FCAHS LIBRARY NAMED BEST IN STATE

The Fox Chapel Area High School library has been named the 2025 Outstanding Pennsylvania School Library by the Pennsylvania School Librarians Association (PSLA).

“The Fox Chapel Area High School library is an exemplary school library as evident in the programming, community outreach, and daily

interactions ... with students and staff,” SLA President Sarah DeMaria says.

She cited the Shelf Care Club as an example of how the library impacts students each day. The club is centered

around self-care through books.

“The Shelf Care Club is a way for students to practice self-care by reading and discussing books that focus on many mental health topics relevant to young adults today,” librarian Dr. Laura Ward says. “We read about challenging topics that provoke deep discussion.”

Registration for Fox Chapel Area’s pre-kindergarten program is now open. Information about eligibility guidelines and the enrollment process is available at www.fcasd.edu.
