

Annie Pennycook Elementary School

2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Contact Information

School Name	Annie Pennycook Elementary School
Street	3620 Fernwood St.
City, State, Zip	Vallejo, CA 94591-6648
Phone Number	707.556.8590
Principal	Danesha Randolph
Email Address	drandolph@vcusd.org
School Website	www.vcusd.org
Grade Span	
County-District-School (CDS) Code	48 70581 6051379

2024-25 District Contact Information

District Name	Vallejo City Unified School District
Phone Number	(707) 556-8921
Superintendent	Ruben Aurelio
Email Address	raurelio@vcusd.org
District Website	www.vcusd.org

2024-25 School Description and Mission Statement

"Pennycook Scholars are learners today and leaders tomorrow."

Pennycook Elementary School is a Leader in Me School, located in Vallejo. We provide enriching learning experiences for more than 300 students in preschool/transitional kindergarten through fifth grade. We are privileged to have a county-wide Deaf and Hard of Hearing (DHH) program at our school that serves students preschool through fifth grade. Some of those students are integrated into our general education classrooms. Additionally, we are a Full Service Community School and house Pennycook's School-Based Health Center which provides an array of critical services, including primary medical care, health education, and nutrition services to students in Vallejo's public schools.

As a targeted Title 1 school we utilize categorical funds to support identified students who are most at risk. The funds assist us in providing extended learning time for targeted students and additional support during the school day. We also use LCAP funding to support our LCAP goals of:

- Increase parent and community engagement through the use of community centered education strategies.

- Provide a vibrant culture of teaching and learning grounded in equitable opportunities and equitable outcomes.

- Create a safe, supportive, and engaging learning environment for students and staff.

- Students will be provided with equitable opportunities including resources and support to ensure equitable outcomes and

2024-25 School Description and Mission Statement

reduce disproportionality among student groups.

SCHOOL MISSION

We Plan and Achieve by setting academic and personal goals which result in highly effective people. Our Vision is to have Pennycook Scholars as Learners today working toward becoming Leaders of Tomorrow. We Value the 8 Habits leading to an increase in student self-confidence, teamwork, initiative, responsibility, creativity, leadership, communication and diversity awareness. Our Goal is to increase academic performance, teacher engagement and parent involvement, decrease disciplinary issues and improve school culture and attendance.

Major Achievements – Most Recent Year

Pennycook offers the following enrichment activities for students including a Before and After School Support Program provided by LCAP funds. Programs have included:

- Brickspace
- Activities including cooking, painting, art, knitting, chess club, yearbook, youth leadership, and music
- VAPA
- Yearbook
- Leadership
- Intervention Opportunities (Opportunities for students who need extra support are provided on an as needed basis. Students needing extra support may be offered instruction during or after school.)

In addition, Our students participate in enriching and fun activities throughout the year that are supported by our staff community and volunteers. These include festivals and community events, field trips, fitness, leadership opportunities, student performances, and assemblies.

Working together, Pennycook Scholars are learners today and leaders tomorrow.

About this School

2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Local Assignment Options			
Total Out-of-Field Teachers			

Class Assignments			
Indicator	2020-21	2021-22	2022-23
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)			
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)			
Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp .			

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials			
All textbooks are from the most recent adoption. There are sufficient textbooks and instructional materials for each student. Supplemental materials are utilized to support student interventions and are outlined in the School Plan for Student Achievement. All textbooks are selected from the most recent list of standards-based materials by the State Board of Education (SBE). 100% of students have their own assigned textbook and instructional materials.			
Year and month in which the data were collected		October 2024	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt California Journeys /2017	Yes	0
Mathematics	Savvas enVision Math: Common Core/2022	Yes	0
Science	K-5th: Twig Science/2020	Yes	0
History-Social Science	Pearson My World /2019	Yes	0
Note: Cells with N/A values do not require data.			

School Facility Conditions and Planned Improvements				
Pennycook School was built and dedicated in 1955. During the 2003-2004 school year, our entire school was totally renovated inside. Everything from new doors, floors, windows, air conditioning/heating, whiteboards, and new bathroom facilities were installed. During the renovation, our school facilities were technologically updated. The renovations were funded through the Measure A school bond.				
A work order has been submitted to address the school facility report status "fair."				
Year and month of the most recent FIT report			August 2024

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races

Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
Science (grades 5, 8 and high school)						

2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2023-24 Career Technical Education Programs

--

2023-24 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2023-24 Pupils Enrolled in Courses Required for UC/CSU Admission	
2022-23 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	93.2	98.3	100	98.3	100

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Our parents are valued partners and advocates for the success of our students and school programs. Parents have several opportunities to become involved at school. We encourage parents to take an active role in the School Site Council, English Learners Advisory Council, and community member meetings. We also invite parents to volunteer their time by providing assistance in classrooms, in our library, and on the playground. All parent volunteers must be fingerprinted and cleared by the school district in order to work with our students. Parents are also invited to attend schoolwide activities such as: Family Fun Day, Back to School Night, Student Led Parent Conferences, Halloween Parade, Winter Concert, and Leadership Day.

Please contact the school at (707) 556-8590 for information regarding organized opportunities for parental involvement.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
Dropout Rate									
Graduation Rate									

2023-24 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

2024-25 School Safety Plan

The staff and students of Pennycook School are committed to promoting a safe, respectful and responsible school environment that empowers students and staff to show their leadership abilities.

While we encourage parents and families to be involved during the school day, we insist visitors sign in at the main office and get a Visitor’s Pass before going to a student’s classroom. If students need to leave during the school day, an adult must come to the school office and sign out the student. Our safety policies and procedures are shared with students and parents at the beginning of the year through our parent handbook and school assemblies.

The Pennycook School Comprehensive School Safety Plan was revised in October, 2024. The plan covers: earthquakes, fires, bomb threats, utility failure, explosions, chemical accidents, school visitors, CPR, first aid, communication, board policies, discipline policies, school crime, and child abuse. As a school, we take part in monthly emergency drills to prepare for various emergency situations.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2023-24 Elementary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

Science				
Social Science				

2023-24 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2023-24 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	9100	2131	6968	73848
District	N/A	N/A	12426	79189
Percent Difference - School Site and District	N/A	N/A	-56.3	-4.4
State	N/A	N/A	7607	95160
Percent Difference - School Site and State	N/A	N/A	-8.8	-16.8

Fiscal Year 2023-24 Types of Services Funded

Pennycook School receives funding from the State of California through two different programs. Our School Site Council works with the staff in administering our Targeted Title 1 Funds and Local Control Accountability Plan (LCAP) funds. These funds are used to provide teacher leader support and provide before and after school intervention programs for struggling students in reading and math and English Language Learners.

Percent of Students in AP Courses	
-----------------------------------	--

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	
Where there are student course enrollments of at least one student.	

Professional Development

Staff professional development consists of: Leader in Me, Trauma Informed Care, PBIS (Positive Behavior Intervention Support) training, Best Practices in Math and Language arts including writing, 6 steps phonics, and reading. Many staff members also attend summer workshops including Core Reading Implementation, and Core Math Training. During the year, subs are provided to allow teachers opportunities to meet with the school's teacher leader for coaching, lesson planning, and data chats. During the school year teachers also have opportunities to observe in other classrooms. The teacher leader also pushes in to classrooms to model lessons and teaching strategies. The school is also visited several times per year by the

Professional Development

CORE math and CORE reading representatives for teacher and staff training, coaching, planning, and collaboration.
