

**Texas Education Agency Migrant Education Program (MEP)
Data Collection and Reporting Guidance for the 2024-25 MEP Evaluation**

2024-25 MEP Evaluation Requirement	Data Collection and Reporting Guidance
Form 1: Student/ OSY Survey	<p>At the end of the school year or summer, distribute (i.e., email, text message) the QR code or link to the online Student/Out-of-School (OSY) Survey to a sample of migratory students in grades 9-12 and OSY that received MEP services in 2024-25 (for each project district as part of a SSA or independent, or non-project districts served by the ESC - 10% of migratory students/OSY receiving services or 15 surveys, whichever is greater; if district has less than 15 students/OSY, then all should be surveyed).</p> <div style="display: flex; align-items: center; justify-content: center;">  <div> <p>Form 1: MEP Student/OSY Survey</p> <p>Link: https://www.surveymonkey.com/r/TX2024-25StudentOSYSurvey</p> </div> </div>
Form 2: Parent Survey	<p>At the end of the school year or summer, distribute (i.e., email, text message) the QR code or link to the online Parent Survey to a sample of migratory parents/family members that received MEP services in 2024-25 (for each project district as part of a SSA or independent, or non-project districts served by the ESC - 10% of families receiving services or 15 surveys, whichever is greater; if district has less than 15 parents, then all should be surveyed).</p> <div style="display: flex; align-items: center; justify-content: center;"> <div style="margin-right: 10px;"> <p>Form 2: Parent Survey</p> <p>Link: https://www.surveymonkey.com/r/TX2024-25ParentSurvey</p> </div>  </div>
Form 3: Staff Survey	<p>At the end of the school year or summer, distribute the QR code or link to the MEP Staff Survey to collect a sample from each project district or SSAs served by the ESC. (Sample should be 10% of MEP staff or 15 surveys, whichever is greater; if district has less than 15 staff members, then all should be surveyed).</p> <div style="display: flex; align-items: center; justify-content: center;">  <div> <p>Form 3: MEP Staff Survey</p> <p>Link: https://app.smartsheet.com/b/form/6759e2e56c1b40608305ee9ef90de009</p> </div> </div>
MPOs 1A/1B	<p>Report pre/post-test reading and math scores for migratory students that received MEP-funded services during the 2024-25 performance period. If reading and math instruction was not provided, or provided remotely, indicate students that received instruction, but do not enter pre/ post-test scores. If a student has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation.</p>
MPO 1C	<p>Report pre/post-test Project SMART scores for migratory students that received instruction in 2024-25 using Project SMART. If a student has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation.</p>
MPO 2B	<p>Report pre/post-test ABB scores for migratory children that received ABB instruction in 2024-25. If a child has a pretest score or a post-test score but not both, please enter that score in TX-NGS to allow for a count of students assessed for the Texas MEP evaluation.</p>
