

TURN OF RIVER FAMILY NEWS

FROM DR. BONASERA, MR. ESCOBAR & MR. CAPOZZIELLO

- The second marking period ends on Thursday. Students can still improve their grades by turning in some late assignments.
- All parents and guardians are welcome to attend our online Safety Committee meeting on Friday morning (see below).
- Join us at Building One Community on January 30. Hear updates; share your feedback; and learn how to get involved. Attend in person or online (see below).

MEET OUR STAFF: LAURA DIAS

I am the Speech-Language pathologist at TOR. Becoming a staff member at TOR five years ago was one of the best moments in my career. Watching students grow over the three years they attend school here is an amazing thing to witness. I'm so proud of my students and all of the effort they put into being the best versions of themselves. Every child wants to be successful in school. I'm grateful for the opportunity to help them get there.
