

# EDEN HALL UPPER ELEMENTARY

**INTRODUCING...**

**"LIGHTS, CAMERA, ACTION: SPOTLIGHT ON  
LEARNING"**

This quarter we are focusing on staying motivated inside and outside of the classroom!

Greetings, EHUE Families,

It's hard to believe we have already wrapped up another quarter! Our EHUE stars have been hard at work and we're thrilled to share some of the amazing things our students have accomplished!

As we dive deeper into our theme, "Lights, Camera, Action! Spotlight on Learning," inspired by the book *Lotte's Magical Paper Puppets* by Brooke Hartman, we've experienced some truly spotlight-worthy moments. Our students recently completed their winter STAR assessment. This important tool helps us track their progress and growth this year, while also providing valuable insights that guide our instructional planning. We're incredibly proud of the growth we've seen and are excited to continue tailoring our instruction to meet the unique strengths, needs, and interests of each student.

Our Music Department continues to deliver an incredible series of performances over the past month! It's been inspiring to witness the dedication and hard work that have gone into these events. Every performance is a testament to the effort our students and staff have put in, and it's clear how much pride they take in showcasing their talents. Be sure to check out some of the recent concerts recorded by PRTV! Our ensemble teams were spreading the holiday cheer by visiting different areas of the building to play festive tunes before our winter break!

# EDEN HALL UPPER ELEMENTARY

Our students are buzzing with excitement for the upcoming Battle of the Books, with the kick-off meetings taking place last month! We're thrilled to share that this year, we have the largest number of teams ever enrolled in Grade 4! It's wonderful to see so many students eager to participate and engage in this fantastic reading challenge. As a reminder, we have shared the Battle of the Books dates in our upcoming events below.

On January 20, we celebrated the life and legacy of Martin Luther King Jr. Our school has been honoring the life and legacy of Dr. King through a variety of engaging and meaningful activities. Our entire school community participated in the morning announcements, where we discussed Dr. King's life, legacy and lasting impact on society. Each biome continues to engage in activities such as reading books about Dr. King, participating in thoughtful discussions, creating art projects, watching videos and reading articles to gain a deeper understanding of his monumental contributions. Student work will be displayed throughout the building, highlighting their reflections and creative expressions as a tribute to Dr. King.

On January 24, we will have our RAMS Way Refresh Assemblies! Our RAMS Way Committee and H.E.R.D. have been hard at work planning this assembly for our school community. We will meet by grade level and review our RAMS way expectations with students, as well as engage in some fun games to remind us of the RAMS way! Additionally, all grade levels will celebrate earning their RAMS Way Quarter 2 reward on February 14.

## **Upcoming Events: [EHUE Website Calendar](#)**

January 24: Grade 6 PTO Dance 6:30 - 7:00 PM

January 29: Grade 4 Orchestra Concert
