Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

School Environment

REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

For 2020-21 Regular Attenders data please visit:

www.oregon.gov/ode/schools-and-districts/reportcards/reportcards/Pages/Regular-Attenders-2021.aspx

Academic Progress

INDIVIDUAL STUDENT PROGRESS

Year-to-year progress in English language arts and mathematics.

Data not available in 2020-21

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

School Goals

Our school strives to promote student success through fostering relationships, student engagement and literacy. We have been able to maintain smaller class sizes allowing staff to foster relationships not only with students, but families too. Students in grades K-3 are also provided additional reading support to build student foundational skills through our Title I program. All staff monitor student learning, providing students with remediation to acceleration across the curriculum.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure all students and their families feel safe and welcome as we assist every student in being successful. We are committed to provide equitable and inclusive environments bringing out the best in each student. All communications are sent to parents either via Seesaw, email or hard copy. Interpreters are provided for parent conferences and other school meetings as needed.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our school is a PBIS school with three guiding principles as part of our Billie Spirit program, be responsible, respectful and safe. Each classroom teacher provides students with instruction using Steps to Respect in the fall to assist students in identifying bullying and harassment and provide students with strategies for intervention. Students are encouraged to speak up when they see bullying, harassment or any safety issues. Each month the building PBIS team meets to review all monthly data adding additional interventions if necessary.

EXTRACURRICULAR ACTIVITIES

All extra-curricular activities for the 2020-2021 school year were suspended due to Covid.

PARENT ENGAGEMENT

Our school has an incredible parent community. Our PTO provided each student in the school a monthly book to read, as well as special surprises in the form of activities and incentives for reading. In addition, the PTO provided funds for guest speakers and additional activities such as Wildlife Safari. Due to Covid we were not able to hold our annual family literacy activities, science, and knowledge nights.

COMMUNITY ENGAGEMENT

We partner with local businesses to provide students with learning opportunities within our immediate community as well as county:
Local Farms
Local Businesses
Fire Department
State Parks
Forest Service
Watershed Council
Museums
Each year we hold a food drive to connect our students and community working together collecting food for families in need. Last year we collected over 1500 items.

Data are suppressed to protect confidential student information.
