2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> .

2024-25 School Description and Mission Statement

Redlands eAcademy is a WASC-accredited, public K-12 blended learning school that combines online learning with regular teacher and peer interactions. Our elementary school program uses traditional textbooks in a modified home-schooling format that provides parents with credentialed teachers to assist in planning and instruction while giving students regular peer interactions in small group instructional settings. In Middle School, our students transition to online curriculum while continuing to work in hands-on ways in regular small-group settings with teachers and peers. Our High School program offers full "a-g" courses, science wet labs, and AP courses in a rigorous yet supportive culture. The eAcademy culture emphasizes curiosity, conscientiousness, resilience, persistence, gratitude and self-control in order to develop effective communicators, innovative

thinkers and contributing citizens who demonstrate character and leadership.

MISSION STATEMENT: Our mission is to equip students with the academic, critical thinking, interpersonal, and leadership skills necessary to confidently achieve their post-secondary educational and career goals.

VISION STATEMENT: The Redlands eAcademy, in partnership with families, will provide a rigorous and relevant alternative K-12 educational program in a safe and supportive environment that combines standards-based curriculum with digital and small group instruction.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Our K-5 campus is shared with our district's Continuation High School, and our Gr. 6-12 campus is adjacent to Redlands East Valley HS, one of our district's comprehensive high schools. The facilities are well-maintained and meet the needs of our students and our program. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at www.redlands.k12.ca.us. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2023-24 Career Technical Education Programs

Many of our students take concurrent classes at our local community college which provides a natural connection to both higher education and career programs. Many of our electives are career-focused as well, including Digital Arts, Intro to Business, Intro to Health Sciences, Career Planning and Development, and Personal Finance.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Redlands eAcademy has a robust parent community who are actively involved in shaping our school culture. Our PTSA, the first blended learning PTSA is San Bernardino County, is active in fundraising, community involvement and supporting teachers and students at eAcademy. We have regular Coffee with the Administrator/Counselor meetings where feedback from parents is reviewed (as solicited) and information provided. Our way of doing school naturally involves parents, and our staff depends upon parental feedback to ensure programs are meeting student needs. Parents are strongly encouraged to participate in their child's weekly 1-on-1 meetings with a supervising teacher for the purpose of providing ongoing feedback to both students and our school system. Information about parental involvement is on the PTSA section of our website, or can be obtained by calling (909) 748-6941.

2024-25 School Safety Plan

Our schoolwide safety plan was updated Fall of 2023 and shared with leadership and PTSA in October of 2024 - it was made available for parents to view in the school office. It includes disaster preparedness teams, dates for monthly drills to rehearse various potential safety situations, including fire, earthquake, and intruder on campus drills. Each team member is briefed of

their job as well as the jobs of colleagues. We rehearse these regularly to ensure understanding of procedures and alignment with district procedures, including full disaster drill annually during the Great American Shakeout.

Fiscal Year 2023-24 Types of Services Funded

Redlands eAcademy is a blended learning online school, built on a foundation of independent study. We have crafted a system that combines the independence of traditional I.S. environments with regular face-to-face interaction with teachers and peers in small groups throughout the week. Students attend 2-3 days per week and work independently on other days. We offer daily tutoring in math, science, history, and English for students in need of additional support. We have SAI support teachers who help craft and manage pathways for student with IEPs and a Physical Education teacher for all students, K-12. We offer several Middle School and High School elective options, including Drama, Yoga, Yearbook, and ASB. We also have active student clubs including computer coding, yoga, guitar, and others.

Professional Development

After a focus on Universal Design for Learning, effective data teams, building healthy student-to-student relationships and WASC -related review/refreshment of our core Mission and Values, we continued our attention of Professional Development in alignment with the district Equity initiatives "By Name By Need" as well as the new requirements of Title IX across the district. We also meet multiple times a semester to go through data analysis of monthly school and district assessments to identify our strengths and weaknesses continually and create actions plans to work towards filling in our student gaps.
