

# 339.32(1)Career and Technical Curricula-Comprehensive Career/Counseling Calendar

**4. Does your school provide a comprehensive career counseling services curriculum to assist all students with unbiased occupational and educational information necessary for realistic career planning?**

**5. Does your school maintain a published annual calendar that includes a monthly listing of school counseling services offered, organized by domain (academic, career, social/emotional) and grade level? The calendar should include ongoing activities to assist all students (and their parents) with career planning to meet student needs and interests**
