German 3 A/B (*p. German 2*)

Spanish 1 A/B

Spanish 2 A/B (*p. Spanish 1*)

Spanish 3 A/B (*p. Spanish 2*)

Check out our Pathways & Capstone Courses!

As students pursue their educational goals, they have the opportunity to follow focused Pathways to provide the necessary experience and skills for their next steps after graduation. Students can take individual courses within a Pathway or choose to complete a Pathway and have it included on their official transcript. Completing a Pathway requires 10 credits, including a capstone course. Students have several supporting courses and extracurricular activities to choose from to tailor their plans for their goals.

Capstone courses are the culmination of student exploration, learning, and experience within a career pathway. Specifically, students acquire, apply, and demonstrate learning in personalized ways that authentically reflect how professionals think and act within the career field. See course guide for more details on Pathway options, capstone courses, and opportunities.

COMMUNICATION & ARTS

NATURAL & APPLIED SCIENCES

HUMAN & PUBLIC SERVICES

BUSINESS & MANAGEMENT
