

## **Proposal for Workshops**

The Remsen Teacher Resource Center (RTRC) is pleased to offer professional development through teacher-led workshops. This is an opportunity for educators to share knowledge and learn from one another. Workshop presenters will choose a topic and complete the proposal paperwork. Workshops should have at least three attendees and will be 1 hour in length.

Presenters will be compensated with a \$100 stipend for preparing for the workshop, plus an additional \$60 for leading the session. Certified teacher participants will receive \$40 for attending, and teaching assistants will receive \$25 for attending.

Workshop proposals should be submitted to the RTRC Director, where they will be reviewed by the RTRC's Workshop/PLC/PD Grant Committee. The RTRC will advertise for the workshop and give the presenter a list of team members who have signed up for the workshop.

RTRC Workshop Proposal

<b>Workshop Title</b>	
<b>Workshop Date</b>	
<b>Workshop Location</b>	
<b>Presenter</b>	

Describe the workshop focus area:
