- Digital Citizenship Report (Jeanine David & Minnie Dayton)
Minnie; 7th grade students; 2 day teaching of what is appropriate on line. How to safely navigate our digital world.
Students had the net smart assembly
Jeanine; digital literacy class
8th grade students 6-7 days on using and being safe on the internet. How is technology good and bad. Web site credibility
SCC discussion ; cell phones are not allowed to be out and used during class.
- School Safety Report (**Annette Hepworth**, Dee Downs)
Annette (school safety specialist); NC has new protocols for emergencies. District has helped safety in the school.
All outside doors are electronically locked Eventually there will be a vestibule for entrance into the school.
Dee; Lucky to have Annette as our safety specialist, she does an outstanding job.
- Positive Behaviors Plan update (**Dee Downs**/Brinley Godfrey/Robin Donohoe)
Dee; students need to understand what positive behaviors are These are taught at the start of the school year and refreshed at the start of each trimester. Students earn incentives each trimester as well as weekly drawings for prizes.
Part of this is drug and alcohol use and abuse. School resource officer works with students on this
SCC discussion; Students at North Cache are kind to each other and they are good to help each other.
