

1/17/25

Dear Wyoming Families,

It was great to have our first full week of school in 2025! This week we were able to send our Model UN team off to compete at the University of Michigan and our Mock Trial team competed at the Hamilton County Courthouse. We also celebrated several of our student athletes who participated in a fall sport.

The scheduling process for the 2025-2026 school year is on the horizon. In the next few weeks, we will share the Course Guide and hold informational meetings during the school day to help students prepare for their course selections. Please be on the lookout for more information regarding upcoming family meetings that will take place in early February. Throughout this process we will also share information related to CCP and Flexible Credit.

Thank you for your continued support and collaboration! We wish everyone a wonderful weekend!

TESTING

SOPHOMORES & JUNIORS

Save the Date - State/District ACT for all juniors and PreACT for all sophomores will be February 25, 2025.

The State/District ACT is an opportunity for every junior to take the ACT at no cost to their family. Scores from this ACT administration could assist students in earning the [College Readiness Seal](#) for graduation and assist in their college search.

The PreACT provides sophomores with a jumpstart to their college and career planning. By taking the PreACT as a sophomore, students will have the opportunity to get a feel for the content, timing and scoring of the ACT, but they'll also be able to:

- Identify your current academic readiness for college and career using your PreACT score report
- Predict how you'll perform on the ACT after an additional year of learning
- Determine skills you can improve based on your performance
- Explore with PreACT assessment how your career aspirations align with your interests

The PreACT will be administered online. This is to ensure students have an opportunity to take an online version of the ACT before the ACT makes changes in 2025.

The State/District ACT will be administered on paper. Our juniors have already practiced the ACT on paper and will continue with that format. Changes to the National ACT will not begin until the end of the junior year. With the new enhancements to the National ACT, students will be able to choose if they will test online or on paper.

For more information on the enhancements coming to the ACT, click [HERE](#).

CAREER EXPLORATION

Wyoming High School and Hamilton County ESC have partnered to introduce LinkedUp Connect – a new online platform that connects students with real-life work-based learning opportunities. Through LinkedUp Connect, students can explore pre-apprenticeships, internships, job shadowing, community service, and more, all tailored to their interests.

These experiences not only prepare students for the workforce but also play a key role in meeting Ohio's graduation requirements. Encourage your student to take advantage of this innovative tool and explore the opportunities waiting for them with LinkedUp Connect!

This year's program is only open to juniors and seniors. If you would like to have access to the opportunities available through LinkedUp Connect please complete the [LinkedUp Connect Parent Consent Form](#). To report a student absence, a parent or guardian should send the dates and reason for the absence to whsattendance@wyomingcityschools.org or call 513-206-7062.
