello mixture from the fridge and add some to a bowl to taste:

How does the mixture feel?

What does it taste like?

Preschool for 3-5 Year Olds

Welcome to Edina Early Learning Center— A Place for All Learners!

At the Edina Early Learning Center (ELC), we believe that every child is unique and brings something special to our school. We welcome all learners with open arms, creating an inclusive environment where every child feels valued, supported, and inspired to grow. Our program is thoughtfully designed to meet the diverse needs of young learners, providing children with the tools they need to thrive socially, emotionally, and academically. Our students develop their emergent math and literacy skills through play based learning using The Creative Curriculum.

Socially, our students learn healthy social emotional skills through our school wide positive behavior system called The Pyramid Model. Our goal at the ELC is to support children's growth and learning so each child is ready to thrive in Edina Kindergarten.

A Day in the Life of a Preschooler:

Circle Time/Morning Meeting

Each day starts with attention focused on building a strong community through songs, read-alouds, stories and calendar. All staff model social and emotional skills, including creating and maintaining friendships.

Literacy

Students begin to develop their emergent literacy skills through activities focused on building concepts about print, oral language skills, comprehension, letters and sounds and some early writing practice.

Math

Emergent numeracy and math skills include activities that develop number sense, patterning, colors/shapes and other math concepts.

Science

Science is all around us and students will learn how to explore, question and discover through scientific themes like nature, plants, animals, ecosystems and weather.

Choice Time

Children can choose from a variety of themed centers derived from The Creative Curriculum such as art, science, sensory play, building blocks, and pretend play. Children are free to explore their interests, make independent choices, and engage with peers in meaningful ways. This time encourages creativity, problem-solving, and social development, helping each child learn at their own pace in a joyful environment.

Large Motor Movement

At the Early Learning Center, we understand the importance of physical activity in early childhood development. Movement can help children build strength, coordination, and confidence. At the ELC we have 4 large motor spaces at the ELC; two gyms, an Action Based Learning room, and a large enclosed safe playground!

Art, Music and Theater

Learning in preschools happens through an artistic, musical lens. Students will sing, dance and act out their learning multiple times each day.

Looking to extend your child's time at school?

Our wraparound childcare program complements the preschool day by offering extended hours and engaging activities that provide a seamless transition between structured learning and flexible play. Designed for busy families, this program ensures your child is in a safe, nurturing environment before and after preschool hours, with enriching activities that promote social skills, creativity, and relaxation. With age-appropriate games, arts and crafts, outdoor play, and quiet time for rest or reading, our wraparound care supports your child's well-being and development, giving you peace of mind and giving them a fulfilling, balanced day.

Consider adding child care to extend the school day! See our child care options on page 18.

NEW! Monthly tuition cap

Since publishing our ELC 2025-2026 catalog, we are thrilled to introduce our monthly tuition cap for our full-day preschool families. Affordable childcare options are available with tuition that **will not exceed \$1,630 per month per student** (combined preschool and childcare fees). Families can choose the childcare schedule that works best for them while staying within their budget.

Register for the childcare schedule that meets your family needs. After registration, our office will adjust your account to apply the monthly cap.

NOTE: Our apologies, the information regarding the tuition cap was omitted from the printed Early Learning catalog for school year 2025-2026.

Childcare for Preschoolers

Do you need childcare for your child before or after preschool? We've created flexible options just for you! Your child will be escorted by classroom staff to/from the childcare space when you add this option to your weekly schedule. Children enrolled in childcare enjoy a variety of age-appropriate academic and play-based activities. Students enjoy playground/gym time, creative art projects, circle time, and self-directed play. Quiet body time occurs and snack is provided each afternoon.

Children must be registered for an Early Learning Center preschool class to be eligible. Childcare follows the Early Learning Center calendar, so when school is not in session, childcare is closed.

Childcare is offered on a space-available basis.

Create your own tree using vegetable stampers!

Materials:

- **Raw Vegetables**—broccoli, mushrooms, cauliflower
- **Paint colors of your choice** for your tree's leaves
- **Tree outline**—draw your own or find a printout online

Instructions:

1. Separate paints into trays
2. Cut or separate vegetables so that the stem and top of vegetable are clean and dry ready to use as a stamper
3. Hold the stem of a vegetable and place the top of the vegetable into the paint, then place the vegetable top that is full of paint and stamp your leaves to the branches of the tree. The different vegetables should leave different paint patterns
4. Stamp your tree leaves with a mixture of different vegetables and colors of your choice until you feel your masterpiece is complete!

Get involved to support our school!

The ELC PTO is a non-profit group open to all parents/ caregivers of the ELC. There is no cost to join.

The ELC PTO exists to provide opportunities to engage with and support the ELC's mission of enhancing the quality of family life through early childhood and family education.

We do this through:

Advocacy

Community Engagement

Teacher Appreciation

Fundraising

Not only does the PTO support our school but it provides a way to meet and connect with other caregivers in our school community.

Please consider sharing your time and talents with the PTO! Learn more about how to get involved: earlylearning.edinaschools.org/get-involved/pto or email edinaelcpto@gmail.com.

We look forward to meeting you!

Additional Supports

Early Childhood Screening

Early childhood years from birth to the start of kindergarten are an important time of rapid growth. Early Childhood Screening is a quick and simple check of how your child is growing and developing. It is required by the state of Minnesota to be completed before starting kindergarten, and it is a FREE service that usually takes about an hour to complete.

At your child's first screening, a trained professional will check on the following:

- Vision and hearing
- Height and weight
- Immunization review
- Large and small muscles/motor skills
- Thinking, language, and communication skills
- Social and emotional development

To schedule your free screening:

Visit earlylearning.edinaschools.org/learning/developmental-screening

Early Childhood Special Education

Early Childhood Special Education (ECSE) is an Edina Public Schools program that provides intervention to young children, from birth to kindergarten, who show developmental delay in the general areas of speech and language, large and fine motor skills, social and emotional behavior, cognitive and/or adaptive skills, or have vision or hearing losses.

For more information:

Call 952-848-4231 or email early.learning@edinaschools.org.

Financial Assistance

ECFE Classes—Sliding Fee Scale

For classes with a parent education (ECFE) component, tuition is charged on a sliding fee scale based on family household income. The price shown in this catalog is the most a family would pay.

Annual Household Income	Participant Pays
\$0 - \$24,999	10% of listed price
\$25,000 - \$44,999	25% of listed price
\$45,000 - \$59,999	50% of listed price
\$60,000 - \$74,999	75% of listed price
\$75,000+	100% of listed price

Non ECFE Classes—Scholarship

For classes without a parenting component, financial assistance is available in the form of a preschool scholarship for qualifying families.

Please visit earlylearning.edinaschools.org/register and select “Financial Assistance” at the top menu. You can also contact our Outreach Specialist, Affey Sigat, at 952-848-3985 or affey.sigat@edinaschools.org for more information.

Cancellation and Refund Policy

We hate to do it, but sometimes Edina Early Learning Center has to cancel a class due to weather, low enrollment, or other evolving situations. And sometimes you need to cancel a class. We understand. Schedules and priorities change. Please visit our website at earlylearning.edinaschools.org and click on "Register" to learn more about cancellation timelines, refunds and fees for all of our programs, in addition to information about weather related cancellations, late pick-up fees and more.

Photo Consent

Unless you notify Edina Early Learning Center, photos taken within Early Learning Center classes/programs/activities may be included in Early Learning Center publications.

Data Privacy

Your privacy is important to us. The registration information you provide to Edina Early Learning Center is considered private data under state

and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g., no team roster or class confirmation). Access to contact information is limited to individuals involved in the activity.

Satisfaction Guaranteed

If for any reason you are not happy with the quality of one of our education programs, classes or activities, we want to know about it. We work hard to offer high quality programming that meets the needs of learners of all ages, stages, abilities and interests and to recruit dynamic, enthusiastic teachers who care about learning for life and connecting community. Please call us at (952) 848-3908 to offer your constructive feedback, and we will be glad to work with you to make things right.
