District Goals

It is my pleasure to serve as the superintendent of the Pleasant Hill School District. We have an excellent school district, with committed employees who are focused on serving the needs of our children. We believe we are charged with meeting the needs of every kid every day! This Report Card is designed to provide you with information about our student's performance compared to students across the state and share highlights of the many supports and enrichment opportunities provided. Your child's growing ability as a student and a healthy family and community member is the best indicator of our work together.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
